To carry out the provisions of existing law which authorize the Commissioners of the District of Columbia to open, extend, straighten, or widen any street, avenue, road, or highway, in accordance with the plan of the permanent system of highways for the District of Columbia, including the procurement of chains of title, \$75,000, to remain

available until June 30, 1945: *Provided*, That this appropriation shall be available to carry out the provision of existing law for the opening, extension, widening, or straightening of alleys and minor streets and for the establishment of building lines in the District of Columbia;

For assessment and permit work, paving of roadways under the permit system, and construction and repair of sidewalks and curbs around public reservations and municipal and United States buildings, including purchase or condemnation of streets, roads, and alleys, and of areas less than two hundred and fifty square feet at the intersection of streets, avenues, or roads in the District of Columbia, to be selected by the Commissioners, and including maintenance of non-passenger-carrying motor vehicles, \$50,000, together with not to exceed \$100,000 of the unexpended balance of the appropriation for this purpose contained in the District of Columbia Appropriation Act, 1943;

The appropriation of \$1,424,000 for street improvements in connection with the improvement of the approaches to the Potomac River bridges contained in the Third Supplemental National Defense Appropriation Act, 1942, is continued available in the fiscal year 1944;

In all, \$926,000, together with not to exceed \$1,059,000 of the unexpended balances of appropriations for street improvements as specified above, to be immediately available, to be disbursed and accounted for as "Street improvements", and for that purpose shall constitute one fund: *Provided*, That assessments in accordance with existing law shall be made for paving and repaving roadways, alleys, and sidewalks where such roadways, alleys, and sidewalks are paved or repaved with funds herein appropriated: *Provided further*, That any portion of this appropriation may be used for payment to contractors and for other expenses in connection with the expense of design, construction, and inspection of grade-crossing elimination and other construction projects authorized under section 8 of the Act approved June 16, 1936 (49 Stat. 1521), and section 1-b of the Federal Aid Highway Act of 1938 (Public, Numbered 584, Seventy-fifth Congress), pending reimbursement to the District of Columbia by the Public Roads Administration, Federal Works Agency, reimbursement to be credited to fund from which payment was made.

The Commissioners are hereby authorized to settle the claim of the District of Columbia against the Baltimore and Ohio Railroad Company, growing out of the construction of the Franklin Street Bridge and approaches, in the amount of \$47,177.05, for the sum of \$32,279.83; and the Commissioners are further authorized to settle the claim of the District of Columbia against the said Company, growing out of the construction of the Eastern Avenue Bridge and approaches, in the amount of \$13,684.14, for the sum of \$10,999.45.

The Commissioners of the District of Columbia are authorized and empowered, in their discretion, to fix or alter the respective widths of sidewalks and roadways (including tree spaces and parking) of all highways that may be improved under appropriations contained in this Act.

No part of any appropriation contained in this Act shall be available for repairing, resurfacing, or paving any street, avenue, or roadway by private contract unless the specifications for such work shall be so prepared as to permit of fair and open competition in paving material as well as in price.

In addition to the provision of existing law requiring contractors to keep new pavements in repair for a period of one year from the date of the completion of the work, the Commissioners of the District
