§ 290bb-34. Youth interagency research, training, and technical assistance centers

(a) Program authorized

The Secretary, acting through the Administrator of the Substance Abuse and Mental Health Services Administration, and in consultation with the Administrator of the Office of Juvenile Justice and Delinquency Prevention, the Director of the Bureau of Justice Assistance and the Director of the National Institutes of Health—

(1) shall award grants or contracts to public or nonprofit private entities to establish not more than four research, training, and technical assistance centers to carry out the activities described in subsection (c) of this section; and

(2) shall award a competitive grant to 1 additional research, training, and technical assistance center to carry out the activities described in subsection (d) of this section.

(b) Application

A public or private nonprofit entity desiring a grant or contract under subsection (a) of this section shall prepare and submit an application to the Secretary at such time, in such manner, and containing such information as the Secretary may require.

(c) Authorized activities

A center established under a grant or contract under subsection (a)(1) of this section shall—

(1) provide training with respect to state-of-the-art mental health and justice-related serv-

ices and successful mental health and substance abuse-justice collaborations that focus on children and adolescents, to public policy-makers, law enforcement administrators, public defenders, police, probation officers, judges, parole officials, jail administrators and mental health and substance abuse providers and administrators;

(2) engage in research and evaluations concerning State and local justice and mental health systems, including system redesign initiatives, and disseminate information concerning the results of such evaluations;

(3) provide direct technical assistance, including assistance provided through toll-free telephone numbers, concerning issues such as how to accommodate individuals who are being processed through the courts under the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.), what types of mental health or substance abuse service approaches are effective within the judicial system, and how community-based mental health or substance abuse services can be more effective, including relevant regional, ethnic, and gender-related considerations; and

(4) provide information, training, and technical assistance to State and local governmental officials to enhance the capacity of such officials to provide appropriate services relating to mental health or substance abuse.

(d) Additional center

The additional research, training, and technical assistance center established under subsection (a)(2) of this section shall provide appropriate information, training, and technical assistance to States, political subdivisions of a State, Federally recognized Indian tribes, tribal organizations, institutions of higher education, public organizations, or private nonprofit organizations for—

(1) the development or continuation of statewide or tribal youth suicide early intervention and prevention strategies;

(2) ensuring the surveillance of youth suicide early intervention and prevention strategies;

(3) studying the costs and effectiveness of statewide youth suicide early intervention and prevention strategies in order to provide information concerning relevant issues of importance to State, tribal, and national policy-makers;

(4) further identifying and understanding causes and associated risk factors for youth suicide;

(5) analyzing the efficacy of new and existing youth suicide early intervention techniques and technology;

(6) ensuring the surveillance of suicidal behaviors and nonfatal suicidal attempts;

(7) studying the effectiveness of State-sponsored statewide and tribal youth suicide early intervention and prevention strategies on the overall wellness and health promotion strategies related to suicide attempts;

(8) promoting the sharing of data regarding youth suicide with Federal agencies involved with youth suicide early intervention and prevention, and State-sponsored statewide or tribal youth suicide early intervention and

prevention strategies for the purpose of identifying previously unknown mental health causes and associated risk factors for suicide in youth;

(9) evaluating and disseminating outcomes and best practices of mental and behavioral health services at institutions of higher education; and

(10) other activities determined appropriate by the Secretary.

(e) Authorization of appropriations

(1) For the purpose of awarding grants or contracts under subsection (a)(1) of this section, there is authorized to be appropriated \$4,000,000 for fiscal year 2001, and such sums as may be necessary for fiscal years 2002 and 2003.

(2) For the purpose of awarding a grant under subsection (a)(2) of this section, there are authorized to be appropriated \$3,000,000 for fiscal year 2005, \$4,000,000 for fiscal year 2006, and \$5,000,000 for fiscal year 2007.

(July 1, 1944, ch. 373, title V, §520C, as added Pub. L. 106-310, div. B, title XXXI, §3104(b), Oct. 17, 2000, 114 Stat. 1173; amended Pub. L. 108-355, §3(a), Oct. 21, 2004, 118 Stat. 1405.)

§ 290bb-35. Services for youth offenders

(a) In general

The Secretary, acting through the Director of the Center for Mental Health Services, and in consultation with the Director of the Center for Substance Abuse Treatment, the Administrator of the Office of Juvenile Justice and Delinquency Prevention, and the Director of the Special Education Programs, shall award grants on a competitive basis to State or local juvenile justice agencies to enable such agencies to provide aftercare services for youth offenders who have been discharged from facilities in the juvenile or criminal justice system and have serious emotional disturbances or are at risk of developing such disturbances.

(b) Use of funds

A State or local juvenile justice agency receiving a grant under subsection (a) of this section shall use the amounts provided under the grant—

(1) to develop a plan describing the manner in which the agency will provide services for each youth offender who has a serious emotional disturbance and has been detained or incarcerated in facilities within the juvenile or criminal justice system;

(2) to provide a network of core or aftercare services or access to such services for each youth offender, including diagnostic and evaluation services, substance abuse treatment services, outpatient mental health care services, medication management services, intensive home-based therapy, intensive day treatment services, respite care, and therapeutic foster care;

(3) to establish a program that coordinates with other State and local agencies providing recreational, social, educational, vocational, or operational services for youth, to enable the agency receiving a grant under this section to provide community-based system of care services for each youth offender that addresses the special needs of the youth and helps the youth access all of the aforementioned services; and

(4) using not more than 20 percent of funds received, to provide planning and transition services as described in paragraph (3) for youth offenders while such youth are incarcerated or detained.

(c) Application

A State or local juvenile justice agency that desires a grant under subsection (a) of this section shall submit an application to the Secretary at such time, in such manner, and accompanied by such information as the Secretary may reasonably require.

(d) Report

Not later than 3 years after October 17, 2000, and annually thereafter, the Secretary shall prepare and submit, to the Committee on Health, Education, Labor, and Pensions of the Senate and the Committee on Commerce of the House of Representatives, a report that describes the services provided pursuant to this section.

(e) Definitions

In this section:

(1) Serious emotional disturbance

The term “serious emotional disturbance” with respect to a youth offender means an offender who currently, or at any time within the 1-year period ending on the day on which services are sought under this section, has a diagnosable mental, behavioral, or emotional disorder that functionally impairs the offender’s life by substantially limiting the offender’s role in family, school, or community activities, and interfering with the offender’s ability to achieve or maintain one or more developmentally-appropriate social, behavior, cognitively-appropriate social, behavior, cognitive, communicative, or adaptive skills.

(2) Community-based system of care

The term “community-based system of care” means the provision of services for the youth offender by various State or local agencies that in an interagency fashion or operating as a network addresses the recreational, social, educational, vocational, mental health,
