1 funding of plaques in connection with the commemorative  
2 designation of postal facilities;”.

3 (b) DESIGNATIONS.—The donor of a monetary dona-  
4 tion described in the amendment made by subsection (a)  
5 may specify the postal facility with respect to which such  
6 donation is to be used.

7 (c) REQUIREMENT.—The United States Postal Serv-

12 (1) a law has been enacted providing for the  
13 designation of the postal facility involved; and

15 the manner described in subsection (b), to provide  
16 for such plaque.

17 Any donations received by the Postal Service under sub-  
18 section (b) in excess of the total amount needed in order  
19 to provide for a suitable plaque may, with the consent of  
20 the donors involved, be used for the funding of a plaque

22 (as described in paragraph (1)) has been enacted.

23 (d) RULE OF CONSTRUCTION.—Nothing in this sec-

3           cerning the design, placement, and limitation on  
4           costs relating to commemorative plaques (as de-  
5           scribed in the preceding provisions of this section),  
6           so long as such requirements are applied in a uni-  
7           form manner; or

8           (2) to limit, supersede, or render inapplicable  
9           any other authority or duty which (but for this Act)  
10          the United States Postal Service would otherwise  
11          have had with respect to the commemorative des-  
12          ignation of a facility or the funding, commissioning,  
13          or installation of a plaque in connection with such
