had been entered into, would have been reimbursable under this contract.

3052.228-92 Fair market value of aircraft (USCG).

(End of clause)

As prescribed in USCG guidance at (HSAR) 48 CFR 3028.306-90(a) and (c), insert the following clause:

3052.235-70 Dissemination of information—educational institutions.

As prescribed in (HSAR) 48 CFR 3035.70-2, insert the following clause:

FAIR MARKET VALUE OF AIRCRAFT (DEC 2003)

DISSEMINATION OF INFORMATION—
EDUCATIONAL INSTITUTIONS (DEC 2003)

For purposes of the clause entitled “Loss of or Damage to Leased Aircraft,” the fair market value of the aircraft to be used in the performance of this contract shall be the lesser of the two values set out in paragraphs (a) and (b) below:

(a) The Department of Homeland Security (DHS) desires widespread dissemination of the results of funded non-sensitive research. The Contractor, therefore, may publish (subject to the provisions of the “Data Rights” and “Patent Rights” clauses of the contract) research results in professional journals, books, trade publications, or other appropriate media (a thesis or collection of these should not be used to distribute results because dissemination will not be sufficiently widespread). All costs of publication pursuant to this clause shall be borne by the Contractor and shall not be charged to the Government under this or any other Federal contract.

(a) \$ ____; or

(b) If the contractor has insured the same aircraft against loss or destruction in connection with other operations, the amount of such insurance coverage on the date of the loss or damage for which the Government may be responsible under this contract.

(b) Any copy of material published under this clause shall contain acknowledgment of DHS’s sponsorship of the research effort and a disclaimer stating that the published material represents the position of the author(s) and not necessarily that of DHS. Articles for publication or papers to be presented to professional societies do not require the authorization of the Contracting Officer prior to release. However, a printed or electronic copy of each article shall be transmitted to the Contracting Officer at least two weeks prior to release or publication.

(End of clause)

3052.228-93 Risk and indemnities (USCG).

(c) Publication under the terms of this clause does not release the Contractor from the obligation of preparing and submitting to the Contracting Officer a final report containing the findings and results of research, as set forth in the schedule of the contract.

As prescribed in USCG guidance at (HSAR) 48 CFR 3028.306-90(a) and (d), insert the following clause:

(End of clause)

RISK AND INDEMNITIES (DEC 2003)

The Contractor hereby agrees to indemnify and hold harmless the Government, its officers and employees from and against all claims, demands, damages, liabilities, losses, suits and judgments (including all costs and expenses incident thereto) which may be suffered by, accrue against, be charged to or recoverable from the Government, its officers and employees by reason of injury to or death of any person other than officers, agents, or employees of the Government or by reason of damage to property of others of whatsoever kind (other than the property of the Government, its officers, agents or employees) arising out of the operation of the aircraft. In the event the Contractor holds or obtains insurance in support of this covenant, evidence of insurance shall be delivered to the Contracting Officer.

3052.231-70 Precontract costs.

3052.236-70 Special precautions for work at operating airports.

As prescribed in (HSAR) 48 CFR 3031.205-32, insert the following clause:

As prescribed in (HSAR) 48 CFR 3036.570, insert the following clause:

PRECONTRACT COSTS (DEC 2003)

SPECIAL PRECAUTIONS FOR WORK AT
OPERATING AIRPORTS (DEC 2003)

The Contractor shall be entitled to reimbursement for pre-contract costs incurred on or after ____ in an amount not to exceed \$ ____ that, if incurred after this contract

(a) When work is to be performed at an operating airport, the Contractor must arrange its work schedule so as not to interfere with

3052.242-70

flight operations. Such operations will take precedence over construction convenience. Any operations of the Contractor which would otherwise interfere with or endanger the operations of aircraft shall be performed only at times and in the manner directed by the Contracting Officer. The Government will make every effort to reduce the disruption of the Contractor's operation.

(b) Unless otherwise specified by local regulations, all areas in which construction operations are underway shall be marked by yellow flags during daylight hours and by red lights at other times. The red lights along the edge of the construction areas within the existing aprons shall be the electric type of not less than 100 watts intensity placed and supported as required. All other construction markings on roads and adjacent parking lots may be either electric or battery type lights. These lights and flags shall be placed so as to outline the construction areas and the distance between any two flags or lights shall not be greater than 25 feet. The Contractor shall provide adequate watch to maintain the lights in working condition at all times other than daylight hours. The hour of beginning and the hour of ending of daylight will be determined by the Contracting Officer.

(c) All equipment and material in the construction areas or when moved outside the construction area shall be marked with airport safety flags during the day and when directed by the Contracting Officer, with red obstruction lights at nights. All equipment operating on the apron, taxiway, runway, and intermediate areas after darkness hours shall have clearance lights in conformance with instructions from the Contracting Officer. No construction equipment shall operate within 50 feet of aircraft undergoing fuel operations. Open flames are not allowed on the ramp except at times authorized by the Contracting Officer.

(d) Trucks and other motorized equipment entering the airport or construction area shall do so only over routes determined by the Contracting Officer. Use of runways, aprons, taxiways, or parking areas as truck or equipment routes will not be permitted unless specifically authorized for such use. Flag personnel shall be furnished by the Contractor at points on apron and taxiway for safe guidance of its equipment over these areas to assure right of way to aircraft. Areas and routes used during the contract must be returned to their original condition by the Contractor. Airport management shall establish the maximum speed allowed at the airport. Vehicles shall be operated so as to be under safe control at all times, weather and traffic conditions considered. Vehicles must be equipped with head and taillights during the hours of darkness.

3052.242-70 [Reserved]

3052.242-72 Contracting officer's technical representative.

As prescribed in (HSAR) 48 CFR 3042.7000, insert the following clause:

CONTRACTING OFFICER'S TECHNICAL REPRESENTATIVE (DEC 2003)

(a) The Contracting Officer may designate Government personnel to act as the Contracting Officer's Technical Representative (COTR) to perform functions under the contract such as review or inspection and acceptance of supplies, services, including construction, and other functions of a technical nature. The Contracting Officer will provide a written notice of such designation to the Contractor within five working days after contract award or for construction, not less than five working days prior to giving the contractor the notice to proceed. The designation letter will set forth the authorities and limitations of the COTR under the contract.

(b) The Contracting Officer cannot authorize the COTR or any other representative to sign documents, such as contracts, contract modifications, etc., that require the signature of the Contracting Officer.

(End of clause)

3052.247-70 F.o.b. origin information.

As prescribed in (HSAR) 48 CFR 3047.305-70(a), insert the following provision:

F.O.B. ORIGIN INFORMATION (DEC 2003)

The offeror shall furnish information with the offer:

(a) Location of the offeror's actual shipping point(s) (street address, city, state, and zip code) from which supplies will be delivered to the Government;

(b) Whether the offered shipping point has a private railroad siding, and the name of the rail carrier serving it;

(c) When the offered shipping point does not have a private siding, the names and addresses of the nearest public rail siding and of the carrier serving it; and

(d) The quantity of supplies to be shipped from each shipping point.

(End of provision)

Alterate I (DEC 2003). If delivery is "f.o.b. origin, contractor's facility," and the designated facility is not covered by the line-haul transportation
