

rier will inform the family of whether the passenger's name appeared on any preliminary passenger manifest for the train involved in the accident.

(6) A process by which the family of each passenger will be consulted about the disposition of all remains and personal effects of the passenger within the control of the rail passenger carrier and by which any possession of the passenger within the control of the rail passenger carrier (regardless of its condition)—

(A) will be retained by the rail passenger carrier for at least 18 months; and

(B) will be returned to the family unless the possession is needed for the accident investigation or any criminal investigation.

(7) A process by which the treatment of the families of nonrevenue passengers will be the same as the treatment of the families of revenue passengers.

(8) An assurance that the rail passenger carrier will provide adequate training to the employees and agents of the carrier to meet the needs of survivors and family members following an accident.

(9) An assurance that the family of each passenger or other person killed in the accident will be consulted about construction by the rail passenger carrier of any monument to the passengers, including any inscription on the monument.

(10) An assurance that the rail passenger carrier will work with any organization designated under section 1139(a)(2) of this title on an ongoing basis to ensure that families of passengers receive an appropriate level of services and assistance following each accident.

(11) An assurance that the rail passenger carrier will provide reasonable compensation to any organization designated under section 1139(a)(2) of this title for services provided by the organization.

(c) **USE OF INFORMATION.**—Neither the National Transportation Safety Board, the Secretary of Transportation, the Secretary of Homeland Security, nor a rail passenger carrier may release to the public any personal information on a list obtained under subsection (b)(1), but may provide information on the list about a passenger to the passenger's family members to the extent that the Board or a rail passenger carrier considers appropriate.

(d) **LIMITATION ON STATUTORY CONSTRUCTION.**—

(1) **RAIL PASSENGER CARRIERS.**—Nothing in this section may be construed as limiting the actions that a rail passenger carrier may take, or the obligations that a rail passenger carrier may have, in providing assistance to the families of passengers involved in a rail passenger accident.

(2) **INVESTIGATIONAL AUTHORITY OF BOARD AND SECRETARY.**—Nothing in this section shall be construed to abridge the authority of the Board or the Secretary of Transportation to investigate the causes or circumstances of any rail accident, including the development of information regarding the nature of injuries sustained and the manner in which they were sus-

tained, for the purpose of determining compliance with existing laws and regulations or identifying means of preventing similar injuries in the future.

(e) **LIMITATION ON LIABILITY.**—A rail passenger carrier shall not be liable for damages in any action brought in a Federal or State court arising out of the performance of the rail passenger carrier in preparing or providing a passenger list, or in providing information concerning a train reservation, pursuant to a plan submitted by the rail passenger carrier under subsection (b), unless such liability was caused by conduct of the rail passenger carrier which was grossly negligent or which constituted intentional misconduct.

(f) **DEFINITIONS.**—In this section, the terms “passenger” and “rail passenger accident” have the meaning given those terms by section 1139 of this title.

(g) **FUNDING.**—Out of funds appropriated pursuant to section 20117(a)(1)(A), there shall be made available to the Secretary of Transportation \$500,000 for fiscal year 2010 to carry out this section. Amounts made available pursuant to this subsection shall remain available until expended.

#### § 24401. Definitions

In this chapter:

(1) **APPLICANT.**—The term “applicant” means a State (including the District of Columbia), a group of States, an Interstate Compact, or a public agency established by one or more States and having responsibility for providing intercity passenger rail service.

(2) **CAPITAL PROJECT.**—The term “capital project” means a project or program in a State rail plan developed under chapter 227 of this title for—

(A) acquiring, constructing, improving, or inspecting equipment, track and track structures, or a facility for use in or for the primary benefit of intercity passenger rail service, expenses incidental to the acquisition or construction (including designing, engineering, location surveying, mapping, environmental studies, and acquiring rights-of-way), payments for the capital portions of rail trackage rights agreements, highway-rail grade crossing improvements related to

intercity passenger rail service, mitigating environmental impacts, communication and signalization improvements, relocation assistance, acquiring replacement housing sites, and acquiring, constructing, relocating, and rehabilitating replacement housing;

(B) rehabilitating, remanufacturing or overhauling rail rolling stock and facilities used primarily in intercity passenger rail service;

(C) costs associated with developing State rail plans; and

(D) the first-dollar liability costs for insurance related to the provision of intercity passenger rail service under section 24404.

(3) INTERCITY PASSENGER RAIL SERVICE.—The term “intercity passenger rail service” means intercity rail passenger transportation, as defined in section 24102 of this title.

(Added Pub. L. 110-432, div. B, title III, §301(a), Oct. 16, 2008, 122 Stat. 4935.)

**§ 24402. Capital investment grants to support intercity passenger rail service**

(a) GENERAL AUTHORITY.—

(1) The Secretary of Transportation may make grants under this section to an applicant to assist in financing the capital costs of facilities, infrastructure, and equipment necessary to provide or improve intercity passenger rail transportation.

(2) Consistent with the requirements of this chapter, the Secretary shall require that a grant under this section be subject to the terms, conditions, requirements, and provisions the Secretary decides are necessary or appropriate for the purposes of this section, including requirements for the disposition of net increases in value of real property resulting from the project assisted under this section and shall prescribe procedures and schedules for the awarding of grants under this title, including application and qualification procedures and a record of decision on applicant eligibility. The Secretary shall issue a final rule establishing such procedures not later than 2 years after the date of enactment of the Passenger Rail Investment and Improvement Act of 2008. For the period prior to the earlier of the issuance of such a rule or 2 years after the date of enactment of such Act, the Secretary shall issue interim guidance to applicants covering such procedures, and administer the grant program authorized under this section pursuant to such guidance.

(b) PROJECT AS PART OF STATE RAIL PLAN.—

(1) The Secretary may not approve a grant for a project under this section unless the Secretary finds that the project is part of a State rail plan developed under chapter 227 of this title, or under the plan required by section 211 of the Passenger Rail Investment and Improvement Act of 2008, and that the applicant or recipient has or will have the legal, financial, and technical capacity to carry out the project, satisfactory continuing control over the use of the equipment or facilities, and the capability and willingness to maintain the equipment or facilities.

(2) An applicant shall provide sufficient information upon which the Secretary can make the findings required by this subsection.

(3) If an applicant has not selected the proposed operator of its service competitively, the applicant shall provide written justification to the Secretary showing why the proposed operator is the best, taking into account price and other factors, and that use of the proposed operator will not unnecessarily increase the cost of the project.

(c) PROJECT SELECTION CRITERIA.—The Secretary, in selecting the recipients of financial assistance to be provided under subsection (a), shall—

(1) require—

(A) that the project be part of a State rail plan developed under chapter 227 of this title, or under the plan required by section 211 of the Passenger Rail Investment and Improvement Act of 2008;

(B) that the applicant or recipient has or will have the legal, financial, and technical capacity to carry out the project, satisfactory continuing control over the use of the equipment or facilities, and the capability and willingness to maintain the equipment or facilities;

(C) that the applicant provides sufficient information upon which the Secretary can make the findings required by this subsection;

(D) that if an applicant has selected the proposed operator of its service competitively, that the applicant provide written justification to the Secretary showing why the proposed operator is the best, taking into account costs and other factors;

(E) that each proposed project meet all safety and security requirements that are applicable to the project under law; and

(F) that each project be compatible with, and operated in conformance with—

(i) plans developed pursuant to the requirements of section 135 of title 23, United States Code; and

(ii) the national rail plan (if it is available);

(2) select projects—

(A) that are anticipated to result in significant improvements to intercity rail passenger service, including, but not limited to, consideration of—

(i) the project’s levels of estimated ridership, increased on-time performance, reduced trip time, additional service frequency to meet anticipated or existing demand, or other significant service enhancements as measured against minimum standards developed under section 207 of the Passenger Rail Investment and Improvement Act of 2008;

(ii) the project’s anticipated favorable impact on air or highway traffic congestion, capacity, or safety; and

(iii) identification of the project by the Surface Transportation Board as necessary to improve the on-time performance and reliability of intercity passenger rail under section 24308(f);
