§ 3680A. Disapproval of enrollment in certain courses

(a) The Secretary shall not approve the enrollment of an eligible veteran in—

(1) any bartending course or personality development course;

(2) any sales or sales management course which does not provide specialized training within a specific vocational field;

(3) any type of course which the Secretary finds to be avocational or recreational in character (or the advertising for which the Secretary finds contains significant avocational or recreational themes) unless the veteran submits justification showing that the course will be of bona fide use in the pursuit of the veteran's present or contemplated business or occupation; or

(4) any independent study program except an accredited independent study program (including open circuit television) leading (A) to a standard college degree, or (B) to a certificate that reflects educational attainment offered by an institution of higher learning.

(b) Except to the extent otherwise specifically provided in this title or chapter 106 of title 10, the Secretary shall not approve the enrollment of an eligible veteran in any course of flight training other than one given by an educational institution of higher learning for credit toward a standard college degree the eligible veteran is seeking.

(c) The Secretary shall not approve the enrollment of an eligible veteran in any course to be pursued by radio.

(d)(1) Except as provided in paragraph (2) of this subsection, the Secretary shall not approve the enrollment of any eligible veteran, not already enrolled, in any course for any period during which the Secretary finds that more than 85 percent of the students enrolled in the course are having all or part of their tuition, fees, or other charges paid to or for them by the educational institution or by the Department of Veterans Affairs under this title or under chapter 106 of title 10. The Secretary may waive the requirements of this subsection, in whole or in part, if the Secretary determines, pursuant to regulations which the Secretary shall prescribe,

it to be in the interest of the eligible veteran and the Federal Government. The provisions of this subsection shall not apply to any course offered by an educational institution if the total number of veterans and persons receiving assistance under this chapter or chapter 30, 31, 32, or 35 of this title or under chapter 106 of title 10 who are enrolled in such institution equals 35 percent or less, or such other percent as the Secretary prescribes in regulations, of the total student enrollment at such institution (computed separately for the main campus and any branch or extension of such institution), except that the Secretary may apply the provisions of this subsection with respect to any course in which the Secretary has reason to believe that the enrollment of such veterans and persons may be in excess of 85 percent of the total student enrollment in such course.

(2) Paragraph (1) of this subsection does not apply with respect to the enrollment of a veteran—

- (A) in a course offered pursuant to section 3019, 3034(a)(3), 3234, or 3241(a)(2) of this title;
- (B) in a farm cooperative training course; or
- (C) in a course described in subsection (g).

(e) The Secretary may not approve the enrollment of an eligible veteran in a course not leading to a standard college degree offered by a proprietary profit or proprietary nonprofit educational institution if—

- (1) the educational institution has been operating for less than two years;
- (2) the course is offered at a branch of the educational institution and the branch has been operating for less than two years; or
- (3) following either a change in ownership or a complete move outside its original general locality, the educational institution does not retain substantially the same faculty, student body, and courses as before the change in ownership or the move outside the general locality (as determined in accordance with regulations the Secretary shall prescribe) unless the educational institution following such change or move has been in operation for at least two years.

(f) The Secretary may not approve the enrollment of an eligible veteran in a course as a part of a program of education offered by an educational institution if the course is provided under contract by another educational institution or entity and—

- (1) the Secretary would be barred under subsection (e) from approving the enrollment of an eligible veteran in the course of the educational institution or entity providing the course under contract; or
- (2) the educational institution or entity providing the course under contract has not obtained approval for the course under this chapter.

(g) Notwithstanding subsections (e) and (f)(1), the Secretary may approve the enrollment of an eligible veteran in a course approved under this chapter if the course is offered by an educational institution under contract with the Department of Defense or the Department of Homeland Security and is given on or immediately adjacent to a military base, Coast Guard

station, National Guard facility, or facility of the Selected Reserve.
