SUBPART B—PROGRAM BENEFITS

Division I—Trade Readjustment Allowances

§ 2291. Qualifying requirements for workers**(a) Trade readjustment allowance conditions**

Payment of a trade readjustment allowance shall be made to an adversely affected worker covered by a certification under subpart A of this part who files an application for such allowance for any week of unemployment which begins more than 60 days after the date on which the petition that resulted in such certification was filed under section 2271 of this title, if the following conditions are met:

(1) Such worker’s total or partial separation before his application under this part occurred—

(A) on or after the date, as specified in the certification under which he is covered, on which total or partial separation began or threatened to begin in the adversely affected employment,

(B) before the expiration of the 2-year period beginning on the date on which the determination under section 2273 of this title was made, and

(C) before the termination date (if any) determined pursuant to section 2273(d) of this title.

(2) Such worker had, in the 52-week period ending with the week in which such total or

partial separation occurred, at least 26 weeks of employment at wages of \$30 or more a week in adversely affected employment with a single firm or subdivision of a firm, or, if data with respect to weeks of employment with a firm are not available, equivalent amounts of employment computed under regulations prescribed by the Secretary. For the purposes of this paragraph, any week in which such worker—

(A) is on employer-authorized leave for purposes of vacation, sickness, injury, maternity, or inactive duty or active duty military service for training,

(B) does not work because of a disability that is compensable under a workmen's compensation law or plan of a State or the United States,

(C) had his employment interrupted in order to serve as a full-time representative of a labor organization in such firm or subdivision, or

(D) is on call-up for purposes of active duty in a reserve status in the Armed Forces of the United States, provided such active duty is "Federal service" as defined in section 8521(a)(1) of title 5,

shall be treated as a week of employment at wages of \$30 or more, but not more than 7 weeks, in case of weeks described in subparagraph (A) or (C), or both (and not more than 26 weeks, in the case of weeks described in subparagraph (B) or (D)), may be treated as weeks of employment under this sentence.

(3) Such worker—

(A) was entitled to (or would be entitled to if he applied therefor) unemployment insurance for a week within the benefit period (i) in which such total or partial separation took place, or (ii) which began (or would have begun) by reason of the filing of a claim for unemployment insurance by such worker after such total or partial separation;

(B) has exhausted all rights to any unemployment insurance, except additional compensation that is funded by a State and is not reimbursed from any Federal funds, to which he was entitled (or would be entitled if he applied therefor); and

(C) does not have an unexpired waiting period applicable to him for any such unemployment insurance.

(4) Such worker, with respect to such week of unemployment, would not be disqualified for extended compensation payable under the Federal-State Extended Unemployment Compensation Act of 1970 by reason of the work acceptance and job search requirements in section 202(a)(3) of such Act.

(5) Such worker—

(A)(i) is enrolled in a training program approved by the Secretary under section 2296(a) of this title, and

(ii) the enrollment required under clause (i) occurs no later than the latest of—

(I) the last day of the 16th week after the worker's most recent total separation from adversely affected employment which meets the requirements of paragraphs (1) and (2),

(II) the last day of the 8th week after the week in which the Secretary issues a certification covering the worker,

(III) 45 days after the later of the dates specified in subclause (I) or (II), if the Secretary determines there are extenuating circumstances that justify an extension in the enrollment period, or

(IV) the last day of a period determined by the Secretary to be approved for enrollment after the termination of a waiver issued pursuant to subsection (c) of this section,

(B) has, after the date on which the worker became totally separated, or partially separated, from the adversely affected employment, completed a training program approved by the Secretary under section 2296(a) of this title, or

(C) has received a written statement under subsection (c)(1) of this section after the date described in subparagraph (B).

(b) Withholding of trade readjustment allowance pending beginning or resumption of participation in training program; period of applicability

(1) If—

(A) the Secretary determines that—

(i) the adversely affected worker—

(I) has failed to begin participation in the training program the enrollment in which meets the requirement of subsection (a)(5) of this section, or

(II) has ceased to participate in such training program before completing such training program, and

(ii) there is no justifiable cause for such failure or cessation, or

(B) the certification made with respect to such worker under subsection (c)(1) of this section is revoked under subsection (c)(2) of this section,

no trade readjustment allowance may be paid to the adversely affected worker under this division for the week in which such failure, cessation, or revocation occurred, or any succeeding week, until the adversely affected worker begins or resumes participation in a training program approved under section 2296(a) of this title.

(2) The provisions of subsection (a)(5) of this section and paragraph (1) shall not apply with respect to any week of unemployment which begins—

(A) after the date that is 60 days after the date on which the petition that results in the certification that covers the worker is filed under section 2271 of this title, and

(B) before the first week following the week in which such certification is made under subpart A of this part.

(c) Waivers of training requirements

(1) Issuance of waivers

The Secretary may issue a written statement to an adversely affected worker waiving the requirement to be enrolled in training described in subsection (a)(5)(A) of this section if the Secretary determines that it is not fea-

sible or appropriate for the worker, because of 1 or more of the following reasons:

(A) Recall

The worker has been notified that the worker will be recalled by the firm from which the separation occurred.

(B) Marketable skills

The worker possesses marketable skills for suitable employment (as determined pursuant to an assessment of the worker, which may include the profiling system under section 303(j) of the Social Security Act (42 U.S.C. 503(j)), carried out in accordance with guidelines issued by the Secretary) and there is a reasonable expectation of employment at equivalent wages in the foreseeable future.

(C) Retirement

The worker is within 2 years of meeting all requirements for entitlement to either—

(i) old-age insurance benefits under title II of the Social Security Act (42 U.S.C. 401 et seq.) (except for application therefor); or

(ii) a private pension sponsored by an employer or labor organization.

(D) Health

The worker is unable to participate in training due to the health of the worker, except that a waiver under this subparagraph shall not be construed to exempt a worker from requirements relating to the availability for work, active search for work, or refusal to accept work under Federal or State unemployment compensation laws.

(E) Enrollment unavailable

The first available enrollment date for the approved training of the worker is within 60 days after the date of the determination made under this paragraph, or, if later, there are extenuating circumstances for the delay in enrollment, as determined pursuant to guidelines issued by the Secretary.

(F) Training not available

Training approved by the Secretary is not reasonably available to the worker from either governmental agencies or private sources (which may include area career and technical education schools, as defined in section 2302 of title 20, and employers), no training that is suitable for the worker is available at a reasonable cost, or no training funds are available.

(2) Duration of waivers

(A) In general

A waiver issued under paragraph (1) shall be effective for not more than 6 months after the date on which the waiver is issued, unless the Secretary determines otherwise.

(B) Revocation

The Secretary shall revoke a waiver issued under paragraph (1) if the Secretary determines that the basis of a waiver is no longer applicable to the worker and shall notify the worker in writing of the revocation.

(3) Agreements under section 2311

(A) Issuance by cooperating States

Pursuant to an agreement under section 2311 of this title, the Secretary may authorize a cooperating State to issue waivers as described in paragraph (1).

(B) Submission of statements

An agreement under section 2311 of this title shall include a requirement that the cooperating State submit to the Secretary the written statements provided under paragraph (1) and a statement of the reasons for the waiver.

“(A) the number of weeks preceding the first week which begins after September 30, 1981, and which are within the period covered by the same certification under such chapter 2 as such week of unemployment, for which the individual was entitled to a trade readjustment allowance or unemployment insurance, or would have been entitled to such allowance or unemployment insurance if he had applied therefor, and

§ 2292. Weekly amounts of readjustment allowance

(a) Formula

Subject to subsections (b) and (c) of this section, the trade readjustment allowance payable to an adversely affected worker for a week of total unemployment shall be an amount equal to the most recent weekly benefit amount of the unemployment insurance payable to the worker for a week of total unemployment preceding the worker's first exhaustion of unemployment insurance (as determined for purposes of section 2291(a)(3)(B) of this title) reduced (but not below zero) by—

- (1) any training allowance deductible under subsection (c) of this section; and
- (2) income that is deductible from unemployment insurance under the disqualifying income provisions of the applicable State law or Federal unemployment insurance law.

(b) Adversely affected workers who are undergoing training

Any adversely affected worker who is entitled to trade readjustment allowances and who is undergoing training approved by the Secretary shall receive for each week in which he is undergoing any such training, a trade readjustment allowance in an amount (computed for such week) equal to the amount computed under subsection (a) of this section or (if greater) the amount of any weekly allowance for such training to which he would be entitled under any other Federal law for the training of workers, if he applied for such allowance. Such trade readjustment allowance shall be paid in lieu of any training allowance to which the worker would be entitled under such other Federal law.

(c) Deduction from total number of weeks of allowance entitlement

If a training allowance under any Federal law other than this chapter is paid to an adversely affected worker for any week of unemployment with respect to which he would be entitled (determined without regard to any disqualification under section 2291(b) of this title) to a trade readjustment allowance if he applied for such allowance, each such week shall be deducted from the total number of weeks of trade readjustment allowance otherwise payable to him under section 2293(a) of this title when he applies for a trade readjustment allowance and is determined to be entitled to such allowance. If such training allowance paid to such worker for any week of unemployment is less than the amount of the trade readjustment allowance to which he would be entitled if he applied for such allowance, he shall receive, when he applies for a trade readjustment allowance and is determined to be entitled to such allowance, a trade readjustment allowance for such week equal to such difference.
