 - 22102. Eligibility.
 - 22103. Applications.
 - 22104. State rail plan financing.
 - 22105. Sharing project costs.

§ 22101. Financial assistance for State projects

(a) GENERAL.—The Secretary of Transportation shall provide financial assistance to a State, as provided under this chapter, for a rail freight assistance project of the State when a rail carrier subject to part A of subtitle IV of this title maintains a rail line in the State. The assistance is for the cost of—

(1) acquiring, in any way the State considers appropriate, an interest in a rail line or rail property to maintain existing, or to provide future, rail freight transportation, but only if the Surface Transportation Board has authorized, or exempted from the requirements of that authorization, the abandonment of, or the discontinuance of rail transportation on, the rail line related to the project;

(2) improving and rehabilitating rail property on a rail line to the extent necessary to allow adequate and efficient rail freight transportation on the line, but only if the rail carrier certifies that the rail line related to the project carried not more than 5,000,000 gross ton-miles of freight a mile in the prior year; and

(3) building rail or rail-related facilities (including new connections between at least 2 existing rail lines, intermodal freight terminals, sidings, bridges, and relocation of existing lines) to improve the quality and efficiency of the rail freight transportation, but only if the rail carrier certifies that the rail line related to the project carried not more than 5,000,000 gross ton-miles of freight a mile in the prior year.

(b) CALCULATING COST-BENEFIT RATIO.—The Secretary shall establish a methodology for calculating the ratio of benefits to costs of projects proposed under this chapter. In establishing the methodology, the Secretary shall consider the need for equitable treatment of different regions of the United States and different commodities transported by rail. The establishment of the methodology is committed to the discretion of the Secretary.

(c) CONDITIONS.—(1) Assistance for a project shall be provided under this chapter only if—

(A) a rail carrier certifies that the rail line related to the project carried more than 20 carloads a mile during the most recent year during which transportation was provided by the carrier on the line; and

(B) the ratio of benefits to costs for the project, as calculated using the methodology

established under subsection (b) of this section, is more than 1.0.

(2) If the rail carrier that provided the transportation on the rail line is no longer in existence, the applicant for the project shall provide the information required by the certification under paragraph (1)(A) of this subsection in the way the Secretary prescribes.

(3) The Secretary may waive the requirement of paragraph (1)(A) or (2) of this subsection if the Secretary—

(A) decides that the rail line has contractual guarantees of at least 40 carloads a mile for each of the first 2 years of operation of the proposed project; and

(B) finds that there is a reasonable expectation that the contractual guarantees will be fulfilled.

(d) LIMITATIONS ON AMOUNTS.—A State may not receive more than 15 percent of the amounts provided in a fiscal year under this chapter. Not more than 20 percent of the amounts available under this chapter may be provided in a fiscal year for any one project.

The word “conditions” is omitted as being included in “terms”. The words “Secretary of the Treasury” are substituted for “Department of the Treasury” because of 31:301(b).

In subsection (b), the words “in the same manner and under the same conditions as if they were originally granted to the State by the Secretary” are omitted as unnecessary.

In subsection (e)(2), the words “assistance under this chapter” are substituted for “Federal assistance” for clarity and consistency in this chapter.

PUB. L. 104-287

This amends 49:22106(b) to clarify the restatement of 49 App.:1654(d)(3) by section 1 of the Act of July 5, 1994 (Public Law 103-272, 108 Stat. 897).

AMENDMENTS

2008—Subsec. (a). Pub. L. 110-432, §701(a)(1), struck out last sentence which read as follows: “The State shall decide on the financial terms of the grant or loan, except that the time for making grant advances shall comply with regulations of the Secretary of the Treasury.”

Subsec. (b). Pub. L. 110-432, §701(a)(2), added subsec. (b) and struck out former subsec. (b). Prior to amendment, text read as follows: “The State shall place the United States Government’s share of money that is repaid in an interest-bearing account. However, the Secretary of Transportation may allow a borrower to place that money, for the benefit of the State, in a bank designated by the Secretary of the Treasury under section 10 of the Act of June 11, 1942 (12 U.S.C. 265). The State shall use the money and accumulated interest to make other grants and loans under this chapter in the same manner and under the same conditions as if they were originally granted to the State by the Secretary of Transportation.”

Subsecs. (c), (d). Pub. L. 110-432, §701(a)(3), redesignated subsec. (d) as (c) and struck out former subsec. (c). Text of former subsec. (c) read as follows: “The State may pay the Secretary of Transportation the Government’s share of unused money and accumulated interest at any time. However, the State must pay the unused money and accumulated interest to the Secretary when the State ends its participation under this chapter.”

Subsec. (e). Pub. L. 110-432, §701(a)(3), struck out subsec. (e). Text read as follows: “Each State shall retain a contingent interest (redeemable preference shares) for the Government’s share of amounts in a rail line receiving assistance under this chapter. The State may collect its share of the amounts used for the rail line if—

“(1) an application for abandonment of the rail line is filed under chapter 109 of this title; or

“(2) the rail line is sold or disposed of after it has received assistance under this chapter.”

1996—Subsec. (b). Pub. L. 104-287 inserted “in the same manner and under the same conditions as if they were originally granted to the State by the Secretary of Transportation” after “under this chapter”.

EFFECTIVE DATE OF 1996 AMENDMENT

Amendment by Pub. L. 104-287 effective July 5, 1994, see section 8(1) of Pub. L. 104-287, set out as a note under section 5303 of this title.

§ 22107. Records, audits, and information

(1) the amount of, and disposition by the recipient, of the assistance;

(2) the total costs of the project for which the assistance was given or used;

(3) the amount of that part of the costs of the project paid by other sources; and

(4) any other records that will make an effective audit easier.

(b) AUDITS.—The Secretary shall make regular financial and performance audits, as provided under chapter 75 of title 31, of activities and transactions assisted under this chapter.

(c) INFORMATION.—The Surface Transportation Board shall provide the Secretary with information the Secretary requests to assist in carrying out this chapter. The Board shall provide the information not later than 30 days after receiving a request from the Secretary.
