CODIFICATION

“Section 8124 of title 38” substituted in text (see 1991 Amendment note below) for “section 5024 of title 38”, which previously had been substituted for “section 5014 of title 38” as the probable intent of Congress in view of the renumbering of section 5014 of title 38 as section 5024 by Pub. L. 96-22, title III, § 301(b)(1), June 13, 1979, 93 Stat. 61. Previously, “section 5014 of title 38” had been substituted for “section 11i of title 38” on authority of Pub. 1956—Act May 14, 1956, provided that the Secretary, as conditions to loan, require borrower to account for disbursements of borrowed funds and return for application toward amortization of the loan all funds not expended in the construction of the distribution system, required, prior to the consummation of any loan, the transfer to the United States of titles to lands or interests in lands held by the borrower, and that titles to such lands, interests, and distribution works remain in United States until repayment, and provided for issu-

ance of revocable permits for the use of lands owned by United States, in lieu of the formerly authorized actual conveyance to the districts of the rights-of-way.
