Coast Guard.
Relief of enlisted members.

63 Stat. 812;

Relief of certifying officers.

AN ACT

To provide for the relief of certain enlisted members of the Coast Guard.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That all payments of basic allowance for subsistence heretofore made to enlisted members of the Coast Guard who were assigned to the Coast Guard air detachments located at New Orleans, Louisiana; Biloxi, Mississippi; or Corpus Christi, Texas, during the period beginning on July 1, 1958, and ending on May 23, 1961, and which are otherwise correct, are validated to the extent that those allowances were paid because the military commander concerned determined that no Government mess was available to those enlisted members under section 310 of the Career Compensation Act of 1949, as amended (37 U.S.C. 251). Any enlisted member who has made a repayment to the United States of the amount so paid to him as a basic allowance for subsistence is entitled to be paid the amount involved, if otherwise proper.

SEC. 2. The Comptroller General of the United States, or his designee, shall relieve authorized certifying officers of the Coast Guard from accountability or responsibility for any payments described in the first section of this Act, and shall allow credits in the settlement of the accounts of those officers for payments which are found to be free from fraud and collusion.

SEC. 3. Appropriations available to the United States Coast Guard for the pay and allowances of military personnel are available for payments under this Act.
