(3) \$10,000 credit for adoption of child with special needs regardless of expenses

In the case of an adoption of a child with special needs which becomes final during a taxable year, the taxpayer shall be treated as having paid during such year qualified adoption expenses with respect to such adoption in an amount equal to the excess (if any) of \$10,000 over the aggregate qualified adoption expenses actually paid or incurred by the taxpayer with respect to such adoption during such taxable year and all prior taxable years.

(b) Limitations

(2) Income limitation

(A) In general

The amount allowable as a credit under subsection (a) for any taxable year (determined without regard to subsection (c)) shall

be reduced (but not below zero) by an amount which bears the same ratio to the amount so allowable (determined without regard to this paragraph but with regard to paragraph (1)) as—

§ 40A. Biodiesel and renewable diesel used as fuel

(a) General rule

For purposes of section 38, the biodiesel fuels credit determined under this section for the taxable year is an amount equal to the sum of—

- (1) the biodiesel mixture credit, plus
- (2) the biodiesel credit, plus
- (3) in the case of an eligible small agri-biodiesel producer, the small agri-biodiesel producer credit.

(b) Definition of biodiesel mixture credit, biodiesel credit, and small agri-biodiesel producer credit

For purposes of this section—

(1) Biodiesel mixture credit

(A) In general

The biodiesel mixture credit of any taxpayer for any taxable year is \$1.00 for each gallon of biodiesel used by the taxpayer in the production of a qualified biodiesel mixture.

(B) Qualified biodiesel mixture

The term “qualified biodiesel mixture” means a mixture of biodiesel and diesel fuel (as defined in section 4083(a)(3)), determined without regard to any use of kerosene, which—

- (i) is sold by the taxpayer producing such mixture to any person for use as a fuel, or
- (ii) is used as a fuel by the taxpayer producing such mixture.

(C) Sale or use must be in trade or business, etc.

Biodiesel used in the production of a qualified biodiesel mixture shall be taken into account—

- (i) only if the sale or use described in subparagraph (B) is in a trade or business of the taxpayer, and
- (ii) for the taxable year in which such sale or use occurs.

(D) Casual off-farm production not eligible

No credit shall be allowed under this section with respect to any casual off-farm production of a qualified biodiesel mixture.

(2) Biodiesel credit

(A) In general

The biodiesel credit of any taxpayer for any taxable year is \$1.00 for each gallon of biodiesel which is not in a mixture with diesel fuel and which during the taxable year—

- (i) is used by the taxpayer as a fuel in a trade or business, or
- (ii) is sold by the taxpayer at retail to a person and placed in the fuel tank of such person’s vehicle.

(B) User credit not to apply to biodiesel sold at retail

No credit shall be allowed under subparagraph (A)(i) with respect to any biodiesel which was sold in a retail sale described in subparagraph (A)(ii).

(3) Certification for biodiesel

No credit shall be allowed under paragraph (1) or (2) of subsection (a) unless the taxpayer obtains a certification (in such form and manner as prescribed by the Secretary) from the producer or importer of the biodiesel which identifies the product produced and the percentage of biodiesel and agri-biodiesel in the product.

(4) Small agri-biodiesel producer credit

(A) In general

The small agri-biodiesel producer credit of any eligible small agri-biodiesel producer for any taxable year is 10 cents for each gallon of qualified agri-biodiesel production of such producer.

(B) Qualified agri-biodiesel production

For purposes of this paragraph, the term “qualified agri-biodiesel production” means any agri-biodiesel which is produced by an eligible small agri-biodiesel producer, and which during the taxable year—

- (i) is sold by such producer to another person—
 - (I) for use by such other person in the production of a qualified biodiesel mixture in such other person’s trade or business (other than casual off-farm production),
 - (II) for use by such other person as a fuel in a trade or business, or
 - (III) who sells such agri-biodiesel at retail to another person and places such agri-biodiesel in the fuel tank of such other person, or
- (ii) is used or sold by such producer for any purpose described in clause (i).

(C) Limitation

The qualified agri-biodiesel production of any producer for any taxable year shall not exceed 15,000,000 gallons.

(c) Coordination with credit against excise tax

The amount of the credit determined under this section with respect to any biodiesel shall be properly reduced to take into account any benefit provided with respect to such biodiesel solely by reason of the application of section 6426 or 6427(e).

(d) Definitions and special rules

For purposes of this section—

(1) Biodiesel

The term “biodiesel” means the monoalkyl esters of long chain fatty acids derived from plant or animal matter which meet—

(A) the registration requirements for fuels and fuel additives established by the Environmental Protection Agency under section 211 of the Clean Air Act (42 U.S.C. 7545), and

(B) the requirements of the American Society of Testing and Materials D6751.

Such term shall not include any liquid with respect to which a credit may be determined under section 40.

(2) Agri-biodiesel

The term “agri-biodiesel” means biodiesel derived solely from virgin oils, including esters derived from virgin vegetable oils from corn, soybeans, sunflower seeds, cottonseeds, canola, crambe, rapeseeds, safflowers, flaxseeds, rice bran, mustard seeds, and camelina, and from animal fats.

(3) Mixture or biodiesel not used as a fuel, etc.**(A) Mixtures**

If—

(i) any credit was determined under this section with respect to biodiesel used in the production of any qualified biodiesel mixture, and

(ii) any person—

(I) separates the biodiesel from the mixture, or

(II) without separation, uses the mixture other than as a fuel,

then there is hereby imposed on such person a tax equal to the product of the rate applicable under subsection (b)(1)(A) and the number of gallons of such biodiesel in such mixture.

(B) Biodiesel

If—

(i) any credit was determined under this section with respect to the retail sale of any biodiesel, and

(ii) any person mixes such biodiesel or uses such biodiesel other than as a fuel,

then there is hereby imposed on such person a tax equal to the product of the rate applicable under subsection (b)(2)(A) and the number of gallons of such biodiesel.

(C) Producer credit

If—

(i) any credit was determined under subsection (a)(3), and

(ii) any person does not use such fuel for a purpose described in subsection (b)(4)(B),

then there is hereby imposed on such person a tax equal to 10 cents a gallon for each gallon of such agri-biodiesel.

(D) Applicable laws

All provisions of law, including penalties, shall, insofar as applicable and not inconsistent with this section, apply in respect of any tax imposed under subparagraph (A) or (B) as if such tax were imposed by section 4081 and not by this chapter.

(4) Pass-thru in the case of estates and trusts

Under regulations prescribed by the Secretary, rules similar to the rules of subsection (d) of section 52 shall apply.

(5) Limitation to biodiesel with connection to the United States

No credit shall be determined under this section with respect to any biodiesel which is produced outside the United States for use as a fuel outside the United States. For purposes of this paragraph, the term “United States” includes any possession of the United States.

(e) Definitions and special rules for small agri-biodiesel producer credit

For purposes of this section—

(1) Eligible small agri-biodiesel producer

The term “eligible small agri-biodiesel producer” means a person who, at all times during the taxable year, has a productive capacity for agri-biodiesel not in excess of 60,000,000 gallons.

(2) Aggregation rule

For purposes of the 15,000,000 gallon limitation under subsection (b)(4)(C) and the 60,000,000 gallon limitation under paragraph (1), all members of the same controlled group of corporations (within the meaning of section 267(f)) and all persons under common control (within the meaning of section 52(b) but determined by treating an interest of more than 50 percent as a controlling interest) shall be treated as 1 person.

(3) Partnership, S corporation, and other pass-thru entities

In the case of a partnership, trust, S corporation, or other pass-thru entity, the limitations contained in subsection (b)(4)(C) and paragraph (1) shall be applied at the entity level and at the partner or similar level.

(4) Allocation

For purposes of this subsection, in the case of a facility in which more than 1 person has an interest, productive capacity shall be allocated among such persons in such manner as the Secretary may prescribe.

(5) Regulations

The Secretary may prescribe such regulations as may be necessary—

(A) to prevent the credit provided for in subsection (a)(3) from directly or indirectly benefiting any person with a direct or indirect productive capacity of more than 60,000,000 gallons of agri-biodiesel during the taxable year, or

(B) to prevent any person from directly or indirectly benefiting with respect to more than 15,000,000 gallons during the taxable year.

(6) Allocation of small agri-biodiesel credit to patrons of cooperative**(A) Election to allocate****(i) In general**

In the case of a cooperative organization described in section 1381(a), any portion of the credit determined under subsection

(a)(3) for the taxable year may, at the election of the organization, be apportioned pro rata among patrons of the organization on the basis of the quantity or value of business done with or for such patrons for the taxable year.

(ii) Form and effect of election

An election under clause (i) for any taxable year shall be made on a timely filed return for such year. Such election, once made, shall be irrevocable for such taxable year. Such election shall not take effect unless the organization designates the apportionment as such in a written notice mailed to its patrons during the payment period described in section 1382(d).

(B) Treatment of organizations and patrons

(i) Organizations

The amount of the credit not apportioned to patrons pursuant to subparagraph (A) shall be included in the amount determined under subsection (a)(3) for the taxable year of the organization.

(iii) Special rules for decrease in credits for taxable year

If the amount of the credit of the organization determined under such subsection for a taxable year is less than the amount of such credit shown on the return of the organization for such year, an amount equal to the excess of—

(I) such reduction, over

(II) the amount not apportioned to such patrons under subparagraph (A) for the taxable year, shall be treated as an increase in tax imposed by this chapter on the organization. Such increase shall not be treated as tax imposed by this chapter for purposes of determining the amount of any credit under this chapter or for purposes of section 55.

(f) Renewable diesel

For purposes of this title—

(1) Treatment in the same manner as biodiesel

(A) Acquisitions

If, after December 31, 1983, a taxpayer acquires the major portion of a trade or business of another person (hereinafter in this paragraph referred to as the “predecessor”) or the major portion of a separate unit of a trade or business of a predecessor, then, for purposes of applying this section for any taxable year ending after such acquisition, the amount of qualified research expenses paid or incurred by the taxpayer during periods before such acquisition shall be increased by so much of such expenses paid or incurred by the predecessor with respect to the acquired trade or business as is attributable to the portion of such trade or business or separate unit acquired by the taxpayer, and the gross receipts of the taxpayer for such periods shall be increased by so much of the gross receipts of such predecessor with respect to the acquired trade or business as is attributable to such portion.

(B) Dispositions

If, after December 31, 1983—

(i) a taxpayer disposes of the major portion of any trade or business or the major portion of a separate unit of a trade or business in a transaction to which subparagraph (A) applies, and

(ii) the taxpayer furnished the acquiring person such information as is necessary for the application of subparagraph (A),

then, for purposes of applying this section for any taxable year ending after such disposition, the amount of qualified research expenses paid or incurred by the taxpayer during periods before such disposition shall be decreased by so much of such expenses as is attributable to the portion of such trade or business or separate unit disposed of by the taxpayer, and the gross receipts of the taxpayer for such periods shall be decreased by so much of the gross receipts as is attributable to such portion.

(C) Certain reimbursements taken into account in determining fixed-base percentage

If during any of the 3 taxable years following the taxable year in which a disposition to which subparagraph (B) applies occurs, the disposing taxpayer (or a person with whom the taxpayer is required to aggregate expenditures under paragraph (1)) reimburses the acquiring person (or a person required to so aggregate expenditures with

such person) for research on behalf of the taxpayer, then the amount of qualified research expenses of the taxpayer for the taxable years taken into account in computing the fixed-base percentage shall be increased by the lesser of—

(i) the amount of the decrease under subparagraph (B) which is allocable to taxable years so taken into account, or

(ii) the product of the number of taxable years so taken into account, multiplied by the amount of the reimbursement described in this subparagraph.

(4) Short taxable years

In the case of any short taxable year, qualified research expenses and gross receipts shall be annualized in such circumstances and under such methods as the Secretary may prescribe by regulation.

(5) Controlled group of corporations

The term “controlled group of corporations” has the same meaning given to such term by section 1563(a), except that—

(A) “more than 50 percent” shall be substituted for “at least 80 percent” each place it appears in section 1563(a)(1), and

(B) the determination shall be made without regard to subsections (a)(4) and (e)(3)(C) of section 1563.

(6) Energy research consortium

(A) In general

The term “energy research consortium” means any organization—

(i) which is—

(I) described in section 501(c)(3) and is exempt from tax under section 501(a) and is organized and operated primarily to conduct energy research, or

(II) organized and operated primarily to conduct energy research in the public interest (within the meaning of section 501(c)(3)),

(ii) which is not a private foundation,

(iii) to which at least 5 unrelated persons paid or incurred during the calendar year in which the taxable year of the organization begins amounts (including as contributions) to such organization for energy research, and

(iv) to which no single person paid or incurred (including as contributions) during such calendar year an amount equal to more than 50 percent of the total amounts received by such organization during such calendar year for energy research.

(B) Treatment of persons

All persons treated as a single employer under subsection (a) or (b) of section 52 shall be treated as related persons for purposes of subparagraph (A)(iii) and as a single person for purposes of subparagraph (A)(iv).

(C) Foreign research

For purposes of subsection (a)(3), amounts paid or incurred for any energy research conducted outside the United States, the Commonwealth of Puerto Rico, or any possession of the United States shall not be taken into account.

(D) Denial of double benefit

Any amount taken into account under subsection (a)(3) shall not be taken into account under paragraph (1) or (2) of subsection (a).

(E) Energy research

The term “energy research” does not include any research which is not qualified research.

(g) Special rule for pass-thru of credit

In the case of an individual who—

(1) owns an interest in an unincorporated trade or business,

(2) is a partner in a partnership,

(3) is a beneficiary of an estate or trust, or

(4) is a shareholder in an S corporation,

the amount determined under subsection (a) for any taxable year shall not exceed an amount (separately computed with respect to such person’s interest in such trade or business or entity) equal to the amount of tax attributable to that portion of a person’s taxable income which is allocable or apportionable to the person’s interest in such trade or business or entity. If the amount determined under subsection (a) for any taxable year exceeds the limitation of the preceding sentence, such amount may be carried to other taxable years under the rules of section 39; except that the limitation of the preceding sentence shall be taken into account in lieu of the limitation of section 38(c) in applying section 39.

(h) Termination

(1) In general

This section shall not apply to any amount paid or incurred—

(A) after June 30, 1995, and before July 1, 1996, or

(B) after December 31, 2011.

(2) Termination of alternative incremental credit

No election under subsection (c)(4) shall apply to taxable years beginning after December 31, 2008.

(2)¹ Computation for taxable year in which credit terminates

In the case of any taxable year with respect to which this section applies to a number of days which is less than the total number of days in such taxable year—

(A) the amount determined under subsection (c)(1)(B) with respect to such taxable year shall be the amount which bears the same ratio to such amount (determined without regard to this paragraph) as the number of days in such taxable year to which this section applies bears to the total number of days in such taxable year, and

(B) for purposes of subsection (c)(5), the average qualified research expenses for the preceding 3 taxable years shall be the amount which bears the same ratio to such average qualified research expenses (determined without regard to this paragraph) as the number of days in such taxable year to which this section applies bears to the total number of days in such taxable year.

“(A) whether any excess credit under old section 44F [now 41] for a taxable year beginning before January 1, 1984, is allowable as a carryover under new section 30 [now 41], and

“(B) the period during which new section 30 [now 41] is in effect, new section 30 [now 41] shall be treated as a continuation of old section 44F (and shall apply only to the extent old section 44F would have applied).”

§ 42. Low-income housing credit

(a) In general

For purposes of section 38, the amount of the low-income housing credit determined under this section for any taxable year in the credit period shall be an amount equal to—

(1) the applicable percentage of

(2) the qualified basis of each qualified low-income building.

(b) Applicable percentage: 70 percent present value credit for certain new buildings; 30 percent present value credit for certain other buildings

(1) Determination of applicable percentage

For purposes of this section, the term “applicable percentage” means, with respect to any building, the appropriate percentage prescribed by the Secretary for the earlier of—

(i) the month in which such building is placed in service, or

(ii) at the election of the taxpayer—

(I) the month in which the taxpayer and the housing credit agency enter into an agreement with respect to such building (which is binding on such agency, the taxpayer, and all successors in interest) as to the housing credit dollar amount to be allocated to such building, or

(II) in the case of any building to which subsection (h)(4)(B) applies, the month in which the tax-exempt obligations are issued.

A month may be elected under clause (ii) only if the election is made not later than the 5th day after the close of such month. Such an election, once made, shall be irrevocable.

(B)¹ Method of prescribing percentages

The percentages prescribed by the Secretary for any month shall be percentages which will yield over a 10-year period amounts of credit under subsection (a) which have a present value equal to—

(i) 70 percent of the qualified basis of a new building which is not federally subsidized for the taxable year, and

(ii) 30 percent of the qualified basis of a building not described in clause (i).

(C) Method of discounting

The present value under subparagraph (B) shall be determined—

¹ So in original. No subpar. (A) has been enacted.

(i) as of the last day of the 1st year of the 10-year period referred to in subparagraph (B),

(ii) by using a discount rate equal to 72 percent of the average of the annual Federal mid-term rate and the annual Federal long-term rate applicable under section 1274(d)(1) to the month applicable under clause (i) or (ii) of subparagraph (A)¹ and compounded annually, and

(iii) by assuming that the credit allowable under this section for any year is received on the last day of such year.

(2) Temporary minimum credit rate for non-federally subsidized new buildings

In the case of any new building—

(A) which is placed in service by the taxpayer after the date of the enactment of this paragraph and before December 31, 2013, and

(B) which is not federally subsidized for the taxable year,

the applicable percentage shall not be less than 9 percent.

(3) Cross references

(A) For treatment of certain rehabilitation expenditures as separate new buildings, see subsection (e).

(B) For determination of applicable percentage for increases in qualified basis after the 1st year of the credit period, see subsection (f)(3).

(C) For authority of housing credit agency to limit applicable percentage and qualified basis which may be taken into account under this section with respect to any building, see subsection (h)(7).

(c) Qualified basis; qualified low-income building

For purposes of this section—

(1) Qualified basis

(A) Determination

The qualified basis of any qualified low-income building for any taxable year is an amount equal to—

(i) the applicable fraction (determined as of the close of such taxable year) of

(ii) the eligible basis of such building (determined under subsection (d)(5)).

(B) Applicable fraction

For purposes of subparagraph (A), the term “applicable fraction” means the smaller of the unit fraction or the floor space fraction.

(C) Unit fraction

For purposes of subparagraph (B), the term “unit fraction” means the fraction—

(i) the numerator of which is the number of low-income units in the building, and

(ii) the denominator of which is the number of residential rental units (whether or not occupied) in such building.

(D) Floor space fraction

For purposes of subparagraph (B), the term “floor space fraction” means the fraction—

(i) the numerator of which is the total floor space of the low-income units in such building, and

(ii) the denominator of which is the total floor space of the residential rental units (whether or not occupied) in such building.

(E) Qualified basis to include portion of building used to provide supportive services for homeless

In the case of a qualified low-income building described in subsection (i)(3)(B)(iii), the qualified basis of such building for any taxable year shall be increased by the lesser of—

(i) so much of the eligible basis of such building as is used throughout the year to provide supportive services designed to assist tenants in locating and retaining permanent housing, or

(ii) 20 percent of the qualified basis of such building (determined without regard to this subparagraph).

(2) Qualified low-income building

The term “qualified low-income building” means any building—

(A) which is part of a qualified low-income housing project at all times during the period—

(i) beginning on the 1st day in the compliance period on which such building is part of such a project, and

(2) Existing buildings

(A) In general

The eligible basis of an existing building is—

(i) in the case of a building which meets the requirements of subparagraph (B), its adjusted basis as of the close of the 1st taxable year of the credit period, and

(ii) zero in any other case.

(B) Requirements

A building meets the requirements of this subparagraph if—

(i) the building is acquired by purchase (as defined in section 179(d)(2)),

(ii) there is a period of at least 10 years between the date of its acquisition by the taxpayer and the date the building was last placed in service,

(iii) the building was not previously placed in service by the taxpayer or by any person who was a related person with respect to the taxpayer as of the time previously placed in service, and

(iv) except as provided in subsection (f)(5), a credit is allowable under subsection (a) by reason of subsection (e) with respect to the building.

(C) Adjusted basis

For purposes of subparagraph (A), the adjusted basis of any building shall not include

so much of the basis of such building as is determined by reference to the basis of other property held at any time by the person acquiring the building.

(D) Special rules for subparagraph (B)

(i) Special rules for certain transfers

For purposes of determining under subparagraph (B)(ii) when a building was last placed in service, there shall not be taken into account any placement in service—

(I) in connection with the acquisition of the building in a transaction in which the basis of the building in the hands of the person acquiring it is determined in whole or in part by reference to the adjusted basis of such building in the hands of the person from whom acquired,

(II) by a person whose basis in such building is determined under section 1014(a) (relating to property acquired from a decedent),

(III) by any governmental unit or qualified nonprofit organization (as defined in subsection (h)(5)) if the requirements of subparagraph (B)(ii) are met with respect to the placement in service by such unit or organization and all the income from such property is exempt from Federal income taxation,

(IV) by any person who acquired such building by foreclosure (or by instrument in lieu of foreclosure) of any purchase-money security interest held by such person if the requirements of subparagraph (B)(ii) are met with respect to the placement in service by such person and such building is resold within 12 months after the date such building is placed in service by such person after such foreclosure, or

(V) of a single-family residence by any individual who owned and used such residence for no other purpose than as his principal residence.

(ii) Related person

For purposes of subparagraph (B)(iii), a person (hereinafter in this subclause referred to as the “related person”) is related to any person if the related person bears a relationship to such person specified in section 267(b) or 707(b)(1), or the related person and such person are engaged in trades or businesses under common control (within the meaning of subsections (a) and (b) of section 52).

(3) Eligible basis reduced where disproportionate standards for units

(A) In general

Except as provided in subparagraph (B), the eligible basis of any building shall be reduced by an amount equal to the portion of the adjusted basis of the building which is attributable to residential rental units in the building which are not low-income units and which are above the average quality standard of the low-income units in the building.

(B) Exception where taxpayer elects to exclude excess costs

(i) In general

Subparagraph (A) shall not apply with respect to a residential rental unit in a building which is not a low-income unit if—

(I) the excess described in clause (ii) with respect to such unit is not greater than 15 percent of the cost described in clause (ii)(I), and

(II) the taxpayer elects to exclude from the eligible basis of such building the excess described in clause (ii) with respect to such unit.

(ii) Excess

The excess described in this clause with respect to any unit is the excess of—

(I) the cost of such unit, over

(II) the amount which would be the cost of such unit if the average cost per square foot of low-income units in the building were substituted for the cost per square foot of such unit.

The Secretary may by regulation provide for the determination of the excess under this clause on a basis other than square foot costs.

(4) Special rules relating to determination of adjusted basis

For purposes of this subsection—

(A) In general

Except as provided in subparagraphs (B) and (C), the adjusted basis of any building shall be determined without regard to the adjusted basis of any property which is not residential rental property.

(B) Basis of property in common areas, etc., included

The adjusted basis of any building shall be determined by taking into account the adjusted basis of property (of a character subject to the allowance for depreciation) used in common areas or provided as comparable amenities to all residential rental units in such building.

(C) Inclusion of basis of property used to provide services for certain nontenants

(i) In general

The adjusted basis of any building located in a qualified census tract (as defined in paragraph (5)(C)) shall be determined by taking into account the adjusted basis of property (of a character subject to the allowance for depreciation and not otherwise taken into account) used throughout the taxable year in providing any community service facility.

(ii) Limitation

The increase in the adjusted basis of any building which is taken into account by reason of clause (i) shall not exceed the sum of—

(I) 25 percent of so much of the eligible basis of the qualified low-income housing project of which it is a part as does not exceed \$15,000,000, plus

(II) 10 percent of so much of the eligible basis of such project as is not taken into account under subclause (I).

For purposes of the preceding sentence, all community service facilities which are part of the same qualified low-income housing project shall be treated as one facility.

(iii) Community service facility

For purposes of this subparagraph, the term “community service facility” means any facility designed to serve primarily individuals whose income is 60 percent or less of area median income (within the meaning of subsection (g)(1)(B)).

(D) No reduction for depreciation

The adjusted basis of any building shall be determined without regard to paragraphs (2) and (3) of section 1016(a).

(5) Special rules for determining eligible basis

(A) Federal grants not taken into account in determining eligible basis

The eligible basis of a building shall not include any costs financed with the proceeds of a federally funded grant.

(B) Increase in credit for buildings in high cost areas

(i) In general

In the case of any building located in a qualified census tract or difficult development area which is designated for purposes of this subparagraph—

(I) in the case of a new building, the eligible basis of such building shall be 130 percent of such basis determined without regard to this subparagraph, and

(II) in the case of an existing building, the rehabilitation expenditures taken into account under subsection (e) shall be 130 percent of such expenditures determined without regard to this subparagraph.

(ii) Qualified census tract

(I) In general

The term “qualified census tract” means any census tract which is designated by the Secretary of Housing and Urban Development and, for the most recent year for which census data are available on household income in such tract, either in which 50 percent or more of the households have an income which is less than 60 percent of the area median gross income for such year or which has a poverty rate of at least 25 percent. If the Secretary of Housing and Urban Development determines that sufficient data for any period are not available to apply this clause on the basis of census tracts, such Secretary shall apply this clause for such period on the basis of enumeration districts.

(II) Limit on MSA’s designated

The portion of a metropolitan statistical area which may be designated for purposes of this subparagraph shall not

exceed an area having 20 percent of the population of such metropolitan statistical area.

(III) Determination of areas

For purposes of this clause, each metropolitan statistical area shall be treated as a separate area and all nonmetropolitan areas in a State shall be treated as 1 area.

(iii) Difficult development areas

(I) In general

The term “difficult development areas” means any area designated by the Secretary of Housing and Urban Development as an area which has high construction, land, and utility costs relative to area median gross income.

(II) Limit on areas designated

The portions of metropolitan statistical areas which may be designated for purposes of this subparagraph shall not exceed an aggregate area having 20 percent of the population of such metropolitan statistical areas. A comparable rule shall apply to nonmetropolitan areas.

(iv) Special rules and definitions

(II) area median gross income shall be determined in accordance with subsection (g)(4),

(III) the term “metropolitan statistical area” has the same meaning as when used in section 143(k)(2)(B), and

(IV) the term “nonmetropolitan area” means any county (or portion thereof) which is not within a metropolitan statistical area.

(v) Buildings designated by State housing credit agency

Any building which is designated by the State housing credit agency as requiring the increase in credit under this subparagraph in order for such building to be financially feasible as part of a qualified low-income housing project shall be treated for purposes of this subparagraph as located in a difficult development area which is designated for purposes of this subparagraph. The preceding sentence shall not apply to any building if paragraph (1) of subsection (h) does not apply to any portion of the eligible basis of such building by reason of paragraph (4) of such subsection.

(6) Credit allowable for certain buildings acquired during 10-year period described in paragraph (2)(B)(ii)

(A) In general

Paragraph (2)(B)(ii) shall not apply to any federally- or State-assisted building.

(B) Buildings acquired from insured depository institutions in default

On application by the taxpayer, the Secretary may waive paragraph (2)(B)(ii) with

respect to any building acquired from an insured depository institution in default (as defined in section 3 of the Federal Deposit Insurance Act) or from a receiver or conservator of such an institution.

(C) Federally- or State-assisted building

For purposes of this paragraph—

(i) Federally-assisted building

The term “federally-assisted building” means any building which is substantially assisted, financed, or operated under section 8 of the United States Housing Act of 1937, section 221(d)(3), 221(d)(4), or 236 of the National Housing Act, section 515 of the Housing Act of 1949, or any other housing program administered by the Department of Housing and Urban Development or by the Rural Housing Service of the Department of Agriculture.

(7) Acquisition of building before end of prior compliance period

(A) In general

Under regulations prescribed by the Secretary, in the case of a building described in subparagraph (B) (or interest therein) which is acquired by the taxpayer—

- (i) paragraph (2)(B) shall not apply, but
- (ii) the credit allowable by reason of subsection (a) to the taxpayer for any period after such acquisition shall be equal to the amount of credit which would have been allowable under subsection (a) for such period to the prior owner referred to in subparagraph (B) had such owner not disposed of the building.

(B) Description of building

A building is described in this subparagraph if—

- (i) a credit was allowed by reason of subsection (a) to any prior owner of such building, and
- (ii) the taxpayer acquired such building before the end of the compliance period for such building with respect to such prior owner (determined without regard to any disposition by such prior owner).

(e) Rehabilitation expenditures treated as separate new building

(1) In general

Rehabilitation expenditures paid or incurred by the taxpayer with respect to any building shall be treated for purposes of this section as a separate new building.

(2) Rehabilitation expenditures

For purposes of paragraph (1)—

(A) In general

The term “rehabilitation expenditures” means amounts chargeable to capital account and incurred for property (or additions

or improvements to property) of a character subject to the allowance for depreciation in connection with the rehabilitation of a building.

(B) Cost of acquisition, etc,² not included

Such term does not include the cost of acquiring any building (or interest therein) or any amount not permitted to be taken into account under paragraph (3) or (4) of subsection (d).

(3) Minimum expenditures to qualify

(A) In general

Paragraph (1) shall apply to rehabilitation expenditures with respect to any building only if—

- (i) the expenditures are allocable to 1 or more low-income units or substantially benefit such units, and
- (ii) the amount of such expenditures during any 24-month period meets the requirements of whichever of the following subclauses requires the greater amount of such expenditures:
 - (I) The requirement of this subclause is met if such amount is not less than 20 percent of the adjusted basis of the building (determined as of the 1st day of such period and without regard to paragraphs (2) and (3) of section 1016(a)).
 - (II) The requirement of this subclause is met if the qualified basis attributable to such amount, when divided by the number of low-income units in the building, is \$6,000 or more.

(B) Exception from 10 percent rehabilitation

In the case of a building acquired by the taxpayer from a governmental unit, at the election of the taxpayer, subparagraph (A)(ii)(I) shall not apply and the credit under this section for such rehabilitation expenditures shall be determined using the percentage applicable under subsection (b)(2)(B)(ii).

(C) Date of determination

The determination under subparagraph (A) shall be made as of the close of the 1st taxable year in the credit period with respect to such expenditures.

(D) Inflation adjustment

In the case of any expenditures which are treated under paragraph (4) as placed in service during any calendar year after 2009, the \$6,000 amount in subparagraph (A)(ii)(II) shall be increased by an amount equal to—

- (i) such dollar amount, multiplied by
- (ii) the cost-of-living adjustment determined under section 1(f)(3) for such calendar year by substituting “calendar year 2008” for “calendar year 1992” in subparagraph (B) thereof.

Any increase under the preceding sentence which is not a multiple of \$100 shall be rounded to the nearest multiple of \$100.

(4) Special rules

For purposes of applying this section with respect to expenditures which are treated as a

² So in original. Probably should be “etc.,”.

separate building by reason of this subsection—

(A) such expenditures shall be treated as placed in service at the close of the 24-month period referred to in paragraph (3)(A), and

(B) the applicable fraction under subsection (c)(1) shall be the applicable fraction for the building (without regard to paragraph (1)) with respect to which the expenditures were incurred.

Nothing in subsection (d)(2) shall prevent a credit from being allowed by reason of this subsection.

(5) No double counting

Rehabilitation expenditures may, at the election of the taxpayer, be taken into account under this subsection or subsection (d)(2)(A)(i) but not under both such subsections.

(6) Regulations to apply subsection with respect to group of units in building

The Secretary may prescribe regulations, consistent with the purposes of this subsection, treating a group of units with respect to which rehabilitation expenditures are incurred as a separate new building.

(f) Definition and special rules relating to credit period

(1) Credit period defined

For purposes of this section, the term “credit period” means, with respect to any building, the period of 10 taxable years beginning with—

(A) the taxable year in which the building is placed in service, or

(B) at the election of the taxpayer, the succeeding taxable year,

but only if the building is a qualified low-income building as of the close of the 1st year of such period. The election under subparagraph (B), once made, shall be irrevocable.

(2) Special rule for 1st year of credit period

(A) In general

The credit allowable under subsection (a) with respect to any building for the 1st taxable year of the credit period shall be determined by substituting for the applicable fraction under subsection (c)(1) the fraction—

(i) the numerator of which is the sum of the applicable fractions determined under subsection (c)(1) as of the close of each full month of such year during which such building was in service, and

(ii) the denominator of which is 12.

(B) Disallowed 1st year credit allowed in 11th year

Any reduction by reason of subparagraph (A) in the credit allowable (without regard to subparagraph (A)) for the 1st taxable year of the credit period shall be allowable under subsection (a) for the 1st taxable year following the credit period.

(3) Determination of applicable percentage with respect to increases in qualified basis after 1st year of credit period

(A) In general

In the case of any building which was a qualified low-income building as of the close of the 1st year of the credit period, if—

(i) as of the close of any taxable year in the compliance period (after the 1st year of the credit period) the qualified basis of such building exceeds

(ii) the qualified basis of such building as of the close of the 1st year of the credit period,

the applicable percentage which shall apply under subsection (a) for the taxable year to such excess shall be the percentage equal to $\frac{2}{3}$ of the applicable percentage which (after the application of subsection (h)) would but for this paragraph apply to such basis.

(B) 1st year computation applies

A rule similar to the rule of paragraph (2)(A) shall apply to any increase in qualified basis to which subparagraph (A) applies for the 1st year of such increase.

(4) Dispositions of property

If a building (or an interest therein) is disposed of during any year for which credit is allowable under subsection (a), such credit shall be allocated between the parties on the basis of the number of days during such year the building (or interest) was held by each. In any such case, proper adjustments shall be made in the application of subsection (j).

(5) Credit period for existing buildings not to begin before rehabilitation credit allowed

(A) In general

The credit period for an existing building shall not begin before the 1st taxable year of the credit period for rehabilitation expenditures with respect to the building.

(B) Acquisition credit allowed for certain buildings not allowed a rehabilitation credit

(i) In general

In the case of a building described in clause (ii)—

(I) subsection (d)(2)(B)(iv) shall not apply, and

(II) the credit period for such building shall not begin before the taxable year which would be the 1st taxable year of the credit period for rehabilitation expenditures with respect to the building under the modifications described in clause (ii)(II).

(ii) Building described

A building is described in this clause if—

(I) a waiver is granted under subsection (d)(6)(C) with respect to the acquisition of the building, and

(II) a credit would be allowed for rehabilitation expenditures with respect to such building if subsection (e)(3)(A)(ii)(I) did not apply and if the dollar amount in effect under subsection (e)(3)(A)(ii)(II) were two-thirds of such amount.

(g) Qualified low-income housing project

For purposes of this section—

(1) In general

The term “qualified low-income housing project” means any project for residential rental property if the project meets the requirements of subparagraph (A) or (B) which ever is elected by the taxpayer:

(A) 20–50 test

The project meets the requirements of this subparagraph if 20 percent or more of the residential units in such project are both rent-restricted and occupied by individuals whose income is 50 percent or less of area median gross income.

(B) 40–60 test

The project meets the requirements of this subparagraph if 40 percent or more of the residential units in such project are both rent-restricted and occupied by individuals whose income is 60 percent or less of area median gross income.

Any election under this paragraph, once made, shall be irrevocable. For purposes of this paragraph, any property shall not be treated as failing to be residential rental property merely because part of the building in which such property is located is used for purposes other than residential rental purposes.

(2) Rent-restricted units**(A) In general**

For purposes of paragraph (1), a residential unit is rent-restricted if the gross rent with respect to such unit does not exceed 30 percent of the imputed income limitation applicable to such unit. For purposes of the preceding sentence, the amount of the income limitation under paragraph (1) applicable for any period shall not be less than such limitation applicable for the earliest period the building (which contains the unit) was included in the determination of whether the project is a qualified low-income housing project.

(B) Gross rent

For purposes of subparagraph (A), gross rent—

(i) does not include any payment under section 8 of the United States Housing Act of 1937 or any comparable rental assistance program (with respect to such unit or occupants thereof),

(ii) includes any utility allowance determined by the Secretary after taking into account such determinations under section 8 of the United States Housing Act of 1937,

(iii) does not include any fee for a supportive service which is paid to the owner of the unit (on the basis of the low-income status of the tenant of the unit) by any governmental program of assistance (or by an organization described in section 501(c)(3) and exempt from tax under section 501(a)) if such program (or organization) provides assistance for rent and the amount of assistance provided for rent is not separable from the amount of assistance provided for supportive services, and

(iv) does not include any rental payment to the owner of the unit to the extent such owner pays an equivalent amount to the Farmers’ Home Administration under section 515 of the Housing Act of 1949.

For purposes of clause (iii), the term “supportive service” means any service provided under a planned program of services designed to enable residents of a residential rental property to remain independent and avoid placement in a hospital, nursing home, or intermediate care facility for the mentally or physically handicapped. In the case of a single-room occupancy unit or a building described in subsection (i)(3)(B)(iii), such term includes any service provided to assist tenants in locating and retaining permanent housing.

(C) Imputed income limitation applicable to unit

For purposes of this paragraph, the imputed income limitation applicable to a unit is the income limitation which would apply under paragraph (1) to individuals occupying the unit if the number of individuals occupying the unit were as follows:

(i) In the case of a unit which does not have a separate bedroom, 1 individual.

(ii) In the case of a unit which has 1 or more separate bedrooms, 1.5 individuals for each separate bedroom.

In the case of a project with respect to which a credit is allowable by reason of this section and for which financing is provided by a bond described in section 142(a)(7), the imputed income limitation shall apply in lieu of the otherwise applicable income limitation for purposes of applying section 142(d)(4)(B)(ii).

(D) Treatment of units occupied by individuals whose incomes rise above limit**(i) In general**

Except as provided in clause (ii), notwithstanding an increase in the income of the occupants of a low-income unit above the income limitation applicable under paragraph (1), such unit shall continue to be treated as a low-income unit if the income of such occupants initially met such income limitation and such unit continues to be rent-restricted.

(ii) Next available unit must be rented to low-income tenant if income rises above 140 percent of income limit

If the income of the occupants of the unit increases above 140 percent of the income limitation applicable under paragraph (1), clause (i) shall cease to apply to such unit if any residential rental unit in the building (of a size comparable to, or smaller than, such unit) is occupied by a new resident whose income exceeds such income limitation. In the case of a project described in section 142(d)(4)(B), the preceding sentence shall be applied by substituting “170 percent” for “140 percent” and by substituting “any low-income unit in the building is occupied by a new resi-

dent whose income exceeds 40 percent of area median gross income” for “any residential unit in the building (of a size comparable to, or smaller than, such unit) is occupied by a new resident whose income exceeds such income limitation”.

(E) Units where Federal rental assistance is reduced as tenant’s income increases

If the gross rent with respect to a residential unit exceeds the limitation under subparagraph (A) by reason of the fact that the income of the occupants thereof exceeds the income limitation applicable under paragraph (1), such unit shall, nevertheless, be treated as a rent-restricted unit for purposes of paragraph (1) if—

(i) a Federal rental assistance payment described in subparagraph (B)(i) is made with respect to such unit or its occupants, and

(ii) the sum of such payment and the gross rent with respect to such unit does not exceed the sum of the amount of such payment which would be made and the gross rent which would be payable with respect to such unit if—

(I) the income of the occupants thereof did not exceed the income limitation applicable under paragraph (1), and

(II) such units were rent-restricted within the meaning of subparagraph (A).

The preceding sentence shall apply to any unit only if the result described in clause (ii) is required by Federal statute as of the date of the enactment of this subparagraph and as of the date the Federal rental assistance payment is made.

(3) Date for meeting requirements

(A) In general

Except as otherwise provided in this paragraph, a building shall be treated as a qualified low-income building only if the project (of which such building is a part) meets the requirements of paragraph (1) not later than the close of the 1st year of the credit period for such building.

(B) Buildings which rely on later buildings for qualification

(i) In general

In determining whether a building (hereinafter in this subparagraph referred to as the “prior building”) is a qualified low-income building, the taxpayer may take into account 1 or more additional buildings placed in service during the 12-month period described in subparagraph (A) with respect to the prior building only if the taxpayer elects to apply clause (ii) with respect to each additional building taken into account.

(ii) Treatment of elected buildings

In the case of a building which the taxpayer elects to take into account under clause (i), the period under subparagraph (A) for such building shall end at the close of the 12-month period applicable to the prior building.

(iii) Date prior building is treated as placed in service

For purposes of determining the credit period and the compliance period for the prior building, the prior building shall be treated for purposes of this section as placed in service on the most recent date any additional building elected by the taxpayer (with respect to such prior building) was placed in service.

(C) Special rule

A building—

(i) other than the 1st building placed in service as part of a project, and

(ii) other than a building which is placed in service during the 12-month period described in subparagraph (A) with respect to a prior building which becomes a qualified low-income building,

shall in no event be treated as a qualified low-income building unless the project is a qualified low-income housing project (without regard to such building) on the date such building is placed in service.

(D) Projects with more than 1 building must be identified

For purposes of this section, a project shall be treated as consisting of only 1 building unless, before the close of the 1st calendar year in the project period (as defined in subsection (h)(1)(F)(ii)), each building which is (or will be) part of such project is identified in such form and manner as the Secretary may provide.

(4) Certain rules made applicable

Paragraphs (2) (other than subparagraph (A) thereof), (3), (4), (5), (6), and (7) of section 142(d), and section 6652(j), shall apply for purposes of determining whether any project is a qualified low-income housing project and whether any unit is a low-income unit; except that, in applying such provisions for such purposes, the term “gross rent” shall have the meaning given such term by paragraph (2)(B) of this subsection.

(5) Election to treat building after compliance period as not part of a project

For purposes of this section, the taxpayer may elect to treat any building as not part of a qualified low-income housing project for any period beginning after the compliance period for such building.

(6) Special rule where de minimis equity contribution

Property shall not be treated as failing to be residential rental property for purposes of this section merely because the occupant of a residential unit in the project pays (on a voluntary basis) to the lessor a de minimis amount to be held toward the purchase by such occupant of a residential unit in such project if—

(A) all amounts so paid are refunded to the occupant on the cessation of his occupancy of a unit in the project, and

(B) the purchase of the unit is not permitted until after the close of the compli-

ance period with respect to the building in which the unit is located.

Any amount paid to the lessor as described in the preceding sentence shall be included in gross rent under paragraph (2) for purposes of determining whether the unit is rent-restricted.

(7) Scattered site projects

Buildings which would (but for their lack of proximity) be treated as a project for purposes of this section shall be so treated if all of the dwelling units in each of the buildings are rent-restricted (within the meaning of paragraph (2)) residential rental units.

(8) Waiver of certain de minimis errors and recertifications

On application by the taxpayer, the Secretary may waive—

(A) any recapture under subsection (j) in the case of any de minimis error in complying with paragraph (1), or

(B) any annual recertification of tenant income for purposes of this subsection, if the entire building is occupied by low-income tenants.

(9) Clarification of general public use requirement

A project does not fail to meet the general public use requirement solely because of occupancy restrictions or preferences that favor tenants—

(A) with special needs,

(B) who are members of a specified group under a Federal program or State program or policy that supports housing for such a specified group, or

(C) who are involved in artistic or literary activities.

(h) Limitation on aggregate credit allowable with respect to projects located in a State

(1) Credit may not exceed credit amount allocated to building

(A) In general

The amount of the credit determined under this section for any taxable year with respect to any building shall not exceed the housing credit dollar amount allocated to such building under this subsection.

(B) Time for making allocation

Except in the case of an allocation which meets the requirements of subparagraph (C), (D), (E), or (F), an allocation shall be taken into account under subparagraph (A) only if it is made not later than the close of the calendar year in which the building is placed in service.

(C) Exception where binding commitment

An allocation meets the requirements of this subparagraph if there is a binding commitment (not later than the close of the calendar year in which the building is placed in service) by the housing credit agency to allocate a specified housing credit dollar amount to such building beginning in a specified later taxable year.

(D) Exception where increase in qualified basis

(i) In general

An allocation meets the requirements of this subparagraph if such allocation is made not later than the close of the calendar year in which ends the taxable year to which it will 1st apply but only to the extent the amount of such allocation does not exceed the limitation under clause (ii).

(ii) Limitation

The limitation under this clause is the amount of credit allowable under this section (without regard to this subsection) for a taxable year with respect to an increase in the qualified basis of the building equal to the excess of—

(I) the qualified basis of such building as of the close of the 1st taxable year to which such allocation will apply, over

(II) the qualified basis of such building as of the close of the 1st taxable year to which the most recent prior housing credit allocation with respect to such building applied.

(iii) Housing credit dollar amount reduced by full allocation

Notwithstanding clause (i), the full amount of the allocation shall be taken into account under paragraph (2).

(E) Exception where 10 percent of cost incurred

(i) In general

An allocation meets the requirements of this subparagraph if such allocation is made with respect to a qualified building which is placed in service not later than the close of the second calendar year following the calendar year in which the allocation is made.

(ii) Qualified building

For purposes of clause (i), the term “qualified building” means any building which is part of a project if the taxpayer’s basis in such project (as of the date which is 1 year after the date that the allocation was made) is more than 10 percent of the taxpayer’s reasonably expected basis in such project (as of the close of the second calendar year referred to in clause (i)). Such term does not include any existing building unless a credit is allowable under subsection (e) for rehabilitation expenditures paid or incurred by the taxpayer with respect to such building for a taxable year ending during the second calendar year referred to in clause (i) or the prior taxable year.

(F) Allocation of credit on a project basis

(i) In general

In the case of a project which includes (or will include) more than 1 building, an allocation meets the requirements of this subparagraph if—

(I) the allocation is made to the project for a calendar year during the project period,

(II) the allocation only applies to buildings placed in service during or after the calendar year for which the allocation is made, and

(III) the portion of such allocation which is allocated to any building in such project is specified not later than the close of the calendar year in which the building is placed in service.

(ii) Project period

For purposes of clause (i), the term “project period” means the period—

(I) beginning with the 1st calendar year for which an allocation may be made for the 1st building placed in service as part of such project, and

(II) ending with the calendar year the last building is placed in service as part of such project.

(2) Allocated credit amount to apply to all taxable years ending during or after credit allocation year

Any housing credit dollar amount allocated to any building for any calendar year—

(B) State ceiling initially allocated to State housing credit agencies

Except as provided in subparagraphs (D) and (E), the State housing credit ceiling for each calendar year shall be allocated to the housing credit agency of such State. If there is more than 1 housing credit agency of a State, all such agencies shall be treated as a single agency.

(C) State housing credit ceiling

The State housing credit ceiling applicable to any State for any calendar year shall be an amount equal to the sum of—

(i) the unused State housing credit ceiling (if any) of such State for the preceding calendar year,

(ii) the greater of—

(I) \$1.75 (\$1.50 for 2001) multiplied by the State population, or

(II) \$2,000,000,

(iii) the amount of State housing credit ceiling returned in the calendar year, plus

(iv) the amount (if any) allocated under subparagraph (D) to such State by the Secretary.

For purposes of clause (i), the unused State housing credit ceiling for any calendar year is the excess (if any) of the sum of the

amounts described in clauses (ii) through (iv) over the aggregate housing credit dollar amount allocated for such year. For purposes of clause (iii), the amount of State housing credit ceiling returned in the calendar year equals the housing credit dollar amount previously allocated within the State to any project which fails to meet the 10 percent test under paragraph (1)(E)(ii) on a date after the close of the calendar year in which the allocation was made or which does not become a qualified low-income housing project within the period required by this section or the terms of the allocation or to any project with respect to which an allocation is cancelled by mutual consent of the housing credit agency and the allocation recipient.

(D) Unused housing credit carryovers allocated among certain States

(i) In general

(II) the aggregate housing credit dollar amount allocated for such year.

(iii) Formula for allocation of unused housing credit carryovers among qualified States

The amount allocated under this subparagraph to a qualified State for any calendar year shall be the amount determined by the Secretary to bear the same ratio to the aggregate unused housing credit carryovers of all States for the preceding calendar year as such State's population for the calendar year bears to the population of all qualified States for the calendar year. For purposes of the preceding sentence, population shall be determined in accordance with section 146(j).

(iv) Qualified State

For purposes of this subparagraph, the term “qualified State” means, with respect to a calendar year, any State—

(I) which allocated its entire State housing credit ceiling for the preceding calendar year, and

(E) Special rule for States with constitutional home rule cities

For purposes of this subsection—

(i) In general

The aggregate housing credit dollar amount for any constitutional home rule

city for any calendar year shall be an amount which bears the same ratio to the State housing credit ceiling for such calendar year as—

- (I) the population of such city, bears to
- (II) the population of the entire State.

(ii) Coordination with other allocations

In the case of any State which contains 1 or more constitutional home rule cities, for purposes of applying this paragraph with respect to housing credit agencies in such State other than constitutional home rule cities, the State housing credit ceiling for any calendar year shall be reduced by the aggregate housing credit dollar amounts determined for such year for all constitutional home rule cities in such State.

(iii) Constitutional home rule city

For purposes of this paragraph, the term “constitutional home rule city” has the meaning given such term by section 146(d)(3)(C).

For purposes of this paragraph, population shall be determined in accordance with section 146(j).

(H) Cost-of-living adjustment

(i) In general

In the case of a calendar year after 2002, the \$2,000,000 and \$1.75 amounts in subparagraph (C) shall each be increased by an amount equal to—

- (I) such dollar amount, multiplied by
- (II) the cost-of-living adjustment determined under section 1(f)(3) for such calendar year by substituting “calendar year 2001” for “calendar year 1992” in subparagraph (B) thereof.

(ii) Rounding

(I) In the case of the \$2,000,000 amount, any increase under clause (i) which is not a multiple of \$5,000 shall be rounded to the next lowest multiple of \$5,000.

(II) In the case of the \$1.75 amount, any increase under clause (i) which is not a multiple of 5 cents shall be rounded to the next lowest multiple of 5 cents.

(ii) the dollar amount in effect under subparagraph (C)(ii)(II) for such calendar year (after any increase under subparagraph (H)) shall be increased by an amount equal to 10 percent of such dollar amount (rounded to the next lowest multiple of \$5,000).

(4) Credit for buildings financed by tax-exempt bonds subject to volume cap not taken into account

(A) In general

Paragraph (1) shall not apply to the portion of any credit allowable under subsection (a) which is attributable to eligible basis financed by any obligation the interest on which is exempt from tax under section 103 if—

- (i) such obligation is taken into account under section 146, and
- (ii) principal payments on such financing are applied within a reasonable period to redeem obligations the proceeds of which were used to provide such financing or such financing is refunded as described in section 146(i)(6).

(B) Special rule where 50 percent or more of building is financed with tax-exempt bonds subject to volume cap

For purposes of subparagraph (A), if 50 percent or more of the aggregate basis of any building and the land on which the building is located is financed by any obligation described in subparagraph (A), paragraph (1) shall not apply to any portion of the credit allowable under subsection (a) with respect to such building.

(5) Portion of State ceiling set-aside for certain projects involving qualified nonprofit organizations

(6) Buildings eligible for credit only if minimum long-term commitment to low-income housing

(A) In general

No credit shall be allowed by reason of this section with respect to any building for the taxable year unless an extended low-income housing commitment is in effect as of the end of such taxable year.

(B) Extended low-income housing commitment

For purposes of this paragraph, the term “extended low-income housing commitment” means any agreement between the taxpayer and the housing credit agency—

(i) which requires that the applicable fraction (as defined in subsection (c)(1)) for the building for each taxable year in the extended use period will not be less than the applicable fraction specified in such agreement and which prohibits the actions described in subclauses (I) and (II) of subparagraph (E)(ii),

(ii) which allows individuals who meet the income limitation applicable to the building under subsection (g) (whether prospective, present, or former occupants of the building) the right to enforce in any State court the requirement and prohibitions of clause (i),

(iii) which prohibits the disposition to any person of any portion of the building to which such agreement applies unless all of the building to which such agreement applies is disposed of to such person,

(vi) which, with respect to the property, is recorded pursuant to State law as a restrictive covenant.

(C) Allocation of credit may not exceed amount necessary to support commitment

(i) In general

The housing credit dollar amount allocated to any building may not exceed the

(ii) Buildings financed by tax-exempt bonds

(9) Coordination with low-income housing grants

(A) Reduction in State housing credit ceiling for low-income housing grants received in 2009

For purposes of this section, the amounts described in clauses (i) through (iv) of subsection (h)(3)(C) with respect to any State for 2009 shall each be reduced by so much of such amount as is taken into account in determining the amount of any grant to such State under section 1602 of the American Recovery and Reinvestment Tax Act of 2009.

(B) Special rule for basis

Basis of a qualified low-income building shall not be reduced by the amount of any grant described in subparagraph (A).

(j) Recapture of credit

(1) In general

If—

(A) as of the close of any taxable year in the compliance period, the amount of the qualified basis of any building with respect to the taxpayer is less than

(B) the amount of such basis as of the close of the preceding taxable year,

⁵ So in original. The period probably should not appear.

then the taxpayer's tax under this chapter for the taxable year shall be increased by the credit recapture amount.

(2) Credit recapture amount

For purposes of paragraph (1), the credit recapture amount is an amount equal to the sum of—

(A) the aggregate decrease in the credits allowed to the taxpayer under section 38 for all prior taxable years which would have resulted if the accelerated portion of the credit allowable by reason of this section were not allowed for all prior taxable years with respect to the excess of the amount described in paragraph (1)(B) over the amount described in paragraph (1)(A), plus

(B) interest at the overpayment rate established under section 6621 on the amount determined under subparagraph (A) for each prior taxable year for the period beginning on the due date for filing the return for the prior taxable year involved.

No deduction shall be allowed under this chapter for interest described in subparagraph (B).

(3) Accelerated portion of credit

For purposes of paragraph (2), the accelerated portion of the credit for the prior taxable years with respect to any amount of basis is the excess of—

(A) the aggregate credit allowed by reason of this section (without regard to this subsection) for such years with respect to such basis, over

(B) the aggregate credit which would be allowable by reason of this section for such years with respect to such basis if the aggregate credit which would (but for this subsection) have been allowable for the entire compliance period were allowable ratably over 15 years.

(4) Special rules

(A) Tax benefit rule

The tax for the taxable year shall be increased under paragraph (1) only with respect to credits allowed by reason of this section which were used to reduce tax liability. In the case of credits not so used to reduce tax liability, the carryforwards and carrybacks under section 39 shall be appropriately adjusted.

(B) Only basis for which credit allowed taken into account

Qualified basis shall be taken into account under paragraph (1)(B) only to the extent such basis was taken into account in determining the credit under subsection (a) for the preceding taxable year referred to in such paragraph.

(C) No recapture of additional credit allowable by reason of subsection (f)(3)

Paragraph (1) shall apply to a decrease in qualified basis only to the extent such decrease exceeds the amount of qualified basis with respect to which a credit was allowable for the taxable year referred to in paragraph (1)(B) by reason of subsection (f)(3).

(D) No credits against tax

Any increase in tax under this subsection shall not be treated as a tax imposed by this

chapter for purposes of determining the amount of any credit under this chapter.

(E) No recapture by reason of casualty loss

The increase in tax under this subsection shall not apply to a reduction in qualified basis by reason of a casualty loss to the extent such loss is restored by reconstruction or replacement within a reasonable period established by the Secretary.

(F) No recapture where de minimis changes in floor space

The Secretary may provide that the increase in tax under this subsection shall not apply with respect to any building if—

(i) such increase results from a de minimis change in the floor space fraction under subsection (c)(1), and

(ii) the building is a qualified low-income building after such change.

(5) Certain partnerships treated as the taxpayer

(A) In general

For purposes of applying this subsection to a partnership to which this paragraph applies—

(i) such partnership shall be treated as the taxpayer to which the credit allowable under subsection (a) was allowed,

(ii) the amount of such credit allowed shall be treated as the amount which would have been allowed to the partnership were such credit allowable to such partnership,

(iii) paragraph (4)(A) shall not apply, and

(iv) the amount of the increase in tax under this subsection for any taxable year shall be allocated among the partners of such partnership in the same manner as such partnership's taxable income for such year is allocated among such partners.

(B) Partnerships to which paragraph applies

This paragraph shall apply to any partnership which has 35 or more partners unless the partnership elects not to have this paragraph apply.

(C) Special rules

(i) Husband and wife treated as 1 partner

For purposes of subparagraph (B)(i), a husband and wife (and their estates) shall be treated as 1 partner.

(ii) Election irrevocable

Any election under subparagraph (B), once made, shall be irrevocable.

(6) No recapture on disposition of building which continues in qualified use

(A) In general

The increase in tax under this subsection shall not apply solely by reason of the disposition of a building (or an interest therein) if it is reasonably expected that such building will continue to be operated as a qualified low-income building for the remaining compliance period with respect to such building.

(B) Statute of limitations

If a building (or an interest therein) is disposed of during any taxable year and there is

any reduction in the qualified basis of such building which results in an increase in tax under this subsection for such taxable or any subsequent taxable year, then—

(i) the statutory period for the assessment of any deficiency with respect to such increase in tax shall not expire before the expiration of 3 years from the date the Secretary is notified by the taxpayer (in such manner as the Secretary may prescribe) of such reduction in qualified basis, and

(ii) such deficiency may be assessed before the expiration of such 3-year period notwithstanding the provisions of any other law or rule of law which would otherwise prevent such assessment.

(k) Application of at-risk rules

For purposes of this section—

(1) In general

Except as otherwise provided in this subsection, rules similar to the rules of section 49(a)(1) (other than subparagraphs (D)(ii)(II) and (D)(iv)(I) thereof), section 49(a)(2), and section 49(b)(1) shall apply in determining the qualified basis of any building in the same manner as such sections apply in determining the credit base of property.

(2) Special rules for determining qualified person

For purposes of paragraph (1)—

(A) In general

If the requirements of subparagraphs (B), (C), and (D) are met with respect to any financing borrowed from a qualified nonprofit organization (as defined in subsection (h)(5)), the determination of whether such financing is qualified commercial financing with respect to any qualified low-income building shall be made without regard to whether such organization—

(i) is actively and regularly engaged in the business of lending money, or

(ii) is a person described in section 49(a)(1)(D)(iv)(II).

(B) Financing secured by property

The requirements of this subparagraph are met with respect to any financing if such financing is secured by the qualified low-income building, except that this subparagraph shall not apply in the case of a federally assisted building described in subsection (d)(6)(B) if—

(i) a security interest in such building is not permitted by a Federal agency holding or insuring the mortgage secured by such building, and

(ii) the proceeds from the financing (if any) are applied to acquire or improve such building.⁶

(C) Portion of building attributable to financing

The requirements of this subparagraph are met with respect to any financing for any taxable year in the compliance period if, as

of the close of such taxable year, not more than 60 percent of the eligible basis of the qualified low-income building is attributable to such financing (reduced by the principal and interest of any governmental financing which is part of a wrap-around mortgage involving such financing).

(D) Repayment of principal and interest

The requirements of this subparagraph are met with respect to any financing if such financing is fully repaid on or before the earliest of—

(i) the date on which such financing matures,

(ii) the 90th day after the close of the compliance period with respect to the qualified low-income building, or

(iii) the date of its refinancing or the sale of the building to which such financing relates.

In the case of a qualified nonprofit organization which is not described in section 49(a)(1)(D)(iv)(II) with respect to a building, clause (ii) of this subparagraph shall be applied as if the date described therein were the 90th day after the earlier of the date the building ceases to be a qualified low-income building or the date which is 15 years after the close of a compliance period with respect thereto.

(3) Present value of financing

If the rate of interest on any financing described in paragraph (2)(A) is less than the rate which is 1 percentage point below the applicable Federal rate as of the time such financing is incurred, then the qualified basis (to which such financing relates) of the qualified low-income building shall be the present value of the amount of such financing, using as the discount rate such applicable Federal rate. For purposes of the preceding sentence, the rate of interest on any financing shall be determined by treating interest to the extent of government subsidies as not payable.

(4) Failure to fully repay

(A) In general

To the extent that the requirements of paragraph (2)(D) are not met, then the taxpayer's tax under this chapter for the taxable year in which such failure occurs shall be increased by an amount equal to the applicable portion of the credit under this section with respect to such building, increased by an amount of interest for the period—

(i) beginning with the due date for the filing of the return of tax imposed by chapter 1 for the 1st taxable year for which such credit was allowable, and

(ii) ending with the due date for the taxable year in which such failure occurs,

determined by using the underpayment rate and method under section 6621.

(B) Applicable portion

For purposes of subparagraph (A), the term "applicable portion" means the aggregate decrease in the credits allowed to a taxpayer under section 38 for all prior taxable years

⁶So in original.

which would have resulted if the eligible basis of the building were reduced by the amount of financing which does not meet requirements of paragraph (2)(D).

(C) Certain rules to apply

Rules similar to the rules of subparagraphs (A) and (D) of subsection (j)(4) shall apply for purposes of this subsection.

(I) Certifications and other reports to Secretary

(1) Certification with respect to 1st year of credit period

Following the close of the 1st taxable year in the credit period with respect to any qualified low-income building, the taxpayer shall certify to the Secretary (at such time and in such form and in such manner as the Secretary prescribes)—

(A) the taxable year, and calendar year, in which such building was placed in service,

(B) the adjusted basis and eligible basis of such building as of the close of the 1st year of the credit period,

(C) the maximum applicable percentage and qualified basis permitted to be taken into account by the appropriate housing credit agency under subsection (h),

(D) the election made under subsection (g) with respect to the qualified low-income housing project of which such building is a part, and

(E) such other information as the Secretary may require.

In the case of a failure to make the certification required by the preceding sentence on the date prescribed therefor, unless it is shown that such failure is due to reasonable cause and not to willful neglect, no credit shall be allowable by reason of subsection (a) with respect to such building for any taxable year ending before such certification is made.

(2) Annual reports to the Secretary

The Secretary may require taxpayers to submit an information return (at such time and in such form and manner as the Secretary prescribes) for each taxable year setting forth—

(A) the qualified basis for the taxable year of each qualified low-income building of the taxpayer,

(B) the information described in paragraph (1)(C) for the taxable year, and

(C) such other information as the Secretary may require.

The penalty under section 6652(j) shall apply to any failure to submit the return required by the Secretary under the preceding sentence on the date prescribed therefor.

(3) Annual reports from housing credit agencies

Each agency which allocates any housing credit amount to any building for any calendar year shall submit to the Secretary (at such time and in such manner as the Secretary shall prescribe) an annual report specifying—

(A) the amount of housing credit amount allocated to each building for such year,

(B) sufficient information to identify each such building and the taxpayer with respect thereto, and

(C) such other information as the Secretary may require.

The penalty under section 6652(j) shall apply to any failure to submit the report required by the preceding sentence on the date prescribed therefor.

(m) Responsibilities of housing credit agencies

(1) Plans for allocation of credit among projects

(A) In general

Notwithstanding any other provision of this section, the housing credit dollar amount with respect to any building shall be zero unless—

(i) such amount was allocated pursuant to a qualified allocation plan of the housing credit agency which is approved by the governmental unit (in accordance with rules similar to the rules of section 147(f)(2) (other than subparagraph (B)(ii) thereof) of which such agency is a part,

(ii) such agency notifies the chief executive officer (or the equivalent) of the local jurisdiction within which the building is located of such project and provides such individual a reasonable opportunity to comment on the project,

(iii) a comprehensive market study of the housing needs of low-income individuals in the area to be served by the project is conducted before the credit allocation is made and at the developer's expense by a disinterested party who is approved by such agency, and

(iv) a written explanation is available to the general public for any allocation of a housing credit dollar amount which is not made in accordance with established priorities and selection criteria of the housing credit agency.

(B) Qualified allocation plan

For purposes of this paragraph, the term "qualified allocation plan" means any plan—

(i) which sets forth selection criteria to be used to determine housing priorities of the housing credit agency which are appropriate to local conditions,

(ii) which also gives preference in allocating housing credit dollar amounts among selected projects to—

(I) projects serving the lowest income tenants,

(II) projects obligated to serve qualified tenants for the longest periods, and

(III) projects which are located in qualified census tracts (as defined in subsection (d)(5)(C)) and the development of which contributes to a concerted community revitalization plan, and

(iii) which provides a procedure that the agency (or an agent or other private contractor of such agency) will follow in monitoring for noncompliance with the provisions of this section and in notifying the Internal Revenue Service of such noncompliance which such agency becomes aware of and in monitoring for noncompli-

ance with habitability standards through regular site visits.

(C) Certain selection criteria must be used

The selection criteria set forth in a qualified allocation plan must include

- (i) project location,
- (ii) housing needs characteristics,
- (iii) project characteristics, including whether the project includes the use of existing housing as part of a community revitalization plan,
- (iv) sponsor characteristics,
- (v) tenant populations with special housing needs,
- (vi) public housing waiting lists,
- (vii) tenant populations of individuals with children,
- (viii) projects intended for eventual tenant ownership,
- (ix) the energy efficiency of the project, and
- (x) the historic nature of the project.

(D) Application to bond financed projects

Subsection (h)(4) shall not apply to any project unless the project satisfies the requirements for allocation of a housing credit dollar amount under the qualified allocation plan applicable to the area in which the project is located.

(2) Credit allocated to building not to exceed amount necessary to assure project feasibility

(A) In general

The housing credit dollar amount allocated to a project shall not exceed the amount the housing credit agency determines is necessary for the financial feasibility of the project and its viability as a qualified low-income housing project throughout the credit period.

(B) Agency evaluation

In making the determination under subparagraph (A), the housing credit agency shall consider—

- (i) the sources and uses of funds and the total financing planned for the project,
- (ii) any proceeds or receipts expected to be generated by reason of tax benefits,
- (iii) the percentage of the housing credit dollar amount used for project costs other than the cost of intermediaries, and
- (iv) the reasonableness of the developmental and operational costs of the project.

Clause (iii) shall not be applied so as to impede the development of projects in hard-to-develop areas. Such a determination shall not be construed to be a representation or warranty as to the feasibility or viability of the project.

(C) Determination made when credit amount applied for and when building placed in service

(i) In general

A determination under subparagraph (A) shall be made as of each of the following times:

(I) The application for the housing credit dollar amount.

(II) The allocation of the housing credit dollar amount.

(III) The date the building is placed in service.

(ii) Certification as to amount of other subsidies

Prior to each determination under clause (i), the taxpayer shall certify to the housing credit agency the full extent of all Federal, State, and local subsidies which apply (or which the taxpayer expects to apply) with respect to the building.

(D) Application to bond financed projects

Subsection (h)(4) shall not apply to any project unless the governmental unit which issued the bonds (or on behalf of which the bonds were issued) makes a determination under rules similar to the rules of subparagraphs (A) and (B).

(n) Regulations

The Secretary shall prescribe such regulations as may be necessary or appropriate to carry out the purposes of this section, including regulations—

(1) dealing with—

- (A) projects which include more than 1 building or only a portion of a building,
- (B) buildings which are placed in service in portions,

(2) providing for the application of this section to short taxable years,

(3) preventing the avoidance of the rules of this section, and

(4) providing the opportunity for housing credit agencies to correct administrative errors and omissions with respect to allocations and record keeping within a reasonable period after their discovery, taking into account the availability of regulations and other administrative guidance from the Secretary.

Any such recapture shall be payable to the Secretary of the Treasury for deposit in the general fund of the Treasury and may be enforced by means of liens or such other methods as the Secretary of the Treasury determines appropriate.

The applicable reference price for a taxable year is the reference price of the calendar year preceding the calendar year in which the taxable year begins.

(B) Inflation adjustment

In the case of any taxable year beginning in a calendar year after 2005, each of the dollar amounts contained in subparagraph (A) shall be increased to an amount equal to such dollar amount multiplied by the inflation adjustment factor for such calendar year (determined under section 43(b)(3)(B) by substituting “2004” for “1990”).

(C) Reference price

For purposes of this paragraph, the term “reference price” means, with respect to any calendar year—

- (i) in the case of qualified crude oil production, the reference price determined under section 45K(d)(2)(C), and
- (ii) in the case of qualified natural gas production, the Secretary’s estimate of the annual average wellhead price per 1,000 cubic feet for all domestic natural gas.

(c) Qualified crude oil and natural gas production

For purposes of this section—

(1) In general

The terms “qualified crude oil production” and “qualified natural gas production” mean domestic crude oil or natural gas which is produced from a qualified marginal well.

(2) Limitation on amount of production which may qualify

(A) In general

Crude oil or natural gas produced during any taxable year from any well shall not be treated as qualified crude oil production or qualified natural gas production to the extent production from the well during the taxable year exceeds 1,095 barrels or barrel-of-oil equivalents (as defined in section 45K(d)(5)).

(B) Proportionate reductions

(i) Short taxable years

In the case of a short taxable year, the limitations under this paragraph shall be proportionately reduced to reflect the ratio which the number of days in such taxable year bears to 365.

(ii) Wells not in production entire year

In the case of a well which is not capable of production during each day of a taxable year, the limitations under this paragraph applicable to the well shall be proportionately reduced to reflect the ratio which the number of days of production bears to the total number of days in the taxable year.

(3) Definitions**(A) Qualified marginal well**

The term “qualified marginal well” means a domestic well—

(i) the production from which during the taxable year is treated as marginal production under section 613A(c)(6), or

(ii) which, during the taxable year—

(I) has average daily production of not more than 25 barrel-of-oil equivalents (as so defined), and

(II) produces water at a rate not less than 95 percent of total well effluent.

(B) Crude oil, etc.

The terms “crude oil”, “natural gas”, “domestic”, and “barrel” have the meanings given such terms by section 613A(e).

(d) Other rules**(1) Production attributable to the taxpayer**

In the case of a qualified marginal well in which there is more than one owner of operating interests in the well and the crude oil or natural gas production exceeds the limitation under subsection (c)(2), qualifying crude oil production or qualifying natural gas production attributable to the taxpayer shall be determined on the basis of the ratio which taxpayer’s revenue interest in the production bears to the aggregate of the revenue interests of all operating interest owners in the production.

(2) Operating interest required

Any credit under this section may be claimed only on production which is attributable to the holder of an operating interest.

(3) Production from nonconventional sources excluded

In the case of production from a qualified marginal well which is eligible for the credit allowed under section 45K for the taxable year, no credit shall be allowable under this section unless the taxpayer elects not to claim the credit under section 45K with respect to the well.

(b) Limitations and adjustments

(1) Phaseout of credit

The amount of the credit allowable under subsection (a) shall be reduced by an amount which bears the same ratio to the amount of the credit (determined without regard to this paragraph) as—

(A) the amount by which the reference price for the calendar year in which the sale occurs exceeds \$23.50, bears to

(B) \$6.

(2) Credit and phaseout adjustment based on inflation

The \$3 amount in subsection (a) and the \$23.50 and \$6 amounts in paragraph (1) shall each be adjusted by multiplying such amount by the inflation adjustment factor for the calendar year in which the sale occurs. In the case of gas from a tight formation, the \$3 amount in subsection (a) shall not be adjusted.

(3) Credit reduced for grants, tax-exempt bonds, and subsidized energy financing

(A) In general

The amount of the credit allowable under subsection (a) with respect to any project for any taxable year (determined after the application of paragraphs (1) and (2)) shall be reduced by the amount which is the product of the amount so determined for such year and a fraction—

(B) Special rules for gas from tight formations

The term “gas produced from a tight formation” shall only include gas from a tight formation—

(i) which, as of April 20, 1977, was committed or dedicated to interstate commerce (as defined in section 2(18) of the Natural Gas Policy Act of 1978, as in effect on the date of the enactment of this clause), or

(ii) which is produced from a well drilled after such date of enactment.

(3) Biomass

The term “biomass” means any organic material other than—

(A) oil and natural gas (or any product thereof), and

(B) coal (including lignite) or any product thereof.

(d) Other definitions and special rules

(3) Production attributable to the taxpayer

In the case of a property or facility in which more than 1 person has an interest, except to the extent provided in regulations prescribed by the Secretary, production from the property or facility (as the case may be) shall be allocated among such persons in proportion to their respective interests in the gross sales from such property or facility.

(4) Gas from geopressured brine, Devonian shale, coal seams, or a tight formation

The amount of the credit allowable under subsection (a) shall be determined without regard to any production attributable to a property from which gas from Devonian shale, coal seams, geopressured brine, or a tight formation was produced in marketable quantities before January 1, 1980.

(2) which are sold before January 1, 2003.

(f) Extension for certain facilities

(1) In general

In the case of a facility for producing qualified fuels described in subparagraph (B)(ii) or (C) of subsection (c)(1)—

(A) for purposes of subsection (e)(1)(B), such facility shall be treated as being placed in service before January 1, 1993, if such facility is placed in service before July 1, 1998, pursuant to a binding written contract in effect before January 1, 1997, and

(B) if such facility is originally placed in service after December 31, 1992, paragraph (2) of subsection (e) shall be applied with respect to such facility by substituting “January 1, 2008” for “January 1, 2003”.

(b) Qualified carbon dioxide

For purposes of this section—

(1) In general

The term “qualified carbon dioxide” means carbon dioxide captured from an industrial source which—

(A) would otherwise be released into the atmosphere as industrial emission of greenhouse gas, and

(B) is measured at the source of capture and verified at the point of disposal or injection.

(2) Recycled carbon dioxide

The term “qualified carbon dioxide” includes the initial deposit of captured carbon dioxide used as a tertiary injectant. Such term does not include carbon dioxide that is re-captured, recycled, and re-injected as part of the enhanced oil and natural gas recovery process.

(c) Qualified facility

For purposes of this section, the term “qualified facility” means any industrial facility—

the term “qualified enhanced oil recovery project” by section 43(c)(2), by substituting “crude oil or natural gas” for “crude oil” in subparagraph (A)(i) thereof.

(5) Credit attributable to taxpayer

Any credit under this section shall be attributable to the person that captures and physically or contractually ensures the disposal of or the use as a tertiary injectant of the qualified carbon dioxide, except to the extent provided in regulations prescribed by the Secretary.

(6) Recapture

The Secretary shall, by regulations, provide for recapturing the benefit of any credit allowable under subsection (a) with respect to any qualified carbon dioxide which ceases to be captured, disposed of, or used as a tertiary injectant in a manner consistent with the requirements of this section.

For purposes of section 38, in the case of an eligible small employer, the small employer health insurance credit determined under this section for any taxable year in the credit period is the amount determined under subsection (b).

(b) Health insurance credit amount

Subject to subsection (c), the amount determined under this subsection with respect to any eligible small employer is equal to 50 percent (35 percent in the case of a tax-exempt eligible small employer) of the lesser of—

(1) the aggregate amount of nonelective contributions which the employer made on behalf of its employees during the taxable year under the arrangement described in subsection (d)(4) for premiums for qualified health plans offered by the employer to its employees through an Exchange, or

(2) the aggregate amount of nonelective contributions which the employer would have made during the taxable year under the arrangement if each employee taken into account under paragraph (1) had enrolled in a qualified health plan which had a premium equal to the average premium (as determined by the Secretary of Health and Human Services) for the small group market in the rating area in which the employee enrolls for coverage.

(c) Phaseout of credit amount based on number of employees and average wages

The amount of the credit determined under subsection (b) without regard to this subsection shall be reduced (but not below zero) by the sum of the following amounts:

(1) Such amount multiplied by a fraction the numerator of which is the total number of full-time equivalent employees of the employer in excess of 10 and the denominator of which is 15.

(2) Such amount multiplied by a fraction the numerator of which is the average annual wages of the employer in excess of the dollar amount in effect under subsection (d)(3)(B) and the denominator of which is such dollar amount.

(d) Eligible small employer

For purposes of this section—

(1) In general

The term “eligible small employer” means, with respect to any taxable year, an employer—

(A) which has no more than 25 full-time equivalent employees for the taxable year,

(B) the average annual wages of which do not exceed an amount equal to twice the dollar amount in effect under paragraph (3)(B) for the taxable year, and

(2) Full-time equivalent employees

(A) In general

The term “full-time equivalent employees” means a number of employees equal to the number determined by dividing—

Such amount shall be rounded to the next lowest multiple of \$1,000 if not otherwise such a multiple.

(B) Dollar amount

(i) 2010, 2011, 2012, and 2013

(ii) Subsequent years

In the case of a taxable year beginning in a calendar year after 2013, the dollar amount in effect under this paragraph shall be equal to \$25,000, multiplied by the cost-of-living adjustment under section 1(f)(3) for the calendar year, determined by substituting “calendar year 2012” for “calendar year 1992” in subparagraph (B) thereof.

(4) Contribution arrangement

An arrangement is described in this paragraph if it requires an eligible small employer

to make a nonelective contribution on behalf of each employee who enrolls in a qualified health plan offered to employees by the employer through an exchange in an amount equal to a uniform percentage (not less than 50 percent) of the premium cost of the qualified health plan.

(5) Seasonal worker hours and wages not counted

For purposes of this subsection—

(A) In general

§ 47. Rehabilitation credit

(a) General rule

For purposes of section 46, the rehabilitation credit for any taxable year is the sum of—

(1) 10 percent of the qualified rehabilitation expenditures with respect to any qualified rehabilitated building other than a certified historic structure, and

(2) 20 percent of the qualified rehabilitation expenditures with respect to any certified historic structure.

(b) When expenditures taken into account

(1) In general

Qualified rehabilitation expenditures with respect to any qualified rehabilitated building shall be taken into account for the taxable year in which such qualified rehabilitated building is placed in service.

(2) Coordination with subsection (d)

The amount which would (but for this paragraph) be taken into account under paragraph (1) with respect to any qualified rehabilitated building shall be reduced (but not below zero) by any amount of qualified rehabilitation expenditures taken into account under subsection (d) by the taxpayer or a predecessor of the taxpayer (or, in the case of a sale and leaseback described in section 50(a)(2)(C), by the lessee), to the extent any amount so taken into account has not been required to be recaptured under section 50(a).

(c) Definitions

For purposes of this section—

(1) Qualified rehabilitated building

(A) In general

The term "qualified rehabilitated building" means any building (and its structural components) if—

(i) such building has been substantially rehabilitated,

(ii) such building was placed in service before the beginning of the rehabilitation,

(iii) in the case of any building other than a certified historic structure, in the rehabilitation process—

(I) 50 percent or more of the existing external walls of such building are retained in place as external walls,

(II) 75 percent or more of the existing external walls of such building are retained in place as internal or external walls, and

(III) 75 percent or more of the existing internal structural framework of such building is retained in place, and

(iv) depreciation (or amortization in lieu of depreciation) is allowable with respect to such building.

(B) Building must be first placed in service before 1936

In the case of a building other than a certified historic structure, a building shall not be a qualified rehabilitated building unless the building was first placed in service before 1936.

(C) Substantially rehabilitated defined

(i) In general

For purposes of subparagraph (A)(i), a building shall be treated as having been substantially rehabilitated only if the qualified rehabilitation expenditures during the 24-month period selected by the taxpayer (at the time and in the manner prescribed by regulation) and ending with or within the taxable year exceed the greater of—

- (I) the adjusted basis of such building (and its structural components), or
- (II) \$5,000.

The adjusted basis of the building (and its structural components) shall be determined as of the beginning of the 1st day of such 24-month period, or of the holding period of the building, whichever is later. For purposes of the preceding sentence, the determination of the beginning of the holding period shall be made without regard to any reconstruction by the taxpayer in connection with the rehabilitation.

(ii) Special rule for phased rehabilitation

In the case of any rehabilitation which may reasonably be expected to be completed in phases set forth in architectural plans and specifications completed before the rehabilitation begins, clause (i) shall be applied by substituting “60-month period” for “24-month period”.

(iii) Lessees

The Secretary shall prescribe by regulation rules for applying this subparagraph to lessees.

(D) Reconstruction

Rehabilitation includes reconstruction.

(2) Qualified rehabilitation expenditure defined

The term “qualified rehabilitation expenditure” does not include—

(i) Straight line depreciation must be used

Any expenditure with respect to which the taxpayer does not use the straight line method over a recovery period determined under subsection (c) or (g) of section 168. The preceding sentence shall not apply to any expenditure to the extent the alternative depreciation system of section 168(g) applies to such expenditure by reason of subparagraph (B) or (C) of section 168(g)(1).

The cost of acquiring any building or interest therein.

(iii) Enlargements

Any expenditure attributable to the enlargement of an existing building.

(iv) Certified historic structure, etc.

Any expenditure attributable to the rehabilitation of a certified historic structure or a building in a registered historic district, unless the rehabilitation is a certified rehabilitation (within the meaning of subparagraph (C)). The preceding sentence shall not apply to a building in a registered historic district if—

- (I) such building was not a certified historic structure,
- (II) the Secretary of the Interior certified to the Secretary that such building is not of historic significance to the district, and
- (III) if the certification referred to in subclause (II) occurs after the beginning of the rehabilitation of such building, the taxpayer certifies to the Secretary that, at the beginning of such rehabilitation, he in good faith was not aware of the requirements of subclause (II).

(v) Tax-exempt use property

(I) In general

Any expenditure in connection with the rehabilitation of a building which is allocable to the portion of such property which is (or may reasonably be expected to be) tax-exempt use property (within the meaning of section 168(h), except that “50 percent” shall be substituted for “35 percent” in paragraph (1)(B)(iii) thereof).

(II) Clause not to apply for purposes of paragraph (1)(C)

This clause shall not apply for purposes of determining under paragraph (1)(C) whether a building has been substantially rehabilitated.

(vi) Expenditures of lessee

Any expenditure of a lessee of a building if, on the date the rehabilitation is completed, the remaining term of the lease

(determined without regard to any renewal periods) is less than the recovery period determined under section 168(c).

(C) Certified rehabilitation

For purposes of subparagraph (B), the term “certified rehabilitation” means any rehabilitation of a certified historic structure which the Secretary of the Interior has certified to the Secretary as being consistent with the historic character of such property or the district in which such property is located.

(D) Nonresidential real property; residential rental property; class life

For purposes of subparagraph (A), the terms “nonresidential real property,” “residential rental property,” and “class life” have the respective meanings given such terms by section 168.

(3) Certified historic structure defined

(A) In general

The term “certified historic structure” means any building (and its structural components) which—

- (ii) is located in a registered historic district and is certified by the Secretary of the Interior to the Secretary as being of historic significance to the district.

(B) Registered historic district

The term “registered historic district” means—

- (i) any district listed in the National Register, and

 - (II) which is certified by the Secretary of the Interior to the Secretary as meeting substantially all of the requirements for the listing of districts in the National Register.

(d) Progress expenditures

(1) In general

In the case of any building to which this subsection applies, except as provided in paragraph (3)—

(A) if such building is self-rehabilitated property, any qualified rehabilitation expenditure with respect to such building shall be taken into account for the taxable year for which such expenditure is properly chargeable to capital account with respect to such building, and

(B) if such building is not self-rehabilitated property, any qualified rehabilitation expenditure with respect to such building shall be taken into account for the taxable year in which paid.

(2) Property to which subsection applies

(A) In general

This subsection shall apply to any building which is being rehabilitated by or for the taxpayer if—

- (i) the normal rehabilitation period for such building is 2 years or more, and
- (ii) it is reasonable to expect that such building will be a qualified rehabilitated building in the hands of the taxpayer when it is placed in service.

Clauses (i) and (ii) shall be applied on the basis of facts known as of the close of the taxable year of the taxpayer in which the rehabilitation begins (or, if later, at the close of the first taxable year to which an election under this subsection applies).

(B) Normal rehabilitation period

For purposes of subparagraph (A), the term “normal rehabilitation period” means the period reasonably expected to be required for the rehabilitation of the building—

- (i) beginning with the date on which physical work on the rehabilitation begins (or, if later, the first day of the first taxable year to which an election under this subsection applies), and
- (ii) ending on the date on which it is expected that the property will be available for placing in service.

(3) Special rules for applying paragraph (1)

For purposes of paragraph (1)—

(A) Component parts, etc.

Property which is to be a component part of, or is otherwise to be included in, any building to which this subsection applies shall be taken into account—

- (i) at a time not earlier than the time at which it becomes irrevocably devoted to use in the building, and
- (ii) as if (at the time referred to in clause (i)) the taxpayer had expended an amount equal to that portion of the cost to the taxpayer of such component or other property which, for purposes of this subpart, is properly chargeable (during such taxable year) to capital account with respect to such building.

(B) Certain borrowing disregarded

Any amount borrowed directly or indirectly by the taxpayer from the person rehabilitating the property for him shall not be treated as an amount expended for such rehabilitation.

(C) Limitation for buildings which are not self-rehabilitated

(i) In general

In the case of a building which is not self-rehabilitated, the amount taken into account under paragraph (1)(B) for any taxable year shall not exceed the amount which represents the portion of the overall cost to the taxpayer of the rehabilitation which is properly attributable to the portion of the rehabilitation which is completed during such taxable year.

(ii) Carryover of certain amounts

In the case of a building which is not a self-rehabilitated building, if for the taxable year—

(I) the amount which (but for clause (i)) would have been taken into account under paragraph (1)(B) exceeds the limitation of clause (i), then the amount of such excess shall be taken into account under paragraph (1)(B) for the succeeding taxable year, or

(II) the limitation of clause (i) exceeds the amount taken into account under paragraph (1)(B), then the amount of such excess shall increase the limitation of clause (i) for the succeeding taxable year.

(D) Determination of percentage of completion

The determination under subparagraph (C)(i) of the portion of the overall cost to the taxpayer of the rehabilitation which is properly attributable to rehabilitation completed during any taxable year shall be made, under regulations prescribed by the Secretary, on the basis of engineering or architectural estimates or on the basis of cost accounting records. Unless the taxpayer establishes otherwise by clear and convincing evidence, the rehabilitation shall be deemed to be completed not more rapidly than ratably over the normal rehabilitation period.

(E) No progress expenditures for certain prior periods

No qualified rehabilitation expenditures shall be taken into account under this subsection for any period before the first day of the first taxable year to which an election under this subsection applies.

(F) No progress expenditures for property for year it is placed in service, etc.

In the case of any building, no qualified rehabilitation expenditures shall be taken into account under this subsection for the earlier of—

(i) the taxable year in which the building is placed in service, or

(ii) the first taxable year for which recapture is required under section 50(a)(2) with respect to such property,

or for any taxable year thereafter.

(4) Self-rehabilitated building

For purposes of this subsection, the term “self-rehabilitated building” means any building if it is reasonable to believe that more than half of the qualified rehabilitation expenditures for such building will be made directly by the taxpayer.

(5) Election

This subsection shall apply to any taxpayer only if such taxpayer has made an election under this paragraph. Such an election shall apply to the taxable year for which made and all subsequent taxable years. Such an election, once made, may be revoked only with the consent of the Secretary.

“(3) ELECTION TO HAVE CREDIT DETERMINED IN ACCORDANCE WITH PREVIOUS LITIGATION.—

“(A) IN GENERAL.—A taxpayer described in subparagraph (B) may elect to have this paragraph apply to all films (whether or not qualified) placed in service in taxable years beginning before January 1, 1975, and with respect to which an election under subsection (e)(2) is not made.

“(B) WHO MAY ELECT.—A taxpayer may make an election under this paragraph if he has filed an action in any court of competent jurisdiction, before January 1, 1976, for a determination of such taxpayer's rights to the allowance of a credit against tax under section 38 of the Internal Revenue Code of 1986 for any taxable year beginning before January 1, 1975, with respect to any film.

“(C) EFFECT OF ELECTION.—If the taxpayer makes an election under this paragraph—

“(i) paragraphs (1) and (2) of this subsection, and subsection (d) shall not apply to any film placed in service by the taxpayer, and

“(ii) subsection 48(k) of the Internal Revenue Code of 1986 shall not apply to any film placed in service by the taxpayer in any taxable year beginning before January 1, 1975, and with respect to which an election under subsection (e)(2) is not made,

and the right of the taxpayer to the allowance of a credit against tax under section 38 of such Code with respect to any film placed in service in any taxable year beginning before January 1, 1975, and as to which an election under subsection (e)(2) is not made, shall be determined as though this section (other than this paragraph) has not been enacted.

“(D) RULES RELATING TO ELECTIONS.—An election under this paragraph shall be made not later than the day which is 90 days after the date of the enactment of this Act [Oct. 4, 1976], by filing a notification of such election with the national office of the Internal Revenue Service. (F) the project will be located in the United States; and

(G) in the case of any project the application for which is submitted during the period described in subsection (d)(2)(A)(ii), the project includes equipment which separates and sequesters at least 65 percent (70 percent in the case of an application for reallocated credits under subsection (d)(4)) of such project's total carbon dioxide emissions.

(2) Requirements for certification

For the purpose of subsection (d)(2)(D), a project shall be eligible for certification only if the Secretary determines that—

(A) the applicant for certification has received all Federal and State environmental

authorizations or reviews necessary to commence construction of the project; and

(B) the applicant for certification, except in the case of a retrofit or repower of an existing electric generation unit, has purchased or entered into a binding contract for the purchase of the main steam turbine or turbines for the project, except that such contract may be contingent upon receipt of a certification under subsection (d)(2).

(3) Priority for certain projects

In determining which qualifying advanced coal projects to certify under subsection (d)(2), the Secretary shall—

(A) certify capacity, in accordance with the procedures set forth in subsection (d), in relatively equal amounts to—

(C) give highest priority to projects with the greatest separation and sequestration percentage of total carbon dioxide emissions.

(f) Advanced coal-based generation technology

(1) In general

For the purpose of this section, an electric generation unit uses advanced coal-based generation technology if—

(A) the unit—

(i) uses integrated gasification combined cycle technology, or

(ii) except as provided in paragraph (3), has a design net heat rate of 8530 Btu/kWh (40 percent efficiency), and

(B) the unit is designed to meet the performance requirements in the following table:

Performance characteristic:	Design level for project:
SO ₂ (percent removal)	99 percent
NO _x (emissions)	0.07 lbs/MMBTU
PM* (emissions)	0.015 lbs/MMBTU
Hg (percent removal)	90 percent

For purposes of the performance requirement specified for the removal of SO₂ in the table contained in subparagraph (B), the SO₂ removal design level in the case of a unit designed for the use of feedstock substantially all of which is subbituminous coal shall be 99 percent SO₂ removal or the achievement of an emission level of 0.04 pounds or less of SO₂ per million Btu, determined on a 30-day average.

(2) Design net heat rate

For purposes of this subsection, design net heat rate with respect to an electric generation unit shall—

(A) be measured in Btu per kilowatt hour (higher heating value),

(B) be based on the design annual heat input to the unit and the rated net electrical power, fuels, and chemicals output of the unit (determined without regard to the co-generation of steam by the unit),

(C) be adjusted for the heat content of the design coal to be used by the unit—

(i) if the heat content is less than 13,500 Btu per pound, but greater than 7,000 Btu per pound, according to the following formula: design net heat rate = unit net heat rate \times $[1 - ((13,500 - \text{design coal heat content, Btu per pound}) / 1,000) \times 0.013]$, and

(ii) if the heat content is less than or equal to 7,000 Btu per pound, according to the following formula: design net heat rate = unit net heat rate \times $[1 - ((13,500 - \text{design coal heat content, Btu per pound}) / 1,000) \times 0.018]$, and

(D) be corrected for the site reference conditions of—

- (i) elevation above sea level of 500 feet,
- (ii) air pressure of 14.4 pounds per square inch absolute,
- (iii) temperature, dry bulb of 63°F,
- (iv) temperature, wet bulb of 54°F, and
- (v) relative humidity of 55 percent.

(3) Existing units

In the case of any electric generation unit in existence on the date of the enactment of this section, such unit uses advanced coal-based generation technology if, in lieu of the requirements under paragraph (1)(A)(ii), such unit achieves a minimum efficiency of 35 percent and an overall thermal design efficiency improvement, compared to the efficiency of the unit as operated, of not less than—

(A) 7 percentage points for coal of more than 9,000 Btu,

(B) 6 percentage points for coal of 7,000 to 9,000 Btu, or

(C) 4 percentage points for coal of less than 7,000 Btu.

(g) Applicability

No use of technology (or level of emission reduction solely by reason of the use of the technology), and no achievement of any emission reduction by the demonstration of any technology or performance level, by or at one or more facilities with respect to which a credit is allowed under this section, shall be considered to indicate that the technology or performance level is—

(1) adequately demonstrated for purposes of section 111 of the Clean Air Act (42 U.S.C. 7411);

(2) achievable for purposes of section 169 of that Act (42 U.S.C. 7479); or

(3) achievable in practice for purposes of section 171 of such Act (42 U.S.C. 7501).

(h) Competitive certification awards modification authority

In implementing this section or section 48B, the Secretary is directed to modify the terms of any competitive certification award and any associated closing agreement where such modification—

(1) is consistent with the objectives of such section,

(2) is requested by the recipient of the competitive certification award, and

(3) involves moving the project site to improve the potential to capture and sequester carbon dioxide emissions, reduce costs of transporting feedstock, and serve a broader customer base,

unless the Secretary determines that the dollar amount of tax credits available to the taxpayer under such section would increase as a result of the modification or such modification would result in such project not being originally certified. In considering any such modification, the Secretary shall consult with other relevant Federal agencies, including the Department of Energy.

(i) Recapture of credit for failure to sequester

The Secretary shall provide for recapturing the benefit of any credit allowable under subsection (a) with respect to any project which fails to attain or maintain the separation and sequestration requirements of subsection (e)(1)(G).

“(B) SPECIAL RULES.—

“(i) RECAPTURE OF EXCESSIVE GRANT AMOUNTS.—If the amount of a grant made under this subsection exceeds the amount allowable as a grant under this subsection, such excess shall be recaptured under subparagraph (A) as if the investment to which such excess portion of the grant relates had ceased to be a qualified investment immediately after such grant was made.

For purposes of this paragraph and paragraph (2)—

(i) In general

Except as otherwise provided in this subparagraph, in the case of any partnership or S corporation, the determination of whether a partner’s or shareholder’s allocable share of any financing is nonqualified nonrecourse financing shall be made at the partner or shareholder level.

(ii) Special rule for certain recourse financing of S corporation

A shareholder of an S corporation shall be treated as liable for his allocable share of any financing provided by a qualified person to such corporation if—

(I) such financing is recourse financing (determined at the corporate level), and

(II) such financing is provided with respect to qualified business property of such corporation.

(iii) Qualified business property

For purposes of clause (ii), the term “qualified business property” means any property if—

(I) such property is used by the corporation in the active conduct of a trade or business,

(II) during the entire 12-month period ending on the last day of the taxable year, such corporation had at least 3 full-time employees who were not owner-employees (as defined in section 465(c)(7)(E)(i)) and substantially all the services of whom were services directly related to such trade or business, and

(III) during the entire 12-month period ending on the last day of such taxable year, such corporation had at least 1 full-time employee substantially all of the services of whom were in the active management of the trade or business.

(iv) Determination of allocable share

The determination of any partner’s or shareholder’s allocable share of any financing shall be made in the same manner as the credit allowable by section 38 with respect to such property.

(F) Special rules for energy property

Rules similar to the rules of subparagraph (F) of section 46(c)(8) (as in effect on the day before the date of the enactment of the Revenue Reconciliation Act of 1990) shall apply for purposes of this paragraph.

(2) Subsequent decreases in nonqualified nonrecourse financing with respect to the property

(A) In general

If, at the close of a taxable year following the taxable year in which the property was placed in service, there is a net decrease in the amount of nonqualified nonrecourse financing with respect to such property, such net decrease shall be taken into account as an increase in the credit base for such property in accordance with subparagraph (C).

(B) Certain transactions not taken into account

For purposes of this paragraph, nonqualified nonrecourse financing shall not be

¹ So in original. Probably should not be hyphenated.

treated as decreased through the surrender or other use of property financed by nonqualified nonrecourse financing.

(C) Manner in which taken into account

(i) Credit determined by reference to taxable year property placed in service

For purposes of determining the amount of credit allowable under section 38 and the amount of credit subject to the early disposition or cessation rules under section 50(a), any increase in a taxpayer's credit base for any property by reason of this paragraph shall be taken into account as if it were property placed in service by the taxpayer in the taxable year in which the property referred to in subparagraph (A) was first placed in service.

(ii) Credit allowed for year of decrease in nonqualified nonrecourse financing

Any credit allowable under this subpart for any increase in qualified investment by reason of this paragraph shall be treated as earned during the taxable year of the decrease in the amount of nonqualified nonrecourse financing.

(b) Increases in nonqualified nonrecourse financing

(1) In general

If, as of the close of the taxable year, there is a net increase with respect to the taxpayer in the amount of nonqualified nonrecourse financing (within the meaning of subsection (a)(1)) with respect to any property to which subsection (a)(1) applied, then the tax under this chapter for such taxable year shall be increased by an amount equal to the aggregate decrease in credits allowed under section 38 for all prior taxable years which would have resulted from reducing the credit base (as defined in subsection (a)(1)(C)) taken into account with respect to such property by the amount of such net increase. For purposes of determining the amount of credit subject to the early disposition or cessation rules of section 50(a), the net increase in the amount of the nonqualified nonrecourse financing with respect to the property shall be treated as reducing the property's credit base in the year in which the property was first placed in service.

(2) Transfers of debt more than 1 year after initial borrowing not treated as increasing nonqualified nonrecourse financing

For purposes of paragraph (1), the amount of nonqualified nonrecourse financing (within the meaning of subsection (a)(1)(D)) with respect to the taxpayer shall not be treated as increased by reason of a transfer of (or agreement to transfer) any evidence of any indebtedness if such transfer occurs (or such agreement is entered into) more than 1 year after the date such indebtedness was incurred.

(3) Special rules for certain energy property

Rules similar to the rules of section 47(d)(3) (as in effect on the day before the date of the enactment of the Revenue Reconciliation Act of 1990) shall apply for purposes of this subsection.

(4) Special rule

Any increase in tax under paragraph (1) shall not be treated as tax imposed by this chapter for purposes of determining the amount of any credit allowable under this chapter.

§ 50. Other special rules

(a) Recapture in case of dispositions, etc.

Under regulations prescribed by the Secretary—

(1) Early disposition, etc.

(A) General rule

If, during any taxable year, investment credit property is disposed of, or otherwise ceases to be investment credit property with respect to the taxpayer, before the close of the recapture period, then the tax under this chapter for such taxable year shall be increased by the recapture percentage of the aggregate decrease in the credits allowed under section 38 for all prior taxable years which would have resulted solely from reducing to zero any credit determined under this subpart with respect to such property.

(B) Recapture percentage

For purposes of subparagraph (A), the recapture percentage shall be determined in accordance with the following table:

If the property ceases to be investment credit property within—	The recapture percentage is:
(i) One full year after placed in service	100
(ii) One full year after the close of the period described in clause (i)	80
(iii) One full year after the close of the period described in clause (ii)	60
(iv) One full year after the close of the period described in clause (iii)	40
(v) One full year after the close of the period described in clause (iv)	20

(2) Property ceases to qualify for progress expenditures

(A) In general

If during any taxable year any building to which section 47(d) applied ceases (by reason of sale or other disposition, cancellation or abandonment of contract, or otherwise) to be, with respect to the taxpayer, property which, when placed in service, will be a qualified rehabilitated building, then the tax under this chapter for such taxable year shall be increased by an amount equal to the aggregate decrease in the credits allowed under section 38 for all prior taxable years which would have resulted solely from reducing to zero the credit determined under this subpart with respect to such building.

(B) Certain excess credit recaptured

Any amount which would have been applied as a reduction under paragraph (2) of section 47(b) but for the fact that a reduction under such paragraph cannot reduce the amount taken into account under section 47(b)(1) below zero shall be treated as an amount required to be recaptured under subparagraph (A) for the taxable year during which the building is placed in service.

(C) Certain sales and leasebacks

Under regulations prescribed by the Secretary, a sale by, and leaseback to, a tax-

payer who, when the property is placed in service, will be a lessee to whom the rules referred to in subsection (d)(5) apply shall not be treated as a cessation described in subparagraph (A) to the extent that the amount which will be passed through to the lessee under such rules with respect to such property is not less than the qualified rehabilitation expenditures properly taken into account by the lessee under section 47(d) with respect to such property.

(D) Coordination with paragraph (1)

If, after property is placed in service, there is a disposition or other cessation described in paragraph (1), then paragraph (1) shall be applied as if any credit which was allowable by reason of section 47(d) and which has not been required to be recaptured before such disposition, cessation, or change in use were allowable for the taxable year the property was placed in service.

(E) Special rules

Rules similar to the rules of this paragraph shall apply in cases where qualified progress expenditures were taken into account under the rules referred to in section 48(b).

(3) Carrybacks and carryovers adjusted

In the case of any cessation described in paragraph (1) or (2), the carrybacks and carryovers under section 39 shall be adjusted by reason of such cessation.

(4) Subsection not to apply in certain cases

Paragraphs (1) and (2) shall not apply to—

- (A) a transfer by reason of death, or
- (B) a transaction to which section 381(a) applies.

For purposes of this subsection, property shall not be treated as ceasing to be investment credit property with respect to the taxpayer by reason of a mere change in the form of conducting the trade or business so long as the property is retained in such trade or business as investment credit property and the taxpayer retains a substantial interest in such trade or business.

(5) Definitions and special rules

(A) Investment credit property

For purposes of this subsection, the term “investment credit property” means any property eligible for a credit determined under this subpart.

- (ii) the same tax treatment under this subsection with respect to the transferred property shall apply to the transferee as would have applied to the transferor.

Except as provided in subparagraph (B), no credit shall be determined under this subpart with respect to any property which is used predominantly outside the United States.

(3) Property used by certain tax-exempt organization

No credit shall be determined under this subpart with respect to any property used by an organization (other than a cooperative described in section 521) which is exempt from the tax imposed by this chapter unless such property is used predominantly in an unrelated trade or business the income of which is subject to tax under section 511. If the property is debt-financed property (as defined in section 514(b)), the amount taken into account for purposes of determining the amount of the credit under this subpart with respect to such property shall be that percentage of the amount (which but for this paragraph would be so taken into account) which is the same percentage as is used under section 514(a), for the year the property is placed in service, in computing the amount of gross income to be taken into account during such taxable year with respect to such property. If any qualified rehabilitated building is used by the tax-exempt organization pursuant to a lease, this paragraph shall not apply for purposes of determining the amount of the rehabilitation credit.

¹ So in original. The period probably should be a semicolon.

(4) Property used by governmental units or foreign persons or entities**(A) In general**

(C) Exception for qualified rehabilitated buildings leased to governments, etc.

If any qualified rehabilitated building is leased to a governmental unit (or a foreign person or entity) this paragraph shall not apply for purposes of determining the rehabilitation credit with respect to such building.

For purposes of this paragraph and paragraph (3), rules similar to the rules of paragraphs (5) and (6) of section 168(h) shall apply.

(E) Cross reference

For special rules for the application of this paragraph and paragraph (3), see section 168(h).

(c) Basis adjustment to investment credit property**(1) In general**

For purposes of this subtitle, if a credit is determined under this subpart with respect to any property, the basis of such property shall be reduced by the amount of the credit so determined.

(2) Certain dispositions

If during any taxable year there is a recapture amount determined with respect to any property the basis of which was reduced under paragraph (1), the basis of such property (immediately before the event resulting in such recapture) shall be increased by an amount equal to such recapture amount. For purposes of the preceding sentence, the term “recapture amount” means any increase in tax (or adjustment in carrybacks or carryovers) determined under subsection (a).

(3) Special rule

In the case of any energy credit—

(A) only 50 percent of such credit shall be taken into account under paragraph (1), and

(B) only 50 percent of any recapture amount attributable to such credit shall be taken into account under paragraph (2).

The adjusted basis of—

(A) a partner’s interest in a partnership, and

(B) stock in an S corporation,

shall be appropriately adjusted to take into account adjustments made under this subsection in the basis of property held by the partnership or S corporation (as the case may be).

(d) Certain rules made applicable

For purposes of this subpart, rules similar to the rules of the following provisions (as in effect on the day before the date of the enactment of the Revenue Reconciliation Act of 1990) shall apply:

(3) Individuals not meeting minimum employment periods**(A) Reduction of credit for individuals performing fewer than 400 hours of service**

In the case of an individual who has performed at least 120 hours, but less than 400 hours, of service for the employer, subsection (a) shall be applied by substituting “25 percent” for “40 percent”.

An election under paragraph (1) (or revocation thereof) shall be made in such manner as the Secretary may by regulations prescribe.

(k) Treatment of successor employers; treatment of employees performing services for other persons**(1) Treatment of successor employers**

Under regulations prescribed by the Secretary, in the case of a successor employer referred to in section 3306(b)(1), the determination of the amount of the credit under this section with respect to wages paid by such successor employer shall be made in the same manner as if such wages were paid by the predecessor employer referred to in such section.

(2) Treatment of employees performing services for other persons

For purposes of paragraph (2), with respect to any clean renewable energy bond, the Secretary shall determine daily or cause to be determined daily a credit rate which shall apply to the first day on which there is a binding, written contract for the sale or exchange of the bond. The credit rate for any day is the credit rate which the Secretary or the Secretary's designee estimates will permit the issuance of clean renewable energy bonds with a specified maturity or redemption date without discount and without interest cost to the qualified issuer.

(4) Credit allowance date

For purposes of this section, the term "credit allowance date" means—

(A) March 15,

(B) June 15,

- (C) September 15, and
- (D) December 15.

Such term also includes the last day on which the bond is outstanding.

(5) Special rule for issuance and redemption

In the case of a bond which is issued during the 3-month period ending on a credit allowance date, the amount of the credit determined under this subsection with respect to such credit allowance date shall be a ratable portion of the credit otherwise determined based on the portion of the 3-month period during which the bond is outstanding. A similar rule shall apply when the bond is redeemed or matures.

(c) Limitation based on amount of tax

The credit allowed under subsection (a) for any taxable year shall not exceed the excess of—

- (1) the sum of the regular tax liability (as defined in section 26(b)) plus the tax imposed by section 55, over
- (2) the sum of the credits allowable under this part (other than subparts C, I, and J, section 1400N(l), and this section).

(d) Clean renewable energy bond

For purposes of this section—

(1) In general

The term “clean renewable energy bond” means any bond issued as part of an issue if—

- (A) the bond is issued by a qualified issuer pursuant to an allocation by the Secretary to such issuer of a portion of the national clean renewable energy bond limitation under subsection (f)(2),
- (B) 95 percent or more of the proceeds of such issue are to be used for capital expenditures incurred by qualified borrowers for one or more qualified projects,
- (C) the qualified issuer designates such bond for purposes of this section and the bond is in registered form, and
- (D) the issue meets the requirements of subsection (h).

(2) Qualified project; special use rules

(A) In general

The term “qualified project” means any qualified facility (as determined under section 45(d) without regard to paragraph (10) and to any placed in service date) owned by a qualified borrower.

(B) Refinancing rules

For purposes of paragraph (1)(B), a qualified project may be refinanced with proceeds of a clean renewable energy bond only if the indebtedness being refinanced (including any obligation directly or indirectly refinanced by such indebtedness) was originally incurred by a qualified borrower after the date of the enactment of this section.

(C) Reimbursement

For purposes of paragraph (1)(B), a clean renewable energy bond may be issued to reimburse a qualified borrower for amounts paid after the date of the enactment of this section with respect to a qualified project, but only if—

(i) prior to the payment of the original expenditure, the qualified borrower declared its intent to reimburse such expenditure with the proceeds of a clean renewable energy bond,

(ii) not later than 60 days after payment of the original expenditure, the qualified issuer adopts an official intent to reimburse the original expenditure with such proceeds, and

(iii) the reimbursement is made not later than 18 months after the date the original expenditure is paid.

(D) Treatment of changes in use

For purposes of paragraph (1)(B), the proceeds of an issue shall not be treated as used for a qualified project to the extent that a qualified borrower or qualified issuer takes any action within its control which causes such proceeds not to be used for a qualified project. The Secretary shall prescribe regulations specifying remedial actions that may be taken (including conditions to taking such remedial actions) to prevent an action described in the preceding sentence from causing a bond to fail to be a clean renewable energy bond.

(e) Maturity limitations

(1) Duration of term

A bond shall not be treated as a clean renewable energy bond if the maturity of such bond exceeds the maximum term determined by the Secretary under paragraph (2) with respect to such bond.

(2) Maximum term

During each calendar month, the Secretary shall determine the maximum term permitted under this paragraph for bonds issued during the following calendar month. Such maximum term shall be the term which the Secretary estimates will result in the present value of the obligation to repay the principal on the bond being equal to 50 percent of the face amount of such bond. Such present value shall be determined without regard to the requirements of subsection (l)(6) and using as a discount rate the average annual interest rate of tax-exempt obligations having a term of 10 years or more which are issued during the month. If the term as so determined is not a multiple of a whole year, such term shall be rounded to the next highest whole year.

(f) Limitation on amount of bonds designated

(1) National limitation

There is a national clean renewable energy bond limitation of \$1,200,000,000.

(2) Allocation by Secretary

The Secretary shall allocate the amount described in paragraph (1) among qualified projects in such manner as the Secretary determines appropriate, except that the Secretary may not allocate more than \$750,000,000 of the national clean renewable energy bond limitation to finance qualified projects of qualified borrowers which are governmental bodies.

(g) Credit included in gross income

Gross income includes the amount of the credit allowed to the taxpayer under this section

(determined without regard to subsection (c)) and the amount so included shall be treated as interest income.

(h) Special rules relating to expenditures

(1) In general

An issue shall be treated as meeting the requirements of this subsection if, as of the date of issuance, the qualified issuer reasonably expects—

(A) at least 95 percent of the proceeds of such issue are to be spent for one or more qualified projects within the 5-year period beginning on the date of issuance of the clean energy bond,

(B) a binding commitment with a third party to spend at least 10 percent of the proceeds of such issue will be incurred within the 6-month period beginning on the date of issuance of the clean energy bond or, in the case of a clean energy bond the proceeds of which are to be loaned to two or more qualified borrowers, such binding commitment will be incurred within the 6-month period beginning on the date of the loan of such proceeds to a qualified borrower, and

(C) such projects will be completed with due diligence and the proceeds of such issue will be spent with due diligence.

(2) Extension of period

Upon submission of a request prior to the expiration of the period described in paragraph (1)(A), the Secretary may extend such period if the qualified issuer establishes that the failure to satisfy the 5-year requirement is due to reasonable cause and the related projects will continue to proceed with due diligence.

(3) Failure to spend required amount of bond proceeds within 5 years

To the extent that less than 95 percent of the proceeds of such issue are expended by the close of the 5-year period beginning on the date of issuance (or if an extension has been obtained under paragraph (2), by the close of the extended period), the qualified issuer shall redeem all of the nonqualified bonds within 90 days after the end of such period. For purposes of this paragraph, the amount of the nonqualified bonds required to be redeemed shall be determined in the same manner as under section 142.

(i) Special rules relating to arbitrage

A bond which is part of an issue shall not be treated as a clean renewable energy bond unless, with respect to the issue of which the bond is a part, the qualified issuer satisfies the arbitrage requirements of section 148 with respect to proceeds of the issue.

(1) Bond

The term “bond” includes any obligation.

(2) Pooled financing bond

The term “pooled financing bond” shall have the meaning given such term by section 149(f)(6)(A).

(B) No basis adjustment

In the case of a bond held by a partnership or an S corporation, rules similar to the rules under section 1397E(l) shall apply.

§ 54A. Credit to holders of qualified tax credit bonds

(a) Allowance of credit

If a taxpayer holds a qualified tax credit bond on one or more credit allowance dates of the bond during any taxable year, there shall be allowed as a credit against the tax imposed by this chapter for the taxable year an amount equal to the sum of the credits determined under subsection (b) with respect to such dates.

(b) Amount of credit

(1) In general

The amount of the credit determined under this subsection with respect to any credit allowance date for a qualified tax credit bond is 25 percent of the annual credit determined with respect to such bond.

(2) Annual credit

The annual credit determined with respect to any qualified tax credit bond is the product of—

- (A) the applicable credit rate, multiplied by
- (B) the outstanding face amount of the bond.

(3) Applicable credit rate

For purposes of paragraph (2), the applicable credit rate is the rate which the Secretary estimates will permit the issuance of qualified tax credit bonds with a specified maturity or redemption date without discount and without interest cost to the qualified issuer. The applicable credit rate with respect to any qualified tax credit bond shall be determined as of the first day on which there is a binding, written contract for the sale or exchange of the bond.

¹ So in original. Does not conform to section catchline.

(4) Special rule for issuance and redemption

In the case of a bond which is issued during the 3-month period ending on a credit allowance date, the amount of the credit determined under this subsection with respect to such credit allowance date shall be a ratable portion of the credit otherwise determined based on the portion of the 3-month period during which the bond is outstanding. A similar rule shall apply when the bond is redeemed or matures.

(c) Limitation based on amount of tax

(1) In general

The credit allowed under subsection (a) for any taxable year shall not exceed the excess of—

(A) the sum of the regular tax liability (as defined in section 26(b)) plus the tax imposed by section 55, over

(B) the sum of the credits allowable under this part (other than subparts C and J and this subpart).

(2) Carryover of unused credit

If the credit allowable under subsection (a) exceeds the limitation imposed by paragraph (1) for such taxable year, such excess shall be carried to the succeeding taxable year and added to the credit allowable under subsection (a) for such taxable year (determined before the application of paragraph (1) for such succeeding taxable year).

- (C) a qualified energy conservation bond,

- (E) a qualified school construction bond,

which is part of an issue that meets requirements of paragraphs (2), (3), (4), (5), and (6).

(2) Special rules relating to expenditures

(A) In general

An issue shall be treated as meeting the requirements of this paragraph if, as of the date of issuance, the issuer reasonably expects—

- (i) 100 percent or more of the available project proceeds to be spent for 1 or more qualified purposes within the 3-year period beginning on such date of issuance, and
- (ii) a binding commitment with a third party to spend at least 10 percent of such available project proceeds will be incurred within the 6-month period beginning on such date of issuance.

(B) Failure to spend required amount of bond proceeds within 3 years

(i) In general

To the extent that less than 100 percent of the available project proceeds of the issue are expended by the close of the expenditure period for 1 or more qualified

purposes, the issuer shall redeem all of the nonqualified bonds within 90 days after the end of such period. For purposes of this paragraph, the amount of the nonqualified bonds required to be redeemed shall be determined in the same manner as under section 142.

(ii) Expenditure period

For purposes of this subpart, the term “expenditure period” means, with respect to any issue, the 3-year period beginning on the date of issuance. Such term shall include any extension of such period under clause (iii).

(iii) Extension of period

Upon submission of a request prior to the expiration of the expenditure period (determined without regard to any extension under this clause), the Secretary may extend such period if the issuer establishes that the failure to expend the proceeds within the original expenditure period is due to reasonable cause and the expenditures for qualified purposes will continue to proceed with due diligence.

(C) Qualified purpose

For purposes of this paragraph, the term “qualified purpose” means—

- (i) in the case of a qualified forestry conservation bond, a purpose specified in section 54B(e),

- (v) in the case of a qualified school construction bond, a purpose specified in section 54F(a)(1).

(D) Reimbursement

For purposes of this subtitle, available project proceeds of an issue shall be treated as spent for a qualified purpose if such proceeds are used to reimburse the issuer for amounts paid for a qualified purpose after the date that the Secretary makes an allocation of bond limitation with respect to such issue, but only if—

- (i) prior to the payment of the original expenditure, the issuer declared its intent to reimburse such expenditure with the proceeds of a qualified tax credit bond,
- (ii) not later than 60 days after payment of the original expenditure, the issuer adopts an official intent to reimburse the original expenditure with such proceeds, and
- (iii) the reimbursement is made not later than 18 months after the date the original expenditure is paid.

(3) Reporting

An issue shall be treated as meeting the requirements of this paragraph if the issuer of qualified tax credit bonds submits reports

similar to the reports required under section 149(e).

(4) Special rules relating to arbitrage

(A) In general

An issue shall be treated as meeting the requirements of this paragraph if the issuer satisfies the requirements of section 148 with respect to the proceeds of the issue.

An issue shall not be treated as failing to meet the requirements of subparagraph (A) by reason of any investment of available project proceeds during the expenditure period.

(C) Special rule for reserve funds

An issue shall not be treated as failing to meet the requirements of subparagraph (A) by reason of any fund which is expected to be used to repay such issue if—

- (i) such fund is funded at a rate not more rapid than equal annual installments,
- (ii) such fund is funded in a manner reasonably expected to result in an amount not greater than an amount necessary to repay the issue, and
- (iii) the yield on such fund is not greater than the discount rate determined under paragraph (5)(B) with respect to the issue.

(5) Maturity limitation

(A) In general

An issue shall be treated as meeting the requirements of this paragraph if the maturity of any bond which is part of such issue does not exceed the maximum term determined by the Secretary under subparagraph (B).

(B) Maximum term

During each calendar month, the Secretary shall determine the maximum term permitted under this paragraph for bonds issued during the following calendar month. Such maximum term shall be the term which the Secretary estimates will result in the present value of the obligation to repay the principal on the bond being equal to 50 percent of the face amount of such bond. Such present value shall be determined using as a discount rate the average annual interest rate of tax-exempt obligations having a term of 10 years or more which are issued during the month. If the term as so determined is not a multiple of a whole year, such term shall be rounded to the next highest whole year.

(6) Prohibition on financial conflicts of interest

An issue shall be treated as meeting the requirements of this paragraph if the issuer certifies that—

- (A) applicable State and local law requirements governing conflicts of interest are satisfied with respect to such issue, and
- (B) if the Secretary prescribes additional conflicts of interest rules governing the appropriate Members of Congress, Federal, State, and local officials, and their spouses,
