

the election of a trustee, the court must resolve the matter. The rule is amended to be consistent with §1104(b)(2).

When the United States trustee files a report certifying the election of a trustee, the person elected must provide a verified statement, similar to the statement required of professional persons under Rule 2014, disclosing connections with parties in interest and certain other persons connected with the case. Although court approval of the person elected is not required, the disclosure of the person's connections will enable parties in interest to determine whether the person is disinterested.

Rule 2007.2. Appointment of Patient Care Ombudsman in a Health Care Business Case

(a) ORDER TO APPOINT PATIENT CARE OMBUDSMAN. In a chapter 7, chapter 9, or chapter 11 case in which the debtor is a health care business, the court shall order the appointment of a patient care ombudsman under §333 of the Code, unless the court, on motion of the United States trustee or a party in interest filed no later than 20 days after the commencement of the case or within another time fixed by the court, finds that the appointment of a patient care ombudsman is not necessary under the specific circumstances of the case for the protection of patients.

(b) MOTION FOR ORDER TO APPOINT OMBUDSMAN. If the court has found that the appointment of an ombudsman is not necessary, or has terminated the appointment, the court, on motion of the United States trustee or a party in interest, may order the appointment at a later time if it finds that the appointment has become necessary to protect patients.

(c) NOTICE OF APPOINTMENT. If a patient care ombudsman is appointed under §333, the United States trustee shall promptly file a notice of the appointment, including the name and address of the person appointed. Unless the person appointed is a State Long-Term Care Ombudsman, the notice shall be accompanied by a verified statement of the person appointed setting forth the person's connections with the debtor, creditors, patients, any other party in interest, their respective attorneys and accountants, the United States trustee, and any person employed in the office of the United States trustee.

(d) TERMINATION OF APPOINTMENT. On motion of the United States trustee or a party in interest, the court may terminate the appointment of a patient care ombudsman if the court finds that the appointment is not necessary to protect patients.

(e) MOTION. A motion under this rule shall be governed by Rule 9014. The motion shall be transmitted to the United States trustee and served on: the debtor; the trustee; any committee elected under §705 or appointed under §1102 of the Code or its authorized agent, or, if the case is a chapter 9 municipality case or a chapter 11 reorganization case and no committee of unsecured creditors has been appointed under §1102, on the creditors included on the list filed under Rule 1007(d); and such other entities as the court may direct.

COMMITTEE NOTES ON RULES—2008

Section 333 of the Code, added by the 2005 amendments, requires the court to order the appointment of a health care ombudsman within the first 30 days of a health care business case, unless the court finds that the appointment is not necessary for the protection of patients. The rule recognizes this requirement and provides a procedure by which a party may obtain a court order finding that the appointment of a patient care ombudsman is unnecessary. In the absence of a timely motion under subdivision (a) of this rule, the court will enter an order directing the United States trustee to appoint the ombudsman.

Subdivision (b) recognizes that, despite a previous order finding that a patient care ombudsman is not necessary, circumstances of the case may change or newly discovered evidence may demonstrate the necessity of an ombudsman to protect the interests of patients. In that event, a party may move the court for an order directing the appointment of an ombudsman.

When the appointment of a patient care ombudsman is ordered, the United States trustee is required to appoint a disinterested person to serve in that capacity. Court approval of the appointment is not required, but subdivision (c) requires the person appointed, if not a State Long-Term Care Ombudsman, to file a verified statement similar to the statement filed by professional persons under Rule 2014 so that parties in interest will have information relevant to disinterestedness. If a party believes that the person appointed is not disinterested, it may file a motion asking the court to find that the person is not eligible to serve.

Subdivision (d) permits parties in interest to move for the termination of the appointment of a patient care ombudsman. If the movant can show that there no longer is any need for the ombudsman, the court may order the termination of the appointment.

Rule 2008. Notice to Trustee of Selection

The United States trustee shall immediately notify the person selected as trustee how to qualify and, if applicable, the amount of the trustee's bond. A trustee that has filed a blanket bond pursuant to Rule 2010 and has been selected as trustee in a chapter 7, chapter 12, or chapter 13 case that does not notify the court and the United States trustee in writing of rejection of the office within five days after receipt of notice of selection shall be deemed to have accepted the office. Any other person selected as trustee shall notify the court and the United States trustee in writing of acceptance of the office within five days after receipt of notice of selection or shall be deemed to have rejected the office.

(As amended Mar. 30, 1987, eff. Aug. 1, 1987; Apr. 30, 1991, eff. Aug. 1, 1991.)

NOTES OF ADVISORY COMMITTEE ON RULES—1983

This rule is adapted from former Bankruptcy Rule 209(c). The remainder of that rule is inapplicable because its provisions are covered by §§701-703, 321 of the Code.

If the person selected as trustee accepts the office, he must qualify within five days after his selection, as required by §322(a) of the Code.

In districts having a standing trustee for chapter 13 cases, a blanket acceptance of the appointment would be sufficient for compliance by the standing trustee with this rule.

NOTES OF ADVISORY COMMITTEE ON RULES—1987
AMENDMENT

The rule is amended to eliminate the need for a standing chapter 13 trustee or member of the panel of chapter 7 trustees to accept or reject an appointment.
