PART A—INDIAN SELF-DETERMINATION

§ 450f. Self-determination contracts

(a) Request by tribe; authorized programs

(1) The Secretary is directed, upon the request of any Indian tribe by tribal resolution, to enter

into a self-determination contract or contracts with a tribal organization to plan, conduct, and administer programs or portions thereof, including construction programs—

(A) provided for in the Act of April 16, 1934 (48 Stat. 596), as amended [25 U.S.C. 452 et seq.];

(B) which the Secretary is authorized to administer for the benefit of Indians under the Act of November 2, 1921 (42 Stat. 208) [25 U.S.C. 13], and any Act subsequent thereto;

(C) provided by the Secretary of Health and Human Services under the Act of August 5, 1954 (68 Stat. 674), as amended [42 U.S.C. 2001 et seq.];

(D) administered by the Secretary for the benefit of Indians for which appropriations are made to agencies other than the Department of Health and Human Services or the Department of the Interior; and

(E) for the benefit of Indians because of their status as Indians without regard to the agency or office of the Department of Health and Human Services or the Department of the Interior within which it is performed.

The programs, functions, services, or activities that are contracted under this paragraph shall include administrative functions of the Department of the Interior and the Department of Health and Human Services (whichever is applicable) that support the delivery of services to Indians, including those administrative activities supportive of, but not included as part of, the service delivery programs described in this paragraph that are otherwise contractable. The administrative functions referred to in the preceding sentence shall be contractable without regard to the organizational level within the Department that carries out such functions.

(2) If so authorized by an Indian tribe under paragraph (1) of this subsection, a tribal organization may submit a proposal for a self-determination contract, or a proposal to amend or renew a self-determination contract, to the Secretary for review. Subject to the provisions of paragraph (4), the Secretary shall, within ninety days after receipt of the proposal, approve the proposal and award the contract unless the Secretary provides written notification to the applicant that contains a specific finding that clearly demonstrates that, or that is supported by a controlling legal authority that—

(A) the service to be rendered to the Indian beneficiaries of the particular program or function to be contracted will not be satisfactory;

(B) adequate protection of trust resources is not assured;

(C) the proposed project or function to be contracted for cannot be properly completed or maintained by the proposed contract;

(D) the amount of funds proposed under the contract is in excess of the applicable funding level for the contract, as determined under section 450j-1(a) of this title; or

(E) the program, function, service, or activity (or portion thereof) that is the subject of the proposal is beyond the scope of programs, functions, services, or activities covered under paragraph (1) because the proposal includes activities that cannot lawfully be carried out by the contractor.
