GPO PRODUCES OFFICIAL PHOTOGRAPHS OF PRESIDENT TRUMP AND VICE PRESIDENT VANCE

WASHINGTON – The U.S. Government Publishing Office (GPO) has produced the official photographs of President Donald J. Trump and Vice President JD Vance. These photographs will be hung in more than 1,600 Federal buildings managed by the General Services Administration (GSA), military installations, and other Federal facilities. GPO will print nearly 100,000 photographs, which include four sizes: 8 x 10, 11 x 14, 20 x 24, and 16 x 20. As in previous administrations, GPO is also making these official photographs available for sale to the public.

“GPO is honored to produce the official photos of the President and Vice President,” said GPO Director Hugh Nathaniel Halpern. “Thank you, President Trump, for entrusting GPO with this important job. I also appreciate the hard work put in by the GPO team to ensure these products meet our highest quality standards so they will look great as they are displayed all across the Nation. Thank you to our team for providing a first-rate customer experience.”

The public can order the photographs on GPO’s Online Bookstore:

GPO is the Federal Government’s resource for publishing trusted information for the Federal Government to the American people. The GPO is responsible for producing and distributing information products and services for all three branches of the Federal Government, including U.S. passports for the Department of State and the official publications of Congress, the White House, and other Federal agencies in digital and print formats. GPO provides permanent public access to Federal Government information at no charge through www.GovInfo.gov and partnerships with approximately 1,100 libraries nationwide participating in the Federal Depository Library Program. For more information, please visit www.gpo.gov.
