In order to preserve for the benefit and inspiration of the people of the United States as a national historical park certain historic structures and properties of outstanding national significance located in Boston, Massachusetts, and associated with the American Revolution and the

founding and growth of the United States, the Secretary of the Interior (hereinafter referred to as the “Secretary”) may, in accordance with the provisions of this subchapter, acquire by donation or by purchase with donated funds, all lands and improvements thereon or interests therein comprising the following described areas:

(1) Faneuil Hall, located at Dock Square, Boston;

(2) Paul Revere House, 19 North Square, Boston;

(3) The area identified as the Old North Church area, 193 Salem Street, Boston;

(5) Bunker Hill, Breeds Hill, Boston;

(6) Old South Meeting House, Milk and Washington Streets, Boston;

(7) Charlestown Navy Yard; and

(8) Dorchester Heights, Boston.

(b) Acquisition of properties with appropriated funds

In the event that the properties described in this section are not donated to the United States or purchased with donated funds, they may be acquired by the Secretary with appropriated funds: *Provided*, That, except for privately held lands within the Charlestown Navy Yard as described in subsection (d) of this section, the Secretary shall not acquire any such properties by eminent domain so long as he determines that a binding, written cooperative agreement, assuring the preservation and historical integrity of such properties remains in force and effect. Lands owned by the Commonwealth of Massachusetts, or any of its political subdivisions, may be acquired only by donation.

(c) Publication of notice

At such time as the Secretary determines that sufficient lands, improvements, and interests therein have been acquired or that cooperative agreements satisfying the preservation and historical objective of this subchapter have been executed, he may establish the Boston National Historical Park by publication of notice to that effect in the Federal Register, together with a detailed description or map setting forth the properties included therein.

(d) Charlestown Navy Yard

As used in this section, the Charlestown Navy Yard shall include the United States Ship Constitution and the lands generally depicted on the map entitled “Boundary Map: Charlestown Naval Shipyard—U.S.S. Constitution, Boston National Historical Park”, numbered BONA 20,000 and dated March 1974 which shall be on file and available in the offices of the Director of the National Park Service, Department of the Interior, Washington, D.C. All right, title, and interest in the Federal properties and improvements included therein shall be transferred to the Secretary of the Interior: *Provided*, That he may, by written agreement with the Secretary of the Navy, permit the continued use of any such

buildings and facilities as the Secretary of the Interior determines to be necessary for the preservation and maintenance of the Constitution, which agreement shall provide that the Department of the Navy shall transfer to the Department of the Interior funds sufficient to cover the costs attributable to the functions and services which are provided by the Department of the Interior. The Secretary shall consult with representatives of the city of Boston and the Commonwealth of Massachusetts concerning the development of suitable transportation plans consistent with the purposes for which the Navy Yard was included in the historical park and the Secretary is authorized to grant, in accordance with such terms and conditions as he deems necessary and consistent with the purposes of this subchapter, easements and rights-of-way to the Commonwealth of Massachusetts or any political subdivision thereof including the Boston Redevelopment Authority for purposes of the vehicular, pedestrian and utility access to that portion of the Boston Navy Yard outside the boundaries of the Park. Such grants of easements and rights-of-way shall be upon the express condition that the grantee convey to the United States the property known as Building No. 107, being a part of the Boston Navy Yard and owned by the Boston Redevelopment Authority.

Such agreements shall contain, but shall not be limited to, provisions that the Secretary, through the National Park Service, shall have right of access at all reasonable times to all public portions of the property covered by such agreement for the purpose of conducting visitors through such properties and interpreting them to the public, that no changes or alterations shall be made in such properties except by mutual agreement between the Secretary and the other parties to such agreements, except that no limitation or control of any kind over the use of any such properties customarily used for church purposes shall be imposed by any agreement. The agreements may contain specific provisions which outline in detail the extent of the participation by the Secretary in the restoration, preservation, and maintenance of such historic properties.

(2) The Secretary of the Interior is authorized to enter into a cooperative agreement with the Boston Public Library to provide for the distribution of informational and interpretive materials relating to the park and to the Freedom Trail.
