

(e) Maintenance of effort

(1) In general

With respect to activities for which an award under subsection (a) of this section is authorized to be expended, the Director of the Institute may not make such an award to a designated research institution or consortium for any fiscal year unless the institution, or institutions in the consortium, as the case may be, agree to maintain expenditures of non-Federal amounts for such activities at a level that is not less than the level of such expenditures maintained by the institutions involved for the fiscal year preceding the fiscal year for which such institutions receive such an award.

(2) Use of Federal funds

With respect to any Federal amounts received by a designated research institution or consortium and available for carrying out activities for which an award under subsection (a) of this section is authorized to be expended, the Director of the Institute may make such an award only if the institutions involved agree that the institutions will, before expending the award, expend the Federal amounts obtained from sources other than the award.

(f) Certain expenditures

The Director of the Institute may authorize a designated biomedical and behavioral research institution to expend a portion of an award under subsection (a) of this section for research endowments.

(g) Definitions

For purposes of this section:

(1) The term “designated biomedical and behavioral research institution” has the meaning indicated for such term in subsection (c)(1) of this section. Such term includes any health professions school receiving an award of a grant or contract under section 293 of this title.

(2) The term “program of excellence” means any program carried out by a designated biomedical and behavioral research institution with an award under subsection (a) of this section, if the program is for purposes for which the institution involved is authorized in subsection (b) of this section to expend the grant.

§ 285t-2. Loan repayment program for minority health disparities research

(a) In general

The Director of the Institute shall establish a program of entering into contracts with qualified health professionals under which such health professionals agree to engage in minority health disparities research or other health disparities research in consideration of the Federal Government agreeing to repay, for each year of engaging in such research, not more than \$35,000 of the principal and interest of the educational loans of such health professionals.

(b) Service provisions

The provisions of sections 254f-1, 254m, and 254o of this title shall, except as inconsistent with subsection (a) of this section, apply to the program established in such subsection to the same extent and in the same manner as such provisions apply to the National Health Service Corps Loan Repayment Program established in subpart III of part D of subchapter II of this chapter.

(c) Requirement regarding health disparity populations

The Director of the Institute shall ensure that not fewer than 50 percent of the contracts entered into under subsection (a) of this section are for appropriately qualified health professionals who are members of a health disparity population.

(d) Priority

With respect to minority health disparities research and other health disparities research under subsection (a) of this section, the Secretary shall ensure that priority is given to conducting projects of biomedical research.

PART D—NATIONAL LIBRARY OF MEDICINE

SUBPART 1—GENERAL PROVISIONS

§ 286. National Library of Medicine

(a) Purpose and establishment

In order to assist the advancement of medical and related sciences and to aid the dissemination and exchange of scientific and other information important to the progress of medicine and to the public health, there is established the National Library of Medicine (hereafter in this part referred to as the “Library”).

(b) Functions

The Secretary, through the Library and subject to subsection (d) of this section, shall—

(1) acquire and preserve books, periodicals, prints, films, recordings, and other library materials pertinent to medicine;

(2) organize the materials specified in paragraph (1) by appropriate cataloging, indexing, and bibliographical listings;

(3) publish and disseminate the catalogs, indexes, and bibliographies referred to in paragraph (2);

(4) make available, through loans, photographic or other copying procedures, or otherwise, such materials in the Library as the Secretary determines appropriate;

(5) provide reference and research assistance;

(6) publicize the availability from the Library of the products and services described in any of paragraphs (1) through (5);

(7) promote the use of computers and telecommunications by health professionals (including health professionals in rural areas) for the purpose of improving access to biomedical information for health care delivery and medical research; and

(8) engage in such other activities as the Secretary determines appropriate and as the Library’s resources permit.

(c) Exchange, destruction, or disposal of materials not needed

The Secretary may exchange, destroy, or otherwise dispose of any books, periodicals, films, and other library materials not needed for the permanent use of the Library.

(d) Availability of publications, materials, facilities, or services; prescription of rules

(1) The Secretary may, after obtaining the advice and recommendations of the Board of Regents, prescribe rules under which the Library will—

(A) provide copies of its publications or materials,

(B) will make available its facilities for research, or

(C) will make available its bibliographic, reference, or other services,

to public and private entities and individuals.

(2) Rules prescribed under paragraph (1) may provide for making available such publications, materials, facilities, or services—

(A) without charge as a public service,

(B) upon a loan, exchange, or charge basis, or

(C) in appropriate circumstances, under contract arrangements made with a public or other nonprofit entity.

(e) Regional medical libraries; establishment

Whenever the Secretary, with the advice of the Board of Regents, determines that—

(1) in any geographic area of the United States there is no regional medical library adequate to serve such area;

(2) under criteria prescribed for the administration of section 286b-6 of this title, there is a need for a regional medical library to serve such area; and

(3) because there is no medical library located in such area which, with financial assistance under section 286b-6 of this title, can feasibly be developed into a regional medical library adequate to serve such area,

the Secretary may establish, as a branch of the Library, a regional medical library to serve the needs of such area.

(f) Acceptance and administration of gifts; memorials

Section 238 of this title shall be applicable to the acceptance and administration of gifts made for the benefit of the Library or for carrying out any of its functions, and the Board of Regents shall make recommendations to the Secretary relating to establishment within the Library of suitable memorials to the donors.

(g) “Medicine” and “medical” defined

For purposes of this part, the terms “medicine” and “medical”, except when used in sec-
