

security office or to the office that gave you the advance notice. We consider 10 days to be enough time for you to tell us, although we will allow you more time if you need it. You will have to ask for additional time beyond 10 days if you need it.

(d) *When we will not give you advance notice.* We will not give you advance notice when we determine that you are not disabled if—

(1) We recently told you that the information we have shows that you are not now disabled, that we were gathering more information, and that your benefits will stop; or

(2) We are stopping your benefits because you told us you are not now disabled; or

(3) We recently told you that continuing your benefits would probably cause us to overpay you and you asked us to stop your benefits.

§ 404.1596 Circumstances under which we may suspend your benefits before we make a determination.

(a) *General.* Under some circumstances, we may stop your benefits before we make a determination. Generally, we do this when the information we have clearly shows you are not now disabled but we cannot determine when your disability ended. These situations are described in paragraph (b)(1) and other reasons are given in paragraph (b)(2) of this section. We refer to this as a suspension of benefits. Your benefits, as well as those of your dependents (regardless of where they receive their benefits), may be suspended. When we do this we will give you advance notice. (See § 404.1595.) We will contact your spouse and children if they are receiving benefits on your Social Security number, and the benefits are being mailed to an address different from your own.

(b) *When we will suspend your benefits—*(1) *You are not now disabled.* We will suspend your benefits if the information we have clearly shows that you are not disabled and we will be unable to complete a determination soon enough to prevent us from paying you more monthly benefits than you are entitled to. This may occur when—

(i) New medical or other information clearly shows that you are able to do

substantial gainful activity and your benefits should have stopped more than 2 months ago;

(ii) You completed a 9-month period of trial work more than 2 months ago and you are still working;

(iii) At the time you filed for benefits your condition was expected to improve and you were expected to be able to return to work. You subsequently did return to work more than 2 months ago with no significant medical restrictions; or

(iv) You are not entitled to a trial work period and you are working.

(2) *Other reasons.* We will also suspend your benefits if—

(i) You have failed to respond to our request for additional medical or other evidence and we are satisfied that you received our request and our records show that you should be able to respond.

(ii) We are unable to locate you and your checks have been returned by the Post Office as undeliverable; or

(iii) You refuse to accept vocational rehabilitation services without a good reason. Section 404.422 gives you examples of good reasons for refusing to accept vocational rehabilitation services.

(c) *When we will not suspend your cash benefits.* We will not suspend your cash benefits if—

(1) The evidence in your file does not clearly show that you are not disabled;

(2) We have asked you to furnish additional information;

(3) You have become disabled by another impairment; or

(4) After November 1980, even though your impairment is no longer disabling,

(i) You are participating in an appropriate vocational rehabilitation program (that is, one that has been approved under a State plan approved under title I of the Rehabilitation Act of 1973 and which meets the requirements outlined in 34 CFR part 361) which you began during your disability,

(ii) Your disability did not end before December 1, 1980, and

(iii) We have determined that your completion of the program, or your continuation in the program for a specified period of time, will significantly increase the likelihood that you will

not have to return to the disability benefit rolls.

§ 404.1597 After we make a determination that you are not now disabled.

(a) *General.* If we determine that you do not meet the disability requirements of the law, your benefits generally will stop. We will send you a formal written notice telling you why we believe you are not disabled and when your benefits should stop. If your spouse and children are receiving benefits on your Social Security number, we will also stop their benefits and tell them why. The notices will explain your right to reconsideration if you disagree with our determination. However, your benefits may continue after November 1980 even though your impairment is no longer disabling, if your disability did not end before December 1980, and you are participating in an appropriate vocational rehabilitation program as described in § 404.1596 which you began before your disability ended. In addition, we must have determined that your completion of the program, or your continuation in the program for a specified period of time, will significantly increase the likelihood that you will not have to return to the disability benefit rolls. You may still appeal our determination that you are not disabled even though your benefits are continuing because of your participation in an appropriate vocational rehabilitation program. You may also appeal a determination that your completion or of continuation for a specified period of time in an appropriate vocational rehabilitation program will not significantly increase the likelihood that you will not have to return to the disability benefit rolls and, therefore, you are not entitled to continue to receive benefits.

(b) *If we make a determination that your physical or mental impairment(s) has ceased, did not exist, or is no longer disabling (Medical Cessation Determination).* If we make a determination that the physical or mental impairment(s) on the basis of which benefits were payable has ceased, did not exist, or is no longer disabling (a medical cessation

determination), your benefits will stop. As described in paragraph (a) of this section, you will receive a written notice explaining this determination and the month your benefits will stop. The written notice will also explain your right to appeal if you disagree with our determination and your right to request that your benefits and the benefits, if any, of your spouse or children, be continued under § 404.1597a. For the purpose of this section, *benefits* means disability cash payments and/or Medicare, if applicable. The continued benefit provisions of this section do not apply to an initial determination on an application for disability benefits, or to a determination that you were disabled only for a specified period of time.

[47 FR 31544, July 21, 1982, as amended at 51 FR 17618, May 14, 1986; 53 FR 29020, Aug. 2, 1988; 53 FR 39015, Oct. 4, 1988]

§ 404.1597a Continued benefits pending appeal of a medical cessation determination.

(a) *General.* If we determine that you are not entitled to benefits because the physical or mental impairment(s) on the basis of which such benefits were payable is found to have ceased, not to have existed, or to no longer be disabling, and you appeal that determination, you may choose to have your benefits continued pending reconsideration and/or a hearing before an administrative law judge on the disability cessation determination. For the purpose of this entire section, the election of *continued benefits* means the election of disability cash payments and/or Medicare, if applicable. You can also choose to have the benefits continued for anyone else receiving benefits based on your wages and self-employment income (and anyone else receiving benefits because of your entitlement to benefits based on disability). If you appeal a medical cessation under both title II and title XVI (a concurrent case), the title II claim will be handled in accordance with title II regulations while the title XVI claim will be handled in accordance with the title XVI regulations.

(b) *When the provisions of this section are available.* (1) Benefits may be continued under this section only if the
