SEC. 5. (a) There shall be twelve districts in the continental United States, excluding Alaska, which shall be known as farm credit districts, and may be designated by number. The boundaries of the twelve Federal land bank districts existing as of the date of enact- ment of this Act shall be the boundaries of the respective farm credit districts. Such boundaries may be readjusted from time to time in the discretion of the Farm Credit Administration, provided that said districts shall be apportioned with due regard to the farm credit needs of the country and no such district shall contain a fractional part of any State. The designations "Federal land bank district" and "land bank district" wherever used in the Federal Farm Loan Act, or in any Act amendatory thereof or supplementary thereto, are changed to "farm credit district" and shall hereafter be deemed to refer to the farm credit districts provided for in this section.

(b) There shall be in each farm credit district a farm credit board, which shall be selected as hereinafter specified and shall be composed of seven members. Each farm credit board shall include in its title the name of the city in which the Federal land bank, Federal intermediate credit bank, production credit corporation, and regional bank for cooperatives of the district are located. Three of the members of said board shall be known as elected directors of whom one shall be chosen by national farm loan associations and borrowers through agencies, one shall be chosen by production credit associations of the district, and one shall be chosen by cooperatives which are stockholders or subscribers to the guaranty fund of the regional bank for cooperatives in the district. Three of the seven members shall be known as district directors, of whom two shall be appointed by the Governor of the Farm Credit Administration and one, who shall be known as the third district director, shall be chosen as hereafter in this section provided. The seventh member of such board shall be known as director at large and shall be appointed by the Governor of the Farm Credit Administration.

(c) The directors of the Federal land bank of each district who are in office on the date of enactment of this Act shall constitute the farm credit board of the district and shall serve as members thereof for the remaining portions of the terms for which they were respectively elected or appointed as directors of the bank. Except as otherwise provided by this Act, the successor to each original member of the farm credit board shall be selected in the manner in which such member was selected as a director of the Federal land bank.

(d) Each third district director shall be selected as follows: Each national farm loan association and borrower through agencies in the district shall nominate, in the manner provided herein for the nomi- nation of candidates for elected directors, one candidate for such director, and from the three persons having the greatest number of votes as nominees the Governor of the Farm Credit Administration shall appoint such director. No third district director who is removed from office pursuant to section 17 (h) of the Federal Farm Loan Act may be nominated to succeed himself.

(e) At least two months before an election of an elected director the Farm Credit Administration shall cause notice in writing to be sent to those entitled to nominate candidates for such elected director. In the case of an election of a director by national farm loan associations and borrowers through agencies, such notice shall be sent to all national farm loan associations and borrowers through agencies in the district; in the case of an election by production credit associations, such notice shall be sent to all production credit associations in the district; and in the case of an election by cooperatives which are stockholders or subscribers to the guaranty fund of the bank for cooperatives of the district, such notice shall be sent to all cooperatives which are stockholders or subscribers to the guaranty fund at the time of sending notice. After receipt of such notice those entitled to nominate the director shall forward nominations of residents of the district to the Farm Credit Administration. The Farm Credit Administration shall, from the nominations received within thirty days after the sending of such notice, prepare a list of candidates for such elected director consisting of the ten nominees receiving the highest number of votes.

Notice and procedure of nominating elected directors.

(f) At least one month before the election of an elected director the Farm Credit Administration shall mail to each person or organization entitled to elect the elected director the list of the ten candidates nominated in accordance with the preceding paragraph of this section. In the case of an election of a director by national farm loan associations and borrowers through agencies, the directors of each farm loan association shall cast the vote of such association for one of the candidates on the list. In voting under this section each such association shall be entitled to cast a number of votes equal to the number of stockholders of such association and each borrower through agencies shall be entitled to cast one vote. In voting under this section each production credit association shall be entitled to cast a number of votes equal to the number of the class B stockholders of such association. In voting under this section each cooperative which is a holder of stock in, or a subscriber to the guaranty fund of, the bank for cooperatives shall be entitled to cast one vote. The votes shall be forwarded to the Farm Credit Administration and no vote shall be counted unless received by it within thirty days after the sending of such list of candidates. In case of a tie the Farm Credit Administration shall determine the choice. SEC. 22. The fourteenth paragraph of section 7 of the Federal Farm Loan Act, as amended, (12 U. S. C., 1934 edition, title 12, sec. 723 (c)) is further amended by adding at the end thereof: "Any borrower's interest in such stock may be transferred or hypothecated, by him or by operation of law, to the Federal Farm Mortgage Corporation."

SEC. 23. Effective thirty days after the date of the enactment of this Act, the second paragraph of section 8 of the Federal Farm Loan Act (U. S. C., 1934 edition, title 12, sec. 732) is amended to read as follows:

"Every shareholder shall be entitled to one vote, and no more, at all elections of directors and in deciding all questions at meetings of shareholders."

SEC. 24. Effective thirty days after the date of the enactment of this Act, the first sentence of the fifth paragraph of section 9 of the Federal Farm Loan Act, as amended (U. S. C., 1934 edition, Supp. II, title 12, sec. 745), is further amended by striking out the word "two-thirds" and inserting in lieu thereof the word "majority".

SEC. 25. (a) Section 9 of the Federal Farm Loan Act, as amended (U. S. C., 1934 edition, title 12, secs. 741 to 745), is further amended by adding at the end thereof the following new paragraphs:

"Any other provisions of law to the contrary notwithstanding, two or more national farm loan associations may with the approval of

the Farm Credit Administration, and by an agreement not inconsistent with any rules and regulations prescribed by the said Administration, provide for a common board of directors to be elected by the shareholders of the associations that are parties to the agreement: *Provided, however,* That each member of any such board shall be a shareholder in an association that is a party to the agreement and shall be a bona fide resident of the territory within which such association is authorized to do business: *And provided further,* That no such agreement shall provide for a term of office in excess of three years for any member of such board. The number of members of the common board of directors shall be specified in the agreement and shall be five or more. The agreement may provide that any director may be elected by the shareholders of one or more of the associations which are parties to the agreement; that in the balloting for any director an association may vote at a separate meeting of its shareholders or at a joint meeting with the shareholders of any other association or associations participating in the election of the director; and that the candidate receiving the highest aggregate number of votes at such meeting or meetings shall be declared elected. Whenever two or more national farm loan associations have entered into such an agreement, the members of the common board of directors provided for in the agreement shall be ex officio the members of the board of directors of each association that is a party to the agreement, any provisions of this Act to the contrary notwithstanding.

"Whenever a national farm loan association has entered into such an agreement, the power of approving applications for loans through the association and the power of admitting persons to membership in the association shall be vested in the loan committee of the association in lieu of being vested in its board of directors. The loan committee of any such association shall be elected annually by the shareholders of the association, instead of by its board of directors, and the shareholders shall in addition annually elect two alternates to serve as members of the loan committee at such times as regular members may be absent or disqualified."

(b) Whenever it shall appear that the capital stock of a national farm loan association is impaired, the Farm Credit Administration may authorize the Federal land bank of the district in which such association is located to make loans to applicants through such association subject to the requirements and conditions specified for direct loans in paragraphs 12 to 16, both inclusive, of section 7 of the Federal Farm Loan Act, as amended (U. S. C., 1934 edition, title 12, sec. 723), except as herein otherwise specifically provided, and may authorize such association to elect to membership borrowers having loans made pursuant to said paragraphs on lands situated within the chartered territory of the association. Borrowers admitted to membership in the association pursuant hereto shall be entitled to vote and hold office in the association and the rate of interest on their loans shall be one-fourth of 1 per centum per annum less than the rate of interest provided at such time for direct loans. The association shall endorse all such mortgage loans but it shall not become liable therefor except as hereinafter provided.

When there are ten or more borrowers admitted to membership in an association pursuant hereto whose loans are in good standing, as defined by the Farm Credit Administration, and aggregate not less than \$20,000:

First. The association shall become liable for the payment of said loans: *Provided, however,* That, any other provisions of law to the contrary notwithstanding, the shareholders who have become members pursuant to this subsection shall not be held responsible, through the amount paid in and represented by

their shares or otherwise, for any contracts, debts, or engagements of the association entered into before the date on which the first member was admitted to the association pursuant to this subsection and the shareholders of such association who were members prior to said date shall not be held responsible, through the amount paid in and represented by their shares or otherwise, for any mortgages endorsed by such association on or after said date, but this provision shall not be construed to relieve any other liability with respect to stock held by shareholders who were members prior to said date.

Second. The interest rate paid by each such borrower on each such loan shall, beginning with the next regular installment date, be reduced one-fourth of 1 per centum per annum.

Third. The stock in the Federal land bank held by each of said borrowers shall be exchanged for association stock in the manner provided for in paragraph 15 of section 7 of the Federal Farm Loan Act, as amended (U. S. C., 1934 edition, title 12, sec. 723, subsec. (d)).

Fourth. The association may thereafter admit new members, endorse their loans, and become liable for the payment of such loans as provided in paragraph "First" of this subsection.

Fifth. At the next annual meeting of stockholders, and thereafter, the loan committee of such association may be elected by the members who become stockholders pursuant to this subsection and any loan committee so elected shall have the powers specified for loan committees elected as provided in subsection (a) of this section: *Provided, however,* That in the event such stockholders fail to elect the loan committee, new members shall be admitted to the association as otherwise provided in the Federal Farm Loan Act, as amended.

Sixth. In accordance with rules and regulations prescribed by the Farm Credit Administration, the association shall maintain separate capital-stock records; shall keep all capital losses or gains, reserves (including legal reserves), and dividends received from the Federal land bank on stock owned by the association in connection with loans for which it becomes liable as provided in this subsection separate and apart from capital losses or gains, reserves (including legal reserves), and dividends received from the Federal land bank on stock owned by the association in connection with other loans of the association; and shall segregate any undivided profits of the association resulting from its business operations in like manner when so required by rules and regulations of the Farm Credit Administration. Subject to the other provisions of the Federal Farm Loan Act with respect to the declaration of dividends, dividends may be declared exclusively on association stock owned by borrowers with loans for which the association becomes liable as provided in this subsection or exclusively on association stock owned by borrowers with other loans through the association.

If the loan of any borrower who was admitted to membership pursuant hereto is not in good standing at the time when there are ten or more borrowers with loans aggregating not less than \$20,000 which are in good standing, the provisions of paragraphs "First", "Second", and "Third" of this subsection shall be applicable to his loan at such time as it shall be placed in good standing.

If and when all impairment is removed in the stock owned by shareholders with loans which were made prior to the date on which the first member was admitted to the association pursuant to this sub-

section, the holders of such stock and the holders of stock issued on and after said date may, pursuant to rules and regulations of the Farm Credit Administration and consistent with the provisions of the Federal Farm Loan Act, as amended, agree as to the rights, powers, privileges, duties, and liabilities which shall thenceforth attach to their respective shares of stock and otherwise agree as to the future applicability, if any, of the special provisions contained in this subsection.

(c) Section 11 of the Federal Farm Loan Act, as amended (U. S. C., 1934 edition, title 12, sec. 761), is amended by adding a paragraph at the end thereof reading as follows:

"Fifth. Whenever a Federal land bank shall have empowered any national farm loan association of its district to collect and pay over to said bank the dues, interest, amortization installments, and other sums payable under the terms, conditions, and covenants of the mortgages taken from its shareholders, such association may, with the approval of said bank, enter into an agreement with another association operating in the same or adjacent territory to make such collections, for and on behalf of the association thus empowered to do so, on any or all of said loans, and immediately pay the amounts so collected to said land bank. Such agreements shall be made upon such terms and conditions and for such consideration as may be approved by the Farm Credit Administration."

(d) Section 29 of the Federal Farm Loan Act, as amended (U. S. C., 1934 edition, title 12, secs. 961-966), is further amended by adding at the end thereof the following new paragraphs:

"Upon receiving satisfactory evidence that any national farm loan association has failed to meet its outstanding obligations of any description, and that it will be to the best interests of its creditors and stockholders for the association to continue in business, the Farm Credit Administration may, in its discretion, in lieu of appointing a receiver as hereinabove in this section provided, appoint a conservator for such association and require of him such bond and security as the Administration may deem proper. The person so appointed shall be a land bank appraiser appointed under the authority of section 3 of this Act: *Provided, however,* That the Farm Credit Administration may, in its discretion, appoint some other qualified person. Any land bank appraiser appointed as a conservator shall serve without any additional compensation. Any other person appointed as a conservator shall receive such compensation as the Farm Credit Administration may authorize. Such compensation and all necessary and proper expenses of any such conservatorship shall be paid out of the assets of such association and shall be a lien thereon which shall be prior to any other lien.

"The conservator, under the direction of the Farm Credit Administration, may, when directed so to do, take possession of the books, records, and assets of every description of such association, and take such action as may be necessary to conserve such assets pending final determination of the financial condition of the association and the conditions under which it may be permitted to continue in business. Such conservator shall at the earliest practicable date make such investigations as shall be necessary to enable him to prepare an accurate report on the financial condition of such association. In preparing such report he shall value the association's assets and determine its indebtedness: *Provided,* That in determining said indebtedness contingent liabilities incurred by the association under the provisions of this Act on endorsed mortgages shall be estimated and included as a debt. Upon its completion said report shall be submitted to the Federal land bank of the district and said bank shall thereupon indicate its approval thereof or note any exceptions thereto and submit such report together with its exceptions, if any, to the Farm Credit Administration for consideration.

"If said report is approved, in whole or in part, by the Farm Credit Administration, upon recommendation of the Federal land bank of the district said Administration shall then decide whether such association shall be permitted to pay off and retire its capital stock at its fair book value, upon full payment of the mortgage loans in connection with which such stock was issued originally, and to settle on the same basis the claims of any of its stockholders who have previously paid their loans in full, but have not received credit for, or the proceeds of their stock in such association. At the same time the Farm Credit Administration shall also decide whether it will permit said association to admit new members pursuant to section 25 (b) of the Farm Credit Act of 1937. If the decision of said Administration is in the affirmative, it may terminate the conservatorship and turn the affairs of the association back to its board of directors. If said report is not approved or the decision of said Administration is in the negative, it may, in its discretion, terminate the conservatorship and permit such association to resume the transaction of its business subject to such terms, conditions, restrictions, and limitations as it may prescribe for the protection of the rights of creditors and stockholders, or said Administration may appoint a receiver for the association as elsewhere provided in this section.

"Any settlement made with a retiring or retired shareholder on the basis of the fair book value of the stock of the association pursuant to this section shall be made only on condition that said shareholder agrees to accept such settlement as payment in full. If any shareholder or former shareholder does not desire to settle on such basis, he may, in lieu thereof, be given a participation certificate which will entitle him to share pro rata, on the basis of the number of shares of stock which he owned in the association, in the distribution of any assets of the association which is made after all of its indebtedness to creditors has been satisfied. The Federal land bank of the district may pay to the association from the proceeds of bank stock retired in connection with the payment in full of loans endorsed by such association an amount sufficient to permit the association to make the settlements provided for in this section and any balance of such proceeds shall be retained by the bank and applied as a credit on the indebtedness of the association to it.

"After any determination by the Farm Credit Administration as herein provided, that the fair book value of the stock of a national farm loan association is less than the par value thereof, periodically thereafter any increase in the fair book value of said stock resulting from earnings of the association and actual recoveries in excess of the valuations used by the Farm Credit Administration in determining the fair book value of the stock of such association, as herein provided, shall, under rules and regulations of the Farm Credit Administration, be apportioned ratably on a per-share basis to all outstanding stock or participation certificates having a fair book value less than par until the fair book value of all such stock or participation certificates is equal to the par value thereof.

"In the event that the indebtedness, as determined by the conservator, of an association which has been under conservatorship pursuant to this section increases in excess of the earnings of such association, the Farm Credit Administration may, in its discretion, again appoint a conservator for the association, or it may appoint a receiver as elsewhere provided in this section."

Rates of interest upon debentures and other such obligations issued under the preceding section shall, subject to the approval of the Farm Credit Administration, be fixed by the Federal intermediate credit bank making the issue, not exceeding 6 per centum per annum."
