

For Contractors Doing Business with GPO Agency Acquisitions

A government shutdown has occurred effective 12:01 AM October 1, 2025. All contractors who were awarded a contract and fully funded prior to the shutdown shall continue performing as specified in their contracts. If there are any contracts impacted by a resulting government shutdown, we will notify those contractors directly.

Note: Vendors can continue to submit invoices to GPO during the funding lapse, but GPO will not be able to make payments until FY26 appropriations have been approved and GPO resumes normal operations.

If you have any questions, please email cbettini@gpo.gov or tmatthews@gpo.gov.

Thank you for your support.

For Printing and Related Services for Contractors Doing Business with GPO Government Publishing & Print Procurement

As of 12:01 AM October 1, 2025, the U.S. Government Publishing Office and various agencies have shut down due to a Federal Government funding lapse.

During a shutdown, contractors should continue performance on contracts that were awarded and fully funded prior to the shutdowns. Contractors must continue to fully comply with the terms and conditions of these contracts. Deliveries, proof approvals, and press sheet inspections for agencies that are closed may be negatively impacted. It is recommended that contractors contact a government employee at the delivery location to confirm their availability to receive.

Schedules and other adjustments will be made in accordance with Contract Terms. Contractors should use caution to safeguard all products during any delivery delays.

Please continue to check the [Contract Opportunities](#) and [Online Small Purchase Opportunities](#) (Contractor Connection) or [Online Small Purchase Opportunities](#) (GPO Publish) for procurements.

Note: Vendors can continue to submit invoices to GPO during the funding lapse, but GPO will not be able to make payments until FY26 appropriations have been approved and GPO resumes normal operations.

If you have any questions on a particular contract, please contact the Government Publishing & Print Procurement Team referenced in the specifications or purchase order.
