

professional staff members, such clerical staff members, and (through contracts or other arrangements) with such administrative support services and facilities, such information, and such services of consultants, as the Secretary determines are necessary for the Advisory Board to carry out its functions.

(g) Meetings

The Advisory Board shall meet at the call of the chairman or upon request of the Director of the Institute, but not less often than four times a year.

(h) Duties and functions

The Advisory Board shall—

(1) review and evaluate the implementation of the plan prepared under section 285d-1(a) of this title and periodically update the plan to ensure its continuing relevance;

(2) for the purpose of assuring the most effective use and organization of resources respecting arthritis, musculoskeletal diseases and skin diseases, advise and make recommendations to the Congress, the Secretary, the Director of NIH, the Director of the Institute, and the heads of other appropriate Federal agencies for the implementation and revision of such plan; and

(3) maintain liaison with other advisory bodies for Federal agencies involved in the implementation of such plan, the interagency coordinating committees for such diseases established under section 285d-4 of this title, and with key non-Federal entities involved in activities affecting the control of such diseases.

(i) Subcommittees; establishment and membership

In carrying out its functions, the Advisory Board may establish subcommittees, convene workshops and conferences, and collect data. Such subcommittees may be composed of Advisory Board members and nonmember consultants with expertise in the particular area addressed by such subcommittees. The subcommittees may hold such meetings as are necessary to enable them to carry out their activities.

(j) Termination of predecessor board; time within which to appoint members

The National Arthritis Advisory Board in existence on November 20, 1985, shall terminate upon the appointment of a successor Board under subsection (a) of this section. The Secretary shall make appointments to the Advisory Board established under subsection (a) of this section before the expiration of 90 days after November 20, 1985. The member of the Board in existence on November 20, 1985, may be appointed, in accordance with subsections (b) and (d) of this section, to the Advisory Board established under subsection (a) of this section.

SUBPART 5—NATIONAL INSTITUTE ON AGING

§ 285e. Purpose of Institute

The general purpose of the National Institute on Aging (hereafter in this subpart referred to as the “Institute”) is the conduct and support of biomedical, social, and behavioral research, training, health information dissemination, and other programs with respect to the aging process and the diseases and other special problems and needs of the aged.

(July 1, 1944, ch. 373, title IV, §443, as added Pub. L. 99-158, §2, Nov. 20, 1985, 99 Stat. 854.)

STUDY OF MALNUTRITION IN ELDERLY

Pub. L. 103-43, title XIX, §1902, June 10, 1993, 107 Stat. 201, directed Secretary of Health and Human Services, acting through National Institute on Aging, to conduct a 3-year study on health benefits and cost-effectiveness of nutrition screening and intervention activities of the elderly, and a 3-year study to determine extent of malnutrition in elderly individuals in hospitals and long-term care facilities and in elderly individuals who are living independently, provided for creation of advisory panel to oversee studies, provided for submission to Congress of reports containing findings of such studies, and provided for termination of advisory panel 3 years after June 10, 1993.

STUDY OF PERSONNEL FOR HEALTH NEEDS OF ELDERLY

Section 8 of Pub. L. 99-158 directed Secretary to conduct a study on the adequacy and availability of personnel to meet the current and projected health needs (including needs for home and community-based care) of elderly Americans through the year 2020, and report the results of the study, with recommendations, to Congress by Mar. 1, 1987.

§ 285e-1. Special functions

(a) Education and training of adequate numbers of personnel

In carrying out the training responsibilities under this chapter or any other Act for health and allied health professions personnel, the Secretary shall take appropriate steps to insure the education and training of adequate numbers of allied health, nursing, and paramedical personnel in the field of health care for the aged.

(b) Scientific studies

The Director of the Institute shall conduct scientific studies to measure the impact on the

biological, medical, social, and psychological aspects of aging of programs and activities assisted or conducted by the Department of Health and Human Services.

(c) Public information and education programs

The Director of the Institute shall carry out public information and education programs designed to disseminate as widely as possible the findings of research sponsored by the Institute, other relevant aging research and studies, and other information about the process of aging which may assist elderly and near-elderly persons in dealing with, and all Americans in understanding, the problems and processes associated with growing older.

(d) Grants for research relating to Alzheimer’s Disease

The Director of the Institute shall make grants to public and private nonprofit institutions to conduct research relating to Alzheimer’s Disease.

(July 1, 1944, ch. 373, title IV, §444, as added Pub. L. 99-158, §2, Nov. 20, 1985, 99 Stat. 854.)

§ 285e-2. Alzheimer’s Disease centers

(a) Cooperative agreements and grants for establishing and supporting

(1) The Director of the Institute may enter into cooperative agreements with and make grants to public or private nonprofit entities (including university medical centers) to pay all or part of the cost of planning, establishing, or strengthening, and providing basic operating support (including staffing) for centers for basic and clinical research (including multidisciplinary research) into, training in, and demonstration of advanced diagnostic, prevention, and treatment methods for Alzheimer’s disease.

(2) A cooperative agreement or grant under paragraph (1) shall be entered into in accordance with policies established by the Director of NIH and after consultation with the Institute’s advisory council.

(b) Use of Federal payments under cooperative agreement or grant

(1) Federal payments made under a cooperative agreement or grant under subsection (a) of this section may, with respect to Alzheimer’s disease, be used for—

(A) diagnostic examinations, patient assessments, patient care costs, and other costs necessary for conducting research;

(B) training, including training for allied health professionals;

(C) diagnostic and treatment clinics designed to meet the special needs of minority and rural populations and other underserved populations;

(D) activities to educate the public; and

(E) the dissemination of information.

(2) For purposes of paragraph (1), the term “training” does not include research training for which Ruth L. Kirschstein National Research Service Awards may be provided under section 288 of this title.

(c) Support period; additional periods

Support of a center under subsection (a) of this section may be for a period of not to exceed
