

**(c) Additional recommendations from Advisory Board****(1) In general**

In addition to the responsibilities of the Advisory Board described in subsection (a), the Advisory Board shall advise the Secretary and the authorizing committees regarding—

(A) the fiscal status and strategic financial condition of not less than ten historically Black colleges and universities that have—

(i) obtained construction financing through the program under this part and seek additional financing or refinancing under such program; or

(ii) applied for construction financing through the program under this part but have not received financing under such program; and

(B) the feasibility of reducing borrowing costs associated with the program under this part, including reducing interest rates.

**(2) Report**

Not later than six months after August 14, 2008, the Advisory Board shall prepare and submit a report to the authorizing committees regarding the historically Black colleges and universities described in paragraph (1)(A) that includes administrative and legislative recommendations for addressing the issues related to construction financing facing such historically Black colleges and universities.

**§ 1067. Findings**

Congress makes the following findings:

(1) It is incumbent on the Federal Government to support the technological and economic competitiveness of the United States by improving and expanding the scientific and technological capacity of the United States. More and better prepared scientists, engineers, and technical experts are needed to improve and expand such capacity.

(2) As the Nation’s population becomes more diverse, it is important that the educational
