Amendment by Pub. L. 93-82 effective Sept. 1, 1973, see section 501 of Pub. L. 93-82, set out as a note under section 1701 of this title.

§ 1725. Reimbursement for emergency treatment

(a) GENERAL AUTHORITY.—(1) Subject to subsections (c) and (d), the Secretary may reimburse a veteran described in subsection (b) for the reasonable value of emergency treatment furnished the veteran in a non-Department facility.

(2) In any case in which reimbursement is authorized under subsection (a)(1), the Secretary, in the Secretary's discretion, may, in lieu of reimbursing the veteran, make payment of the reasonable value of the furnished emergency treatment directly—

(A) to a hospital or other health care provider that furnished the treatment; or

(B) to the person or organization that paid for such treatment on behalf of the veteran.

(b) ELIGIBILITY.—(1) A veteran referred to in subsection (a)(1) is an individual who is an active Department health-care participant who is personally liable for emergency treatment furnished the veteran in a non-Department facility.

(2) A veteran is an active Department health-care participant if—

(A) the veteran is enrolled in the health care system established under section 1705(a) of this title; and

(B) the veteran received care under this chapter within the 24-month period preceding the furnishing of such emergency treatment.

(3) A veteran is personally liable for emergency treatment furnished the veteran in a non-Department facility if the veteran—

(A) is financially liable to the provider of emergency treatment for that treatment;

(B) has no entitlement to care or services under a health-plan contract (determined, in the case of a health-plan contract as defined in subsection (f)(2)(B) or (f)(2)(C), without regard to any requirement or limitation relating to eligibility for care or services from any department or agency of the United States);

(C) has no other contractual or legal recourse against a third party that would, in whole or in part, extinguish such liability to the provider; and

(D) is not eligible for reimbursement for medical care or services under section 1728 of this title.

(c) LIMITATIONS ON REIMBURSEMENT.—(1) The Secretary, in accordance with regulations prescribed by the Secretary, shall—

(A) establish the maximum amount payable under subsection (a);

(B) delineate the circumstances under which such payments may be made, to include such requirements on requesting reimbursement as the Secretary shall establish; and

(C) provide that in no event may a payment under that subsection include any amount for which the veteran is not personally liable.

(2) Subject to paragraph (1), the Secretary may provide reimbursement under this section only after the veteran or the provider of emergency treatment has exhausted without success all claims and remedies reasonably available to the veteran or provider against a third party for payment of such treatment.

(3) Payment by the Secretary under this section on behalf of a veteran to a provider of emergency treatment shall, unless rejected and refunded by the provider within 30 days of receipt, extinguish any liability on the part of the veteran for that treatment. Neither the absence of a contract or agreement between the Secretary and the provider nor any provision of a contract,

agreement, or assignment to the contrary shall operate to modify, limit, or negate the requirement in the preceding sentence.

(d) INDEPENDENT RIGHT OF RECOVERY.—(1) In accordance with regulations prescribed by the Secretary, the United States shall have the independent right to recover any amount paid under this section when, and to the extent that, a third party subsequently makes a payment for the same emergency treatment.

(2) Any amount paid by the United States to the veteran (or the veteran's personal representative, successor, dependents, or survivors) or to any other person or organization paying for such treatment shall constitute a lien in favor of the United States against any recovery the payee subsequently receives from a third party for the same treatment.

(3) Any amount paid by the United States to the provider that furnished the veteran's emergency treatment shall constitute a lien against any subsequent amount the provider receives from a third party for the same emergency treatment for which the United States made payment.

(4) The veteran (or the veteran's personal representative, successor, dependents, or survivors) shall ensure that the Secretary is promptly notified of any payment received from any third party for emergency treatment furnished to the veteran. The veteran (or the veteran's personal representative, successor, dependents, or survivors) shall immediately forward all documents relating to such payment, cooperate with the Secretary in the investigation of such payment, and assist the Secretary in enforcing the United States right to recover any payment made under subsection (c)(3).

(e) WAIVER.—The Secretary, in the Secretary's discretion, may waive recovery of a payment made to a veteran under this section that is otherwise required by subsection (d)(1) when the Secretary determines that such waiver would be in the best interest of the United States, as defined by regulations prescribed by the Secretary.

(f) DEFINITIONS.—For purposes of this section:

(1) The term "emergency treatment" means medical care or services furnished, in the judgment of the Secretary—

(A) when Department or other Federal facilities are not feasibly available and an attempt to use them beforehand would not be reasonable;

(B) when such care or services are rendered in a medical emergency of such nature that a prudent layperson reasonably expects that delay in seeking immediate medical attention would be hazardous to life or health; and

(C) until such time as the veteran can be transferred safely to a Department facility or other Federal facility.

(2) The term "health-plan contract" includes any of the following:

(A) An insurance policy or contract, medical or hospital service agreement, membership or subscription contract, or similar arrangement under which health services for individuals are provided or the expenses of such services are paid.

§ 1729. Recovery by the United States of the cost of certain care and services

(a)(1) Subject to the provisions of this section, in any case in which a veteran is furnished care or services under this chapter for a non-service-connected disability described in paragraph (2) of this subsection, the United States has the right to recover or collect reasonable charges for such care or services (as determined by the Secretary) from a third party to the extent that the veteran (or the provider of the care or services) would be eligible to receive payment for such care or services from such third party if the care or services had not been furnished by a department or agency of the United States.

(2) Paragraph (1) of this subsection applies to a non-service-connected disability—

(A) that is incurred incident to the veteran's employment and that is covered under a workers' compensation law or plan that provides for payment for the cost of health care and services provided to the veteran by reason of the disability;

(B) that is incurred as the result of a motor vehicle accident to which applies a State law that requires the owners or operators of motor vehicles registered in that State to have in force automobile accident reparations insurance;

(C) that is incurred as the result of a crime of personal violence that occurred in a State, or a political subdivision of a State, in which a person injured as the result of such a crime is entitled to receive health care and services at such State's or subdivision's expense for personal injuries suffered as the result of such crime;

(D) that is incurred by a veteran—

(i) who does not have a service-connected disability; and

(ii) who is entitled to care (or payment of the expenses of care) under a health-plan contract; or

(E) for which care and services are furnished before October 1, 2008, under this chapter to a veteran who—

(i) has a service-connected disability; and

(ii) is entitled to care (or payment of the expenses of care) under a health-plan contract.

(3) In the case of a health-plan contract that contains a requirement for payment of a deductible or copayment by the veteran—

(A) the veteran's not having paid such deductible or copayment with respect to care or

services furnished under this chapter shall not preclude recovery or collection under this section; and

(B) the amount that the United States may collect or recover under this section shall be reduced by the appropriate deductible or copayment amount, or both.

(b)(1) As to the right provided in subsection (a) of this section, the United States shall be subrogated to any right or claim that the veteran (or the veteran's personal representative, successor, dependents, or survivors) may have against a third party.

(2)(A) In order to enforce any right or claim to which the United States is subrogated under paragraph (1) of this subsection, the United States may intervene or join in any action or proceeding brought by the veteran (or the veteran's personal representative, successor, dependents, or survivors) against a third party.

(B) The United States may institute and prosecute legal proceedings against the third party if—

(i) an action or proceeding described in subparagraph (A) of this paragraph is not begun within 180 days after the first day on which care or services for which recovery is sought are furnished to the veteran by the Secretary under this chapter;
