U.S. GOVERNMENT PUBLISHING OFFICE
Charleston, SC

GENERAL TERMS, CONDITIONS, AND SPECIFICATIONS
For the Procurement of
SOCOM Publications
as requisitioned from the U.S. Government Publishing Office (GPO) by
DLA Document Services, Jacksonville, FL

Single Award

TERM OF CONTRACT: The term of this contract is for the period beginning August 1, 2022 and ending July 31, 2023.

REVISION: Specifications were extensively revised. The “Tip of the Spear” magazine has been reduced in quantity, the “Annual Fact Book” has been reduced in pages and quantity. The “Annual Planner” has been cancelled. Previous responders please submit revised pricing.

BID OPENING: Bids shall be opened at 11:00 a.m., prevailing Eastern Time, on July 11, 2022. Due to the COVID-19 pandemic, this will NOT be a public bid opening.

BID SUBMISSION: Due to the COVID-19 pandemic, the physical office will NOT be open. Based on this, bidders MUST submit email bids to bidscharleston@gpo.gov for this solicitation. No other method of bid submission will be accepted at this time. The Program 6407-S and bid opening date must be specified in the subject line of the emailed bid submission. Bids received after 11:00 a.m. on the bid opening date specified above will not be considered for award.

ADDITIONAL EMAILED BID SUBMISSION PROVISIONS: The Government will not be responsible for any failure attributable to the transmission or receipt of the emailed bid including, but not limited to, the following:

- Illegibility of bid.
- Emails over 75 MB may not be received by GPO due to size limitations for receiving emails.
- The bidder’s email provider may have different size limitations for sending email; however, bidders are advised not to exceed GPO’s stated limit.
- When the email bid is received by GPO, it will remain unopened until the specified bid opening time. Government personnel will not validate receipt of the emailed bid prior to bid opening. GPO will use the prevailing time (specified as the local time zone) and the exact time that the email is received by GPO’s server as the official time stamp for bid receipt at the specified location.

BIDDERS, PLEASE NOTE: These specifications have been extensively revised; therefore, all bidders are cautioned to familiarize themselves with all provisions of these specifications before bidding.

Abstract for the current contract is available from: https://www.gpo.gov/docs/default-source/contract-pricing/contract-pricing/charleston/ab6407s.pdf

Direct all questions to Bruce Canzanella at (202) 679-3838, or email bcanzanella@gpo.gov.
SECTION 1. - GENERAL TERMS AND CONDITIONS

GPO CONTRACT TERMS: Any contract which results from this Invitation for Bid will be subject to the applicable provisions, clauses, and supplemental specifications of GPO Contract Terms (GPO Publication 310.2, effective December 1, 1987 (Rev. 01-18)) and GPO Contract Terms, Quality Assurance Through Attributes Program for Printing and Binding (GPO Publication 310.1, effective May 1979 (revised 09-19)).

SUBCONTRACTING: Subcontracting is not allowed for this contract.

GPO IMPRINT REQUIREMENTS: The GPO imprint requirement, GPO Contract Terms, Supplemental Specifications, No. 9, is waived.

QUALITY ASSURANCE LEVELS AND STANDARDS: The following levels and standards shall apply to these specifications:

Product Quality Levels:

(a) Printing (Page related) Attributes -- Level II.
(b) Finishing (Item related) Attributes -- Level II.

Inspection Levels (from ANSI/ASQC Z1.4):

(a) Non-destructive Tests - General Inspection Level I.
(b) Destructive Tests - Special Inspection Level S-2.

Specified Standards: The specified standards for the attributes requiring them shall be:

<table>
<thead>
<tr>
<th>Attribute</th>
<th>Specified Standard</th>
</tr>
</thead>
<tbody>
<tr>
<td>P-7. Type Quality and Uniformity</td>
<td>O.K. Proofs/Electronic Media</td>
</tr>
<tr>
<td>P-8. Halftone Match</td>
<td>O.K. Proofs/Electronic Media</td>
</tr>
<tr>
<td>P-10 Process Color Match</td>
<td>O.K. Proofs/Electronic Media</td>
</tr>
</tbody>
</table>

EXTENSION OF CONTRACT TERM: At the request of the Government, the term of any contract resulting from this solicitation may be extended for such period of time as may be mutually agreeable to the GPO and the contractor.

ASSIGNMENT OF JACKETS, PURCHASE AND PRINT ORDERS: A GPO jacket number will be assigned and a purchase order issued to the contractor to cover work performed. The purchase order will be supplemented by an individual print order for each job placed with the contractor. The print order, when issued, will indicate the quantity to be produced and any other information pertinent to the particular order.
PREAWARD SURVEY: In order to determine the responsibility of the contractor, the Government reserves the right to conduct an on-site pre-award survey at the contractor’s facility or to require other evidence of technical, production, managerial, financial, and similar abilities to perform, prior to the award of a contract. As part of the financial determination, the contractor in line for award may be required to provide one or more of the following financial documents:

1) Most recent profit and loss statement  
2) Most recent balance sheet  
3) Statement of cash flows  
4) Current official bank statement  
5) Current lines of credit (with amounts available)  
6) Letter of commitment from paper supplier(s)

The documents will be reviewed to validate that adequate financial resources are available to perform the contract requirements. Documents submitted will be kept confidential, and used only for the determination of responsibility by the Government. Failure to provide the requested information in the time specified by the Government may result in the Contracting Officer not having adequate information to reach an affirmative determination of responsibility.

ORDERING: Items to be furnished under the contract shall be ordered by the issuance of print orders by the Government. Orders may be issued under the contract from August 1, 2022 through July 31, 2023, plus for such additional period should the contract be extended. All print orders issued are subject to the terms and conditions of the contract. The contract shall control in the event of conflict with any print order. A print order shall be “issued” upon notification by the Government for purposes of the contract when it is electronically transmitted or otherwise physically furnished to the contractor in conformance with the schedule.

REQUIREMENTS: This is a requirements contract for the items and for the period specified herein. Shipment/delivery of items or performance of work shall be made only as authorized by orders issued in accordance with the clause entitled “Ordering.” The quantities of items specified herein are estimates only and are not purchased hereby. Except as may be otherwise provided in this contract, if the Government’s requirements for the items set forth herein do not result in orders in the amounts or quantities described as “estimated,” it shall not constitute the basis for an equitable price adjustment under this contract. Except as otherwise provided in this contract, the Government shall order from the contractor all the items set forth which are required to be purchased by the Government activity identified on page 1.

The Government shall not be required to purchase from the contractor requirements in excess of the limit on total orders under this contract, if any.

Orders issued during the effective period of this contract and not completed within that time shall be completed by the contractor within the time specified in the order, and the rights and obligations of the contractor and the Government respecting those orders shall be governed by the terms of this contract to the same extent as if completed during the effective period of this contract.

If shipment/delivery of any quantity of an item covered by the contract is required by reason of urgency prior to the earliest date that shipment/delivery may be specified under this contract, and if the contractor will not accept an order providing for the accelerated shipment/delivery, the Government may procure this requirement from another source.

The Government may issue orders which provide for shipment/delivery to or performance at multiple destinations.
Subject to any limitations elsewhere in this contract, the contractor shall furnish to the Government all items set forth herein which are called for by print orders issued in accordance with the “Ordering” clause of this contract.

**PAYMENT:** Submitting invoices for payment via the GPO fax gateway (if no samples are required) utilizing the GPO barcode coversheet program application is the most efficient method of invoicing. Instruction for using this method can be found at the following web address: [http://winapps.access.gpo.gov/fms/vouchers/barcode/instructions.html](http://winapps.access.gpo.gov/fms/vouchers/barcode/instructions.html).

To check on the status of a payment, email [invoice-inquiry@gpo.gov](mailto:invoice-inquiry@gpo.gov).

Contractor’s billing invoice must be itemized in accordance with the line items in the “Schedule of Prices.”

**MODIFICATIONS:** If any additional costs are incurred during the production of any print order under this contract due to Government action (i.e., Author’s Alterations), contractor is REQUIRED to contact the publishing specialist in writing for approval BEFORE proceeding.

GOVERNMENT TO FURNISH: Electronic media, will be furnished as follows –

- Platform: Macintosh OSX or Windows XP (or later).
- Storage Media: Email.
- Software: Adobe Acrobat. (Current or near current versions will be submitted).
  - All platform system and software upgrades (for specified applications) which may occur during the term of the contract must be supported by the contractor.
- Fonts: Fonts will not be furnished, embedded, or embedded subsets of the PDF files.
  - As applicable, the contractor is cautioned that furnished fonts are the property of the Government and/or its originator. All furnished fonts are to be eliminated from the contractor’s archive immediately after completion of the contract.
- Additional Information: Files will be furnished as PDF files.
  - CMYK will be used for color identification.

Distribution list will be provided in Excel format.

Identification markings such as register marks, commercial identification marks of any kind, etc., carried in the electronic files, must not print on the finished product.
CONTRACTOR TO FURNISH: All materials and operations, other than those listed under “Government to Furnish,” necessary to produce the product(s) in accordance with these specifications.

ELECTRONIC PREPRESS: Prior to image processing, the contractor shall perform a basic check (preflight) of the furnished media and publishing files to assure correct output of the required reproduction image. Any errors, media damage, or data corruption that might interfere with proper file image processing must be reported to the Charleston RPPO Publishing Specialist prior to further performance.

The contractor shall create or alter any necessary trapping, set proper screen angles and screen frequency, and define file output selection for the imaging device being utilized. Furnished files must be imaged as necessary to meet the assigned quality level.

All halftones are to be 150-line screen or finer.

Files may contain low-resolution images and hairline rules. These files will include illustrations as an integral part of the electronic media.

When required by the Government, the contractor shall make minor revisions to the electronic files. It is anticipated that the Government will make all major revisions. Prior to making revisions, the contractor shall copy the furnished files and make all changes to the copy.

Upon completion of each order, the contractor must furnish final production native application files (digital deliverables) with the furnished material. The digital deliverables must be an exact representation of the final printed product and shall be returned on the same type of storage media as was originally furnished. The Government will not accept, as digital deliverables, PostScript files, Adobe Acrobat Portable Document Format (PDF) files, or any proprietary file formats other than those supplied, unless specified by the Government.

(PROOF: The following requirements apply to all publications:

One (1) set of digital color content proofs for covers and all text pages. Direct to plate must be used to produce the final product with a minimum resolution of 2400 x 2400 dpi.

Proofs must be created using the same Raster Image Processor (RIP) that will be used to produce the product. Proofs shall be collated with all elements in proper position (not pasted up), imaged face and back, trimmed, and folded to the finished size of the product, as applicable.

One (1) set of inkjet proofs that are G7 profiled and use pigment-based inks. A proofing RIP that provides an option for high quality color matching (such as Device Links Technology and/or ICC Profiles Technology), and meets or exceeds industry tolerance to ISO 12647-7 Standard for Graphic Technology (as of 3/19/09, and future amendments) must be utilized plus GRACoL 2006 Coated #1 specifications (CGATS TR006) must be achieved. Output must be a minimum of 720 x 720 dpi on a GRACoL or SWOP certified proofing media. Proofs must contain the following color control strip to be evaluated for accuracy: IDEAlliance ISO 12647-7 Control Strip 2009 or 2013(i1).

Proofs must contain color control bars (such as Brunner, GATF, GRETAG, or RIT) for each color of ink on the sheet. Control bars must be placed parallel to the press’s ink rollers and must show areas consisting of minimum 1/8 x 1/8” solid color patches; tint patches of 25, 50 and 75%; dot gain scale; and gray balance patches for process color (if applicable). These areas must be repeated consecutively across the sheet.

The make and model number of the proofing system utilized shall be furnished with the proofs. These proofs must contain all elements, be in press configuration, and indicate margins. Proofs will be used for color match on press. Direct to plate must be used to produce the final product with a minimum of 2400 x 2400 dpi.)
If any contractor’s errors are serious enough in the opinion of the GPO to require revised proofs, the revised proofs are to be provided at no expense to the Government. No extra time can be allowed for this reproofing; such operations must be accomplished within the original production schedule allotted in the specifications.

In the event proofs are disapproved by the Government, or the contractor fails to submit proofs in a sufficient amount of time to meet the delivery schedule, the contractor may be deemed to have failed to make progress, and is subject to the termination for default clause. However, failure of the Government to terminate the contract for default in such event shall not relieve the contractor of the responsibility to deliver the contract quantities in accordance with the original production schedule allotted in the specifications.

Contractor must not print prior to receipt of an “O.K. to Print.”

**AUTHOR’S ALTERATIONS:** Author’s alterations (refer to page 10 (item 16) of GPO Contract Terms) and revised proofs may be required. Author’s alterations and revised proofs will only be paid for when errors are caused by the Government, and the Government deems it necessary to require revised proofs or make author’s alterations.

**STOCK/PAPER:** The specifications of all stock/paper furnished must be in accordance with those listed herein or listed for the corresponding JCP Code numbers in the “Government Paper Specification Standards No. 13” dated September 2019.

“Tip of the Spear” Magazine:

No.1 Coated Cover, Gloss-Finish, White, basis weight: 100 lbs. per 500 sheets, 20 x 26”, equal to JCP Code L11.

No.1 Coated Text, Gloss-Finish, White, basis weight: 100 lbs. per 500 sheets, 25 x 38”, equal to JCP Code A181.

**PRINTING:**

“Tip of the Spear” Magazine: Print cover and text pages head-to-head in four-color process. After printing, flood coat Covers 1 and 4 with a gloss aqueous coating.

Annual Fact Book: Print cover and text pages head-to-head in four-color process. After printing, flood coat Covers 1 and 4 with a gloss aqueous coating.

NOTE: The GPO imprint requirement is waived and must not print on final product.

**BINDING:**

“Tip of the Spear” Magazine: Saddle-wire stitch in two places and trim three sides. Each product must contain complete 4-page signature after trimming. Single leaves connected with a lip (i.e., binding stub) to left or right side of stitches will not be allowed. Score covers.

Annual Fact Book: Spiral bind text and cover with black plastic coils of suitable capacity. Trim three sides.
NOTE: Spiral binding is not comb binding.

MARGINS: Margins will be as indicated on print order or in furnished electronic files. All publications have full bleed on cover and text pages.

PACKING, LABELING AND MARKING:

All shipments which fill less than a shipping container must be packaged with materials of sufficient strength and durability and in such a manner which will guarantee that the product will not be damaged and the package will not open nor split during shipment.

“Tip of the Spear” Magazine:

Single copies will be inkjet labeled with addresses, or contractor will generate and affix labels.

Multiple copies will be packed as follows:

- In cushioned shipping bags, up to and including 5 pounds.
- In cushioned shipping bags or shipping containers, over 5 pounds, up to and including 12 pounds.
- In cushioned shipping bags or shipping containers over 12 pounds.

Annual Fact Book: Pack in shipping containers not to exceed 45 pounds when fully packed for bulk shipments to MacDill AFB, FL.

DEPARTMENTAL RANDOM COPIES (BLUE LABEL): All orders must be divided into equal sublots in accordance with the chart below. A random copy must be selected from each sublot. Do not choose copies from the same general area in each sublot. The contractor will be required to certify that copies were selected as directed using GPO Form 917-Certificate of Selection of Random Copies (located on GPO.gov). The random copies constitute a part of the total quantity ordered, and no additional charge will be allowed.

These randomly selected copies must be packed separately and identified by a special label (GPO Form 2678-Departmental Random Copies (Blue Label) that must be printed on blue paper and affixed to each affected container. This form can be downloaded from GPO.gov. The container and its contents shall be recorded separately on all shipping documents and sent in accordance with the instructions on the distribution list.

A copy of the print order/specification and a signed Certificate of Selection of Random Copies must be included.

A copy of the signed Certificate of Selection of Random Copies must accompany the invoice sent to U.S. Government Publishing Office, Financial Management Service, for payment. Failure to furnish the certificate may result in delay in processing the invoice.
QUALITY ASSURANCE RANDOM COPIES: In addition to the Departmental Random Copies (Blue Label), the contractor may be required to submit quality assurance random copies to test for compliance against specifications. The Print Order will indicate the number required, if any. When ordered, the contractor must divide the entire order into equal sublots and select a copy from a different general area of each sublot. The contractor will be required to certify that copies were selected as directed using GPO Form 917-Certificate of Selection of Random Copies (located on GPO.gov). Copies will be paid for at the running rate offered in the contractor's bid and their cost will not be a consideration for award. A copy of the Print Order must be included with the samples.

Business Reply Mail labels will be furnished for mailing the quality assurance random copies. The copies are to be mailed at the same time as the first scheduled shipment. A U.S. Postal Service approved Certificate of Mailing, identified by Program, Jacket and Print Order numbers must be furnished with billing as evidence of mailing.
