Act of June 27, 1960 (16 U.S.C. 469-469c), referred to in subsec. (a)(1), is act June 27, 1960, Pub. L. 86-523, 74 Stat. 220, as amended, which is classified generally to sections 469 to 469c-1 of this title. For complete classification of this Act to the Code, see Tables.

§ 470ii. Rules and regulations; intergovernmental coordination

(a) Promulgation; effective date

The Secretaries of the Interior, Agriculture and Defense and the Chairman of the Board of the Tennessee Valley Authority, after consultation with other Federal land managers, Indian tribes, representatives of concerned State agencies, and after public notice and hearing, shall promulgate such uniform rules and regulations as may be appropriate to carry out the purposes of this chapter. Such rules and regulations may be promulgated only after consideration of the provisions of the American Indian Religious Freedom Act (92 Stat. 469; 42 U.S.C. 1996 [, 1996a]). Each uniform rule or regulation promulgated under this chapter shall be submitted on the same calendar day to the Committee on Energy and Natural Resources of the United States Senate and to the Committee on Natural Resources of the United States House of Representatives, and no such uniform rule or regulation may take effect before the expiration of a period of ninety calendar days following the date of its submission to such Committees.

(b) Federal land managers' rules

Each Federal land manager shall promulgate such rules and regulations, consistent with the uniform rules and regulations under subsection (a) of this section, as may be appropriate for the carrying out of his functions and authorities under this chapter.

(c) Federal land managers' public awareness program of archaeological resources on public lands and Indian lands

Each Federal land manager shall establish a program to increase public awareness of the significance of the archaeological resources located on public lands and Indian lands and the need to protect such resources.

AMENDMENTS

1996—Subsec. (c). Pub. L. 104-333 struck out at end “Each such land manager shall submit an annual report to the Committee on Natural Resources of the

United States House of Representatives and to the Committee on Energy and Natural Resources of the United States Senate regarding the actions taken under such program.”

1994—Subsecs. (a), (c). Pub. L. 103-437 substituted “Natural Resources” for “Interior and Insular Affairs” after “Committee on”.

1988—Subsec. (c). Pub. L. 100-588 added subsec. (c).

§ 470jj. Cooperation with private individuals

The Secretary of the Interior shall take such action as may be necessary, consistent with the purposes of this chapter, to foster and improve the communication, cooperation, and exchange of information between—

(1) private individuals having collections of archaeological resources and data which were obtained before the date of the enactment of this chapter, and

(2) Federal authorities responsible for the protection of archaeological resources on the public lands and Indian lands and professional archaeologists and associations of professional archaeologists.

In carrying out this section, the Secretary shall, to the extent practicable and consistent with the provisions of this chapter, make efforts to expand the archaeological data base for the archaeological resources of the United States through increased cooperation between private individuals referred to in paragraph (1) and professional archaeologists and archaeological organizations.

(Pub. L. 96-95, § 11, Oct. 31, 1979, 93 Stat. 727.)

§ 470kk. Savings provisions

(a) Mining, mineral leasing, reclamation, and other multiple uses

Nothing in this chapter shall be construed to repeal, modify, or impose additional restrictions on the activities permitted under existing laws and authorities relating to mining, mineral leasing, reclamation, and other multiple uses of the public lands.

(b) Private collections

Nothing in this chapter applies to, or requires a permit for, the collection for private purposes of any rock, coin, bullet, or mineral which is not an archaeological resource, as determined under uniform regulations promulgated under section 470bb(1) of this title.

(c) Lands within chapter

Nothing in this chapter shall be construed to affect any land other than public land or Indian land or to affect the lawful recovery, collection, or sale of archaeological resources from land other than public land or Indian land.

(Pub. L. 96-95, § 12, Oct. 31, 1979, 93 Stat. 728.)

§ 470ll. Annual report to Congress

As part of the annual report required to be submitted to the specified committees of the Congress pursuant to section 469a-3(c) of this title, the Secretary of the Interior shall comprehensively report as a separate component on the activities carried out under the provisions of this chapter, and he shall make such recommendations as he deems appropriate as to

changes or improvements needed in the provisions of this chapter. Such report shall include a brief summary of the actions undertaken by the Secretary under section 470jj of this title, relating to cooperation with private individuals. (Pub. L. 96-95, §13, Oct. 31, 1979, 93 Stat. 728.)

§ 470mm. Surveying of lands; reporting of violations

The Secretaries of the Interior, Agriculture, and Defense and the Chairman of the Board of the Tennessee Valley Authority shall—

- (a) develop plans for surveying lands under their control to determine the nature and extent of archeological resources on those lands;
- (b) prepare a schedule for surveying lands that are likely to contain the most scientifically valuable archeological resources; and
- (c) develop documents for the reporting of suspected violations of this chapter and establish when and how those documents are to be completed by officers, employees, and agents of their respective agencies.

(Pub. L. 96-95, §14, as added Pub. L. 100-555, Oct. 28, 1988, 102 Stat. 2778.)

470aaa-10.	Savings provisions.
470aaa-11.	Authorization of appropriations.

§ 470aaa. Definitions

In this chapter:

(1) Casual collecting

The term “casual collecting” means the collecting of a reasonable amount of common invertebrate and plant paleontological resources for non-commercial personal use, either by surface collection or the use of non-powered hand tools resulting in only negligible disturbance to the Earth’s surface and other resources. As used in this paragraph, the terms “reasonable amount”, “common invertebrate and plant paleontological resources” and “negligible disturbance” shall be determined by the Secretary.

(2) Federal land

The term “Federal land” means—

- (A) land controlled or administered by the Secretary of the Interior, except Indian land; or
- (B) National Forest System land controlled or administered by the Secretary of Agriculture.

(3) Indian Land

The term “Indian Land” means land of Indian tribes, or Indian individuals, which are

either held in trust by the United States or subject to a restriction against alienation imposed by the United States.

(4) Paleontological resource

The term “paleontological resource” means any fossilized remains, traces, or imprints of organisms, preserved in or on the earth’s crust, that are of paleontological interest and that provide information about the history of life on earth, except that the term does not include—

- (A) any materials associated with an archaeological resource (as defined in section 470bb(1) of this title;¹ or
- (B) any cultural item (as defined in section 3001 of title 25).

(5) Secretary

The term “Secretary” means the Secretary of the Interior with respect to land controlled or administered by the Secretary of the Interior or the Secretary of Agriculture with respect to National Forest System land controlled or administered by the Secretary of Agriculture.

(6) State

The term “State” means the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, and any other territory or possession of the United States.

(Pub. L. 111-11, title VI, §6301, Mar. 30, 2009, 123 Stat. 1172.)

§ 470aaa-1. Management

(a) In general

The Secretary shall manage and protect paleontological resources on Federal land using scientific principles and expertise. The Secretary shall develop appropriate plans for inventory, monitoring, and the scientific and educational use of paleontological resources, in accordance with applicable agency laws, regulations, and policies. These plans shall emphasize inter-agency coordination and collaborative efforts where possible with non-Federal partners, the scientific community, and the general public.

(b) Coordination

To the extent possible, the Secretary of the Interior and the Secretary of Agriculture shall coordinate in the implementation of this chapter.

(Pub. L. 111-11, title VI, §6302, Mar. 30, 2009, 123 Stat. 1173.)

§ 470aaa-2. Public awareness and education program

The Secretary shall establish a program to increase public awareness about the significance of paleontological resources.

(Pub. L. 111-11, title VI, §6303, Mar. 30, 2009, 123 Stat. 1173.)
