TERMINATION OF ADVISORY BOARDS

Advisory boards established after Jan. 5, 1973, to terminate not later than the expiration of the 2-year period beginning on the date of their establishment, unless, in the case of a board established by the President or an officer of the Federal Government, such board is renewed by appropriate action prior to the expiration of such 2-year period, or in the case of a board established by Congress, its duration is otherwise provided

by law. See sections 3(2), and 14 of Pub. L. 92–463, Oct. 6, 1972, 86 Stat. 770, 776, set out in the Appendix to Title 5, Government Organization and Employees.

§ 5503. Office of Intermodalism

(a) ESTABLISHMENT.—There is established in the Research and Innovative Technology Administration an Office of Intermodalism.

(b) DIRECTOR.—The head of the Office is a Director who shall be appointed by the Secretary.

(c) DUTIES AND POWERS.—The Director shall carry out the duties of the Secretary described in section 301(3) of this title.

(d) RESEARCH.—The Director shall—

- (1) coordinate United States Government research on intermodal transportation as provided in the plan developed under section 6009(b) of the Intermodal Surface Transportation Efficiency Act of 1991 (Public Law 102–240, 105 Stat. 2177); and
- (2) carry out additional research needs identified by the Director.

(e) TECHNICAL ASSISTANCE.—The Director shall provide technical assistance to States and to metropolitan planning organizations for urban areas having a population of at least 1,000,000 in collecting data related to intermodal transportation to facilitate the collection of the data by States and metropolitan planning organizations. Amounts reserved under section 5504(d) not awarded to States as grants may be used by the Director to provide technical assistance under this subsection.

(f) NATIONAL INTERMODAL SYSTEM IMPROVEMENT PLAN.—

- (1) IN GENERAL.—The Director, in consultation with the advisory board established under section 5502 and other public and private transportation interests, shall develop a plan to improve the national intermodal transportation system. The plan shall include—

(A) an assessment and forecast of the national intermodal transportation system’s impact on mobility, safety, energy consumption, the environment, technology, international trade, economic activity, and quality of life in the United States;

(B) an assessment of the operational and economic attributes of each passenger and freight mode of transportation and the optimal role of each mode in the national intermodal transportation system;

(C) a description of recommended intermodal and multimodal research and development projects;

(D) a description of emerging trends that have an impact on the national intermodal transportation system;

(E) recommendations for improving intermodal policy, transportation decision-making, and financing to maximize mobility and the return on investment of Federal spending on transportation;

(F) an estimate of the impact of current Federal and State transportation policy on the national intermodal transportation system; and

(G) specific near and long-term goals for the national intermodal transportation system.

(2) PROGRESS REPORTS.—The Director shall submit an initial report on the plan to im-
