§ 290bb-34. Youth interagency research, training, and technical assistance centers

(a) Program authorized

The Secretary, acting through the Administrator of the Substance Abuse and Mental Health Services Administration, and in consultation with the Administrator of the Office of Juvenile Justice and Delinquency Prevention, the Director of the Bureau of Justice Assistance and the Director of the National Institutes of Health—

(1) shall award grants or contracts to public or nonprofit private entities to establish not more than four research, training, and technical assistance centers to carry out the activities described in subsection (c) of this section; and

(2) shall award a competitive grant to 1 additional research, training, and technical assistance center to carry out the activities described in subsection (d) of this section.

(b) Application

A public or private nonprofit entity desiring a grant or contract under subsection (a) of this section shall prepare and submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require.

(c) Authorized activities

A center established under a grant or contract under subsection (a)(1) of this section shall—

(1) provide training with respect to state-of-the-art mental health and justice-related serv-

ices and successful mental health and substance abuse-justice collaborations that focus on children and adolescents, to public policy-makers, law enforcement administrators, public defenders, police, probation officers, judges, parole officials, jail administrators and mental health and substance abuse providers and administrators;

(2) engage in research and evaluations concerning State and local justice and mental health systems, including system redesign initiatives, and disseminate information concerning the results of such evaluations;

(3) provide direct technical assistance, including assistance provided through toll-free telephone numbers, concerning issues such as how to accommodate individuals who are being processed through the courts under the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.), what types of mental health or substance abuse service approaches are effective within the judicial system, and how community-based mental health or substance abuse services can be more effective, including relevant regional, ethnic, and gender-related considerations; and

(4) provide information, training, and technical assistance to State and local governmental officials to enhance the capacity of such officials to provide appropriate services relating to mental health or substance abuse.

(d) Additional center

The additional research, training, and technical assistance center established under subsection (a)(2) of this section shall provide appropriate information, training, and technical assistance to States, political subdivisions of a State, Federally recognized Indian tribes, tribal organizations, institutions of higher education, public organizations, or private nonprofit organizations for—

(1) the development or continuation of statewide or tribal youth suicide early intervention and prevention strategies;

(2) ensuring the surveillance of youth suicide early intervention and prevention strategies;

(3) studying the costs and effectiveness of statewide youth suicide early intervention and prevention strategies in order to provide information concerning relevant issues of importance to State, tribal, and national policy-makers;

(4) further identifying and understanding causes and associated risk factors for youth suicide;

(5) analyzing the efficacy of new and existing youth suicide early intervention techniques and technology;

(6) ensuring the surveillance of suicidal behaviors and nonfatal suicidal attempts;

(7) studying the effectiveness of State-sponsored statewide and tribal youth suicide early intervention and prevention strategies on the overall wellness and health promotion strategies related to suicide attempts;

(8) promoting the sharing of data regarding youth suicide with Federal agencies involved with youth suicide early intervention and prevention, and State-sponsored statewide or tribal youth suicide early intervention and
