

GPO Paper Control is the division that administers and maintains a paper inventory of hundreds of items for GPO's in-house production requirements as well as a variety of blank papers, envelopes, inks, and services for congressional and agency requirements. This includes specialty items such as watermarked bond papers as well as everyday items like an array of multi-use copy paper.

Our paper experts can assist your agency with any kind of paper need and ensure we are obtaining a low and competitive price for your agency. GPO Paper Control streamlines the ordering process and makes ordering easy so it fits your agency's requirements and schedules. Plus, if delivery is in the Washington DC Metropolitan area, we ship for no cost!

See all the Benefits of GPO Paper Control

- Flexibility and simplicity in the ordering process through streamlined ordering
- You are working with GPO, no need to spend time with bidding and paperwork
- GPO follows Executive Order 13423, so your paper is in line with established Government regulations on sustainability
