**§ 205l. Implementation in acquisition of construction services and materials for Federal facilities**

**(a) In general**

Construction services and materials for Federal facilities shall be procured in accordance with the policies and procedures set forth in chapter 137 of title 10, section 2377 of title 10, title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 et seq.), and section 205b(2) of this title. Determination of a design method shall be based upon preliminary market research as required under section 2377(c) of title 10 and section 314B(c) of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 264b(c)). If the requirements of this subchapter conflict with the provisions of section 2377 of title 10 or section 314B of the Federal Property and Administrative Services Act of 1949, then the provisions of<sup>1</sup> 2377 or 314B shall take precedence.

**(b) Concrete masonry units**

In carrying out the policy set forth in section 205b of this title (with particular emphasis on the policy set forth in paragraph (2) of that section) a Federal agency may require that specifications for the acquisition of structures or systems of concrete masonry be expressed under the metric system of measurement, but may not incorporate specifications, that can only be satisfied by hard-metric versions of concrete masonry units, in a solicitation for design or construction of a Federal facility within the United States or its territories, or a portion of said Federal facility, unless the head of the agency determines in writing that—
