COMPLIANCE WITH NEW REQUIREMENTS FOR OFFICE OF
PATIENT ADVOCACY

Pub. L. 105-196, §6, July 16, 1998, 112 Stat. 636, provided that with respect to requirements for the office of patient advocacy under subsec. (d) of this section, the Secretary of Health and Human Services was to ensure that, not later than 180 days after Oct. 1, 1998, such office was in compliance with all requirements that were additional to the requirements under this section in effect with respect to patient advocacy on the day before July 16, 1998.

§ 274l. Stem cell therapeutic outcomes database

(a) Establishment

The Secretary shall by contract establish and maintain a scientific database of information relating to patients who have been recipients of a stem cell therapeutics product (including bone marrow, cord blood, or other such product) from a donor.

(b) Information

The outcomes database shall include information in a standardized electronic format with respect to patients described in subsection (a) of this section, diagnosis, transplant procedures, results, long-term follow-up, and such other information as the Secretary determines to be appropriate, to conduct an ongoing evaluation of the scientific and clinical status of transplantation involving recipients of a stem cell therapeutics product from a donor.

(c) Annual report on patient outcomes

The Secretary shall require the entity awarded a contract under this section to submit to the Secretary an annual report concerning patient outcomes with respect to each transplant center, based on data collected and maintained by the entity pursuant to this section.

(d) Publicly available data

The outcomes database shall make relevant scientific information not containing individually identifiable information available to the public in the form of summaries and data sets to encourage medical research and to provide information to transplant programs, physicians, patients, entities awarded a contract under section 274k of this title¹ donor registries, and cord blood banks.

FINDINGS AND PURPOSES

Section 2 of Pub. L. 99-649 provided that:

"(a) The Congress finds and declares that:

"(1) Injury is one of the principal public health problems in America, and causes over 140,000 deaths per year.

"(2) Injury rates are particularly high for children and the elderly.

"(3) Injury causes 50 percent of all deaths for children over the age of one year and two-thirds of all deaths for children over the age of 15 years, and is the leading cause of death for individuals under the age of 44 years. Individuals over the age of 65 years have the highest fatality rates for many injuries.

"(4) Injury control has not been given high priority in the United States, and the research being conducted on injury control and the number of personnel
