(2) For purposes of paragraph (1), the term "Korean conflict or Vietnam-era veteran" means a veteran—

(A) who served in the active military, naval, or air service for a period of more than one hundred and eighty days, any part of which was during the Korean conflict or the Vietnam era; or

(i) was discharged or released therefrom for a service-connected disability; or

(ii) is entitled to compensation (or but for the receipt of retirement pay would be entitled to compensation).

(3) For purposes of paragraph (1), a veteran shall be considered to be unemployed during any period the veteran is without a job and wants and is available for work.

Application for
participation.

(b)(1) A veteran who desires to participate in a program of job training under this Act shall submit to the Administrator an application for participation in such a program. Such an application—

(B) shall be in such form and contain such additional information as the Administrator may prescribe.

(2)(A) Subject to subparagraph (B), the Administrator shall approve an application by a veteran for participation in a program of job training under this Act unless the Administrator finds that the veteran is not eligible to participate in a program of job training under this Act.

Limitation of

(B) The Administrator may withhold approval of an application of a veteran under this Act if the Administrator determines that, because of limited funds available for the purpose of making payments to employers under this Act, it is necessary to limit the number of participants in programs under this Act.

(3)(A) The Administrator shall certify as eligible for participation under this Act a veteran whose application is approved under this subsection and shall furnish the veteran with a certificate of that veteran's eligibility for presentation to an employer offering a program of job training under this Act. Any such certificate shall expire 60 days after it is furnished to the veteran. The date on which a certificate is furnished to a veteran under this paragraph shall be stated on the certificate.

Occupational criteria.
29 USC 1721 note.

(2) A program of job training providing training for a period of at least three but less than six months may be approved if the Administrator determines (in accordance with standards which the Administrator shall prescribe) that the purpose of this Act would be met through that program.

(b) Subject to section 10 and the other provisions of this Act, a veteran who has been approved for participation in a program of job training under this Act and has a current certificate of eligibility for such participation may enter a program of job training that has been approved under section 7 and that is offered to the veteran by the employer.

APPROVAL OF EMPLOYER PROGRAMS

SEC. 7. (a)(1) An employer may be paid assistance under section 8(a) on behalf of an eligible veteran employed by such employer and participating in a program of job training offered by that employer only if the program is approved under this section and in accordance with such procedures as the Administrator may by regulation prescribe.

29 USC 1721 note.

(2) Except as provided in subsection (b), the Administrator shall approve a proposed program of job training of an employer unless the Administrator determines that the application does not contain a certification and other information meeting the requirements established under this section or that withholding of approval is warranted under subsection (g).

Employment
restrictions.

(b) The Administrator may not approve a program of job training—

(1) for employment which consists of seasonal, intermittent, or temporary jobs;

(2) for employment under which commissions are the primary source of income;

(3) for employment which involves political or religious activities;

(4) for employment with any department, agency, instrumentality, or branch of the Federal Government (including the United States Postal Service and the Postal Rate Commission);

or

(5) if the training will not be carried out in a State.

(c) An employer offering a program of job training that the employer desires to have approved for the purposes of this Act shall submit to the Administrator a written application for such approval. Such application shall be in such form as the Administrator shall prescribe.

Required
certification by
employer.

(d) An application under subsection (c) shall include a certification by the employer of the following:

(2) That the wages and benefits to be paid to a veteran participating in the employer's program of job training will be not less than the wages and benefits normally paid to other employees participating in a comparable program of job training.

(3) That the employment of a veteran under the program—
(A) will not result in the displacement of currently employed workers (including partial displacement such as a reduction in the hours of nonovertime work, wages, or employment benefits); and

(B) will not be in a job (i) while any other individual is on layoff from the same or any substantially equivalent job, or (ii) the opening for which was created as a result of the employer having terminated the employment of any regular employee or otherwise having reduced its work force with the intention of hiring a veteran in such job under this Act.

(4) That the employer will not employ in the program of job training a veteran who is already qualified by training and experience for the job for which training is to be provided.

(5) That the job which is the objective of the training program is one that involves significant training.

(6) That the training content of the program is adequate, in light of the nature of the occupation for which training is to be provided and of comparable training opportunities in such occupation, to accomplish the training objective certified under clause (2) of subsection (e).

(7) That each participating veteran will be employed full time in the program of job training.

(8) That the training period under the proposed program is not longer than the training periods that employers in the

community customarily require new employees to complete in order to become competent in the occupation or job for which training is to be provided.

(9) That there are in the training establishment or place of employment such space, equipment, instructional material, and instructor personnel as needed to accomplish the training objective certified under clause (2) of subsection (e).

(10) That the employer will keep records adequate to show the progress made by each veteran participating in the program and otherwise to demonstrate compliance with the requirements established under this Act.

(11) That the employer will furnish each participating veteran, before the veteran's entry into training, with a copy of the employer's certification under this subsection and will obtain and retain the veteran's signed acknowledgment of having received such certification.

(12) That the program meets such other criteria as the Administrator may determine are essential for the effective implementation of the program established by this Act.

(e) A certification under subsection (d) shall include—

(1) a statement indicating (A) the total number of hours of participation in the program of job training to be offered a veteran, (B) the length of the program of job training, and (C) the starting rate of wages to be paid to a participant in the program; and

(2) a description of the training content of the program (including any agreement the employer has entered into with an educational institution under section 8) and of the objective of the training.

(f)(1) Except as specified in paragraph (2), each matter required to be certified to in paragraphs (1) through (11) of subsection (d) shall be considered to be a requirement established under this Act.

(2)(A) For the purposes of section 8(c), only matters required to be certified in paragraphs (1) through (10) of subsection (d) shall be so considered.

(B) For the purposes of section 11, a matter required to be certified under paragraph (12) of subsection (d) shall also be so considered.

(g) In accordance with regulations which the Administrator shall prescribe, the Administrator may withhold approval of an employer's proposed program of job training pending the outcome of an investigation under section 12 and, based on the outcome of such an investigation, may disapprove such program.

(h) For the purposes of this section, approval of a program of apprenticeship or other on-job training for the purposes of section 1787 of title 38, United States Code, shall be considered to meet all requirements established under this Act for approval of a program of job training.

(a)(1) Except as provided in paragraph (3) and subsection (b) and subject to the provisions of section 9, the Administrator shall make quarterly payments to an employer of a veteran participating in an approved program of job training under this Act. Subject to section 5(c) and paragraph (2), the amount paid to an employer on behalf of a veteran for any period of time shall be 50 percent of the product of (A) the starting hourly rate of wages paid to the

(2) The total amount that may be paid to an employer on behalf of a veteran participating in a program of job training under this Act is \$10,000.

(3) In order to relieve financial burdens on business enterprises with relatively few numbers of employees, the Administrator may make payments under this Act on a monthly, rather than quarterly, basis to an employer with a number of employees less than a number which shall be specified in regulations which the Administrator shall prescribe for the purposes of this paragraph.

Certification.

(b) Payment may not be made to an employer for a period of training under this Act on behalf of a veteran until the Administrator has received—

(1) from the veteran, a certification that the veteran was employed full time by the employer in a program of job training during such period; and

(2) from the employer, a certification—

(A) that the veteran was employed by the employer during that period and that the veteran's performance and progress during such period were satisfactory; and

(B) of the number of hours worked by the veteran during that period.

With respect to the first such certification by an employer with respect to a veteran, the certification shall indicate the date on which the employment of the veteran began and the starting hourly rate of wages paid to the veteran (without regard to overtime or premium pay).

Liability to U.S.

(c)(1)(A) Whenever the Administrator finds that an overpayment under this Act has been made to an employer on behalf of a veteran as a result of a certification, or information contained in an application, submitted by an employer which was false in any material respect, the amount of such overpayment shall constitute a liability of the employer to the United States.

(B) Whenever the Administrator finds that an employer has failed in any substantial respect to comply for a period of time with a requirement established under this Act (unless the employer's failure is the result of false or incomplete information provided by the veteran), each amount paid to the employer on behalf of a veteran for that period shall be considered to be an overpayment under this Act, and the amount of such overpayment shall constitute a liability of the employer to the United States.

(2) Whenever the Administrator finds that an overpayment under this Act has been made to an employer on behalf of a veteran as a result of a certification by the veteran, or as a result of information provided to an employer or contained in an application submitted by the veteran, which was willfully or negligently false in any material respect, the amount of such overpayment shall constitute a liability of the veteran to the United States.

Overpayment recovery.

(3) Any overpayment referred to in paragraph (1) or (2) may be recovered in the same manner as any other debt due the United States. Any overpayment recovered shall be credited to funds available to make payments under this Act. If there are no such funds, any overpayment recovered shall be deposited into the Treasury.

(4) Any overpayment referred to in paragraph (1) or (2) may be waived, in whole or in part, in accordance with the terms and conditions set forth in section 3102 of title 38, United States Code.

Waiver.

ENTRY INTO PROGRAM OF JOB TRAINING

SEC. 9. Notwithstanding any other provision of this Act, the Administrator may withhold or deny approval of a veteran's entry into an approved program of job training if the Administrator determines that funds are not available to make payments under this Act on behalf of the veteran to the employer offering that program. Before the entry of a veteran into an approved program of job training of an employer for purposes of assistance under this Act, the employer shall notify the Administrator of the employer's intention to employ that veteran. The Administrator shall provide to the employer concerned, and to each veteran participating in the employer's program, a statement of the reasons for, and an opportunity for a hearing with respect to, such disapproval. The employer and each such veteran shall be notified of such disapproval, the reasons for such disapproval, and the opportunity for a hearing.
