CODIFICATION

Provisions which authorized the appointment and fixing of compensation of attorneys, engineers, and experts "without regard to the provisions of the civil service laws applicable to officers and employees of the United States" were omitted from the Code as obsolete and superseded. Such appointments are now subject to the civil service laws unless specifically excepted by those laws or by laws enacted subsequent to Executive Order 8743, Apr. 23, 1941, issued by the President pursuant to act Nov. 26, 1940, ch. 919, title I, § 1, 54 Stat. 1211, which covered most excepted positions into the classified (competitive) civil service. The Order is set out as a note under section 3301 of Title 5, Government Organization and Employees. As to the compensation of such personnel, sections 1202 and 1204 of the Classification Act of 1949, 63 Stat. 972, 973, repealed the Classification Act of 1923 and all other laws or parts of laws inconsistent with the 1949 Act. The Classification Act of 1949 was repealed by Pub. L. 89-554, Sept. 6, 1966, § 8(a), 80 Stat. 632, and reenacted as chapter 51 and subchapter III of chapter 53 of Title 5. Section 5102 of Title 5 now contains the applicability provisions of the 1949 Act, and section 5103 of Title 5 authorizes the Office of Personnel Management to determine the applicability to specific positions and employees.

§ 912. Extension of time for repayment of loans

(a) In general

The Secretary is authorized and empowered to extend the time of payment of interest or principal of any loans made by the Secretary pursu-

ant to this chapter, except that, with respect to any loan made under section 904 or 922 of this title, the payment of interest or principal shall not be extended more than five years after such payment shall have become due.

(b) Terms of deferment

(1) Subject to limitations established in appropriations Acts, the Secretary shall permit any borrower to defer the payment of principal and interest on any insured or direct loan made under this chapter under circumstances described in this subsection, notwithstanding any limitation contained in subsection (a) of this section, except that such deferment shall not be permitted based on the determination of the Secretary of the financial hardship of the borrower.

(2)(A) In the case of deferments made to enable the borrower to provide financing to local businesses, the deferment shall be repaid in equal installments, without the accrual of interest, over the 60-month period beginning on the date of the deferment, and the total amount of such payments shall be equal to the amount of the payment deferred.

(B) In the case of deferments made to enable the borrower to provide community development assistance, technical assistance to businesses, and for other community, business, or economic development projects not included under subparagraph (A), the deferment shall be repaid in equal installments, without the accrual of interest, over the 120-month period beginning on the date of the deferment, and the total amount of such payments shall be equal to the amount of the payment deferred.

(3)(A) A borrower may defer its debt service payments only in an amount equal to an investment made by such borrower as described in paragraph (2).

(B) The amount of the deferment shall not exceed 50 percent of the total cost of a community or economic development project for which a deferment is provided under this subsection.

(C) The total amount of deferments under this subsection during each of the fiscal years 1990 through 1993 shall not exceed 3 percent of the total payments due during such fiscal year from all borrowers on direct and insured loans made under this chapter and shall not exceed 5 percent of such total payments due in each subsequent fiscal year.

(D) At the time of a deferment, the borrower shall make a payment to a cushion of credit account established and maintained pursuant to section 940c of this title in an amount equal to the amount of the payment deferred. The balance of such account shall not be reduced by the borrower below the level of the unpaid balance of the payment deferred. Subject to limitations established in annual appropriations Acts, such cushion of credit amounts and any other cushion of credit and advance payments of any borrower shall be included in the interest differential calculation under section 940c(b)(2)(A) of this title.

(4) The Secretary shall undertake all reasonable efforts to permit the full amount of deferments authorized by this subsection during each fiscal year.
