EFFECTIVE DATE OF 2003 AMENDMENT BY PUB. L. 108-178

Pub. L. 108-178, enacting and amending notes set out below, effective Aug. 21, 2002, see section 5 of Pub. L. 108-178, set out as an Effective Date of 2003 Amendment note under section 5334 of Title 5, Government Organization and Employees.

ENACTING CLAUSE

Pub. L. 107-217, §1, Aug. 21, 2002, 116 Stat. 1062, provided in part that: “Certain general and permanent laws of the United States, related to public buildings, property, and works, are revised, codified, and enacted as title 40, United States Code, ‘Public Buildings, Property, and Works’”.

LEGISLATIVE PURPOSE AND CONSTRUCTION

Pub. L. 108-178, §1, Dec. 15, 2003, 117 Stat. 2637, provided that:

“(a) PURPOSE.—The purpose of this Act [see Tables for classification] is to improve the United States Code by making necessary technical changes.

“(b) NO SUBSTANTIVE CHANGE.—This Act makes no substantive change in existing law and may not be construed as making a substantive change in existing law.

“(c) SEVERABILITY.—If a provision enacted by this Act is held invalid, all valid provisions that are severable from the invalid provision remain in effect. If a provision enacted by this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications.”

Pub. L. 107-217, §5, Aug. 21, 2002, 116 Stat. 1303, provided that:

“(a) PURPOSE.—The purpose of this Act is to revise, codify, and enact without substantive change the general and permanent laws of the United States related to public buildings, property, and works, in order to remove ambiguities, contradictions, and other imperfections and to repeal obsolete, superfluous, and superseded provisions.

“(b) NO SUBSTANTIVE CHANGE.—

“(1) IN GENERAL.—This Act makes no substantive change in existing law and may not be construed as making a substantive change in existing law.

“(2) DEEMED DATE OF ENACTMENT FOR CERTAIN PURPOSES.—For purposes of determining whether one provision of law supersedes another based on enactment later in time, and otherwise to ensure that this Act makes no substantive change in existing law, the date of enactment of a provision restated in section 1 or 2 of this Act is deemed to remain unchanged, continuing to be the date of enactment of the underlying provision of public law that is being restated.

“(3) INCONSISTENT LAWS ENACTED AFTER MARCH 31, 2002.—This Act restates certain laws enacted before April 1, 2002. Any law enacted after March 31, 2002, that is inconsistent with this Act, including any law purporting to amend or repeal a provision that is repealed by this Act, supersedes this Act to the extent of the inconsistency.

“(c) REFERENCES.—A reference to a law replaced by section 1 or 2 of this Act, including a reference in a regulation, order, or other law, is deemed to refer to the corresponding provision enacted by this Act.

“(d) CONTINUING EFFECT.—An order, rule, or regulation in effect under a law replaced by section 1 or 2 of this Act continues in effect under the corresponding provision enacted by this Act until repealed, amended, or superseded.

“(e) ACTIONS AND OFFENSES UNDER PRIOR LAW.—An action taken or an offense committed under a law replaced by section 1 or 2 of this Act is deemed to have been taken or committed under the corresponding provision enacted by this Act.

“(f) INFERENCES.—An inference of a legislative construction is not to be drawn by reason of the location in the United States Code of a provision enacted by this Act or by reason of a caption or catch line of the provision.

“(g) SEVERABILITY.—If a provision enacted by this Act is held invalid, all valid provisions that are severable from the invalid provision remain in effect. If a provision enacted by this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications.”

HISTORICAL AND REVISION NOTES

Revised Section	Source (U.S. Code)	Source (Statutes at Large)
111	(no source).	

This section is added to provide an accurate literal translation of the words “this Act”, meaning the Federal Property and Administrative Services Act of 1949. In the positive law codification of title 40, most of the Federal Property and Administrative Services Act of 1949 is restated as subtitle I of title 40. However, title III of the Act, which is outside the scope of the positive law codification, remains classified to the United States Code as 41 U.S.C. 251 et seq. Where the words “this Act” are restated, substituting the words “this subtitle” does not yield an accurate literal translation because “this subtitle” does not include title III of the Act. This section does not subject any provision of law to title III of the Act if that provision was not subject to title III prior to the positive law codification of title 40.

AMENDMENTS

2011—Pub. L. 111-350 substituted “division C (except sections 3302, 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of title 41” for “Federal Property and Administrative Services Act of 1949” in section catchline and for “title III of the Federal Property and Administrative Services Act of 1949 (41 U.S.C. 251 et seq.)” in introductory provisions.

§ 112. Applicability of certain policies, procedures, and directives in effect on July 1, 1949

(a) IN GENERAL.—A policy, procedure, or directive described in subsection (b) remains in effect until superseded or amended under this subtitle or other appropriate authority.

(b) DESCRIPTION.—A policy, procedure, or directive referred to in subsection (a) is one that was in effect on July 1, 1949, and that was prescribed by—

(1) the Director of the Bureau of Federal Supply or the Secretary of the Treasury and that related to a function transferred to or vested in the Administrator of General Services on June 30, 1949, by the Federal Property and Administrative Services Act of 1949;¹

(2) an officer of the Federal Government under authority of the Surplus Property Act of 1944 (ch. 479, 58 Stat. 765) or other authority related to surplus property or foreign excess property;

(3) the Federal Works Administrator or the head of a constituent agency of the Federal Works Agency; or

(4) the Archivist of the United States or another officer or body whose functions were transferred on June 30, 1949, by title I¹ of the Federal Property and Administrative Services Act of 1949.

113(b)	40:474(c) (words between 1st and last commas).	
113(c)	40:474(c) (words after last comma).	
113(d)	40:474(e).	
113(e)	40:474(d).	

In subsection (a), the word “paramount” is omitted as included in “not subject to any inconsistent provision”.

In subsection (c), the words “chapter 91 of title 31” are substituted for “the Government Corporation Control Act (59 Stat. 597; 31 U.S.C. 841)” in section 602(c) of the Federal Property and Administrative Services Act of 1949, because of section 4(b) of the Act of September 13, 1982 (Public Law 97–258, 96 Stat. 1067).

In subsection (e), the text of 40:474(d)(8) is omitted because 50 App.:1171(b) was repealed by section 53 of the Act of August 10, 1956 (ch. 1041, 70A Stat. 641). The text of 40:474(d)(19) is omitted as obsolete.

In subsection (e)(2), the words “any phase (including, but not limited to, procurement, storage, transportation, processing, and disposal) of” and “the fulfillment of” are omitted as unnecessary.

In subsection (e)(3), the words “chapter 137 of title 10” and “that chapter” are substituted for “Armed Services Procurement Act of 1947” and “said Act” in section 602(d)(3) of the Federal Property and Administrative Services Act of 1949, because of section 49(b) of the Act of August 10, 1956 (ch. 1041, 70A Stat. 640).

In subsection (e)(4), the words “Secretary of Defense” are substituted for “National Military Establishment” in section 602(d)(4) of the Federal Property and Administrative Services Act of 1949, because of section 12(a), (g) of the National Security Act Amendments of 1949 (ch. 412, 63 Stat. 591) and because of 10:113(a).

In subsection (e)(5), the words “section 2535 of title 10” are substituted for “the National Industrial Reserve Act of 1948 [50 U.S.C. 451 et seq.]” because the National Industrial Reserve Act was renamed “Defense Industrial Reserve Act” by section 809 of the Department of Defense Appropriation Authorization Act, 1974 (Public Law 93–155, 87 Stat. 617), and transferred to section 2535 of title 10 by section 4235 of the Defense Conversion, Reinvestment and Transition Assistance Act of 1992, which was included as Division D in the National Defense Authorization Act for Fiscal Year 1993 (Public Law 102–484, title XLII, 106 Stat. 2690).

In subsection (e)(6), the words “the Munitions Board” are omitted because sections 1 and 2 of Reorganization Plan No. 6 of 1953 (eff. June 30, 1953, 67 Stat. 638) abol-

ished the Munitions Board and transferred the Board’s functions to the Secretary of Defense.

In subsection (e)(8), the words “or the Department of Agriculture” are omitted as unnecessary because of section 1 of Reorganization Plan No. 2 of 1953 (eff. June 30, 1953, 67 Stat. 638). The words “the Act of August 31, 1947, Public Law 298, Eightieth Congress, with respect to the disposal of labor supply centers, and labor homes, labor camps, or facilities” are omitted because the intended reference is probably to the Act of July 31, 1947 (ch. 413, 61 Stat. 694), which was repealed by section 205(a) of the Housing Act of 1950 (ch. 94, 64 Stat. 73).

In subsection (e)(9), the words “an official or entity under the Farm Credit Act of 1971 (12 U.S.C. 2001 et seq.)” are substituted for “the Secretary of Agriculture, Farm Credit Administration, or any farm credit board under section 6407(b) of title 12” because section 5.40(a), formerly 5.26(a), of the Farm Credit Act of 1971 (12:2001 note), repealed 12:6407, and provided that “[a]ll references in other legislation . . . to the Acts repealed hereby shall be deemed to refer to comparable provisions of [the Farm Credit Act of 1971 (12 U.S.C. 2001 et seq.)]”.

In subsection (e)(10), the words “Secretary of Housing and Urban Development” are substituted for “Department of Housing and Urban Development” because of 42:3532. The words “Federal Deposit Insurance Corporation” are substituted for “Resolution Trust Corporation” because under 12:1441a(m)(1), the Resolution Trust Corporation terminated on December 31, 1995, and was succeeded by the Federal Deposit Insurance Corporation.

In subsection (e)(11), the words “property acquired in connection with” are substituted for “any property acquired or to be acquired for or in connection with” to eliminate unnecessary words.

In subsection (e)(12), the words “the Secretary of Energy with respect to atomic energy” are substituted for “the Atomic Energy Commission” because the Atomic Energy Commission was abolished and its functions were transferred to the Administrator of the Energy Research and Development Administration by section 104 of the Energy Reorganization Act of 1974 (42:5814), and the Energy Research and Development Administration was subsequently terminated and its functions transferred to the Secretary of Energy by sections 301(a) and 703 of the Department of Energy Organization Act (42:7151(a), 42:7293).

In subsection (e)(13), the words “Secretary of Transportation” are substituted for “Administrator of the Federal Aviation Agency” in section 602(d)(14) of the Federal Property and Administrative Services Act of 1949 because of sections 3(e) and 6(c)(1) of the Department of Transportation Act (Public Law 89–670, 80 Stat. 932, 938), because of 49:106(f) and (g), and because of 49:ch. 473. The words “Secretary of Commerce” are substituted for “Chief of the Weather Bureau” in section 602(d)(14) of the Federal Property and Administrative Services Act of 1949 because the office of Chief of the Weather Bureau was abolished and functions were transferred to the Secretary of Commerce by Reorganization Plan No. 2 of 1965 (eff. July 13, 1965, 79 Stat. 1318). The words “section 47301 of title 49” are substituted for “the International Aviation Facilities Act (62 Stat. 450)” in section 602(d)(14) of the Federal Property and Administrative Services Act of 1949 because of section 6(b) of the Act of July 5, 1994 (Public Law 103–272, 108 Stat. 1378).

In subsection (e)(17), the words “title 44 or any other law” are substituted for “the Act entitled ‘An Act providing for the public printing and binding and the distribution of public documents’ approved January 12, 1895 (28 Stat. 601), as amended or any other Act” in section 602(d)(18) of the Federal Property and Administrative Services Act of 1949 because of section 2(b) of the Act of October 22, 1968 (Public Law 90–620, 82 Stat. 1305), the first section of which enacted Title 44, United States Code.

In subsection (e)(19), the words “Secretary of State” are substituted for “Director of the International Com-

munication Agency” [subsequently changed to “Director of the United States Information Agency” because of section 303(b) of the Department of State Authorization Act, Fiscal Years 1982 and 1983 (Public Law 97-241, 96 Stat. 291)] because of 22:6551.

EX. ORD. NO. 12072. FEDERAL SPACE MANAGEMENT

Ex. Ord. No. 12072, Aug. 16, 1978, 43 F.R. 36869, provided:

By the authority vested in me as President of the United States of America by Section 205(a) of the Federal Property and Administrative Services Act of 1949, as amended (40 U.S.C. 486(a)) [now 40 U.S.C. 121(a)], and in order to prescribe appropriate policies and directives, not inconsistent with that Act [now chapters 1 to 11 of this title and division C (except sections 3302, 3307(e), 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of Title 41, Public Contracts] and other applicable provisions of law, for the planning, acquisition, utilization, and management of Federal space facilities, it is hereby ordered as follows:

1-1. SPACE ACQUISITION

1-101. Federal facilities and Federal use of space in urban areas shall serve to strengthen the Nation's cities and to make them attractive places to live and work. Such Federal space shall conserve existing urban resources and encourage the development and redevelopment of cities.

1-102. Procedures for meeting space needs in urban areas shall give serious consideration to the impact a site selection will have on improving the social, economic, environmental, and cultural conditions of the communities in the urban area.

1-103. Except where such selection is otherwise prohibited, the process for meeting Federal space needs in urban areas shall give first consideration to a centralized community business area and adjacent areas of similar character, including other specific areas which may be recommended by local officials.

1-104. The process of meeting Federal space needs in urban areas shall be consistent with the policies of this Order and shall include consideration of the following criteria:

(a) Computability [sic] of the site with State, regional, or local development, redevelopment, or conservation objectives.

(a) Availability of existing Federally controlled facilities.

(b) Utilization of buildings of historic, architectural, or cultural significance within the meaning of section 105 of the Public Buildings Cooperative Use Act of 1976 (90 Stat. 2507, 40 U.S.C. 612a) [now 40 U.S.C. 3306].

(c) Acquisition or utilization of existing privately owned facilities.

(d) Construction of new facilities.

(b) Issue regulations, standards, and criteria for the selection, acquisition, and management of Federally owned and leased space.

(c) Periodically undertake surveys of space requirements and space utilization in the executive agencies.

(d) Ensure, in cooperation with the heads of Executive agencies, that their essential space requirements are met in a manner that is economically feasible and prudent.

(e) Make maximum use of existing Federally controlled facilities which, in his judgment, are adequate or economically adaptable to meeting the space needs of executive agencies.

(f) Annually submit long-range plans and programs for the acquisition, modernization, and use of space for approval by the President.

1-202. The Administrator is authorized to request from any Executive agency such information and assistance deemed necessary to carry out his functions under this Order. Each agency shall, to the extent not prohibited by law, furnish such information and assistance to the Administrator.

1-203. In the process of meeting Federal space needs in urban areas and implementing the policies of this Order, the Administrator shall:

(b) Coordinate proposed programs and plans for facilities and space with the Director of the Office of Management and Budget.

(c) Consult with appropriate Federal, State, regional, and local government officials and consider their recommendations for and objections to a proposed selection site or space acquisition.

1-204. In ascertaining the social, economic, environmental and other impacts which site selection would have on a community, the Administrator shall, when appropriate, obtain the advice of interested agencies.

1-3. GENERAL PROVISIONS

1-301. The heads of Executive agencies shall cooperate with the Administrator in implementing the policies of this Order and shall economize on their use of space.

They shall ensure that the Administrator is given early notice of new or changing missions or organizational realignments which affect space requirements.

1-302. Executive agencies which acquire or utilize Federally owned or leased space under authority other than the Federal Property and Administrative Services Act of 1949, as amended [now chapters 1 to 11 of this title and division C (except sections 3302, 3307(e), 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of Title 41], shall conform to the provisions of this Order to the extent they have the authority to do so.

EXECUTIVE ORDER NO. 12512

Ex. Ord. No. 12512, Apr. 29, 1985, 50 F.R. 18453, which related to Federal real property management, was revoked by Ex. Ord. No. 13327, § 8, Feb. 4, 2004, 69 F.R. 5897, set out below.

EX. ORD. NO. 12954. ENSURING THE ECONOMICAL AND EFFICIENT ADMINISTRATION AND COMPLETION OF FEDERAL GOVERNMENT CONTRACTS

Ex. Ord. No. 12954, Mar. 8, 1995, 60 F.R. 13023, provided: Efficient economic performance and productivity are directly related to the existence of cooperative working relationships between employers and employees. When Federal contractors become involved in prolonged labor disputes with their employees, the Federal Government's economy, efficiency, and cost of operations are adversely affected. In order to operate as effectively as possible, by receiving timely goods and quality services, the Federal Government must assist the entities with which it has contractual relations to develop stable relationships with their employees.

An important aspect of a stable collective bargaining relationship is the balance between allowing businesses to operate during a strike and preserving worker rights. This balance is disrupted when permanent replacement employees are hired. It has been found that strikes involving permanent replacement workers are longer in duration than other strikes. In addition, the use of permanent replacements can change a limited dispute into a broader, more contentious struggle, thereby exacerbating the problems that initially led to the strike. By permanently replacing its workers, an employer loses the accumulated knowledge, experience, skill, and expertise of its incumbent employees. These circumstances then adversely affect the businesses and entities, such as the Federal Government, which rely on that employer to provide high quality and reliable goods or services.

NOW, THEREFORE, to ensure the economical and efficient administration and completion of Federal Government contracts, and by the authority vested in me as President by the Constitution and the laws of the United States of America, including 40 U.S.C. 486(a) [now 40 U.S.C. 121(a)] and 3 U.S.C. 301, it is hereby ordered as follows:

SECTION 1. It is the policy of the executive branch in procuring goods and services that, to ensure the economical and efficient administration and completion of Federal Government contracts, contracting agencies shall not contract with employers that permanently replace lawfully striking employees. All discretion under this Executive order shall be exercised consistent with this policy.

SEC. 2. (a) The Secretary of Labor ("Secretary") may investigate an organizational unit of a Federal contractor to determine whether the unit has permanently replaced lawfully striking workers. Such investigation shall be conducted in accordance with procedures established by the Secretary.

(b) The Secretary shall receive and may investigate complaints by employees of any entity covered under section 2(a) of this order where such complaints allege lawfully striking employees have been permanently replaced.

(c) The Secretary may hold such hearings, public or private, as he or she deems advisable, to determine whether an entity covered under section 2(a) has permanently replaced lawfully striking employees.

SEC. 3. (a) When the Secretary determines that a contractor has permanently replaced lawfully striking employees, the Secretary may make a finding that it is appropriate to terminate the contract for convenience. The Secretary shall transmit that finding to the head of any department or agency that contracts with the contractor.

(b) The head of the contracting department or agency may object to the termination for convenience of a contract or contracts of a contractor determined to have permanently replaced legally striking employees. If the head of the agency so objects, he or she shall set forth the reasons for not terminating the contract or contracts in a response in writing to the Secretary. In such case, the termination for convenience shall not be issued. The head of the contracting agency or department shall report to the Secretary those contracts that have been terminated for convenience under this section.

SEC. 4. (a) When the Secretary determines that a contractor has permanently replaced lawfully striking employees, the Secretary may debar the contractor, thereby making the contractor ineligible to receive government contracts. The Secretary shall notify the Administrator of the General Services Administration of the debarment, and the Administrator shall include the contractor on the consolidated list of debarred contractors. Departments and agencies shall not solicit offers from, award contracts to, or consent to subcontracts with these contractors unless the head of the agency or his or her designee determines, in writing, that there is a compelling reason for such action, in accordance with the Federal Acquisition Regulation.

(b) The scope of the debarment normally will be limited to those organizational units of a Federal contractor that the Secretary finds to have permanently replaced lawfully striking workers.

(c) The period of the debarment may not extend beyond the date when the labor dispute precipitating the permanent replacement of lawfully striking workers has been resolved, as determined by the Secretary.

SEC. 5. The Secretary shall publish or cause to be published, in the Federal Register, the names of contractors that have, in the judgement of the Secretary, permanently replaced lawfully striking employees and have been the subject of debarment.

SEC. 6. The Secretary shall be responsible for the administration and enforcement of this order. The Secretary, after consultation with the Secretary of Defense, the Administrator of the General Services, the Administrator of the National Aeronautics and Space Administration, and the Administrator of the Office of Federal Procurement Policy, may adopt such rules and regulations and issue such orders as may be deemed necessary and appropriate to achieve the purposes of this order.

SEC. 7. Each contracting department and agency shall cooperate with the Secretary and provide such information and assistance as the Secretary may require in the performance of the Secretary's functions under this order.

SEC. 8. The Secretary may delegate any function or duty of the Secretary under this order to any officer in the Department of Labor or to any other officer in the executive branch of the Government, with the consent of the head of the department or agency in which that officer serves.

SEC. 9. The Secretary of Defense, the Administrator of the General Services, and the Administrator of the National Aeronautics and Space Administration, after consultation with the Administrator of the Office of Federal Procurement Policy, shall take whatever action is appropriate to implement the provisions of this order and of any related rules, regulations, or orders of the Secretary issued pursuant to this order.

SEC. 10. This order is not intended, and should not be construed, to create any right or benefit, substantive

or procedural, enforceable at law by a party against the United States, its agencies, its officers, or its employees. This order is not intended, however, to preclude judicial review of final agency decisions in accordance with the Administrative Procedure Act, 5 U.S.C. 701 *et seq.*

SEC. 11. The meaning of the term “organizational unit of a Federal contractor” as used in this order shall be defined in regulations that shall be issued by the Secretary of Labor, in consultation with affected agencies. This order shall apply only to contracts in excess of the Simplified Acquisition Threshold.

SEC. 12. (a) The provisions of section 3 of this order shall only apply to situations in which contractors have permanently replaced lawfully striking employees after the effective date of this order.

(b) This order is effective immediately.

WILLIAM J. CLINTON.

EX. ORD. NO. 13327. FEDERAL REAL PROPERTY ASSET MANAGEMENT

Ex. Ord. No. 13327, Feb. 4, 2004, 69 F.R. 5897, as amended by Ex. Ord. No. 13423, §11(c), Jan. 24, 2007, 72 F.R. 3923, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, including section 121(a) of title 40, United States Code, and in order to promote the efficient and economical use of Federal real property resources in accordance with their value as national assets and in the best interests of the Nation, it is hereby ordered as follows:

SECTION 1. *Policy.* It is the policy of the United States to promote the efficient and economical use of America’s real property assets and to assure management accountability for implementing Federal real property management reforms. Based on this policy, executive branch departments and agencies shall recognize the importance of real property resources through increased management attention, the establishment of clear goals and objectives, improved policies and levels of accountability, and other appropriate action.

SEC. 2. *Definition and Scope.* (a) For the purpose of this executive order, Federal real property is defined as any real property owned, leased, or otherwise managed by the Federal Government, both within and outside the United States, and improvements on Federal lands.

For the purpose of this order, Federal real property shall exclude: interests in real property assets that have been disposed of for public benefit purposes pursuant to section 484 of title 40, United States Code [now 40 U.S.C. 541–555], and are now held in private ownership; land easements or rights-of-way held by the Federal Government; public domain land (including lands withdrawn for military purposes) or land reserved or dedicated for national forest, national park, or national wildlife refuge purposes except for improvements on those lands; land held in trust or restricted fee status for individual Indians or Indian tribes; and land and interests in land that are withheld from the scope of this order by agency heads for reasons of national security, foreign policy, or public safety.

(b) This order shall not be interpreted to supersede any existing authority under law or by executive order for real property asset management, with the exception of the revocation of Executive Order 12512 of April 29, 1985 [formerly set out as a note above], in section 8 of this order.

SEC. 3. Establishment and Responsibilities of Agency Senior Real Property Officer. (a) The heads of all executive branch departments and agencies cited in sections 901(b)(1) and (b)(2) of title 31, United States Code, and the Secretary of Homeland Security, shall designate among their senior management officials, a Senior Real Property Officer. Such officer shall have the education, training, and experience required to administer the necessary functions of the position for the particular agency.

(b) The Senior Real Property Officer shall develop and implement an agency asset management planning process that meets the form, content, and other requirements established by the Federal Real Property Council established in section 4 of this order. The initial agency asset management plan will be submitted to the Office of Management and Budget on a date determined by the Director of the Office of Management and Budget. In developing this plan, the Senior Real Property Officer shall:

(i) identify and categorize all real property owned, leased, or otherwise managed by the agency, including, where applicable, those properties outside the United States in which the lease agreements and arrangements reflect the host country currency or involve alternative lease plans or rental agreements;

(ii) prioritize actions to be taken to improve the operational and financial management of the agency's real property inventory;

(iii) make life-cycle cost estimations associated with the prioritized actions;

(iv) identify legislative authorities that are required to address these priorities;

(v) identify and pursue goals, with appropriate deadlines, consistent with and supportive of the agency's asset management plan and measure progress against such goals;

(vi) incorporate planning and management requirements for historic property under Executive Order 13287 of March 3, 2003 [16 U.S.C. 470h–2 note], and for environmental management under other executive orders; and

(i) consistent with, and supportive of, the goals and objectives set forth in the agency's overall strategic plan under section 306 of title 5, United States Code;

(ii) consistent with the real property asset management principles developed by the Federal Real Property Council established in section 4 of this order; and

(iii) reflected in the agency asset management plan.

(d) The Senior Real Property Officer shall, on an annual basis, provide to the Director of the Office of Management and Budget and the Administrator of General Services:

(i) information that lists and describes real property assets under the jurisdiction, custody, or control of that agency, except for classified information; and

(ii) any other relevant information the Director of the Office of Management and Budget or the Administrator of General Services may request for inclusion in the Government-wide listing of all Federal real property assets and leased property.

(e) The designation of the Senior Real Property Officer shall be made by agencies within 30 days after the date of this order.

SEC. 4. Establishment of a Federal Real Property Council. (a) A Federal Real Property Council (Council) is established, within the Office of Management and Budget for administrative purposes, to develop guidance for, and facilitate the success of, each agency's asset management plan. The Council shall work with the Administrator of General Services to establish appropriate performance measures to determine the effectiveness of Federal real property management. Such performance measures shall include, but are not limited to, evaluating the costs and benefits involved with acquiring, repairing, maintaining, operating, managing, and disposing of Federal real properties at particular agencies. Specifically, the Council shall consider, as appropriate, the following performance measures:

(ii) the costs relating to the acquisition of real property assets by purchase, condemnation, exchange, lease, or otherwise;

(iii) the cost and time required to dispose of Federal real property assets and the financial recovery of the Federal investment resulting from the disposal;

(iv) the operating, maintenance, and security costs at Federal properties, including but not limited to the costs of utility services at unoccupied properties;

(v) the environmental costs associated with ownership of property, including the costs of environmental restoration and compliance activities;

(vi) changes in the amounts of vacant Federal space;

(vii) the realization of equity value in Federal real property assets;

(viii) opportunities for cooperative arrangements with the commercial real estate community; and

(ix) the enhancement of Federal agency productivity through an improved working environment. The performance measures shall be designed to enable the heads of executive branch agencies to track progress in the achievement of Government-wide property management objectives, as well as allow for comparing the performance of executive branch agencies against industry and other public sector agencies.

(c) The Council shall serve as a clearinghouse for executive agencies for best practices in evaluating actual progress in the implementation of real property enhancements. The Council shall also work in conjunction with the President's Management Council to assist the efforts of the Senior Real Property Officials and the implementation of agency asset management plans.

(d) The Council shall be organized and hold its first meeting within 60 days of the date of this order. The Council shall hold meetings not less often than once a quarter each fiscal year.

SEC. 5. Role of the General Services Administration. (a) The Administrator of General Services shall, to the ex-

tent permitted by law and in consultation with the Federal Real Property Council, provide policy oversight and guidance for executive agencies for Federal real property management; manage selected properties for an agency at the request of that agency and with the consent of the Administrator; delegate operational responsibilities to an agency where the Administrator determines it will promote efficiency and economy, and where the receiving agency has demonstrated the ability and willingness to assume such responsibilities; and provide necessary leadership in the development and maintenance of needed property management information systems.

(b) The Administrator of General Services shall publish common performance measures and standards adopted by the Council.

(c) The Administrator of General Services, in consultation with the Federal Real Property Council, shall establish and maintain a single, comprehensive, and descriptive database of all real property under the custody and control of all executive branch agencies, except when otherwise required for reasons of national security. The Administrator shall collect from each executive branch agency such descriptive information, except for classified information, as the Administrator considers will best describe the nature, use, and extent of the real property holdings of the Federal Government.

(d) The Administrator of General Services, in consultation with the Federal Real Property Council, may establish data and other information technology (IT) standards for use by Federal agencies in developing or upgrading Federal agency real property information systems in order to facilitate reporting on a uniform basis. Those agencies with particular IT standards and systems in place and in use shall be allowed to continue with such use to the extent that they are compatible with the standards issued by the Administrator.

SEC. 6. General Provisions. (a) The Director of the Office of Management and Budget shall review, through the management and budget review processes, the efforts of departments and agencies in implementing their asset management plans and achieving the Government-wide property management policies established pursuant to this order.

(b) The Office of Management and Budget and the General Services Administration shall, in consultation with the landholding agencies, develop legislative initiatives that seek to improve Federal real property management through the adoption of appropriate industry management techniques and the establishment of managerial accountability for implementing effective and efficient real property management practices.

(c) Nothing in this order shall be construed to impair or otherwise affect the authority of the Director of the Office of Management and Budget with respect to budget, administrative, or legislative proposals.

(d) Nothing in this order shall be construed to affect real property for the use of the President, Vice President, or, for protective purposes, the United States Secret Service.

SEC. 7. Public Lands. In order to ensure that Federally owned lands, other than the real property covered by this order, are managed in the most effective and economic manner, the Departments of Agriculture and the Interior shall take such steps as are appropriate to improve their management of public lands and National Forest System lands and shall develop appropriate legislative proposals necessary to facilitate that result.

SEC. 8. Executive Order 12512 of April 29, 1985, is hereby revoked.

SEC. 9. Judicial Review. This order is intended only to improve the internal management of the executive branch and is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity, against the United States, its departments, agencies, or other entities, its officers or employees, or any other person.

GEORGE W. BUSH.

DISPOSING OF UNNEEDED FEDERAL REAL ESTATE—INCREASING SALES PROCEEDS, CUTTING OPERATING COSTS, AND IMPROVING ENERGY EFFICIENCY

Memorandum of President of the United States, June 10, 2010, 75 F.R. 33987, provided:

Memorandum for the Heads of Executive Departments and Agencies

My Administration is committed to eliminating all forms of Government waste and to leading by example as our Nation transitions to a clean energy economy. For decades, the Federal Government, the largest property owner and energy user in the United States, has managed more real estate than necessary to effectively support its programs and missions. Both taxpayer dollars and energy resources are being wasted to maintain these excess assets. In addition, many of the properties necessary for the Government's work are not operated efficiently, resulting in wasted funds and excessive greenhouse gas pollution. For example, over the past decade, the private sector reduced its data center footprint by capitalizing on innovative technologies to increase efficiencies. However, during that same period, the Federal Government experienced a substantial increase in the number of data centers, leading to increased energy consumption, real property expenditures, and operations and maintenance costs. Past attempts at reducing the Federal Government's civilian real property assets produced small savings and had a minor impact on the condition and performance of mission-critical properties. These efforts were not sufficiently comprehensive in disposing of excess real estate and did not emphasize making more efficient use of existing assets.

To eliminate wasteful spending of taxpayer dollars, save energy and water, and further reduce greenhouse gas pollution, I hereby direct executive departments and agencies (agencies) to accelerate efforts to identify and eliminate excess properties. Agencies shall also take immediate steps to make better use of remaining real property assets as measured by utilization and occupancy rates, annual operating cost, energy efficiency, and sustainability. To the extent permitted by law, agency actions shall include accelerating cycle times for identifying excess assets and disposing of surplus assets; eliminating lease arrangements that are not cost effective; pursuing consolidation opportunities within and across agencies in common asset types (such as data centers, office space, warehouses, and laboratories); increasing occupancy rates in current facilities through innovative approaches to space management and alternative workplace arrangements, such as telework; and identifying offsetting reductions in inventory when new space is acquired. Agency actions taken under this memorandum shall align with and support the actions to measure and reduce resource use and greenhouse gas emissions in Federal facilities pursuant to Executive Order 13514 of October 5, 2009 (Federal Leadership in Environmental, Energy, and Economic Performance), and the Federal Data Center Consolidation Initiative, which was announced by the Office of Management and Budget (OMB) in February 2010.

In total, agency efforts required by this memorandum should produce no less than \$3 billion in cost savings by the end of fiscal year 2012, yielded from increased proceeds from the sale of assets and reduced operating, maintenance, and energy expenses from disposals or other space consolidation efforts, including leases that are ended. This is in addition to the Department of Defense's Base Realignment and Closure efforts that are expected to achieve \$9.8 billion in savings from fiscal year 2010 to fiscal year 2012, of which \$5 billion is a direct result of reduced operating and maintenance from disposals or other consolidation efforts. In addition, in order to address the growth of data centers across the Federal Government, agencies shall immediately adopt a policy against expanding data centers beyond current levels, and shall develop plans to consolidate and significantly reduce data centers within 5 years. Agencies

shall submit their plans to OMB for review by August 30, 2010.

HISTORICAL AND REVISION NOTES

Table with 3 columns: Revised Section, Source (U.S. Code), Source (Statutes at Large). Rows 123(a)-(d) with corresponding U.S. Code and Statutes at Large references.

In subsection (a), before clause (1), the words “under this subtitle” are substituted for “hereunder” because “hereunder” probably means under the Federal Property and Administrative Services Act of 1949 which is restated in subtitle I of the revised title (except as noted in section 111 of the revised title and the accompanying revision note). The words “or engage in”, “or engaged in”, “securing or”, and “secure or” are omitted as unnecessary. The word “money” is substituted for “payment” for consistency in the section.

In subsection (a)(1)(B), the words “because of each act” are substituted for “by reason thereof” for clarity.

In subsection (a)(2), the words “or any Federal agency” and “or any Federal agency, as the case may be” are omitted as unnecessary.

In subsection (a)(3), the words “fraudulently obtained” are substituted for “thus secured and obtained” for clarity and to eliminate unnecessary words.

In subsection (d)(1), the word “several” is omitted as unnecessary. The words “the District Court of the United States for the District of Columbia” in section 209(c) of the Federal Property and Administrative Services Act of 1949 are omitted as included in “a district court of the United States” because of sections 88 and 132(a) of title 28.

Subsection (d)(2) is substituted for “[D]istrict courts . . . within whose jurisdictional limits the person, or persons, doing or committing such act, or any one of them, resides or shall be found, shall wheresoever such act may have been done or committed, have full power and jurisdiction to hear, try, and determine such suit” for clarity and to use terminology consistent with title 28, especially 28:1331 and 1391(b).

In subsection (d)(3), the words “A defendant that does not reside and may not be found in the court’s judicial district” are substituted for “and such person or persons as are not inhabitants of or found within the district in which suit is brought” for clarity and to use terminology consistent with title 28, especially 28:1331 and 1391(b).

§ 124. Agency use of amounts for property management

Amounts appropriated, allocated, or available to a federal agency for purposes similar to the purposes in section 121 of this title or subchapter I (except section 506), II, or III of chapter 5 of this title may be used by the agency for the disposition of property under this subtitle, and for the care and handling of property pending the disposition, if the Director of the Office of Management and Budget authorizes the use.

Section 102 of Reorganization Plan No. 2 of 1970, was repealed by section 5(b) of the Act of September 13, 1982 (Public Law 97–258, 96 Stat. 1085), the first section of which enacted Title 31, United States Code, but the successor provision, 31:502, continued the designation as Director of the Office of Management and Budget.
