GPO PRODUCES OFFICIAL PHOTOGRAPHS OF PRESIDENT BIDEN AND VICE PRESIDENT HARRIS

WASHINGTON – The U.S. Government Publishing Office (GPO) produces the official photographs of President Joe Biden and Vice President Kamala Harris. These photographs will be hung in more than 1,600 Federal buildings managed by the General Services Administration (GSA), military installations, and other Federal facilities. GPO will print more than 55,000 photographs, which include four sizes: 8 x 10, 11 x 14, 20 x 24, and 16 x 20. As in previous administrations, GPO is also making these official photographs available for sale to the public.

“GPO is honored to work with the White House to produce the official photos of the President and Vice President,” said GPO Director Hugh Nathaniel Halpern. “These portraits are part of our Nation’s history, and this is just one of the many services GPO provides the White House, Congress and Federal agencies. I am proud of our GPO team for showcasing their technical expertise and providing exceptional customer service on this important project.”

The public can order photos on GPO’s Online Bookstore at <https://bookstore.gpo.gov/search/products?keywords=Biden>

GPO is the Federal Government’s official, digital, secure resource for producing, procuring, cataloging, indexing, authenticating, disseminating, and preserving the official information products of the U.S. Government. The GPO is responsible for the production and distribution of information products and services for all three branches of the Federal Government, including U.S. passports for the Department of State as well as the official publications of Congress, the White House, and other Federal agencies in digital and print formats. GPO provides for permanent public access to Federal Government information at no charge through www.govinfo.gov and partnerships with approximately 1,100 libraries nationwide participating in the Federal Depository Library Program.
