

(3) the place or berth shall be securely constructed, properly lighted, drained, heated, and ventilated, properly protected from weather and sea, and, as far as practicable, properly shut off and protected from the efflu- vium of cargo or bilge water; and

(4) crew space shall be kept free from goods or stores that are not the personal property of the crew occupying the place in use during the voyage.

(b) In addition to the requirements of sub- section (a) of this section, a merchant vessel of the United States that in the ordinary course of trade makes a voyage of more than 3 days' dura- tion between ports and carries a crew of at least 12 seamen shall have a hospital compartment, suitably separated from other spaces. The com- partment shall have at least one bunk for each 12 seamen constituting the crew (but not more than 6 bunks may be required).

(c) A steam vessel of the United States operat- ing on the Mississippi River or its tributaries shall provide, under the direction and approval of the Secretary, an appropriate place for the crew that shall conform to the requirements of this section, as far as they apply to the steam vessel, by providing a properly heated sleeping room in the engineroom of the steam vessel properly protected from the cold, wind, and rain by means of suitable awnings or screens on ei- ther side of the guards or sides and forward, reaching from the boiler deck to the lower or main deck.

(d) A merchant vessel of the United States, the construction of which began after March 4, 1915, having more than 10 seamen on deck, shall have at least one lighted, clean, and properly heated and ventilated washing place. There shall be provided at least one washing outfit for each 2 seamen of the watch. A separate washing place shall be provided for the fireroom and engine- room seamen, if their number is more than 10, that shall be large enough to accommodate at least one-sixth of them at the same time, and have a hot and cold water supply and a suffi- cient number of washbasins, sinks, and shower baths.

(e) Forecastles shall be fumigated at intervals provided by regulations prescribed by the Sec- retary of Health and Human Services, with the approval of the Secretary, and shall have at least 2 exits, one of which may be used in emer- gencies.

(f) The owner, charterer, managing operator, agent, master, or licensed individual of a vessel not complying with this section is liable to the United States Government for a civil penalty of at least \$50 but not more than \$500.

Section 11101 provides mandatory standards for crew accommodations and a penalty for noncompliance with those standards.

AMENDMENTS

1996—Subsec. (a). Pub. L. 104-324 inserted “as meas- ured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title” after “100 gross tons” in introductory provisions.

1985—Subsec. (d). Pub. L. 99-36 substituted “lighted” for “light”.

§ 11102. Medicine chests

(a) A vessel of the United States on a voyage from a port in the United States to a foreign port (except to a Canadian port), and a vessel of the United States of at least 75 gross tons as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title on a voyage between a port of the United States on the Atlantic Ocean and Pacific Ocean, shall be provided with a medic- ine chest.

(b) The owner and master of a vessel not equipped as required by subsection (a) of this section or a regulation prescribed under sub- section (a) are liable to the United States Gov- ernment for a civil penalty of \$500. If the offense was due to the fault of the owner, a master pe- nalized under this section has the right to re- cover the penalty and costs from the owner.

11102(a)	46:666
11102(b)	46:667

Section 11102 requires that a United States vessel on a foreign or intercoastal domestic voyage be equipped with a medicine chest, and provides a penalty for non- compliance. The Committee intends that regulation will provide for a well stocked medicine chest adequate for the crew of a vessel.

AMENDMENTS

1996—Subsec. (a). Pub. L. 104-324 inserted “as meas- ured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title” after “75 gross tons”.

§ 11103. Slop chests

(a) A vessel to which section 11102 of this title applies shall be provided with a slop chest con- taining sufficient clothing for the intended voy- age for each seaman, including—

- (1) boots or shoes;
- (2) hats or caps;
- (3) underclothing;
- (4) outer clothing;
- (5) foul weather clothing;
- (6) everything necessary for the wear of a seaman; and
- (7) a complete supply of tobacco and blan- kets.

(b) Merchandise in the slop chest shall be sold to a seaman desiring it, for the use of the sea- man, at a profit of not more than 10 percent of the reasonable wholesale value of the merchan- dise at the port at which the voyage began.
