SUBCHAPTER I—GENERAL PROVISIONS

§ 11301. Findings and purpose

(a) Findings

The Congress finds that—

(1) the Nation faces an immediate and unprecedented crisis due to the lack of shelter for a growing number of individuals and families, including elderly persons, handicapped persons, families with children, Native Americans, and veterans;

(2) the problem of homelessness has become more severe and, in the absence of more effective efforts, is expected to become dramati-

cally worse, endangering the lives and safety of the homeless;

(3) the causes of homelessness are many and complex, and homeless individuals have diverse needs;

(4) there is no single, simple solution to the problem of homelessness because of the different subpopulations of the homeless, the different causes of and reasons for homelessness, and the different needs of homeless individuals;

(5) due to the record increase in homelessness, States, units of local government, and private voluntary organizations have been unable to meet the basic human needs of all the homeless and, in the absence of greater Federal assistance, will be unable to protect the lives and safety of all the homeless in need of assistance; and

(6) the Federal Government has a clear responsibility and an existing capacity to fulfill a more effective and responsible role to meet the basic human needs and to engender respect for the human dignity of the homeless.

(b) Purpose

It is the purpose of this chapter—

(1) to establish the United States Interagency Council on Homelessness;

(2) to use public resources and programs in a more coordinated manner to meet the critically urgent needs of the homeless of the Nation; and

(3) to provide funds for programs to assist the homeless, with special emphasis on elderly persons, handicapped persons, families with children, Native Americans, and veterans.

(4) Expenditure of funds

The Secretary may establish a date by which funds made available through a grant announced under subsection (c)(2) for a homeless assistance project shall be entirely expended by the recipient or project sponsors involved. The date established under this paragraph shall not occur before the expiration of the 24-month period beginning on the date that funds are obligated for activities described under paragraphs¹ (1) or (2) of section 11383(a) of this title. The Secretary shall recapture the funds not expended by such date. The Secretary shall reallocate the funds for another homeless assistance and prevention project that meets the requirements of this part to be carried out, if possible and appropriate, in the same geographic area as the area served through the original grant.

(e) Renewal funding for unsuccessful applicants

The Secretary may renew funding for a specific project previously funded under this part that the Secretary determines meets the purposes of this part, and was included as part of a total application that met the criteria of subsection (c), even if the application was not se-

lected to receive grant assistance. The Secretary may renew the funding for a period of not more than 1 year, and under such conditions as the Secretary determines to be appropriate.

(f) Considerations in determining renewal funding

When providing renewal funding for leasing, operating costs, or rental assistance for permanent housing, the Secretary shall make adjustments proportional to increases in the fair market rents in the geographic area.

(g) More than 1 application for a geographic area

If more than 1 collaborative applicant applies for funds for a geographic area, the Secretary shall award funds to the collaborative applicant with the highest score based on the selection criteria set forth in section 11386a of this title.

(h) Appeals

(1) In general

The Secretary shall establish a timely appeal procedure for grant amounts awarded or denied under this part pursuant to a collaborative application or solo application for funding.

(2) Process

The Secretary shall ensure that the procedure permits appeals submitted by entities carrying out homeless housing and services projects (including emergency shelters and homelessness prevention programs), and all other applicants under this part.

(i) Solo applicants

A solo applicant may submit an application to the Secretary for a grant under subsection (a) and be awarded such grant on the same basis as such grants are awarded to other applicants based on the criteria described in section 11386a of this title, but only if the Secretary determines that the solo applicant has attempted to participate in the continuum of care process but was not permitted to participate in a reasonable manner. The Secretary may award such grants directly to such applicants in a manner determined to be appropriate by the Secretary.

(j) Flexibility to serve persons defined as homeless under other Federal laws

(1) In general

A collaborative applicant may use not more than 10 percent of funds awarded under this part (continuum of care funding) for any of the types of eligible activities specified in paragraphs (1) through (7) of section 11383(a) of this title to serve families with children and youth defined as homeless under other Federal statutes, or homeless families with children and youth defined as homeless under section 11302(a)(6) of this title, but only if the applicant demonstrates that the use of such funds is of an equal or greater priority or is equally or more cost effective in meeting the overall goals and objectives of the plan submitted under section 11386a(b)(1)(B) of this title, especially with respect to children and unaccompanied youth.

(2) Limitations

The 10 percent limitation under paragraph (1) shall not apply to collaborative applicants

in which the rate of homelessness, as calculated in the most recent point in time count, is less than one-tenth of 1 percent of total population.

(3) Treatment of certain populations

(A) In general

Notwithstanding section 11302(a) of this title and subject to subparagraph (B), funds awarded under this part may be used for eligible activities to serve unaccompanied youth and homeless families and children defined as homeless under section 11302(a)(6) of this title only pursuant to paragraph (1) of this subsection and such families and children shall not otherwise be considered as homeless for purposes of this part.

(B) At risk of homelessness

Subparagraph (A) may not be construed to prevent any unaccompanied youth and homeless families and children defined as homeless under section 11302(a)(6) of this title from qualifying for, and being treated for purposes of this part as, at risk of homelessness or from eligibility for any projects, activities, or services carried out using amounts provided under this part for which individuals or families that are at risk of homelessness are eligible.

Project-based rental assistance, sponsor-based rental assistance, and operating cost assistance contracts carried out by project sponsors receiving grants under this section may, at the discretion of the applicant and the project sponsor, have an initial term of 15 years, with assistance for the first 5 years paid with funds authorized for appropriation under this chapter, and assistance for the remainder of the term treated as a renewal of an expiring contract as provided in section 11386c of this title. Project-based rental assistance may include rental assistance to preserve existing permanent supportive housing for homeless individuals and families.

(5) Payment of operating costs for housing units assisted under this part or for the preservation of housing that will serve homeless individuals and families and for which another form of assistance is expiring or otherwise no longer available.

(6) Supportive services for individuals and families who are currently homeless, who have been homeless in the prior six months but are currently residing in permanent housing, or who were previously homeless and are currently residing in permanent supportive housing.

(7) Provision of rehousing services, including housing search, mediation or outreach to property owners, credit repair, providing security or utility deposits, rental assistance for a final month at a location, assistance with moving costs, or other activities that—

11360a(f) of this title, for which the collaborative applicant may use not more than 3 percent of the total funds made available in the geographic area under this part for such costs.

(11) In the case of a collaborative applicant that is a unified funding agency under section 11360a(g) of this title, payment of administrative costs related to meeting the requirements of that section, for which the unified funding agency may use not more than 3 percent of the total funds made available in the geographic area under this part for such costs, in addition to funds used under paragraph (10).

(12) Payment of administrative costs to project sponsors, for which each project sponsor may use not more than 10 percent of the total funds made available to that project sponsor through this part for such costs.

(b) Minimum grant terms

The Secretary may impose minimum grant terms of up to 5 years for new projects providing permanent housing.

(c) Use restrictions

(1) Acquisition, rehabilitation, and new construction

A project that consists of activities described in paragraph (1) or (2) of subsection (a) shall be operated for the purpose specified in the application submitted for the project under section 11382 of this title for not less than 15 years.

(2) Other activities

A project that consists of activities described in any of paragraphs (3) through (12) of subsection (a) shall be operated for the purpose specified in the application submitted for the project under section 11382 of this title for the duration of the grant period involved.

(3) Conversion

If the recipient or project sponsor carrying out a project that provides transitional or permanent housing submits a request to the Secretary to carry out instead a project for the direct benefit of low-income persons, and the Secretary determines that the initial project is no longer needed to provide transitional or permanent housing, the Secretary may approve the project described in the request and authorize the recipient or project sponsor to carry out that project.

(d) Repayment of assistance and prevention of undue benefits

(1) Repayment

If a recipient or project sponsor receives assistance under section 11382 of this title to carry out a project that consists of activities described in paragraph (1) or (2) of subsection (a) and the project ceases to provide transitional or permanent housing—

(A) earlier than 10 years after operation of the project begins, the Secretary shall require the recipient or project sponsor to repay 100 percent of the assistance; or

(B) not earlier than 10 years, but earlier than 15 years, after operation of the project begins, the Secretary shall require the recipient or project sponsor to repay 20 percent of

the assistance for each of the years in the 15-year period for which the project fails to provide that housing.

(2) Prevention of undue benefits

Except as provided in paragraph (3), if any property is used for a project that receives assistance under subsection (a) and consists of activities described in paragraph (1) or (2) of subsection (a), and the sale or other disposition of the property occurs before the expiration of the 15-year period beginning on the date that operation of the project begins, the recipient or project sponsor who received the assistance shall comply with such terms and conditions as the Secretary may prescribe to prevent the recipient or project sponsor from unduly benefitting from such sale or disposition.

(3) Exception

A recipient or project sponsor shall not be required to make the repayments, and comply with the terms and conditions, required under paragraph (1) or (2) if—

(A) the sale or disposition of the property used for the project results in the use of the property for the direct benefit of very low-income persons;

(B) all of the proceeds of the sale or disposition are used to provide transitional or permanent housing meeting the requirements of this part;

(C) project-based rental assistance or operating cost assistance from any Federal program or an equivalent State or local program is no longer made available and the project is meeting applicable performance standards, provided that the portion of the project that had benefitted from such assistance continues to meet the tenant income and rent restrictions for low-income units under section 42(g) of title 26; or

(D) there are no individuals and families in the geographic area who are homeless, in which case the project may serve individuals and families at risk of homelessness.

(e) Staff training

The Secretary may allow reasonable costs associated with staff training to be included as part of the activities described in subsection (a).

(f) Eligibility for permanent housing

Any project that receives assistance under subsection (a) and that provides project-based or sponsor-based permanent housing for homeless individuals or families with a disability, including projects that meet the requirements of subsection (a) and subsection (d)(2)(A) of section 11386b of this title may also serve individuals who had previously met the requirements for such project prior to moving into a different permanent housing project.

(g) Administration of rental assistance

Provision of permanent housing rental assistance shall be administered by a State, unit of general local government, or public housing agency.

§ 11384. Incentives for high-performing communities

(a) Designation as a high-performing community

(1) In general

The Secretary shall designate, on an annual basis, which collaborative applicants represent high-performing communities.

(2) Consideration

In determining whether to designate a collaborative applicant as a high-performing community under paragraph (1), the Secretary shall establish criteria to ensure that the requirements described under paragraphs (1)(B) and (2)(B) of subsection (d) are measured by comparing homeless individuals and families under similar circumstances, in order to encourage projects in the geographic area to serve homeless individuals and families with more severe barriers to housing stability.

(3) 2-year phase in

In each of the first 2 years after the effective date under section 1503 of the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009, the Secretary shall designate not more than 10 collaborative applicants as high-performing communities.

(4) Excess of qualified applicants

If, during the 2-year period described under paragraph (2), more than 10 collaborative applicants could qualify to be designated as high-performing communities, the Secretary shall designate the 10 that have, in the discretion of the Secretary, the best performance based on the criteria described under subsection (d).

(5) Time limit on designation

The designation of any collaborative applicant as a high-performing community under

this subsection shall be effective only for the year in which such designation is made. The Secretary, on an annual basis, may renew any such designation.

(b) Application

(1) In general

A collaborative applicant seeking designation as a high-performing community under subsection (a) shall submit an application to the Secretary at such time, and in such manner as the Secretary may require.

(2) Content of application

In any application submitted under paragraph (1), a collaborative applicant shall include in such application—

(A) a report showing how any money received under this part in the preceding year was expended; and

(B) information that such applicant can meet the requirements described under subsection (d).

(3) Publication of application

The Secretary shall—

(A) publish any report or information submitted in an application under this section in the geographic area represented by the collaborative applicant; and

(B) seek comments from the public as to whether the collaborative applicant seeking designation as a high-performing community meets the requirements described under subsection (d).

(c) Use of funds

Funds awarded under section 11382(a) of this title to a project sponsor who is located in a high-performing community may be used—

(1) for any of the eligible activities described in section 11383 of this title; or

(2) for any of the eligible activities described in paragraphs (4) and (5) of section 11374(a) of this title.

(d) Definition of high-performing community

For purposes of this section, the term “high-performing community” means a geographic area that demonstrates through reliable data that all five of the following requirements are met for that geographic area:

(1) Term of homelessness

The mean length of episodes of homelessness for that geographic area—

(A) is less than 20 days; or

(B) for individuals and families in similar circumstances in the preceding year was at least 10 percent less than in the year before.

(2) Families leaving homelessness

Of individuals and families—

(A) who leave homelessness, fewer than 5 percent of such individuals and families become homeless again at any time within the next 2 years; or

(B) in similar circumstances who leave homelessness, the percentage of such individuals and families who become homeless again within the next 2 years has decreased by at least 20 percent from the preceding year.

(3) Community action

The communities that compose the geographic area have—

(A) actively encouraged homeless individuals and families to participate in homeless assistance services available in that geographic area; and

(B) included each homeless individual or family who sought homeless assistance services in the data system used by that community for determining compliance with this subsection.

(4) Effectiveness of previous activities

If recipients in the geographic area have used funding awarded under section 11382(a) of this title for eligible activities described under section 11374(a) of this title in previous years based on the authority granted under subsection (c), that such activities were effective at reducing the number of individuals and families who became homeless in that community.

(5) Flexibility to serve persons defined as homeless under other Federal laws

With respect to collaborative applicants exercising the authority under section 11382(j) of this title to serve homeless families with children and youth defined as homeless under other Federal statutes, effectiveness in achieving the goals and outcomes identified in subsection¹ 11386a(b)(1)(F) of this title according to such standards as the Secretary shall promulgate.

(a) Site control

The Secretary shall require that each application include reasonable assurances that the applicant will own or have control of a site for the proposed project not later than the expiration of the 12-month period beginning upon notification of an award for grant assistance, unless the application proposes providing supportive housing assistance under section 11383(a)(3) of this title or housing that will eventually be owned or controlled by the families and individuals served. An applicant may obtain ownership or control of a suitable site different from the site specified in the application. If any recipient or project sponsor fails to obtain ownership or control of the site within 12 months after notification of an award for grant assistance, the grant shall be recaptured and reallocated under this part.

(e) Participation of homeless individuals

The Secretary shall, by regulation, require each recipient or project sponsor to provide for the participation of not less than 1 homeless individual or former homeless individual on the board of directors or other equivalent policymaking entity of the recipient or project sponsor, to the extent that such entity considers and makes policies and decisions regarding any project, supportive services, or assistance provided under this part. The Secretary may grant waivers to applicants unable to meet the requirement under the preceding sentence if the applicant agrees to otherwise consult with homeless or formerly homeless individuals in considering and making such policies and decisions.

(f) Limitation on use of funds

No assistance received under this part (or any State or local government funds used to supplement such assistance) may be used to replace other State or local funds previously used, or designated for use, to assist homeless persons.

(g) Termination of assistance

If an individual or family who receives assistance under this part (not including residents of an emergency shelter) from a recipient violates program requirements, the recipient may terminate assistance in accordance with a formal process established by the recipient that recognizes the rights of individuals receiving such assistance to due process of law, which may include a hearing.

§ 11386a. Selection criteria

(a) In general

The Secretary shall award funds to recipients through a national competition between geographic areas based on criteria established by the Secretary.

(b) Required criteria

(1) In general

The criteria established under subsection (a) shall include—

(A) the previous performance of the recipient regarding homelessness, including performance related to funds provided under section 11372 of this title (except that recipients applying from geographic areas where no funds have been awarded under this part, or under parts C, D, E, or F of subchapter IV of this chapter, as in effect prior to May 20, 2009, shall receive full credit for performance under this subparagraph), measured by criteria that shall be announced by the Secretary, that shall take into account barriers faced by individual homeless people, and that shall include—

(i) the length of time individuals and families remain homeless;

(ii) the extent to which individuals and families who leave homelessness experience additional spells of homelessness;

(iii) the thoroughness of grantees in the geographic area in reaching homeless individuals and families;

(iv) overall reduction in the number of homeless individuals and families;

(v) jobs and income growth for homeless individuals and families;

(vi) success at reducing the number of individuals and families who become homeless;

(vii) other accomplishments by the recipient related to reducing homelessness; and

(viii) for collaborative applicants that have exercised the authority under section 11382(j) of this title to serve families with children and youth defined as homeless under other Federal statutes, success in achieving the goals and outcomes identified in subsection (b)(1)(F);

(B) the plan of the recipient, which shall describe—

(i) how the number of individuals and families who become homeless will be reduced in the community;

(ii) how the length of time that individuals and families remain homeless will be reduced;

(iii) how the recipient will collaborate with local education authorities to assist in the identification of individuals and families who become or remain homeless and are informed of their eligibility for services under part B of subchapter VI of this chapter (42 U.S.C. 11431 et seq.);

(iv) the extent to which the recipient will—

(I) address the needs of all relevant subpopulations;

(II) incorporate comprehensive strategies for reducing homelessness, including the interventions referred to in section 11386b(d) of this title;

(III) set quantifiable performance measures;

(IV) set timelines for completion of specific tasks;

(V) identify specific funding sources for planned activities; and

(VI) identify an individual or body responsible for overseeing implementation of specific strategies; and

(v) whether the recipient proposes to exercise authority to use funds under section 11382(j) of this title, and if so, how the recipient will achieve the goals and outcomes identified in subsection (b)(1)(F);

(C) the methodology of the recipient used to determine the priority for funding local projects under section 11382(c)(1) of this title, including the extent to which the priority-setting process—

(i) uses periodically collected information and analysis to determine the extent to which each project has resulted in rapid return to permanent housing for those served by the project, taking into account the severity of barriers faced by the people the project serves;

(ii) considers the full range of opinions from individuals or entities with knowledge of homelessness in the geographic area or an interest in preventing or ending homelessness in the geographic area;

(iii) is based on objective criteria that have been publicly announced by the recipient; and

(iv) is open to proposals from entities that have not previously received funds under this part;

(D) the extent to which the amount of assistance to be provided under this part to the recipient will be supplemented with resources from other public and private sources, including mainstream programs identified by the Government Accountability Office in the two reports described in section 11313(a)(7) of this title;

(E) demonstrated coordination by the recipient with the other Federal, State, local, private, and other entities serving individuals and families experiencing homelessness and at risk of homelessness in the planning and operation of projects;

(F) for collaborative applicants exercising the authority under section 11382(j) of this title to serve homeless families with children and youth defined as homeless under other Federal statutes, program goals and outcomes, which shall include—

(i) preventing homelessness among the subset of such families with children and youth who are at highest risk of becoming homeless, as such term is defined for purposes of this subchapter; or

(ii) achieving independent living in permanent housing among such families with children and youth, especially those who have a history of doubled-up and other temporary housing situations or are living in a temporary housing situation due to lack of available and appropriate emergency shelter, through the provision of eligible assistance that directly contributes to achieving such results including assistance to address chronic disabilities, chronic physical health or mental health conditions, substance addiction, histories of domestic violence or childhood abuse, or multiple barriers to employment; and

(G) such other factors as the Secretary determines to be appropriate to carry out this part in an effective and efficient manner.

(2) Additional criteria

In addition to the criteria required under paragraph (1), the criteria established under paragraph (1) shall also include the need within the geographic area for homeless services, determined as follows and under the following conditions:

(A) Notice

The Secretary shall inform each collaborative applicant, at a time concurrent with the release of the notice of funding availability for the grants, of the pro rata estimated grant amount under this part for the geographic area represented by the collaborative applicant.

(B) Amount

(i) Formula

Such estimated grant amounts shall be determined by a formula, which shall be developed by the Secretary, by regulation, not later than the expiration of the 2-year period beginning upon May 20, 2009, that is

based upon factors that are appropriate to allocate funds to meet the goals and objectives of this part.

(ii) Combinations or consortia

For a collaborative applicant that represents a combination or consortium of cities or counties, the estimated need amount shall be the sum of the estimated need amounts for the cities or counties represented by the collaborative applicant.

(iii) Authority of Secretary

Subject to the availability of appropriations, the Secretary shall increase the estimated need amount for a geographic area if necessary to provide 1 year of renewal funding for all expiring contracts entered into under this part for the geographic area.

(3) Homelessness counts

The Secretary shall not require that communities conduct an actual count of homeless people other than those described in paragraphs (1) through (4) of section 11302(a) of this title.

(c) Adjustments

The Secretary may adjust the formula described in subsection (b)(2) as necessary—

(1) to ensure that each collaborative applicant has sufficient funding to renew all qualified projects for at least one year; and

(2) to ensure that collaborative applicants are not discouraged from replacing renewal projects with new projects that the collaborative applicant determines will better be able to meet the purposes of this chapter.

§ 11386b. Allocation of amounts and incentives for specific eligible activities

(a) Minimum allocation for permanent housing for homeless individuals and families with disabilities

(1) In general

From the amounts made available to carry out this part for a fiscal year, a portion equal to not less than 30 percent of the sums made available to carry out part B and this part, shall be used for permanent housing for homeless individuals with disabilities and homeless families that include such an individual who is an adult or a minor head of household if no adult is present in the household.

(2) Calculation

In calculating the portion of the amount described in paragraph (1) that is used for activities that are described in paragraph (1), the Secretary shall not count funds made available to renew contracts for existing projects under section 11386c of this title.

(3) Adjustment

The 30 percent figure in paragraph (1) shall be reduced proportionately based on need under section 11386a(b)(2) of this title in geographic areas for which subsection (e) applies in regard to subsection (d)(2)(A).

(4) Suspension

The requirement established in paragraph (1) shall be suspended for any year in which funding available for grants under this part after making the allocation established in paragraph (1) would not be sufficient to renew for 1 year all existing grants that would otherwise be fully funded under this part.

(5) Termination

The requirement established in paragraph (1) shall terminate upon a finding by the Secretary that since the beginning of 2001 at least 150,000 new units of permanent housing for homeless individuals and families with disabilities have been funded under this part.

(b) Set-aside for permanent housing for homeless families with children

From the amounts made available to carry out this part for a fiscal year, a portion equal to not less than 10 percent of the sums made available to carry out part B and this part for that fiscal year shall be used to provide or secure permanent housing for homeless families with children.

(c) Treatment of amounts for permanent or transitional housing

Nothing in this chapter may be construed to establish a limit on the amount of funding that an applicant may request under this part for acquisition, construction, or rehabilitation activities for the development of permanent housing or transitional housing.

(d) Incentives for proven strategies

(1) In general

The Secretary shall provide bonuses or other incentives to geographic areas for using funding under this part for activities that have

been proven to be effective at reducing homelessness generally, reducing homelessness for a specific subpopulation, or achieving homeless prevention and independent living goals as set forth in section 11386a(b)(1)(F) of this title.

(2) Rule of construction

For purposes of this subsection, activities that have been proven to be effective at reducing homelessness generally or reducing homelessness for a specific subpopulation includes—

(A) permanent supportive housing for chronically homeless individuals and families;

(B) for homeless families, rapid rehousing services, short-term flexible subsidies to overcome barriers to rehousing, support services concentrating on improving incomes to pay rent, coupled with performance measures emphasizing rapid and permanent rehousing and with leveraging funding from mainstream family service systems such as Temporary Assistance for Needy Families and Child Welfare services; and

(C) any other activity determined by the Secretary, based on research and after notice and comment to the public, to have been proven effective at reducing homelessness generally, reducing homelessness for a specific subpopulation, or achieving homeless prevention and independent living goals as set forth in section 11386a(b)(1)(F) of this title.

(3) Balance of incentives for proven strategies

To the extent practicable, in providing bonuses or incentives for proven strategies, the Secretary shall seek to maintain a balance among strategies targeting homeless individuals, families, and other subpopulations. The Secretary shall not implement bonuses or incentives that specifically discourage collaborative applicants from exercising their flexibility to serve families with children and youth defined as homeless under other Federal statutes.

(e) Incentives for successful implementation of proven strategies

If any geographic area demonstrates that it has fully implemented any of the activities described in subsection (d) for all homeless individuals and families or for all members of subpopulations for whom such activities are targeted, that geographic area shall receive the bonus or incentive provided under subsection (d), but may use such bonus or incentive for any eligible activity under either section 11383 of this title or paragraphs (4) and (5) of section 11374(a) of this title for homeless people generally or for the relevant subpopulation.

(B) No later than February 15 each year, the Secretary shall publish in the Federal Register a list of all properties reported under subparagraph (A) for the preceding year and the current classification of the properties.

(C) For purposes of subparagraph (A), property shall not be considered to remain available for application for use to assist the homeless after the 60-day holding period provided under subsection (d) of this section if—

(i) an application for or written expression of interest in the property is made under any law for use of the property for any purpose; or

(ii) the Administrator receives a bona fide offer to purchase the property or advertises for the sale of the property by public auction.

(d) Holding period

(1) Properties published under subsection (c)(1)(A)(ii) of this section as available for application for use to assist the homeless shall not be available for any other purpose for a period of 60 days beginning on the date of such publication.

(2) If written notice of intent to apply for such a property for use to assist the homeless is received by the Secretary of Health and Human Services within the 60-day period described under paragraph (1), such property may not be made available for any other purpose until the date the Secretary of Health and Human Services or other appropriate landholding agency has completed action on the application submitted under subsection (e) of this section with respect to that written notice of intent.

(3) Property that is reviewed by the Secretary under subsection (a) of this section and that is not identified by the Secretary as being suitable for use to assist the homeless may not be made available for any other purpose for 20 days after the determination of unsuitability to allow for review of the determination at the request of the representative of the homeless. The Secretary shall disseminate immediately this information to the regional offices of the Department of Housing and Urban Development and to the United States Interagency Council on Homelessness.

(4)(A) Written notice of intent to apply for a property published under subsection (c)(1)(A)(ii) of this section may be filed at any time after the 60-day period described in paragraph (1) has expired. In such case, an application submitted pursuant to the notice may be approved for disposal for use to assist the homeless only if the property remains available for application for use to assist the homeless. If the property remains available, the use to assist the homeless shall be given priority of consideration over other competing disposal opportunities under sections 541–555 of title 40, except as provided in subsection (f)(3)(A) of this section.

(B) Surplus property for which an application has been approved shall be assigned promptly to the Secretary of Health and Human Services for disposition in accordance with and subject to subsection (f) of this section.

(3) No later than 25 days after receipt of a completed application, the Secretary of Health and Human Services shall review, make all determinations, and complete all actions on the application. (1) Subject to the provisions of this subsection, property for which the Secretary of Health and Human Services has approved an application under subsection (e) of this section shall be made promptly available by permit or lease, or by deed as a public health use under section 550(a)–(d) of title 40, to the representative of the homeless that submitted the application.

(2) Unutilized or underutilized property that is the subject of an agency's statement of intention under subsection (b)(1)(A)(ii) of this section shall be made promptly available by the appropriate landholding agency to the approved applicant by lease or permit for a term of not less than 1 year, unless the applicant requests a shorter term.

(3)(A) In disposing of surplus property by deed or lease under sections 541–555 of title 40, the Administrator and the Secretary of Health and Human Services shall give priority of consideration to uses to assist the homeless, unless the Administrator or the Secretary of Health and Human Services determines that a competing request for the property under section 550 of title 40 is so meritorious and compelling as to outweigh the needs of the homeless.

(B) Whenever the Administrator or the Secretary of Health and Human Services makes a determination under subparagraph (A), the Administrator or the Secretary of Health and Human Services shall transmit to the appropriate committees of the Congress an explanatory statement detailing the need satisfied by conveyance of the surplus property and the reasons for determining that such need was so meritorious and compelling as to outweigh the needs of the homeless.

(4) For any property made available by lease to a representative of the homeless before November 29, 1990, the Secretary of Health and Human Services may, upon written request by the representative, convey such property by deed to the representative in accordance with, and subject to the requirements of, section 550 of title 40. The lease term shall not be affected if a deed is not granted.
