

position to the motion. See Rule 9014. Other amendments are stylistic and make no substantive change.

COMMITTEE NOTES ON RULES—2009 AMENDMENT

The rule is amended to implement changes in connection with the amendment to Rule 9006(a) and the manner by which time is computed under the rules. The deadline in the rule is amended to substitute a deadline that is a multiple of seven days. Throughout the rules, deadlines are amended in the following manner:

- 5-day periods become 7-day periods
- 10-day periods become 14-day periods
- 15-day periods become 14-day periods
- 20-day periods become 21-day periods
- 25-day periods become 28-day periods

Rule 6008. Redemption of Property from Lien or Sale

On motion by the debtor, trustee, or debtor in possession and after hearing on notice as the court may direct, the court may authorize the redemption of property from a lien or from a sale to enforce a lien in accordance with applicable law.

NOTES OF ADVISORY COMMITTEE ON RULES—1983

This rule is derived from former Bankruptcy Rule 609. No provision in the Code addresses the trustee's right of redemption. Ordinarily the secured creditor should be given notice of the trustee's motion so that any objection may be raised to the proposed redemption.

The rule applies also to a debtor exercising a right of redemption pursuant to §722. A proceeding under that section is governed by Rule 9014.

Rule 6009. Prosecution and Defense of Proceedings by Trustee or Debtor in Possession

With or without court approval, the trustee or debtor in possession may prosecute or may enter an appearance and defend any pending action or proceeding by or against the debtor, or commence and prosecute any action or proceeding in behalf of the estate before any tribunal.

NOTES OF ADVISORY COMMITTEE ON RULES—1983

This rule is derived from former Bankruptcy Rule 610.

Rule 6010. Proceeding to Avoid Indemnifying Lien or Transfer to Surety

If a lien voidable under §547 of the Code has been dissolved by the furnishing of a bond or other obligation and the surety thereon has been indemnified by the transfer of, or the creation of a lien upon, nonexempt property of the debtor, the surety shall be joined as a defendant in any proceeding to avoid the indemnifying transfer or lien. Such proceeding is governed by the rules in Part VII.

(As amended Apr. 30, 1991, eff. Aug. 1, 1991.)

NOTES OF ADVISORY COMMITTEE ON RULES—1983

This rule is derived from former Bankruptcy Rule 612.

NOTES OF ADVISORY COMMITTEE ON RULES—1991
AMENDMENT

This rule is amended to conform to §550(a) of the Code which provides that the trustee may recover the property transferred in a voidable transfer. The value of the property may be recovered in lieu of the property itself only if the court so orders.

Rule 6011. Disposal of Patient Records in Health Care Business Case

(a) NOTICE BY PUBLICATION UNDER §351(1)(A). A notice regarding the claiming or disposing of pa-

tient records under §351(1)(A) shall not identify any patient by name or other identifying information, but shall:

(1) identify with particularity the health care facility whose patient records the trustee proposes to destroy;

(2) state the name, address, telephone number, email address, and website, if any, of a person from whom information about the patient records may be obtained;

(3) state how to claim the patient records; and

(4) state the date by which patient records must be claimed, and that if they are not so claimed the records will be destroyed.

(b) NOTICE BY MAIL UNDER §351(1)(B). Subject to applicable nonbankruptcy law relating to patient privacy, a notice regarding the claiming or disposing of patient records under §351(1)(B) shall, in addition to including the information in subdivision (a), direct that a patient's family member or other representative who receives the notice inform the patient of the notice. Any notice under this subdivision shall be mailed to the patient and any family member or other contact person whose name and address have been given to the trustee or the debtor for the purpose of providing information regarding the patient's health care, to the Attorney General of the State where the health care facility is located, and to any insurance company known to have provided health care insurance to the patient.

(c) PROOF OF COMPLIANCE WITH NOTICE REQUIREMENT. Unless the court orders the trustee to file proof of compliance with §351(1)(B) under seal, the trustee shall not file, but shall maintain, the proof of compliance for a reasonable time.

(d) REPORT OF DESTRUCTION OF RECORDS. The trustee shall file, no later than 30 days after the destruction of patient records under §351(3), a report certifying that the unclaimed records have been destroyed and explaining the method used to effect the destruction. The report shall not identify any patient by name or other identifying information.

(Added Apr. 23, 2008, eff. Dec. 1, 2008.)

COMMITTEE NOTES ON RULES—2008

This rule is new. It implements §351(1), which was added to the Code by the 2005 amendments. That provision requires the trustee to notify patients that their patient records will be destroyed if they remain unclaimed for one year after the publication of a notice in an appropriate newspaper. The Code provision also requires that individualized notice be sent to each patient and to the patient's family member or other contact person.

The variety of health care businesses and the range of current and former patients present the need for flexibility in the creation and publication of the notices that will be given. Nevertheless, there are some matters that must be included in any notice being given to patients, their family members, and contact persons to ensure that sufficient information is provided to these persons regarding the trustee's intent to dispose of patient records. Subdivision (a) of this rule lists the minimum requirements for notices given under §351(1)(A), and subdivision (b) governs the form of notices under §351(1)(B). Notices given under this rule are subject to provisions under applicable federal and state law that relate to the protection of patients' privacy, such as
