AMENDMENTS

1998—Subsec. (b). Pub. L. 105–368 substituted “National Cemetery Administration” for “National Cemetery System”.

§ 2106. War memorials not built by the United States Government

(a) COOPERATION WITH OTHERS.—The American Battle Monuments Commission may cooperate with citizens of the United States, States, municipalities, or associations desiring to build war memorials outside the continental limits of the United States in the way the Commission decides. An administrative agency of the United States Government may give assistance to build the memorial only if a plan for the memorial has been approved under this chapter.

(b) CONTROL, ADMINISTRATION, AND MAINTENANCE OF WAR MEMORIALS.—(1) The Commission may assume responsibility for the control, administration, and maintenance of any war memorial built outside the United States by a citizen of the United States, a State, a political subdivision of a State, a governmental authority (except a department, agency, or instrumentality of the United States Government), a foreign agency, or a private association to commemorate the services of any of the Armed Forces in hostilities occurring since April 6, 1917, if—

(A) the memorial is not built on the territory of the applicable former enemy; and

(B) the sponsors of the memorial consent to the Commission assuming those responsibil-

ities and transfer to the Commission all their rights and interests in the memorial.

(2) If reasonable effort fails to locate the sponsors of a memorial, the Commission may assume responsibility for the memorial under this subsection by agreement with the appropriate foreign authorities. A decision of the Commission to assume responsibility for a war memorial under this subsection is final.

(3) Sponsors of a war memorial for which the Commission assumes responsibility under this subsection may transfer amounts accumulated to maintain and repair the memorial to the Commission for use in carrying out this chapter. Except as provided in subsection (c) of this section, the Commission shall deposit transferred amounts as provided in section 2103(e) of this title.

(c) ARRANGEMENTS FOR REPAIR OR LONG-TERM MAINTENANCE OF MEMORIALS.—In assuming responsibility for a war memorial under subsection (b)(1) or (2) of this section, the Commission may arrange with the sponsors of the memorial to provide for repair or long-term maintenance of the memorial. An amount transferred to the Commission for the purpose of this subsection shall be deposited by the Commission in the fund established under subsection (d) of this section.

(d) FUND FOR ARRANGEMENTS FOR REPAIR OR LONG-TERM MAINTENANCE OF MEMORIALS.—(1) There is a fund in the Treasury that is available to the Commission for expenses of repair and long-term maintenance of memorials for which the Commission has made arrangements under subsection (c) of this section. The fund consists of—

(A) amounts deposited into, and interest and proceeds credited to, the fund under paragraph (2) of this subsection; and

(B) obligations obtained under paragraph (3) of this subsection.

(2) The Commission shall deposit into the fund the amounts that are accepted under subsection (c) of this section. The Secretary of the Treasury shall credit to the fund the interest on, and the proceeds from the sale or redemption of, obligations held in the fund.

(3) The Secretary shall invest any part of the fund that the Commission decides is not required to meet current expenses. Each investment shall be made in an interest-bearing obligation of the United States Government, or an obligation that has its principal and interest guaranteed by the Government, that the Commission decides has a maturity suitable for the fund.

(4) The Commission shall separately account for all amounts deposited in and expended from the fund for each war memorial for which an arrangement for repair or long-term maintenance is made under subsection (c) of this section.

(e) DEMOLITION OF WAR MEMORIAL BUILT IN A FOREIGN COUNTRY AND DISPOSITION OF SITE.—The Commission may take necessary action to demolish any war memorial built outside the United States by a citizen of the United States, a State, a political subdivision of a State, a governmental authority (except a department,

agency, or instrumentality of the United States Government), a foreign agency, or a private association and to dispose of the site of the memorial in a way the Commission decides is proper, if—

(1) the appropriate foreign authorities agree to the demolition; and

(2)(A) the sponsor of the memorial consents to the demolition; or

(B) the memorial has fallen into disrepair and a reasonable effort by the Commission has failed—

(i) to persuade the sponsor to maintain the memorial at a standard acceptable to the Commission; or

(ii) to locate the sponsor.

The Account shall be used to provide amounts, in addition to amounts appropriated for salaries and expenses of the Commission, to pay the cost of salaries and expenses that exceeds the amount appropriated for salaries and expenses because of fluctuations in currency exchange rates of foreign countries occurring after a budget request for the Commission is submitted to Congress. back to the Account after the end of the 2d fiscal year after the fiscal year in which the appropriation was available for obligation.

(d) RECORDING OF OBLIGATIONS AND FLUCTUATIONS IN EXCHANGE RATES.—An obligation of the Commission payable in the currency of a foreign country may be recorded as an obligation based on exchange rates used in preparing a budget submission. A change reflecting fluctuations in exchange rates may be recorded as a disbursement is made.

The Governor shall not remove from Mount Hope Cemetery the remains of any such person whose next of kin timely requests in writing that such remains not be disinterred. The Governor shall transport to the United States for reinterment the remains of any such person whose next of kin timely requests in writing that such remains be transported to the United States for reinterment.

1-104. Subject to the availability of funds, all the costs incurred in the disinterment, reinterment in Corozal Cemetery, and transportation of remains required by this Order, including the costs of preparation, cremation if requested, and a casket or urn, shall be borne by the United States of America. The costs of reinterment in the United States, including any costs for funeral home services, vaults, plots, or crypts, will be the responsibility of the next of kin making the request, except to the extent otherwise provided by law, including any unused specific entitlements available pursuant to statute.

1-106. (a) The Governor of the Canal Zone shall identify, to the extent feasible, the closest surviving next of kin of each deceased United States citizen buried in the Mount Hope and Corozal Cemeteries, and of such next of kin of each member of the immediate family that is buried with such United States citizen.

(b) The Governor shall provide notice to the next of kin of such deceased buried in Mount Hope Cemetery that the Government plans to remove the deceased to Corozal Cemetery unless the next of kin requests in writing, not later than three months after the first issuance of such notification, either that the remains not be removed from Mount Hope Cemetery, or that the remains be moved to, and reinterred in, the United States in a cemetery or other burial site designated by the next of kin.

(c) The Governor shall also provide notice to the next of kin of such deceased who are buried in Corozal Cemetery that the Government will disinter and transport such deceased to the United States for reinterment in a cemetery or other burial site designated by the next of kin, if the next of kin so requests in writing not later than April 1, 1982.

(d) The Governor shall publish the notices provided for in subsections (b) and (c) of this Section in appropriate newspapers, magazines and other periodicals, and utilize such other means of communicating with the next of kin that he finds to be practical and effective.

1-107. The Governor of the Canal Zone shall, before the entry into force of the Neutrality Treaty, fully advise the next of kin of all available options, and their implications, in those cases where a request has been made that remains not be removed from Mount Hope Cemetery.

1-108. § 2113. World War II memorial in the District of Columbia

(a) SOLICITATION AND ACCEPTANCE OF CONTRIBUTIONS.—(1) Consistent with its authority under section 2103(e) of this title, the American Battle Monuments Commission shall solicit and accept contributions for the World War II memorial.

(2) In this section, the term "World War II memorial" means the memorial authorized by Public Law 103-32 (40 U.S.C. 8903 note) to be established by the Commission on Federal land in the District of Columbia or its environs to honor members of the Armed Forces who served in World War II and to commemorate the participation of the United States in that war.

(b) CREATION OF MEMORIAL FUND.—(1) There is hereby created in the Treasury a fund for the World War II memorial, which shall consist of the following:

(A) Amounts deposited, and interest and proceeds credited, under paragraph (2).

(B) Obligations obtained under paragraph (3).

(C) The amount of surcharges paid to the Commission for the World War II memorial under the World War II 50th Anniversary Commemorative Coins Act (31 U.S.C. 5112 note).

(D) Amounts borrowed using the authority provided under subsection (d).

(E) Any funds received by the Commission under section 2114 of this title in exchange for use of, or the right to use, any mark, copyright or patent.

(2) The Chairman of the Commission shall deposit in the fund the amounts accepted as contributions under subsection (a). The Secretary of the Treasury shall credit to the fund the interest on, and the proceeds from sale or redemption of, obligations held in the fund.

(3) The Secretary of the Treasury shall invest any portion of the fund that, as determined by the Chairman, is not required to meet current expenses. Each investment shall be made in an interest-bearing obligation of the United States or an obligation guaranteed as to principal and interest by the United States that, as determined by the Chairman, has a maturity suitable for the fund.

(c) USE OF FUND.—The fund shall be available to the Commission—

(1) for the expenses of establishing the World War II memorial, including the maintenance and preservation amount provided for in section 8906(b) of title 40;

(2) for such other expenses, other than routine maintenance, with respect to the World War II memorial as the Commission considers warranted; and

(3) to secure, obtain, register, enforce, protect, and license any mark, copyright, or patent that is owned by, assigned to, or licensed to the Commission under section 2114 of this title to aid or facilitate the construction of the World War II memorial.

(d) SPECIAL BORROWING AUTHORITY.—(1) To assure that groundbreaking, construction, and dedication of the World War II memorial are carried out on a timely basis, the Commission may borrow money from the Treasury of the United States in such amounts as the Commission considers necessary, but not to exceed a total of \$65,000,000. Borrowed amounts shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the average market yield on outstanding marketable obligations of the United States of com-

parable maturities during the month preceding the month in which the obligations of the Commission are issued. The interest payments on such obligations may be deferred with the approval of the Secretary, but any interest payment so deferred shall also bear interest.

(2) The borrowing of money by the Commission under paragraph (1) shall be subject to such maturities, terms, and conditions as may be agreed upon by the Commission and the Secretary, except that the maturities may not exceed 20 years and such borrowings may be redeemable at the option of the Commission before maturity.

(3) The obligations of the Commission shall be issued in amounts and at prices approved by the Secretary. The authority of the Commission to issue obligations under this subsection shall remain available without fiscal year limitation. The Secretary of the Treasury shall purchase any obligations of the Commission to be issued under this subsection, and for such purpose the Secretary of the Treasury may use as a public debt transaction of the United States the proceeds from the sale of any securities issued under chapter 31 of title 31. The purposes for which securities may be issued under such chapter are extended to include any purchase of the Commission's obligations under this subsection.

(4) Repayment of the interest and principal on any funds borrowed by the Commission under paragraph (1) shall be made from amounts in the fund. The Commission may not use for such purpose any funds appropriated for any other activities of the Commission.

(e) TREATMENT OF BORROWING AUTHORITY.—In determining whether the Commission has sufficient funds to complete construction of the World War II memorial, as required by section 8906 of title 40, the Secretary of the Interior shall consider the funds that the Commission may borrow from the Treasury under subsection (d) as funds available to complete construction of the memorial, whether or not the Commission has actually exercised the authority to borrow such funds.

(f) VOLUNTARY SERVICES.—(1) Notwithstanding section 1342 of title 31, the Commission may accept from any person voluntary services to be provided in furtherance of the fund-raising activities of the Commission relating to the World War II memorial.

(2) A person providing voluntary services under this subsection shall be considered to be a Federal employee for purposes of chapter 81 of title 5, relating to compensation for work-related injuries, and chapter 171 of title 28, relating to tort claims. A volunteer who is not otherwise employed by the United States shall not be considered to be a Federal employee for any other purpose by reason of the provision of such voluntary service, except that any volunteer given responsibility for the handling of funds or the carrying out of a Federal function is subject to the conflict of interest laws contained in chapter 11 of title 18 and the administrative standards of conduct contained in part 2635 of title 5 of the Code of Federal Regulations.

(3) The Commission may provide for reimbursement of incidental expenses that are in-

curred by a person providing voluntary services under this subsection. The Commission shall determine those expenses that are eligible for reimbursement under this paragraph.

(4) Nothing in this subsection shall be construed to require any Federal employee to work without compensation or to allow the use of volunteer services to displace or replace any Federal employee.

(g) TREATMENT OF CERTAIN CONTRACTS.—A contract entered into by the Commission for the design or construction of the World War II memorial is not a funding agreement as that term is defined in section 201 of title 35.

(h) EXTENSION OF AUTHORITY TO ESTABLISH MEMORIAL.—Notwithstanding section 8903(e) of title 40, the authority for the construction of the World War II memorial provided by Public Law 103-32 (40 U.S.C. 8903 note) expires on December 31, 2005.
