COMMITTEE NOTES ON RULES—2003

The form implements Rule 1007(f), which requires a debtor to submit a statement under penalty of perjury setting out the debtor's Social Security number. The form is necessary because Rule 1005 provides that the caption of the petition includes only the final four digits of the debtor's Social Security number. The statement provides the information necessary for the clerk to include the debtor's full Social Security number on the notice of the meeting of creditors, as required under Rule 2002(a)(1). Creditors in a case, along with the trustee and United States trustee or bankruptcy administrator, will receive the full Social Security number on their copy of the notice of the meeting of creditors. The copy of that notice which goes into the

court file will show only the last four digits of the number.

COMMITTEE NOTES ON RULES—2007 AMENDMENT

The form is amended to direct an individual debtor who does not have a social-security number but has another government-issued individual taxpayer-identification number to furnish that number to the court. In light of the new Rule 9037 which limits public disclosure to all but the last four digits of any individual taxpayer-identification number, the amendment to this form will ensure that the court and creditors can properly identify a debtor who does not have a social-security number.
