

Virgin Islands, and the Commonwealth of the Northern Mariana Islands shall not be considered to be States.

(B) Allotment

Each jurisdiction described in subparagraph (A) shall be allotted under paragraph (1)(A) not less than $\frac{1}{8}$ of 1 percent of the remainder for the fiscal year for which the allotment is made.

(3) Adjustment for inflation

For any fiscal year, beginning in fiscal year 1999, in which the total amount appropriated to carry out this subpart exceeds the total amount appropriated to carry out this subpart for the preceding fiscal year, the Commissioner shall increase the minimum allotment under paragraph (1)(C) by a percentage that shall not exceed the percentage increase in the total amount appropriated to carry out this subpart between the preceding fiscal year and the fiscal year involved.

(4) Proportional reduction

To provide allotments to States in accordance with paragraph (1)(B), to provide minimum allotments to States (as increased under paragraph (3)) under paragraph (1)(C), or to provide minimum allotments to States under paragraph (2)(B), the Commissioner shall proportionately reduce the allotments of the remaining States under paragraph (1)(A), with such adjustments as may be necessary to prevent the allotment of any such remaining State from being reduced to less than the amount required by paragraph (1)(B).

(d) Reallocation

Whenever the Commissioner determines that any amount of an allotment to a State for any fiscal year will not be expended by such State for carrying out the provisions of this subpart, the Commissioner shall make such amount available for carrying out the provisions of this subpart to one or more of the States that the Commissioner determines will be able to use additional amounts during such year for carrying out such provisions. Any amount made available to a State for any fiscal year pursuant to the preceding sentence shall, for the purposes of this section, be regarded as an increase in the allotment of the State (as determined under the preceding provisions of this section) for such year.

§ 796f-1. Grants to centers for independent living in States in which Federal funding exceeds State funding

(a) Establishment

(1) In general

Unless the director of a designated State unit awards grants under section 796f-2 of this title to eligible agencies in a State for a fiscal year, the Commissioner shall award grants under this section to such eligible agencies for such fiscal year from the amount of funds allotted to the State under subsection (c) or (d) of section 796f of this title for such year.

(2) Grants

The Commissioner shall award such grants, from the amount of funds so allotted, to such eligible agencies for the planning, conduct, administration, and evaluation of centers for independent living that comply with the standards and assurances set forth in section 796f-4 of this title.

(b) Eligible agencies

In any State in which the Commissioner has approved the State plan required by section 796c of this title, the Commissioner may make a grant under this section to any eligible agency that—

(1) has the power and authority to carry out the purpose of this subpart and perform the functions set forth in section 796f-4 of this title within a community and to receive and administer funds under this subpart, funds and contributions from private or public sources that may be used in support of a center for independent living, and funds from other public and private programs;

(2) is determined by the Commissioner to be able to plan, conduct, administer, and evaluate a center for independent living consistent with the standards and assurances set forth in section 796f-4 of this title; and

(3) submits an application to the Commissioner at such time, in such manner, and containing such information as the Commissioner may require.

(c) Existing eligible agencies

In the administration of the provisions of this section, the Commissioner shall award grants to any eligible agency that has been awarded a grant under this subpart by September 30, 1997, unless the Commissioner makes a finding that the agency involved fails to meet program and fiscal standards and assurances set forth in section 796f-4 of this title.

(d) New centers for independent living

(1) In general

If there is no center for independent living serving a region of the State or a region is underserved, and the increase in the allotment of the State is sufficient to support an additional center for independent living in the State, the

Commissioner may award a grant under this section to the most qualified applicant proposing to serve such region, consistent with the provisions in the State plan setting forth the design of the State for establishing a statewide network of centers for independent living.

(2) Selection

In selecting from among applicants for a grant under this section for a new center for independent living, the Commissioner—

(A) shall consider comments regarding the application, if any, by the Statewide Independent Living Council in the State in which the applicant is located;

(B) shall consider the ability of each such applicant to operate a center for independent living based on—

(i) evidence of the need for such a center;

(ii) any past performance of such applicant in providing services comparable to independent living services;

(iii) the plan for satisfying or demonstrated success in satisfying the standards and the assurances set forth in section 796f-4 of this title;

(iv) the quality of key personnel and the involvement of individuals with significant disabilities;

(v) budgets and cost-effectiveness;

(vi) an evaluation plan; and

(vii) the ability of such applicant to carry out the plans; and

(C) shall give priority to applications from applicants proposing to serve geographic areas within each State that are currently unserved or underserved by independent living programs, consistent with the provisions of the State plan submitted under section 796c of this title regarding establishment of a statewide network of centers for independent living.

(3) Current centers

Notwithstanding paragraphs (1) and (2), a center for independent living that receives assistance under subpart 2 for a fiscal year shall be eligible for a grant for the subsequent fiscal year under this subsection.

(e) Order of priorities

The Commissioner shall be guided by the following order of priorities in allocating funds among centers for independent living within a State, to the extent funds are available:

(1) The Commissioner shall support existing centers for independent living, as described in subsection (c) of this section, that comply with the standards and assurances set forth in section 796f-4 of this title, at the level of funding for the previous year.

(2) The Commissioner shall provide for a cost-of-living increase for such existing centers for independent living.

(3) The Commissioner shall fund new centers for independent living, as described in subsection (d) of this section, that comply with the standards and assurances set forth in section 796f-4 of this title.

(f) Nonresidential agencies

A center that provides or manages residential housing after October 1, 1994, shall not be con-

sidered to be an eligible agency under this section.

(g) Review

(1) In general

The Commissioner shall periodically review each center receiving funds under this section to determine whether such center is in compliance with the standards and assurances set forth in section 796f-4 of this title. If the Commissioner determines that any center receiving funds under this section is not in compliance with the standards and assurances set forth in section 796f-4 of this title, the Commissioner shall immediately notify such center that it is out of compliance.

(2) Enforcement

The Commissioner shall terminate all funds under this section to such center 90 days after the date of such notification unless the center submits a plan to achieve compliance within 90 days of such notification and such plan is approved by the Commissioner.
