L. 92-318, title I, §131(a)(1)(A), June 23, 1972, 86 Stat. 247, related to statement of purpose and authorization of appropriations for educational opportunity grants, prior to the general revision of part A of subchapter IV of this chapter by Pub. L. 92-318, title I, §131(b)(1), June 23, 1972, 86 Stat. 247.

AMENDMENTS

2008—Par. (4). Pub. L. 110-315 inserted “, in consultation with the Commissioner for Education Statistics” before “and the Commissioner”.

1988—Par. (2). Pub. L. 100-369 inserted “, except that any branch campus of a southern institution of higher education that prior to September 30, 1986, received a grant as an institution with special needs under section 1060 of this title and was formally recognized by the National Center for Education Statistics as a Historically Black College or University but was determined not to be a part B institution on or after October 17, 1986, shall, from July 18, 1988, be considered a part B institution” after “accreditation”.

§ 1062. Grants to institutions

(a) General authorization; uses of funds

From amounts available under section 1068h(a)(2) of this title in any fiscal year the Secretary shall make grants (under section 1063 of this title) to institutions which have applications approved by the Secretary (under section 1063a of this title) for any of the following uses:

(1) Purchase, rental, or lease of scientific or laboratory equipment for educational purposes, including instructional and research purposes.

(2) Construction, maintenance, renovation, and improvement in classroom, library, laboratory, and other instructional facilities, including purchase or rental of telecommunications technology equipment or services.

(3) Support of faculty exchanges, and faculty development and faculty fellowships to assist in attaining advanced degrees in their field of instruction.

(4) Academic instruction in disciplines in which Black Americans are underrepresented.

(5) Purchase of library books, periodicals, microfilm, and other educational materials, including telecommunications program materials.

(6) Tutoring, counseling, and student service programs designed to improve academic success.

(7) Funds and administrative management, and acquisition of equipment for use in strengthening funds management.

(8) Joint use of facilities, such as laboratories and libraries.

(9) Establishing or improving a development office to strengthen or improve contributions from alumni and the private sector.

(10) Establishing or enhancing a program of teacher education designed to qualify students to teach in a public elementary or secondary school in the State that shall include, as part of such program, preparation for teacher certification.

(11) Establishing community outreach programs which will encourage elementary and secondary students to develop the academic skills and the interest to pursue postsecondary education.

(12) Acquisition of real property in connection with the construction, renovation, or addition to or improvement of campus facilities.

(13) Education or financial information designed to improve the financial literacy and economic literacy of students or the students' families, especially with regard to student indebtedness and student assistance programs under subchapter IV of this chapter and part C of subchapter I of chapter 34 of title 42.

(14) Services necessary for the implementation of projects or activities that are described in the grant application and that are approved, in advance, by the Secretary, except that not more than two percent of the grant amount may be used for this purpose.

(15) Other activities proposed in the application submitted pursuant to section 1063a of this title that—

(A) contribute to carrying out the purposes of this part; and

(B) are approved by the Secretary as part of the review and acceptance of such application.

(b) Endowment fund

(1) In general

An institution may use not more than 20 percent of the grant funds provided under this part to establish or increase an endowment fund at the institution.

(2) Matching requirement

In order to be eligible to use grant funds in accordance with paragraph (1), the eligible institution shall provide matching funds from non-Federal sources, in an amount equal to or greater than the Federal funds used in accordance with paragraph (1), for the establishment or increase of the endowment fund.

(3) Comparability

The provisions of part C of this subchapter regarding the establishment or increase of an endowment fund, that the Secretary determines are not inconsistent with this subsection, shall apply to funds used under paragraph (1).

(c) Limitations

(1) No grant may be made under this chapter for any educational program, activity, or service related to sectarian instruction or religious worship, or provided by a school or department of divinity. For the purpose of this subsection, the term “school or department of divinity” means an institution whose program is specifically for the education of students to prepare them to become ministers of religion or to enter upon some other religious vocation, or to prepare them to teach theological subjects.

(2) Not more than 50 percent of the allotment of any institution may be available for the purpose of constructing or maintaining a classroom, library, laboratory, or other instructional facility.

§ 1063. Allotments to institutions**(a) Allotment; Pell Grant basis**

From the amounts appropriated to carry out this part for any fiscal year, the Secretary shall allot to each part B institution a sum which bears the same ratio to one-half that amount as the number of Pell Grant recipients in attendance at such institution at the end of the school year preceding the beginning of that fiscal year bears to the total number of Pell Grant recipients at all part B institutions.

(b) Allotment; graduates basis

From the amounts appropriated to carry out this part for any fiscal year, the Secretary shall allot to each part B institution a sum which bears the same ratio to one-fourth that amount as the number of graduates for such school year at such institution bears to the total number of graduates for such school year at all part B institutions.

(c) Allotment; graduate and professional student basis

From the amounts appropriated to carry out this part for any fiscal year, the Secretary shall allot to each part B institution a sum which bears the same ratio to one-fourth of that amount as the percentage of graduates per institution, who are admitted to and in attendance at, within 5 years of graduation with a baccalaureate degree, a graduate or professional school in a degree program in disciplines in which Blacks are underrepresented, bears to the percentage of such graduates per institution for all part B institutions.

(d) Minimum allotment

Notwithstanding subsections (a) through (c), and subject to subsection (h), if the amount of an award under this section for a part B institution, based on the data provided by the part B institution and the formula under subsections (a) through (c), would be—

(1) an amount that is greater than \$250,000 but less than \$500,000, the Secretary shall award the part B institution an allotment in the amount of \$500,000; and

(2) an amount that is equal to or less than \$250,000, the Secretary shall award the part B institution an allotment in the amount of \$250,000.

(e) Reallocation

The amount of any part B institution’s allotment under subsection (a), (b), (c), or (d) of this section for any fiscal year which the Secretary determines will not be required for such institution for the period such allotment is available shall be available for reallocation from time to time on such date during such period as the Secretary may determine to other part B institutions in proportion to the original allotment to such other institutions under this section for such fiscal year.
