In the section, the word “apportion” is substituted for “apportionment or reapportionment” because of section 1512(a)(last sentence) of the revised title.

In subsection (a), before clause (1), the word “official” is substituted for “officer” for consistency in the revised title. The words “judicial branch” are substituted for “judiciary”, and the words “District of Columbia government” are substituted for “District of Columbia”, for consistency.

In subsection (b), the word “President” is substituted for “Director of the Office of Management and Budget”, “Office of Management and Budget”, and “Director” because sections 101 and 102(a) of Reorganization Plan No. 2 of 1970 (eff. July 1, 1970, 84 Stat. 2085) designated the Bureau of the Budget as the Office of Management and Budget and transferred all functions of the Bureau to the President.

In subsection (b)(1), the words “(except the Commission)” are added because the International Trade Commission is covered specifically by the source provisions restated in subsection (a).

In subsection (c), the words “In addition to the apportionment required by section 665 of this title” are omitted as unnecessary because of the restatement. The words “By the first day” are substituted for “on or before the beginning”, and the words “of the United States Government” are added, for clarity. The words “major organizational unit” are substituted for “office or bureau” for consistency in the revised section. The word “changed” is substituted for “increased or diminished” to eliminate unnecessary words.

**§ 1514. Administrative division of apportionments**

(a) The official having administrative control of an appropriation available to the legislative branch, the judicial branch, the United States International Trade Commission, or the District

of Columbia government, and, subject to the approval of the President, the head of each executive agency (except the Commission) shall prescribe by regulation a system of administrative control not inconsistent with accounting procedures prescribed under law. The system shall be designed to—

(1) restrict obligations or expenditures from each appropriation to the amount of apportionments or reapportionments of the appropriation; and

(2) enable the official or the head of the executive agency to fix responsibility for an obligation or expenditure exceeding an apportionment or reapportionment.

(b) To have a simplified system for administratively dividing appropriations, the head of each executive agency (except the Commission) shall work toward the objective of financing each operating unit, at the highest practical level, from not more than one administrative division for each appropriation affecting the unit.
