AN ACT

May 16, 1958
[H. R. 4115]

To authorize the conveyance of certain lands in Shiloh National Military Park to the State of Tennessee for the relocation of highways, and for other purposes.

Shiloh National
Military Park,
Tenn.
Conveyance.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled. That, in order that existing roads within Shiloh National Military Park may be devoted primarily to use by park visitors and that traffic hazards and nonconforming uses may be eliminated from the park by providing a more suitable road location and related area for the highways designated State Routes Numbered 22 and 142 which now traverse the central portion of the park, the Secretary of the Interior is authorized to convey certain lands within Shiloh National Military Park on the terms and conditions hereinafter provided.

SEC. 2. The Secretary may convey to the State of Tennessee for road purposes a right-of-way located in Hardin County, Tennessee, as shown on National Park Service map NMP-SH-7006, revised June 1956, being a minimum of one hundred and twenty feet and a maximum of one hundred and forty feet in width, and a length of approximately eighteen thousand and nine hundred feet, said right-of-way containing approximately fifty-one acres: *Provided*, That, in exchange, the State constructs and thereafter maintains a roadway on said lands and thereupon releases those portions of the present highways within the park designated State Routes Numbered 22 and 142 from such designation and subsequent use for State highway purposes.

SEC. 3. The Secretary may convey to the State of Tennessee for use as a recreational area contiguous and incident to the relocated State Route Numbered 22 certain lands situated in Hardin County, Tennessee, as shown on National Park Service map NMP-SH-7006, revised June 1956, and designated thereon as parcel A, said lands containing one hundred and fifty-one acres, more or less: *Provided*, That in exchange the lands so conveyed shall be developed and used exclusively by the State or its political subdivisions for recreational purposes only, thereby removing certain incompatible uses from the military park.
