PART A—INDIAN SELF-DETERMINATION

§ 450f. Self-determination contracts

(a) Request by tribe; authorized programs

(1) The Secretary is directed, upon the request of any Indian tribe by tribal resolution, to enter

into a self-determination contract or contracts with a tribal organization to plan, conduct, and administer programs or portions thereof, including construction programs—

(A) provided for in the Act of April 16, 1934 (48 Stat. 596), as amended [25 U.S.C. 452 et seq.];

(B) which the Secretary is authorized to administer for the benefit of Indians under the Act of November 2, 1921 (42 Stat. 208) [25 U.S.C. 13], and any Act subsequent thereto;

(C) provided by the Secretary of Health and Human Services under the Act of August 5, 1954 (68 Stat. 674), as amended [42 U.S.C. 2001 et seq.];

(D) administered by the Secretary for the benefit of Indians for which appropriations are made to agencies other than the Department of Health and Human Services or the Department of the Interior; and

(E) for the benefit of Indians because of their status as Indians without regard to the agency or office of the Department of Health and Human Services or the Department of the Interior within which it is performed.

The programs, functions, services, or activities that are contracted under this paragraph shall include administrative functions of the Department of the Interior and the Department of Health and Human Services (whichever is applicable) that support the delivery of services to Indians, including those administrative activities supportive of, but not included as part of, the service delivery programs described in this paragraph that are otherwise contractable. The administrative functions referred to in the preceding sentence shall be contractable without regard to the organizational level within the Department that carries out such functions.

(2) If so authorized by an Indian tribe under paragraph (1) of this subsection, a tribal organization may submit a proposal for a self-determination contract, or a proposal to amend or renew a self-determination contract, to the Secretary for review. Subject to the provisions of paragraph (4), the Secretary shall, within ninety days after receipt of the proposal, approve the proposal and award the contract unless the Secretary provides written notification to the applicant that contains a specific finding that clearly demonstrates that, or that is supported by a controlling legal authority that—

(A) the service to be rendered to the Indian beneficiaries of the particular program or function to be contracted will not be satisfactory;

(B) adequate protection of trust resources is not assured;

(C) the proposed project or function to be contracted for cannot be properly completed or maintained by the proposed contract;

(D) the amount of funds proposed under the contract is in excess of the applicable funding level for the contract, as determined under section 450j-1(a) of this title; or

(E) the program, function, service, or activity (or portion thereof) that is the subject of the proposal is beyond the scope of programs, functions, services, or activities covered under paragraph (1) because the proposal includes activities that cannot lawfully be carried out by the contractor.

Notwithstanding any other provision of law, the Secretary may extend or otherwise alter the 90-day period specified in the second sentence of this subsection,¹ if before the expiration of such period, the Secretary obtains the voluntary and express written consent of the tribe or tribal organization to extend or otherwise alter such period. The contractor shall include in the proposal of the contractor the standards under which the tribal organization will operate the contracted program, service, function, or activity, including in the area of construction, provisions regarding the use of licensed and qualified architects, applicable health and safety standards, adherence to applicable Federal, State, local, or tribal building codes and engineering standards. The standards referred to in the preceding sentence shall ensure structural integrity, accountability of funds, adequate competition for subcontracting under tribal or other applicable law, the commencement, performance, and completion of the contract, adherence to project plans and specifications (including any applicable Federal construction guidelines and manuals), the use of proper materials and workmanship, necessary inspection and testing, and changes, modifications, stop work, and termination of the work when warranted.

(3) Upon the request of a tribal organization that operates two or more mature self-determination contracts, those contracts may be consolidated into one single contract.

(4) The Secretary shall approve any severable portion of a contract proposal that does not support a declination finding described in paragraph (2). If the Secretary determines under such paragraph that a contract proposal—

(A) proposes in part to plan, conduct, or administer a program, function, service, or activity that is beyond the scope of programs covered under paragraph (1), or

(B) proposes a level of funding that is in excess of the applicable level determined under section 450j-1(a) of this title,

subject to any alteration in the scope of the proposal that the Secretary and the tribal organization agree to, the Secretary shall, as appropriate, approve such portion of the program, function, service, or activity as is authorized under paragraph (1) or approve a level of funding authorized under section 450j-1(a) of this title. If a tribal organization elects to carry out a severable portion of a contract proposal pursuant to this paragraph, subsection (b) of this section shall only apply to the portion of the contract that is declined by the Secretary pursuant to this subsection.

(b) Procedure upon refusal of request to contract

Whenever the Secretary declines to enter into a self-determination contract or contracts pursuant to subsection (a) of this section, the Secretary shall—

(1) state any objections in writing to the tribal organization,

(2) provide assistance to the tribal organization to overcome the stated objections, and

(3) provide the tribal organization with a hearing on the record with the right to engage

in full discovery relevant to any issue raised in the matter and the opportunity for appeal on the objections raised, under such rules and regulations as the Secretary may promulgate, except that the tribe or tribal organization may, in lieu of filing such appeal, exercise the option to initiate an action in a Federal district court and proceed directly to such court pursuant to section 450m-1(a) of this title.

(c) Liability insurance; waiver of defense

(1) Beginning in 1990, the Secretary shall be responsible for obtaining or providing liability insurance or equivalent coverage, on the most cost-effective basis, for Indian tribes, tribal organizations, and tribal contractors carrying out contracts, grant agreements and cooperative agreements pursuant to this subchapter. In obtaining or providing such coverage, the Secretary shall take into consideration the extent to which liability under such contracts or agreements are covered by the Federal Tort Claims Act.

(2) In obtaining or providing such coverage, the Secretary shall, to the greatest extent practicable, give a preference to coverage underwritten by Indian-owned economic enterprises as defined in section 1452 of this title, except that, for the purposes of this subsection, such enterprises may include non-profit corporations.

(3)(A) Any policy of insurance obtained or provided by the Secretary pursuant to this subsection shall contain a provision that the insurance carrier shall waive any right it may have to raise as a defense the sovereign immunity of an Indian tribe from suit, but that such waiver shall extend only to claims the amount and nature of which are within the coverage and limits of the policy and shall not authorize or empower such insurance carrier to waive or otherwise limit the tribe's sovereign immunity outside or beyond the coverage or limits of the policy of insurance.

(B) No waiver of the sovereign immunity of an Indian tribe pursuant to this paragraph shall include a waiver to the extent of any potential liability for interest prior to judgment or for punitive damages or for any other limitation on liability imposed by the law of the State in which the alleged injury occurs.

(d) Tribal organizations and Indian contractors deemed part of Public Health Service

For purposes of section 233 of title 42, with respect to claims by any person, initially filed on or after December 22, 1987, whether or not such person is an Indian or Alaska Native or is served on a fee basis or under other circumstances as permitted by Federal law or regulations for personal injury, including death, resulting from the performance prior to, including, or after December 22, 1987, of medical, surgical, dental, or related functions, including the conduct of clinical studies or investigations, or for purposes of section 2679, title 28, with respect to claims by any such person, on or after November 29, 1990, for personal injury, including death, resulting from the operation of an emergency motor vehicle, an Indian tribe, a tribal organization or Indian contractor carrying out a contract, grant agreement, or cooperative agreement under sections²

(e) Burden of proof at hearing or appeal declining contract; final agency action

(1) With respect to any hearing or appeal conducted pursuant to subsection (b)(3) of this section or any civil action conducted pursuant to section 450m-1(a) of this title, the Secretary shall have the burden of proof to establish by clearly demonstrating the validity of the grounds for declining the contract proposal (or portion thereof).

(2) Notwithstanding any other provision of law, a decision by an official of the Department of the Interior or the Department of Health and Human Services, as appropriate (referred to in this paragraph as the "Department") that constitutes final agency action and that relates to an appeal within the Department that is conducted under subsection (b)(3) of this section shall be made either—

(A) by an official of the Department who holds a position at a higher organizational level within the Department than the level of the departmental agency (such as the Indian Health Service or the Bureau of Indian Affairs) in which the decision that is the subject of the appeal was made; or

(B) by an administrative judge.

Pub. L. 105-277, div. A, §101(e) [title I], Oct. 21, 1998, 105 Stat. 2681-231, 2681-246, provided in part that: “hereafter funds made available to tribes and tribal organizations through contracts, compact agreements, or grants, as authorized by the Indian Self-Determination Act of 1975 [25 U.S.C. 450f et seq.] or grants authorized by the Indian Education Amendments of 1988 (25 U.S.C. 2001 and 2008A [probably means prior versions of 25 U.S.C. 2001 and 2008a]) shall remain available until expended by the contractor or grantee”.

§ 450j-1. Contract funding and indirect costs

(a) Amount of funds provided

(1) The amount of funds provided under the terms of self-determination contracts entered into pursuant to this subchapter shall not be less than the appropriate Secretary would have otherwise provided for the operation of the programs or portions thereof for the period covered by the contract, without regard to any organizational level within the Department of the Interior or the Department of Health and Human Services, as appropriate, at which the program, function, service, or activity or portion thereof, including supportive administrative functions that are otherwise contractable, is operated.

(2) There shall be added to the amount required by paragraph (1) contract support costs which shall consist of an amount for the reasonable costs for activities which must be carried on by a tribal organization as a contractor to ensure compliance with the terms of the contract and prudent management, but which—

(A) normally are not carried on by the respective Secretary in his direct operation of the program; or

(B) are provided by the Secretary in support of the contracted program from resources other than those under contract.

(3)(A) The contract support costs that are eligible costs for the purposes of receiving funding under this subchapter shall include the costs of reimbursing each tribal contractor for reasonable and allowable costs of—

(i) direct program expenses for the operation of the Federal program that is the subject of the contract, and

(ii) any additional administrative or other expense related to the overhead incurred by the tribal contractor in connection with the operation of the Federal program, function, service, or activity pursuant to the contract,

except that such funding shall not duplicate any funding provided under subsection (a)(1) of this section.

(B) On an annual basis, during such period as a tribe or tribal organization operates a Federal program, function, service, or activity pursuant to a contract entered into under this subchapter, the tribe or tribal organization shall have the option to negotiate with the Secretary the amount of funds that the tribe or tribal organization is entitled to receive under such contract pursuant to this paragraph.

(4) For each fiscal year during which a self-determination contract is in effect, any savings attributable to the operation of a Federal program, function, service, or activity under a self-determination contract by a tribe or tribal orga-

nization (including a cost reimbursement construction contract) shall—

(A) be used to provide additional services or benefits under the contract; or

(B) be expended by the tribe or tribal organization in the succeeding fiscal year, as provided in section 13a of this title.

(5) Subject to paragraph (6), during the initial year that a self-determination contract is in effect, the amount required to be paid under paragraph (2) shall include startup costs consisting of the reasonable costs that have been incurred or will be incurred on a one-time basis pursuant to the contract necessary—

(A) to plan, prepare for, and assume operation of the program, function, service, or activity that is the subject of the contract; and

(B) to ensure compliance with the terms of the contract and prudent management.

(6) Costs incurred before the initial year that a self-determination contract is in effect may not be included in the amount required to be paid under paragraph (2) if the Secretary does not receive a written notification of the nature and extent of the costs prior to the date on which such costs are incurred.

(b) Reductions and increases in amount of funds provided

The amount of funds required by subsection (a) of this section—

(1) shall not be reduced to make funding available for contract monitoring or administration by the Secretary;

(2) shall not be reduced by the Secretary in subsequent years except pursuant to—

(A) a reduction in appropriations from the previous fiscal year for the program or function to be contracted;

(B) a directive in the statement of the managers accompanying a conference report on an appropriation bill or continuing resolution;

(C) a tribal authorization;

(D) a change in the amount of pass-through funds needed under a contract; or

(E) completion of a contracted project, activity, or program;

(3) shall not be reduced by the Secretary to pay for Federal functions, including, but not limited to, Federal pay costs, Federal employee retirement benefits, automated data processing, contract technical assistance or contract monitoring;

(4) shall not be reduced by the Secretary to pay for the costs of Federal personnel displaced by a self-determination contract; and

(5) may, at the request of the tribal organization, be increased by the Secretary if necessary to carry out this subchapter or as provided in section 450j(c) of this title.

Notwithstanding any other provision in this subchapter, the provision of funds under this subchapter is subject to the availability of appropriations and the Secretary is not required to reduce funding for programs, projects, or activities serving a tribe to make funds available to another tribe or tribal organization under this subchapter.

(c) Annual reports

Not later than May 15 of each year, the Secretary shall prepare and submit to Congress an annual report on the implementation of this subchapter. Such report shall include—

(1) an accounting of the total amounts of funds provided for each program and the budget activity for direct program costs and contract support costs of tribal organizations under self-determination;

(2) an accounting of any deficiency in funds needed to provide required contract support costs to all contractors for the fiscal year for which the report is being submitted;

(3) the indirect cost rate and type of rate for each tribal organization that has been negotiated with the appropriate Secretary;

(4) the direct cost base and type of base from which the indirect cost rate is determined for each tribal organization;

(5) the indirect cost pool amounts and the types of costs included in the indirect cost pool; and

(6) an accounting of any deficiency in funds needed to maintain the preexisting level of services to any Indian tribes affected by contracting activities under this subchapter, and a statement of the amount of funds needed for transitional purposes to enable contractors to convert from a Federal fiscal year accounting cycle, as authorized by section 450j(d) of this title.

(d) Treatment of shortfalls in indirect cost recoveries

(1) Where a tribal organization's allowable indirect cost recoveries are below the level of indirect costs that the tribal organizations should have received for any given year pursuant to its approved indirect cost rate, and such shortfall is the result of lack of full indirect cost funding by any Federal, State, or other agency, such shortfall in recoveries shall not form the basis for any theoretical over-recovery or other adverse adjustment to any future years' indirect cost rate or amount for such tribal organization, nor shall any agency seek to collect such shortfall from the tribal organization.

(2) Nothing in this subsection shall be construed to authorize the Secretary to fund less than the full amount of need for indirect costs associated with a self-determination contract.

(e) Liability for indebtedness incurred before fiscal year 1992

Indian tribes and tribal organizations shall not be held liable for amounts of indebtedness attributable to theoretical or actual under-recoveries or theoretical over-recoveries of indirect costs, as defined in Office of Management and Budget Circular A-87, incurred for fiscal years prior to fiscal year 1992.

(f) Limitation on remedies relating to cost disallowances

Any right of action or other remedy (other than those relating to a criminal offense) relating to any disallowance of costs shall be barred unless the Secretary has given notice of any such disallowance within three hundred and sixty-five days of receiving any required annual single agency audit report or, for any period

covered by law or regulation in force prior to October 19, 1984, any other required final audit report. Such notice shall set forth the right of appeal and hearing to the board of contract appeals pursuant to section 450m-1 of this title. For the purpose of determining the 365-day period specified in this paragraph, an audit report shall be deemed to have been received on the date of actual receipt by the Secretary, if, within 60 days after receiving the report, the Secretary does not give notice of a determination by the Secretary to reject the single-agency report as insufficient due to noncompliance with chapter 75 of title 31 or noncompliance with any other applicable law. Nothing in this subsection shall be deemed to enlarge the rights of the Secretary with respect to section 476 of this title.

(g) Addition to contract of full amount contractor entitled; adjustment

Upon the approval of a self-determination contract, the Secretary shall add to the contract the full amount of funds to which the contractor is entitled under subsection (a) of this section, subject to adjustments for each subsequent year that such tribe or tribal organization administers a Federal program, function, service, or activity under such contract.

(h) Indirect costs for contracts for construction programs

In calculating the indirect costs associated with a self-determination contract for a construction program, the Secretary shall take into consideration only those costs associated with the administration of the contract and shall not take into consideration those moneys actually passed on by the tribal organization to construction contractors and subcontractors.

(i) Indian Health Service and Bureau of Indian Affairs budget consultations

On an annual basis, the Secretary shall consult with, and solicit the participation of, Indian tribes and tribal organizations in the development of the budget for the Indian Health Service and the Bureau of Indian Affairs (including participation of Indian tribes and tribal organizations in formulating annual budget requests that the Secretary submits to the President for submission to Congress pursuant to section 1105 of title 31).

(j) Use of funds for matching or cost participation requirements

Notwithstanding any other provision of law, a tribal organization may use funds provided under a self-determination contract to meet matching or cost participation requirements under other Federal and non-Federal programs.

(k) Allowable uses of funds without approval of Secretary

Without intending any limitation, a tribal organization may, without the approval of the Secretary, expend funds provided under a self-determination contract for the following purposes, to the extent that the expenditure of the funds is supportive of a contracted program:

(1) Depreciation and use allowances not otherwise specifically prohibited by law, including the depreciation of facilities owned by the tribe or tribal organization.

(2) Publication and printing costs.

(3) Building, realty, and facilities costs, including rental costs or mortgage expenses.

(4) Automated data processing and similar equipment or services.

(5) Costs for capital assets and repairs.

(6) Management studies.

(7) Professional services, other than services provided in connection with judicial proceedings by or against the United States.

(8) Insurance and indemnification, including insurance covering the risk of loss of or damage to property used in connection with the contract without regard to the ownership of such property.

(9) Costs incurred to raise funds or contributions from non-Federal sources for the purpose of furthering the goals and objectives of the self-determination contract.

(10) Interest expenses paid on capital expenditures such as buildings, building renovation, or acquisition or fabrication of capital equipment, and interest expenses on loans necessitated due to delays by the Secretary in providing funds under a contract.

(11) Expenses of a governing body of a tribal organization that are attributable to the management or operation of programs under this subchapter.

(12) Costs associated with the management of pension funds, self-insurance funds, and other funds of the tribal organization that provide for participation by the Federal Government.

(l) Suspension, withholding, or delay in payment of funds

(1) The Secretary may only suspend, withhold, or delay the payment of funds for a period of 30 days beginning on the date the Secretary makes a determination under this paragraph to a tribal organization under a self-determination contract, if the Secretary determines that the tribal organization has failed to substantially carry out the contract without good cause. In any such case, the Secretary shall provide the tribal organization with reasonable advance written notice, technical assistance (subject to available resources) to assist the tribal organization, a hearing on the record not later than 10 days after the date of such determination or such later date as the tribal organization shall approve, and promptly release any funds withheld upon subsequent compliance.

(2) With respect to any hearing or appeal conducted pursuant to this subsection, the Secretary shall have the burden of proof to establish by clearly demonstrating the validity of the grounds for suspending, withholding, or delaying payment of funds.

(m) Use of program income earned

The program income earned by a tribal organization in the course of carrying out a self-determination contract—

(1) shall be used by the tribal organization to further the general purposes of the contract; and

(2) shall not be a basis for reducing the amount of funds otherwise obligated to the contract.

(n) Reduction of administrative or other responsibilities of Secretary; use of savings

To the extent that programs, functions, services, or activities carried out by tribal organizations pursuant to contracts entered into under this subchapter reduce the administrative or other responsibilities of the Secretary with respect to the operation of Indian programs and result in savings that have not otherwise been included in the amount of contract funds determined under subsection (a) of this section, the Secretary shall make such savings available for the provision of additional services to program beneficiaries, either directly or through contractors, in a manner equitable to both direct and contracted programs.

(o) Rebudgeting by tribal organization

Notwithstanding any other provision of law (including any regulation), a tribal organization that carries out a self-determination contract may, with respect to allocations within the approved budget of the contract, rebudget to meet contract requirements, if such rebudgeting would not have an adverse effect on the performance of the contract.

§ 450m. Rescission of contract or grant and assumption of control of program, etc.; authority; grounds; procedure; correction of violation as prerequisite to new contract or grant agreement; construction with occupational safety and health requirements

Each contract or grant agreement entered into pursuant to sections 450f, 450g, and 450h¹ of this title shall provide that in any case where the appropriate Secretary determines that the tribal organization's performance under such contract or grant agreement involves (1) the violation of the rights or endangerment of the health, safety, or welfare of any persons; or (2) gross negligence or mismanagement in the handling or use of funds provided to the tribal organization pursuant to such contract or grant agreement, or in the management of trust fund, trust lands or interests in such lands pursuant to such contract or grant agreement, such Secretary may, under regulations prescribed by him and after providing notice and a hearing on the record to such tribal organization, rescind such contract or grant agreement, in whole or in part, and assume or resume control or operation of the program, activity, or service involved if he determines that the tribal organization has not taken corrective action as prescribed by the Secretary to remedy the contract deficiency, except that the appropriate Secretary may, upon written notice to a tribal organization, and the tribe served by the tribal organization, immediately rescind a contract or grant, in whole or in part, and resume control or operation of a program, activity, function, or service, if the Secretary finds that (i) there is an immediate threat of imminent harm to the safety of any person, or imminent substantial and irreparable harm to trust funds, trust lands, or interests in such lands, and (ii) such threat arises from the failure of the contractor to fulfill the requirements of the contract.
