“(1) Sub-Saharan Africa faces a virtually unprecedented condition of human misery which threatens the lives of one hundred and fifty million people;

“(5) the Special Facility for Sub-Saharan Africa will have as its primary goal the implementation of policy reforms to help the African countries to help themselves;

“(6) to succeed, these efforts must be reinforced by development resources;

“(7) the appalling conditions prevalent in the countries of Sub-Saharan Africa underscore the need for the United States to participate in a coordinated framework with the other aid donor countries; and
