

submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report on the pilot program.

“(2) CONTENTS.—The report required by paragraph (1) shall include the following:

“(A) A description of the pilot program.

“(B) An assessment of the utility of the activities under the pilot program in enhancing the rehabilitation, quality of life, and community reintegration of veterans with traumatic brain injury.

“(C) Such recommendations as the Secretary considers appropriate regarding the extension or expansion of the pilot program.

“(f) DEFINITIONS.—In this section:

“(1) The term ‘assisted living services’ means services of a facility in providing room, board, and personal care for and supervision of residents for their health, safety, and welfare.

“(2) The term ‘case management services’ includes the coordination and facilitation of all services furnished to a veteran by the Department of Veterans Affairs, either directly or through a contract, including assessment of needs, planning, referral (including referral for services to be furnished by the Department, either directly or through a contract, or by an entity other than the Department), monitoring, reassessment, and followup.

“(3) The term ‘eligible veteran’ means a veteran who—

“(A) is enrolled in the patient enrollment system of the Department of Veterans Affairs under section 1705 of title 38, United States Code;

“(B) has received hospital care or medical services provided by the Department of Veterans Affairs for a traumatic brain injury;

“(C) is unable to manage routine activities of daily living without supervision and assistance, as determined by the Secretary; and

“(D) could reasonably be expected to receive ongoing services after the end of the pilot program under this section under another program of the Federal Government or through other means, as determined by the Secretary.”

§ 1710D. Traumatic brain injury: comprehensive program for long-term rehabilitation

(a) COMPREHENSIVE PROGRAM.—In developing plans for the rehabilitation and reintegration of individuals with traumatic brain injury under section 1710C of this title, the Secretary shall develop and carry out a comprehensive program of long-term care for post-acute traumatic brain injury rehabilitation that includes residential, community, and home-based components utilizing interdisciplinary treatment teams.

(b) LOCATION OF PROGRAM.—The Secretary shall carry out the program developed under subsection (a) in each Department polytrauma rehabilitation center designated by the Secretary.

(c) ELIGIBILITY.—A veteran is eligible for care under the program developed under subsection (a) if the veteran is otherwise eligible to receive hospital care and medical services under section 1710 of this title and—

(1) served on active duty in a theater of combat operations (as determined by the Secretary in consultation with the Secretary of Defense) during a period of war after the Persian Gulf War, or in combat against a hostile force during a period of hostilities (as defined in section 1712A(a)(2)(B) of this title) after November 11, 1998;

(2) is diagnosed as suffering from moderate to severe traumatic brain injury; and

(3) is unable to manage routine activities of daily living without supervision or assistance, as determined by the Secretary.

(d) REPORT.—Not later than one year after the date of the enactment of this section, and annually thereafter, the Secretary shall submit to the Committees on Veterans' Affairs of the Senate and the House of Representatives a report containing the following information:

(1) A description of the operation of the program.

(2) The number of veterans provided care under the program during the year preceding such report.

(3) The cost of operating the program during the year preceding such report.

(Added Pub. L. 110–181, div. A, title XVII, § 1702(a), Jan. 28, 2008, 122 Stat. 488.)

§ 1710E. Traumatic brain injury: use of non-Department facilities for rehabilitation

(a) COOPERATIVE AGREEMENTS.—The Secretary, in implementing and carrying out a plan developed under section 1710C of this title, may provide hospital care and medical services through cooperative agreements with appropriate public or private entities that have established long-term neurobehavioral rehabilitation and recovery programs.

(b) COVERED INDIVIDUALS.—The care and services provided under subsection (a) shall be made available to an individual—

(1) who is described in section 1710C(a) of this title; and

(2)(A) to whom the Secretary is unable to provide such treatment or services at the frequency or for the duration prescribed in such plan; or

(B) for whom the Secretary determines that it is optimal with respect to the recovery and rehabilitation for such individual.

(c) AUTHORITIES OF STATE PROTECTION AND ADVOCACY SYSTEMS.—Nothing in subtitle C of the Developmental Disabilities Assistance and Bill of Rights Act of 2000 shall be construed as preventing a State protection and advocacy system (as defined in section 1710C(g) of this title) from exercising the authorities described in such subtitle with respect to individuals provided rehabilitative treatment or services under section 1710C of this title in a non-Department facility.

(d) STANDARDS.—The Secretary may not provide treatment or services as described in subsection (a) at a non-Department facility under such subsection unless such facility maintains standards for the provision of such treatment or services established by an independent, peer-reviewed organization that accredits specialized rehabilitation programs for adults with traumatic brain injury.

§ 1712. Dental care; drugs and medicines for certain disabled veterans; vaccines

(a)(1) Outpatient dental services and treatment, and related dental appliances, shall be furnished under this section only for a dental condition or disability—

(A) which is service-connected and compensable in degree;

(B) which is service-connected, but not compensable in degree, but only if—

(i) the dental condition or disability is shown to have been in existence at the time of the veteran's discharge or release from active military, naval, or air service;

(ii) the veteran had served on active duty for a period of not less than 180 days or, in the case of a veteran who served on active duty during the Persian Gulf War, 90 days immediately before such discharge or release;

(iii) application for treatment is made within 180 days after such discharge or release, except that (I) in the case of a veteran who reentered active military, naval, or air service within 90 days after the date of such veteran's prior discharge or release from such service, application may be made within 180 days from the date of such veteran's subsequent discharge or release from such service, and (II) if a disqualifying discharge or release has been corrected by competent authority, application may be made within 180 days after the date of correction; and

(iv) the veteran's certificate of discharge or release from active duty does not bear a certification that the veteran was provided, within the 90-day period immediately before the date of such discharge or release, a complete dental examination (including dental X-rays) and all appropriate dental services and treatment indicated by the examination to be needed;

(C) which is a service-connected dental condition or disability due to combat wounds or other service trauma, or of a former prisoner of war;

(D) which is associated with and is aggravating a disability resulting from some other disease or injury which was incurred in or aggravated by active military, naval, or air service;

(E) which is a non-service-connected condition or disability of a veteran for which treat-
