

July 23, 2026

This is Amendment No. 1. The specifications in our invitation for bids on Program 0144-S, scheduled for opening at 11:00 am August 4, 2026, are amended as follows:

1. The bid opening date remains the same.
2. For clarification purposes:
 - a. The holographic foil stamp is in the shape of a mountain and appears on the front (face) of the passes. See Exhibits attached circling the applicable areas.
 - b. The text in invisible UV fluorescent ink should appear on the center-right of the front (face) of each pass.
 - c. The invisible UV fluorescent ink is not the same as glow in the dark ink. Unlike glow in the dark ink, it is a security feature and should only be seen when lit with a UV light source.

All other specifications remain the same.

If amendment is not acknowledged on bid, direct acknowledgement to bids@gpo.gov.

Amended bid or acknowledgement must be submitted using the method(s) specified in the solicitation for bid submission.

BIDDER MUST ACKNOWLEDGE RECEIPT OF THIS AMENDMENT PRIOR TO BID OPENING. Failure to acknowledge receipt of amendment by amendment number prior to bid opening time may be reason for bid being declared nonresponsive.

Sincerely,

JENNIFER YARBROUGH
Contracting Officer
