§ 515. Child development services

(a) The Commandant may make child development services available for members and civilian employees of the Coast Guard, and thereafter as space is available for members of the Armed Forces and Federal civilian employees. (B) Fees to be charged, pursuant to subparagraph (A), shall be based on family income, except that the Commandant may, on a case-by-case basis, establish fees at lower rates if such rates would not be competitive with rates at local child development centers.

(C) The Commandant is authorized to collect and expend fees, established pursuant to this subparagraph, and such fees shall, without further appropriation, remain available until expended for the purpose of providing services, including the compensation of employees and the purchase of consumable and disposable items, at Coast Guard child development centers.

(3) The Commandant is authorized to use appropriated funds available to the Coast Guard to provide assistance to family home daycare providers so that family home daycare services can be provided to uniformed service members and civilian employees of the Coast Guard at a cost comparable to the cost of services provided by Coast Guard child development centers.

(c) The Commandant shall provide for regular and unannounced inspections of each child development center under this section and may use Department of Defense or other training programs to ensure that all child development center employees under this section meet minimum standards of training with respect to early childhood development, activities and disciplinary techniques appropriate to children of different ages, child abuse prevention and detection, and appropriate emergency medical procedures.

(d) The Secretary shall promulgate regulations to implement this section. The regulations shall establish fees to be charged for child development services provided under this section which take into consideration total family income.
