

ness, are not required to file and transmit to the United States trustee a complete inventory of the property of the debtor unless the court so directs. If the court so directs, the court also fixes the time limit for filing and transmitting the inventory.

GAP Report on Rule 2015. No changes since publication, except for a stylistic change in the first sentence of the committee note.

COMMITTEE NOTES ON RULES—2002 AMENDMENT

Subdivision (a)(5) is amended to provide that the duty to file quarterly disbursement reports continues only so long as there is an obligation to make quarterly payments to the United States trustee under 28 U.S.C. §1930(a)(6).

Other amendments are stylistic.

Changes Made After Publication and Comments. No changes were made.

COMMITTEE NOTES ON RULES—2008 AMENDMENT

Subparagraph (a)(6) implements §308 of the Code, added by the 2005 amendments. That section requires small business chapter 11 debtors to file periodic financial and operating reports, and the rule sets the time for filing those reports and requires the use of an Official Form for the report. The obligation to file reports under this rule does not relieve the trustee or debtor of any other obligations to provide information or documents to the United States trustee.

The rule also is amended to fix the time for the filing of notices under §1518, added to the Code in 2005. Former subdivision (d) is renumbered as subdivision (e).

Other changes are stylistic.

Changes Made After Publication. No changes were made after publication.

COMMITTEE NOTES ON RULES—2009 AMENDMENT

The rule is amended to implement changes in connection with the amendment to Rule 9006(a) and the manner by which time is computed under the rules. The deadlines in the rule are amended to substitute a deadline that is a multiple of seven days. Throughout the rules, deadlines are amended in the following manner:

- 5-day periods become 7-day periods
- 10-day periods become 14-day periods
- 15-day periods become 14-day periods
- 20-day periods become 21-day periods
- 25-day periods become 28-day periods

Rule 2015.1. Patient Care Ombudsman

(a) **REPORTS.** A patient care ombudsman, at least 14 days before making a report under §333(b)(2) of the Code, shall give notice that the report will be made to the court, unless the court orders otherwise. The notice shall be transmitted to the United States trustee, posted conspicuously at the health care facility that is the subject of the report, and served on: the debtor; the trustee; all patients; and any committee elected under §705 or appointed under §1102 of the Code or its authorized agent, or, if the case is a chapter 9 municipality case or a chapter 11 reorganization case and no committee of unsecured creditors has been appointed under §1102, on the creditors included on the list filed under Rule 1007(d); and such other entities as the court may direct. The notice shall state the date and time when the report will be made, the manner in which the report will be made, and, if the report is in writing, the name, address, telephone number, email address, and website, if any, of the person from whom a copy of the report may be obtained at the debtor's expense.

(b) **AUTHORIZATION TO REVIEW CONFIDENTIAL PATIENT RECORDS.** A motion by a patient care ombudsman under §333(c) to review confidential patient records shall be governed by Rule 9014, served on the patient and any family member or other contact person whose name and address have been given to the trustee or the debtor for the purpose of providing information regarding the patient's health care, and transmitted to the United States trustee subject to applicable non-bankruptcy law relating to patient privacy. Unless the court orders otherwise, a hearing on the motion may not be commenced earlier than 14 days after service of the motion.

(Added Apr. 23, 2008, eff. Dec. 1, 2008; amended Mar. 26, 2009, eff. Dec. 1, 2009.)

COMMITTEE NOTES ON RULES—2008

This rule is new and implements §333 of the Code, added by the 2005 amendments. Subdivision (a) is designed to give parties in interest, including patients or their representatives, sufficient notice so that they will be able to review written reports or attend hearings at which reports are made. The rule permits a notice to relate to a single report or to periodic reports to be given during the case. For example, the ombudsman may give notice that reports will be made at specified intervals or dates during the case.

Subdivision (a) of the rule also requires that the notice be posted conspicuously at the health care facility in a place where it will be seen by patients and their families or others visiting the patients. This may require posting in common areas and patient rooms within the facility. Because health care facilities and the patients they serve can vary greatly, the locations of the posted notice should be tailored to the specific facility that is the subject of the report.

Subdivision (b) requires the ombudsman to notify the patient and the United States trustee that the ombudsman is seeking access to confidential patient records so that they will be able to appear and be heard on the matter. This procedure should assist the court in reaching its decision both as to access to the records and appropriate restrictions on that access to ensure continued confidentiality. Notices given under this rule are subject to the provisions of applicable federal and state law that relate to the protection of patients' privacy, such as the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191 (HIPAA).

Changes Made After Publication. Two stylistic changes were made to the rule. The reference to the court's authority to order otherwise was moved from the beginning to the end of the first sentence of subdivision (a). On line 19, the word "patient" was substituted for "health" to be consistent with the Code.

The rule is amended to implement changes in connection with the amendment to Rule 9006(a) and the manner by which time is computed under the rules. The deadlines in the rule are amended to substitute a deadline that is a multiple of seven days. Throughout the rules, deadlines are amended in the following manner:

- 15-day periods become 14-day periods
- 20-day periods become 21-day periods
- 25-day periods become 28-day periods

Rule 2015.2. Transfer of Patient in Health Care Business Case

Unless the court orders otherwise, if the debtor is a health care business, the trustee may not transfer a patient to another health care business under §704(a)(12) of the Code unless the trustee gives at least 14 days' notice of the

transfer to the patient care ombudsman, if any, the patient, and any family member or other contact person whose name and address has been given to the trustee or the debtor for the purpose of providing information regarding the patient's health care. The notice is subject to applicable nonbankruptcy law relating to patient privacy.

(Added Apr. 23, 2008, eff. Dec. 1, 2008; amended Mar. 26, 2009, eff. Dec. 1, 2009.)

COMMITTEE NOTES ON RULES—2008

This rule is new. Section 704(a)(12), added to the Code by the 2005 amendments, authorizes the trustee to relocate patients when a health care business debtor's facility is in the process of being closed. The Code permits the trustee to take this action without the need for any court order, but the notice required by this rule will enable a patient care ombudsman appointed under §333, or a patient who contends that the trustee's actions violate §704(a)(12), to have those issues resolved before the patient is transferred.

This rule also permits the court to enter an order dispensing with or altering the notice requirement in proper circumstances. For example, a facility could be closed immediately, or very quickly, such that 10 days' notice would not be possible in some instances. In that event, the court may shorten the time required for notice.

Notices given under this rule are subject to the provisions of applicable federal and state law that relate to the protection of patients' privacy, such as the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191 (HIPAA).

Rule 2015.3. Reports of Financial Information on Entities in Which a Chapter 11 Estate Holds a Controlling or Substantial Interest

(a) **REPORTING REQUIREMENT.** In a chapter 11 case, the trustee or debtor in possession shall file periodic financial reports of the value, operations, and profitability of each entity that is not a publicly traded corporation or a debtor in a case under title 11, and in which the estate holds a substantial or controlling interest. The reports shall be prepared as prescribed by the appropriate Official Form, and shall be based upon the most recent information reasonably available to the trustee or debtor in possession.

(b) **TIME FOR FILING; SERVICE.** The first report required by this rule shall be filed no later than seven days before the first date set for the meeting of creditors under §341 of the Code. Subsequent reports shall be filed no less frequently than every six months thereafter, until the effective date of a plan or the case is dismissed or converted. Copies of the report shall be served on the United States trustee, any committee appointed under §1102 of the Code, and any other

party in interest that has filed a request therefor.

(c) **PRESUMPTION OF SUBSTANTIAL OR CONTROLLING INTEREST; JUDICIAL DETERMINATION.** For purposes of this rule, an entity of which the estate controls or owns at least a 20 percent interest, shall be presumed to be an entity in which the estate has a substantial or controlling interest. An entity in which the estate controls or owns less than a 20 percent interest shall be presumed not to be an entity in which the estate has a substantial or controlling interest. Upon motion, the entity, any holder of an interest therein, the United States trustee, or any other party in interest may seek to rebut either presumption, and the court shall, after notice and a hearing, determine whether the estate's interest in the entity is substantial or controlling.

(d) **MODIFICATION OF REPORTING REQUIREMENT.** The court may, after notice and a hearing, vary the reporting requirement established by subdivision (a) of this rule for cause, including that the trustee or debtor in possession is not able, after a good faith effort, to comply with those reporting requirements, or that the information required by subdivision (a) is publicly available.

(e) **NOTICE AND PROTECTIVE ORDERS.** No later than 14 days before filing the first report required by this rule, the trustee or debtor in possession shall send notice to the entity in which the estate has a substantial or controlling interest, and to all holders—known to the trustee or debtor in possession—of an interest in that entity, that the trustee or debtor in possession expects to file and serve financial information relating to the entity in accordance with this rule. The entity in which the estate has a substantial or controlling interest, or a person holding an interest in that entity, may request protection of the information under §107 of the Code.

(f) **EFFECT OF REQUEST.** Unless the court orders otherwise, the pendency of a request under subdivisions (c), (d), or (e) of this rule shall not alter or stay the requirements of subdivision (a).

(Added Apr. 23, 2008, eff. Dec. 1, 2008; amended Mar. 26, 2009, eff. Dec. 1, 2009.)

COMMITTEE NOTES ON RULES—2008

This rule implements §419 of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 (“BAPCPA”). Reports are to be made on the appropriate Official Form. While §419 of BAPCPA places the obligation to report upon the “debtor,” this rule extends the obligation to include cases in which a trustee has been appointed. The court can order that the reports not be filed in appropriate circumstances, such as when the information that would be included in these reports is already available to interested parties.

Changes After Publication. In subdivision (e), the 20 day period was changed to 14 days. This better reconciles the timing of the notice and the scheduling of the §341 meeting of creditors, and it is also consistent with the upcoming time computation amendments.
