## GPO LAUNCHES NEW GPO.GOV WEBSITE

Washington – The U.S. Government Publishing Office (GPO) launches a newly designed, user-friendly agency website for customers, vendors, Federal agencies, libraries and the public looking for access to Government information, the latest GPO news, and GPO products and services. The beta site features a simple, mobile-friendly structure that connects the user in a more streamlined digital manner with GPO. Once out of beta, this site will replace the current site that was launched in 2009.

Some of the new features include:

- mobile friendly
- improved internal site search
- improved user experience
- easy access to GPO products and services
- easy access events and training
- easy access to GPO social media platforms
- locating Federal Depository Libraries

“The launch of this new website will make it easier for our customers, the library community and the public to reach out to GPO and discover all of the valuable services the agency offers,” said GPO Director Davita Vance-Cooks. “I want to congratulate GPO’s web team for their hard work in designing, developing and launching this user-friendly website.”
