U.S. GOVERNMENT PUBLISHING OFFICE
Dallas, TX

GENERAL TERMS, CONDITIONS, AND SPECIFICATIONS
For the Procurement of

Outreach Items

As requisitioned from the U.S. Government Publishing Office (GPO) by the
U.S. Department of Agriculture – Natural Resources Conservation Services – Texas State Office

BID OPENING: Bids shall be publicly opened at 10:00 AM (CST), prevailing Dallas, TX time, on December 11, 2018.

For information of a technical nature call Jim Hunt at (214) 767-0451, Ext. 5.

GPO CONTRACT TERMS: GPO has issued a new GPO Publication 310.2, GPO Contract Terms - Solicitation Provisions, Supplemental Specifications, and Contract Clauses (Rev 1-18). Prospective bidders should carefully read this publication as the applicable terms within become an integral part of this contract. The document is posted at https://www.gpo.gov/how-to-work-with-us/vendors/forms-and-standards along with a list of major revisions.

BIDDERS, PLEASE NOTE: The GPO 910 “BID” Form is no longer required. Bidders are to fill out, sign/initial, as applicable, all pages under “OFFERS” (Page 16).

Facsimile bids are acceptable. Only submit one bid for a single bid jacket per fax transmission. Telegraphic, voice telephonic, other electronic, or mailgram bids are not acceptable. Refer to GPO Contract Terms (GPO Pub. 310.2). Facsimile bids must include the “Additional Rates” on Pages 13-14. Submit bids to: Fax 214-767-4101, or send to U.S. Government Publishing Office, 1100 Commerce Street, Suite 731, Dallas, TX 75242.

Bids must be received no later than the exact date and time specified.

BUY AMERICAN ACT - NOTE: In compliance with Contract Terms, Contractor must state within bid submitted the Country of origin where ALL end product are being manufactured.

Indicate the Country of origin on Schedule of Prices on Page 14.

SUBCONTRACTING: The predominant production function is determined to be other than presswork. Accordingly, Contract Clause 6, "Subcontracts," of GPO Contract Terms (GPO Publication 310.2, effective December 1, 1987 (Rev. 1/18)), is modified to permit subcontracting. The contractor may make contracts with any other party for the furnishing of any part of the supplies or work specified.

PAYMENT: Submitting invoices for payment via the GPO fax gateway (if no samples are required) utilizing the GPO barcode coversheet program application is the most efficient method of invoicing. Instruction for using this method can be found at the following web address:

**COMPLIANCE REPORTING:** Contractors are to report information regarding each order for compliance reporting purposes and include date(s) of completion, in accordance with the contract requirements by faxing to Evelyn Whitehead at efaxdallas@gpo.gov or at 800-865-5193. Personnel receiving the fax will be unable to respond to questions of a technical nature.

**PREAWARD SURVEY:**
In order to determine the responsibility of the prime contractor or any subcontractor, the Government reserves the right to conduct a pre-award survey or to require other evidence of technical, production, managerial, financial, security, and similar abilities to perform, prior to the award of a contract. This pre-award survey will include an inspection of the equipment on which file transmissions will be sent or received.

**QUALITY ASSURANCE LEVELS AND STANDARDS:** The following levels and standards shall apply to these specifications:

- **Product Quality Levels:**
  - (a) Printing Attributes -- N/A.
  - (b) Finishing Attributes – N/A.

- **Inspection Levels (from ANSI/ASQC Z1.4):**
  - (a) Non-destructive Tests -- General Inspection Level I.
  - (b) Destructive Tests -- Special Inspection Level S-2.

- **Specified Standards:** The specified standards for the attributes requiring them shall be:

**TITLE:** USDA – Natural Resources Conservation Services Outreach Items

**PRODUCTS:** These specifications set forth the requirements and descriptions of 30 imprinted products. ALL products will be imprinted using the appropriate imprint process for each item. Copy is line art illustration(s) and text matter in black, opaque white, Pantone 288 (dark blue) and/or Pantone 343 (dark green). Contractor must closely match USDA Pantone colors when possible. See “DESCRIPTION” and “Atch A” for each item. Includes packaging and shipping various quantities of each product to seven (7) different locations. SEE DISTRIBUTION.

**QUANTITY:** Various quantities of 30 different outreach items = 140,797 total items. SEE ITEMS 1-30 in DESCRIPTION.

Contractor must submit one (1) sample of each of the final printed products for ALL items, except #s 26, 27 and 30 to GPO – Dallas Office. Samples are not included with contract-specified quantity.

This specification includes attachment(s) that is/are an integral part of the specifications.

Note: Contractors receiving this specification via fax machine will need to go on-line to the Contract Opportunities' link within the GPO Contractor Connection section at the GPO web site, located at https://www.gpo.gov/how-to-work-with-us/vendors/contract-opportunities in order to download the solicitation Attachment herewith. Contractors viewing this solicitation on-line can download the entire PDF. The Attachments are included on pages 17-26.
All parties can obtain an e-mail copy of the attachment(s) prior to quotation deadline by e-mailing jhunt@gpo.gov with their request. Please include jacket number in subject line, request attachments in body of e-mail, and include alternate e-mail address if other than the sending e-mail address.

No additional payment will be allowed for the correction of errors due to the failure of the contractor to examine the attachments and thoroughly understand the nature and extent of the work to be performed.

Bidders may be required to provide either a link to a website containing the item description and a visual for the product they are bidding or written specifications along with a visual for the product they are bidding, within four (4) hours of the written or verbal request from GPO. Bidders unable to comply may not be considered for award.

GOVERNMENT TO FURNISH:
Electronic Media: Various image formats for all logos such as .EPS, .AI, .JPG, .TIF. Contractor will adjust sizes, colors and image quality as required for each product. Include all costs in bid.

CONTRACTOR TO FURNISH: All materials and operations, other than those listed under "Government to Furnish," necessary to produce the product(s) in accordance with these specifications.

Prior to image processing, the contractor shall perform a basic check (preflight) of the furnished media and publishing files to assure correct output of the required reproduction image. Any errors, media damage or data corruption that might interfere with proper file image processing must be reported to your contract administrator.

The contractor shall create/alter any necessary trapping, set proper screen angles and screen frequency, and define file output selection for the imaging device being utilized. Furnished files must be imaged as necessary to meet the assigned quality level.

PROOFS:
Contractor to submit one PDF proof of the art file demonstrated in position on the product. PDF proofs will be evaluated for image position and product quality. Proof will not be used for color match.

Email proofs on or before December 17, 2018. Contractor must call Jim Hunt at 214-767-0451 x5 to confirm receipt.

The proofs will be checked for quality and compliance with these specifications, approved or approved with comments and the contractor will be notified within TWO (2) working days after receipt by the U.S. Government Publishing Office, Dallas, TX and the ordering agency.

If, in the opinion of the GPO and/or Department, the proofs are not a true representation of the furnished copy, or contain noticeable defects they will be rejected must be corrected and reproofed at no additional expense to the Government. The schedule stated elsewhere in these specifications CANNOT be extended to allow for such reproofing. Include GPO jacket number in the subject line of all emails.
Email proofs to romona.taylor@tx.usda.gov; contractor must also copy contract administrator at jhunt@gpo.gov. GPO Jacket number 548-069 must appear on all correspondence.

If the contractor cannot provide an acceptable set of PDF proofs by this date or within a reasonably sufficient time to allow for proof review and printing BEFORE THE ESTABLISHED DELIVERY DATE, he/she may be required to show cause as to why the contract should not be terminated for default.

**AFTER PDF APPROVAL, A PRIOR-TO-PRODUCTION SAMPLES WILL BE REQUIRED.**

**PRIOR TO PRODUCTION SAMPLES:**
After the PDF is approved and prior to the commencement of production of the contract production quantity, the contractor must provide TWO (2) prior-to-production samples for ITEMS 2 AND 3 ONLY, no later than December 21, 2018. Each prior-to-production sample must be constructed as specified using the form, ink, equipment, and methods of production which will be used in producing the finished product.

The Government will approve, conditionally approve, or disapprove the samples within THREE (3) workday of the receipt thereof. Approval or conditional approval shall not relieve the contractor from complying with the specifications and all other terms and conditions of the contract. A conditional approval shall state any further action required by the contractor. A notice of disapproval shall state the reasons therefor.

If the samples are disapproved by the Government, the Government, at its option, may require the contractor to submit additional samples for inspection and test, in the time and under the terms and conditions specified in the notice of rejection. Such additional samples shall be furnished, and necessary changes made, at no additional cost to the Government and with no extension in the shipping schedule. The Government will require the time specified above to inspect and test any additional samples required.

In the event the additional samples are disapproved by the Government, the contractor shall be deemed to have failed to make delivery within the meaning of the default clause in which event this contract shall be subject to termination for default, provided however, that the failure of the Government to terminate the contract for default in such event shall not relieve the contractor of the responsibility to deliver the contract quantities in accordance with the shipping schedule.

In the event the Government fails to approve, conditionally approve, or disapprove the samples within the time specified, the Contracting Officer shall automatically extend the shipping schedule in accordance with Contract Clause 12, "Notice of Compliance With Schedules," of GPO Contract Terms (GPO Publication 310.2, effective December 1, 1987 (Rev. 01-18)).

Manufacture of the final product prior to approval of the sample submitted is at the contractor's risk. Samples will not be returned to the contractor. All costs, including the costs of all samples shall be included in the contract price for the production quantity.

All samples shall be manufactured at the facilities in which the contract production quantities are to be manufactured.
The prior-to-production samples must be delivered by the date specified above to:
